The Rev. Henry Collin Minton, D.D., of the Presbytery of San Francisco, was elected Moderator.

Hon. Robert N. Willson, a member of the Committee of Arrangements, and a ruling elder of the church in which the sessions of the Assembly were held, presented to the Moderator from the Session of said church, and through the kindness of Mr. Benjamin Thompson, one of its members, a gavel made of wood from the old building of the Presbyterian Board of Publication.

The Moderator accepted the gift, and responded to the presentation address.

On the nomination of the Stated and Permanent Clerks, the following were chosen as Temporary Clerks: Rev. Asher B. Temple, of the Presbytery of Geneva; Rev. Calvin Dill Wilson, D.D., of the Presbytery of Dayton; Rev. Harris G. Rice, of the Presbytery of Logansport; Mr. Charles T. Thompson, of the Presbytery of Minneapolis.

The General Rules for Judicatories and additional Rules for Business as contained in the *Manual* of the Assembly were adopted, also the Docket.

On a motion to adopt Standing Order No. 5, adopted by the last Assembly, the point of order was made that the motion was out of order, for the reason that the Standing Orders of the Assembly were binding until rescinded. The Moderator declared the point of order well taken.

Cowan, D.D., Secretary of the Board, Rev. Charles H. Trusty, Rev. D. J. Sanders, D.D., and Rev. John Savage, D.D., was adopted. The Report is as follows :

The Standing Committee on Freedmen respectfully reports as follows :

Your Committee, in the brief interval since its appointment and organization, has made as thorough a study as possible into the activities of our Board of Missions for Freedmen during the year just closed, as well as into the work of the Freedmen's Department of the Woman's Board of Home Missions, which has sustained such close and cordial and effective relations with our Board in the Christian and patriotic privilege of ministering to the welfare and spiritual uplift of so large a multitude of our brethren in the Southland. As in cold blood we have read the Minutes of the Board, and scanned the Secretary's Report and searched the columns of figures, we have had to confess a wholesale quickening of the pulse, a deepening flow of admiration, an

occasional crimson of shame, and now and then a lump in the throat, that threatened to despoil our findings of that judiciousness which is desired in a Committee's report. But none the less the maxim holds true "not to sympathize with is not to understand."

The earlier records of the year are delightful reading. In the glow of life and hope which came with the raising of the burden of debt, the Board started off with an increase in the sadly depleted salaries of the workers on the field, with a lengthening of the school terms which had been shortened during the days of debt, and with the opening of schools and churches which had been closed, with the obvious belief that the Church at large had, by its increased financial ability and munificence, as well as by direct command of the last General Assembly, given orders to right such wrongs and to come up somewhere near our point of privilege. But as the year wore on and it became evident that the churches did not mean all they promised, when it was clear that 3000 and more of them were about to turn a deaf ear to this near cry of humanity and Christian brotherhood, when 233 Sunday-schools which had made glad the heart of Him who died to save us all by contributing the year before to this needy cause heedlessly neglected to make an offering this year, we mark a change in the record; we can read between the lines how those brethren within the Board rooms steeled their hearts against earnest entreaties of school after school, church after church, and worker after worker, for aid that was absolutely necessary for anything like adequate service. The refrain begins to come in more and more frequently, as we read on, with the monotony of wave beats on the sands: "*Refused for lack of funds,*" "*Declined for lack of funds.*" No one can go over the record of the year and note the number of open doors which the Board could not possibly enter under present financial conditions, as well as the amount of personal consecration which could not be utilized, or, if utilized partially, so discouraged by the meagre salary and equipment as to be robbed of its full effectiveness—no one can go over these records without again and again indulging in a feeling of shame and indignation.

While your Committee is convinced that the Board and its honored Secretary could not have made the gifts placed by the Church at their service go farther, and while it is impressed with the importance and effectiveness of the work which is being faithfully done in the office and on the field, it is equally convinced that the great Presbyterian Church is but playing with the problem presented by the mass of ten million of our fellow-beings providentially placed, not at our doors, but around our very hearth-stones.

On every page of the records we see evidences of self-sacrifice which make it certain that the heroic age is not yet altogether a reminiscence. The courage and faith and stability of our little

army of 400 workers in school and college and church are being disciplined to the utmost, and while this year our great Church managed to increase its gifts for this cause from \$155,033 to \$163,265, a little over five per cent., the colored schools and churches brought their contributions up from \$71,763 to \$82,066, an increase of over fourteen per cent. for self-support. We know not where you may turn in all the Church for a nobler record. Place beside this the fact that while the Church at large added about six per cent. to her membership on confession of faith, these earnest workers in the Southland were blessed with an increase of eight per cent.—a net gain of over five per cent to these struggling churches, while this great Church gained only three per cent net. If such figures tell anything, they make it clear that investment of the Lord's money in this enterprise brings at once and prospectively a dividend, which, if not larger than that accruing from other similar investments, at least fully justifies the Church in largely increasing her holdings in Freedmen stock.

But mere statistics can tell little of the story of the moral uplift of the colored population of the South through our Board, comparatively meagre as has been its means and the number of workers employed.

The Board is to be warmly congratulated upon the accession to its working force of the new Field Secretary, the Rev. Dr. Kumler, now of Washington, D. C., who so generously places his superior talents and experience at the service of the Board and the Church free of charge. Your Committee hopes that this is a step toward a renewal of the old plan of special supervision of the churches and schools, which was dropped when the hard times crippled the Board. Your Committee is of the strong opinion that the time has come for a decided forward movement, both in the line of raising from all the churches a much larger income for the Board, and in conducting a more aggressive campaign in the South. The adequate endowment of the various schools of higher learning under the Board which have proved their worth seems to be a matter for immediate attention. The Board should be more and more freed from the burden of the large sums necessary for the running expenses of these schools. In particular the well-matured plan of at once raising \$250,000 as an endowment for Biddle University as a part of the Twentieth Century Fund movement approves itself to the judgment of your Committee, and in its opinion should be taken up by the Church as a fitting pledge of our loyalty to the great cause represented by that University.

It is a matter of the greatest felicitation that the Freedmen's Department of the Woman's Board of Home Missions has been enabled to make so strong an advance this past year in its gifts for this cause. A larger number of the Woman's Societies than ever have been interested, and their gifts rolled up to the splendid

figure of over \$60,000, while more Young People's Societies than ever gave to this cause, very largely under the inspiration from the Woman's Societies. We cannot but see herein a most hopeful sign for the future. In particular we commend the effort to raise \$10,000 on the part of the Woman's Societies to add the unfinished wing to Ingleside Seminary, and the undertaking on the part of the Young People's Societies to raise \$15,000 for a new building for Brainerd Institute.

Your Committee notes with interest the efficient labors of Mrs. Flora D. Palmer as General Secretary of the Woman's Work for Freedmen.

We regret to record the continued serious illness of Rev. J. J. Beacom, D.D., which has added to the already heavy burdens of Dr. Cowan, the duties of Treasurer, and that, too, without further expense to the Board, and we wish hereby to convey our message of sympathy to Dr. Beacom. We commend the wise and careful policy of the Board as set forth in the Thirty-sixth Annual Report made to this Assembly by the Secretary. We rejoice in the statement that "we have had more workers in the field and they have worked longer time, and it would seem that without doubt more has been accomplished for the good of the race and for the advancement of the cause of Christ, than in any preceding year."

In conclusion we would state:

1. Your Committee has examined the books of the Board and finds them neatly and correctly kept. We recommend their approval.

2. We would recommend that this Assembly express its conviction that the scope of the Freedmen's work is such as to justify and imperatively call for the raising by the churches and societies of \$250,000 for current expenses during the present year.

3. The term of service of the following-named members of the Board expires with this Assembly, and after special inquiries as to their faithful and efficient labors in the Board, we recommend their reelection: Rev. David R. Breed, D.D., George B. Logan, S. P. Harbison, James C. Gray, and Rev. W. L. McEwan, D.D.

4. We recommend that the first Sunday of December be specially set apart as a fitting occasion for each Sunday-school of the Church to contribute to this Board, and that we urge each school to coöperate in this patriotic and Christlike enterprise.

5. We desire to commend most heartily the work of our consecrated women and of the Young People's Societies of the Church in furthering this great cause.

6. We recommend that the plan of the Board to seek coöperation in raising a \$250,000 endowment for Biddle University as a part of the Twentieth Century Fund movement receive our heartiest God-speed, and that by action of this Assembly the

Church, through appropriate channels, in coöperation with the Twentieth Century Committee, hereby undertakes to raise that amount in the near future.

7. Finally, we recommend that the various Synods and Presbyteries be earnestly requested, in selecting Chairmen of their Freedmen Committees, to appoint such brethren as are specially fitted to take local leadership in pushing zealously among the churches the general work of this Board, in coöperation with the local Woman's and Young People's Societies, and who shall particularly coöperate in the raising of the \$250,000 endowment for Biddle University.

Respectfully submitted,

HENRY W. HULBERT, *Chairman.*

The Special Committee on Sabbath Observance, through its Chairman, Rev. I. W. Hathaway, D.D., presented its Report, which was accepted, and its recommendations adopted. It is as follows :

Your Committee on Sabbath Observance would most respectfully present to the General Assembly the following Report :

This opening year of the Twentieth Century is one calculated to bring a new sense of responsibility to every American citizen, and to quicken the pulse of all Christian endeavor and patriotic effort.

It is a time for a renewed zeal in and for the Church of Christ and a new loyalty to all principles and institutions that have, under God, made this Republic the pride of our people and hope of the world. We should prayerfully consider and carefully conserve all that is fundamental to our past, present and future greatness as a nation among the nations of the earth ; looking not only to the benefits for ourselves and for our children and for the generations of our citizens that are to follow us, but to the good of the great family of nations of which we have by the providence of God become so conspicuous a member. Few of us perhaps fully realize to what God has called us, not only as related to the great, so called, heathen nations of the Orient, but also as a force for righteousness among the professed Christian nations of the earth. This divine purpose shall be realized only as we, as a nation and a people, shall be obedient to the eternal and the immutable law of life as formulated in the Decalogue. This obedience conditions Heaven's blessing. This obedience conditions the presence and power of the Holy Spirit, whether in the individual, the Church or the nation. It is folly for the Church or the individual to pray for the Spirit or for a blessing while living in disobedience of the plainly revealed and known law of life. Of this law the Fourth Commandment is the key. By the Fourth Commandment the Decalogue is interpreted, and its requirements understood and its obligations made possible of realization.

This revealed law is written not only in the Word of God, but plainly written in human nature and in the physical universe, that it may be known and read of all men. Without obedience to the moral law of the Decalogue, Christian civilization is but a dream impossible of realization on the earth. Therefore, obedience to the Fourth Commandment is the primal necessity, and is fundamental to all possible hope of the Church or of the State.

The sin of avarice, the spirit of commercialism, the greed for material gain, aided by the supineness of moral people and the carelessness of many professed Christians, are threatening to eliminate the sacred hours of the Christian Sabbath from the American calendar. We would sound the trumpet of alarm. We would arouse our Church and the Christian world to the necessity of an immediate and faithful defense of the Lord's Day against the further advance of the allied forces of self-indulgence and greed for its destruction. It is a sad commentary upon the Christian intelligence of this so-called Christian nation regarding the true nature and value of the Sabbath Day, that there is any question concerning the closed gates of our industrial expositions on Sunday. The moral intelligence of this country should be so awakened and quickened that the demand for an open gate of our great expositions on the Lord's Day would find no respectable defenders, and should receive no serious consideration by the managers of such public enterprises.

Corporate expression of commercial enterprise is demanding an alarming increase of enforced labor on the Sabbath Day. Ten years ago a careful estimate placed the number thus employed at two million. To-day there are nearly or quite five million. The alternative presented to these men is work, or give place to others who will. There are between five hundred thousand and a million persons, older or younger, directly and indirectly engaged in the distribution of the Sunday newspapers in these United States on the Lord's Day.

Against these things the Christian Church must take a strong and united stand in behalf both of the rights of the laboring man and the cause of righteousness.

PARIS EXPOSITION.—Your Committee are happy to be able to record the fact that there are some cheering evidences of a deepening interest in the preservation and right observance of the Lord's Day in our land. It is with pleasure that we have to report, that through instructions issued by President McKinley, the United States building was closed every Lord's Day during the continuance of the late World's Exposition in Paris, and thus stood as an object lesson before all the nations of the world proclaiming the attitude of America toward this sacred institution of the Sabbath. The Popular League for Sunday Rest in France, by permission of the French Government, held an International Sunday Rest Congress in connection with the World's Exposition then being held in Paris. This Sunday Rest Congress was

attended by 400 delegates from the various European and American countries. Rev. I. W. Hathaway, D.D., Secretary of the American Sabbath Union, was commissioned by U. S. Commissioner-General Peck, and was the sole representative from this country present at the Congress. The notable feature of this Congress was the report of the wonderful advance of Sunday rest in France—the large diminution of Sunday railroad trains, especially freight trains, and also the closing of public works, post-offices, telegraph offices, etc., and a very large increase in the number of the shops of Paris which are closed on Sunday. The Manager of the Louvre Department Store reports that they had for some time past completely closed their establishment, giving liberty to 3000 employees, without any financial loss. The excess of receipts on Saturday and Monday more than made up the loss of the former Sunday trade. This example is now largely followed by the other business houses, and soon after the closing of this Congress, the Government gave instructions to close all post-offices in France after 12 o'clock Sunday. The same general conditions in advance of Sunday rest apply in a greater or less degree to all Continental countries.

ST. LOUIS EXPOSITION.—It is a matter of profound congratulation to all loyal Americans that the United States Congress was responsive to the moral sentiment of the country, as expressed by the Sabbath Associations, in that our amendment to the bill appropriating five million for the coming Louisiana Purchase Exposition, to be held in the city of St. Louis in the year 1903, was accepted and adopted by an overwhelming majority in both Houses of the United States Congress. Special honor should be accorded by all Sabbath-loving people of America to U. S. Senator Teller, who introduced our amendment, and to Representative Grout, of Vermont, who stood sponsor for the same in the House of Representatives.

PAN-AMERICAN EXPOSITION IN BUFFALO.—A vast amount of work has been done by the American Sabbath Union and coöperating Associations to prevent, if possible, the opening of the Pan-American Exposition gates on the Lord's Day. The American Sabbath Union sent out 30,000 blank petitions and secured about 2,000,000 personal signatures and declarations; also from officers of labor organizations and ecclesiastical bodies protests representing many millions, together with hundreds of personal letters, many of which were from prominent business men, all protesting against the opening of said gates on the Sabbath Day. A large mass meeting was held in the city of Buffalo to voice these protests on March 31, and a conference had with the Committee of the Board of Directors on April 2. We had hoped to have reported the decision before this date, and have strong expectations that it will be right.

These things are the rifts in the cloud, the glad tokens of the existing American conscience and the basis of the hope that the

Christian Sabbath will yet be preserved in America, both for our country and for the world as it shall come into the knowledge and the blessings of a Christian civilization.

We earnestly recommend that this General Assembly adopt the following resolutions, that the attitude of the Presbyterian Church in these United States of America toward the Christian Sabbath Day may not fail of expression. May they go forth with the prayer that they shall be attended by the blessing of God to the furtherance of His kingdom in the earth :

Resolved, 1. That the General Assembly hereby reaffirms its settled conviction, that the law of the Sabbath is a divine law of perpetual binding obligation upon all men.

Resolved, 2. That the obligation for the preservation of the sacred character of the Sabbath Day rests primarily upon the membership of the Church of Christ. The General Assembly does therefore most earnestly enjoin all ministers, elders and members of the Presbyterian Church in the United States of America, first, to a careful examination of their lives and their influence as related to a proper personal observance of the day, and second, as to the preservation of its sacred character in the community as a day of rest and worship and spiritual culture ; in short, to so remember the Sabbath as to keep it holy—i.e., for the promotion of holiness among men.

Resolved, 3. That the General Assembly hereby enters its solemn protest against what is known as "Seven-day Journalism," or the popular Sunday newspaper of this age, and do earnestly recommend against the purchase of and reading and advertising in said Sunday newspapers.

Resolved, 4. That we heartily commend the United States Congress for conditioning the appropriation of five millions of dollars to the Louisiana Purchase Exposition, to be held in the city of St. Louis, in the year 1903, by the following amendment to said bill :

"That as a condition precedent to the payment of this appropriation the Directors shall contract to close the gates to visitors on Sundays during the whole duration of the Fair."

Resolved, 5. That we repeat our request of last year, with renewed emphasis, that the United States Congress and all State Legislatures make no more appropriations for industrial expositions to be held in this country, without the condition that such exposition shall be closed to visitors on each Lord's Day during continuance.

Resolved, 6. That we affirm the inalienable right of every man to rest from labor on the Sabbath Day, or the day commonly called Sunday, and therefore earnestly request all railroad companies, and all directors of corporations of whatever character, and all individual employers of labor, to so direct their corporations and business enterprises as to secure the minimum of labor and the maximum of rest on the Lord's Day.

Resolved, 7. That we most earnestly protest against any and all use of the Lord's Day as a day for business purposes and commercial interests, as well as against all uses of the day for sports, games, social functions and worldly pleasures.

Resolved, 8. That we most heartily commend the work of the American Sabbath Union which resulted in the closing of the gates of the coming Louisiana Purchase Exposition on the Lord's Day, and also warmly endorse the general work of the American Sabbath Union and the Women's National Sabbath Alliance, in their faithful efforts to preserve in its purity the American Christian Sabbath Day.

Resolved, 9. That we earnestly recommend that each pastor of our communion preach a sermon in the month of April next on the subject of the Sabbath, and that at that time an offering be made for the work of the American Sabbath Union (which is the association organized by the coöperation of the General Assembly in 1888, and which represents the Presbyterian Church in the United States of America in this department of Christian work), or, in lieu of an offering, we recommend that this association be placed upon the list of benevolences of the churches, contributions to be sent to Col. A. S. Bacon, Treasurer, 34 Wall street, New York city.

Resolved, 10. That the Assembly's Committee on Sabbath Observance be continued and these resolutions be read by the pastors from their pulpits in connection with the sermon preached on this subject.

Resolved, 11. That the General Assembly of the Presbyterian Church in the U. S. A., now in session in the city of Philadelphia, profoundly deprecates the fact that the Directors of the Pan-American Exposition at Buffalo have seen fit to open the gates of said Exposition to visitors from 1 to 11 o'clock P.M. each Lord's Day, and does hereby express its solemn and earnest protest against said action as opposed to the best traditions and interests of American institutions and civilization; and that we, the members of this Assembly, do most earnestly urge upon this Board of Directors that they reconsider their action that thus opened these gates on the Lord's Day, and that from this date they shall close said gates to visitors all the hours of each Lord's Day during the continuance of this Exposition.

The Standing Committee on Ministerial Relief, through its Chairman, Rev. Henry E. Mott, D.D., presented its Report, which was accepted, and after addresses by the Chairman, the Rev. Benjamin L. Agnew, D.D., Secretary of the Board, and others, was amended and adopted. It is as follows :

Your Standing Committee on Ministerial Relief respectfully presents the following Report :

The affairs of the Board seem to have been conducted with the same painstaking care as in the past. The report is clear and complete. It shows during the year 931 names on the roll, of which only 375 are ministers. This fact reminds us that the care of the Board is never so much exercised for the ministers themselves as for their families ; that the ministers choose to labor as long as God gives them strength, and this speaks volumes for the sense of honor and the consecration of our ministry. This Committee has known of an instance where an aged servant of God of more than four-score years, housed in a home whose comforts he recognized, expressed his desire to be given any field, no matter how far away and how humble, where he might do some obscure work for the Lord, and by which he might support himself and good wife. His only call was not for comfort, but for some hardship for the Master. This case is not isolated, and it is worthy of all praise.

But age and infirmity have their limitations, as well as their claims. Doubtless these men would find the efficient conduct of the pastorate impossible. Your Committee believes that the conviction of the honorable nature of this retirement should be impressed upon the officers of the Church, something as it obtains among our military and civil officers. Is not the restlessness of ministers, when they have lost the strength for active service, in part due to the idea that what they receive is regarded as charity, rather than as continued compensation in view of work already accomplished ? And would not the amount paid them, however small, if classed as an annuity which is theirs by right, tend to remove this impression ?

Your Committee further asks whether this amount need be so small ? The average sum paid to ministers classed as Honorably Retired is \$285.47. The average amount, however, paid to all annuitants is but \$195.65. Our Investment Funds, together with other incomes, yield a total of \$201,650. The total expenses of management were last year \$8955—an economical showing. If every annuitant were to receive \$325 per year, the 931 names would call for \$302,575. That is to say, the income would have to be increased by one-third. The list of contributing churches last year shows that for every four which gave to this cause, three did not. Only four Synods contributed more than they drew out—Pennsylvania, New Jersey, New Mexico and Montana. New York Synod contributed nearly as much as it drew out. This might be thought due to the fact that

three of these are our wealthiest Synods. But it would also seem that naturally more possible annuitants would be living in these older sections. This fact suggests two conclusions: first, that numbers of those entitled to aid, and resident in these Synods, are cared for by individuals or churches, without aid from the Board; secondly, that the cause is laid more thoroughly upon the heart and conscience of the churches in these Synods.

It may well be questioned whether the cause of this Board has had the large place in the attention of the Church which it ought to have had. Other Boards have been permitted to urge their claims. Home Missions and Foreign Missions have come before us, though none too much, and have met with generous treatment. The Assembly at Minneapolis two years ago was thrilled by the payment of the debt on the Board of Freedmen. The Twentieth Century movement is sweeping millions into the treasuries of the Church, and to all this we would call no halt, but again and ever plant the flag farther on. Yet in all this tumultuous though orderly uprising, we listen in vain for adequate response to the commonest claims of honor and fair-dealing with regard to our own fellow-workers. Can it be that the National Government and our municipalities, and even our corporations, shall treat their servants with more consideration than the Church of Christ shows to its retired officers? The minister is necessarily and rightly educated to tastes which are at least up to the average of the community in which he is called upon to live, otherwise his lack of sympathy with the community in educational and social matters would make his leadership, even in spiritual things, impossible. He must be abreast of the secular standard if he would command respect for his views of the sacred standard. Yet at no time and in no community does he receive a salary even distantly commensurate with the salaries of others among whom he moves, the average salary of a Presbyterian minister being but \$637 per year. Old age generally finds him without financial reserve, and there seems positively no help for it. Has the hour not come when some man, with heart on fire and tongue of flame, shall make himself heard on this theme? Is it not an appointed time for the Presbyterian Church, which has so nobly and majestically risen to the support of other causes, to stand back of an organized and universal movement to place this cause on an adequate basis, and remove this reproach—the reproach contained in its treatment of its aged and disabled ministers—from our beloved Church?

Your Committee is convinced that the standard of honor attaching to the retired army and navy officers should be at least equaled by that accorded to officers of the King of kings, who have for good reasons been retired from the arduous work of the pastorate; but that this cannot obtain until such time as the minister who has been retired by age or disability contracted in the service, shall have been placed beyond the need of support

which can in any wise be regarded as charitable, and draws a stated salary as of right, not as relief, from the treasury of the Church; and that this can only be accomplished by care on the one side in admitting ministers to this standing, and on the other by a more efficient support of those thus admitted. Further, that the treatment accorded its servants by the Government of the United States, by the various States and municipalities, and even by corporations, brings it home to the great Presbyterian Church, to enquire whether it is not prepared to fall into line with this modern recognition of the ideal of the Master.

Your Committee records with great regret the resignation of George Junkin, Esq., LL.D., whose ill health has caused sorrow in all our churches. The death of Rev. Henry E. Niles, D.D., reported at the meeting of the Assembly last year at St. Louis, and that of Rev. Robert Alexander, D.D., which occurred February 27, of this year, have brought grief to the most active friends of the Board.

Your Committee recommends:

1. That the work of the Board of Relief be earnestly commended to the increased benevolence of the churches; and that specifically an effort be made to raise the sum of not less than \$125,000, as the amount absolutely needed to meet the demands made by the Presbyteries.

2. That the whole matter of ministerial relief, as related to an improved method of sustentation, be referred to a Special Committee, consisting of three elders and two ministers, in connection with the Board of Ministerial Relief, to take under advisement and report to the next General Assembly.

3. That Rev. Marcus A. Brownson, D.D., Rev. W. W. McKinney, D.D., A. Charles Barclay, Esq., and H. S. P. Nichols, Esq., members of the Board, whose terms of office expire with this Assembly, be reelected.

Respectfully submitted on behalf of the Committee,

HENRY ELLIOTT MOTT, *Chairman.*

The following Supplementary Report was presented by the Committee on Ministerial Relief, and was adopted:

1. That this General Assembly non-concurs in the recommendation of the Board of Relief as to closing the Westminster Home in Perth Amboy, and accordingly directs the Board to defer the proposed action for the period of at least the current year, meanwhile maintaining the title effectively at the smallest possible expense; and in the discharge of this responsibility welcoming such assistance as the Presbytery within whose bounds the Home is located may be disposed and able to render.

2. We recommend that the General Assembly grant discretion as requested to the Board of Ministerial Relief in the matter of the Merriam Home.

3. That the General Assembly gratefully recognizes the

earnest zeal of the Presbytery of Elizabeth in the matter of maintaining, if possible, the Westminster Home in Perth Amboy, as a remunerative property of the Presbyterian Church, and has accordingly directed the Board to defer the proposed closing of the Home for the period of at least the current year, meanwhile welcoming such assistance in the administration of this trust as the Presbytery of Elizabeth shall be disposed and able to render.

Respectfully submitted,
HENRY ELLIOTT MOTT, *Chairman.*

The Assembly took recess, and was closed with prayer.

CHARLES A. DICKEY, *Chairman*.

The Standing Committee on Education, through its Chairman, Rev. DeWitt Benham, D.D., presented its Report, which was accepted, and after addresses by the Chairman, the Rev. Edward B. Hodge, D.D., Secretary of the Board, and Elder David Jacks, was adopted. The Report is as follows:

Your Committee has examined carefully the record of meetings of the Board and the Treasurer's accounts, and find the business of the Board conducted in every way satisfactorily.

We are pleased to discover that the Board not only closes the year free of debt, but with a surplus in its treasury. It is the purpose of the Board to add this surplus to a legacy of \$5000 recently received, and thus have a fund of \$17,973 to be used as a reserve fund. By means of this reserve fund the Board will be able to increase the amount of scholarships granted to college and seminary students from \$80 per student to a maximum of \$100, and of preparatory students from \$70 per student to a

maximum of \$90. This is an increase of \$20 per student, and brings the amount more nearly back to the old-time standard. The Board has never been able to provide for a student sufficient money to support him during his years of study, but enough merely to encourage him in his efforts to support himself. The student must largely make his own way and win his own support. Your Committee, however, are gratified that the Board will be able to do more for the students in this coming year than it has been able to do for a number of years past. There is, nevertheless, a regret in the mind of the Committee. This regret is caused by the fact that the increase in the amount of these scholarships is partly possible through a decrease in the number of students now under the care of the Board. This decrease has continued steadily for several years. In the year 1896 the Board had 1037 students under its care; in 1897 the number had fallen to 911; in 1898 to 814; in 1900 to 716, and this year, 1901, it is but 600. This state of affairs is alarming. What must the Church do to increase the number of her candidates for the ministry? Here is a problem which must be met and solved at once. The ministry is not overcrowded. The supply of ministers is not equal to the demand of the churches. The harvest is white and the laborers are few. Christian young men are many of them turning their attention to law, to medicine, to journalism, to teaching, and are neglecting the claims of the Gospel ministry. Let the Church discover the reason for this, and then remove the difficulty where it is possible. Let her supplicate the Lord of the harvest to thrust laborers into His harvest field. Ministers and missionaries the Church must have, but they must be men baptized of the Holy Spirit and sent of God.

The Presbyterian Church has always insisted upon an educated ministry. She requires a long course of study before she is willing to ordain a man to preach the Gospel. To pursue this long course of study a large amount of money is required; but God is no respecter of persons. His call is not confined to the rich; it embraces also the poor. It may be extended to Saul the Pharisee, or to Simon the fisherman. It is the duty of the Church to receive and train these men whom God calls. Since the Church considers this training essential to success in the Christian ministry, and since the Church insists upon the necessity for this training, it is her duty, where the God-called man is poor, to assist him in his efforts to secure an education. Your Committee, therefore, ask for the generous gifts of the churches toward this important benevolence. It would call attention to the fact that of 7750 churches, 4136 failed to make any contribution toward the Board. Let us anticipate the fulfillment of our prayers when we ask God for men, by pouring into the treasury of the Board the money required to educate these men.

Your Committee notes that the Board has followed the recom-

men- dation of the Special Committee of last year, appointed by the General Assembly, in granting permission to all candidates who prefer to receive their scholarship in the form of a loan to do so, with the understanding that service in mission fields at home or abroad would entitle them to a credit of \$150 for each year of service. Up to the present time, however, no students have taken advantage of this plan.

Your Committee is also interested in noting that certain Presbyteries are making an effort to find employment during the seasons of vacation for the students under their care.

We rejoice, moreover, that students of foreign birth are being prepared in Presbyterian schools and seminaries to labor among their countrymen who reside in the United States. We would note favorably the work which is being conducted among the Italians in this country, and express the hope that consecrated servants of God may not be lacking to engage in this portion of the Master's field.

Your Committee recognize the need of some uniform standard of scholarship among students who are being prepared for the theological seminary. This uniform standard may be secured, first, by greater uniformity in the curricula of our colleges, and secondly, by greater uniformity in the examinations conducted by the Presbyteries.

During the past year the Board has endeavored to impress upon the mind of the Church the importance of the claims of the Christian ministry through the use of tracts and leaflets. Fifty thousand of these leaflets were distributed last year; articles also appeared in the *Assembly Herald*, and personal visits were made by the Secretary to various educational institutions, while sermons were preached and addresses made before Presbyteries, Synods, churches and General Assembly. A special illustrated leaflet was sent out during the past year to Christian Endeavor Societies, and also a leaflet entitled "Martyr Missionaries" and one treating of a call to the ministry, the latter being distributed among college students in the Junior and Senior classes.

The Committee would refer to Constitutional Rule No. 3, transmitted to the Presbyteries by the last year's Assembly, and would express the opinion that the item requiring all candidates, whether under the care of the Board or not, to file their applications with the Stated Clerk of Presbytery at least three months before the meeting of Presbytery, will in many instances work hardship to the student from the fact that a large number of the Presbyteries have meetings but twice a year, and others but once a year.

Your Committee would present the following resolutions:

1. That earnest prayer be offered throughout the Presbyterian Church to the Lord of the harvest that He may send laborers into His harvest field.

2. That the claims of the Gospel ministry be presented faith-

fully to the children of the Church by the pastors of the various congregations, and that parents be urged to consecrate their children to the service of God in the Gospel ministry.

3. That where it is deemed advisable sermons upon the subject of Ministerial Education be preached before the Presbyteries as often as may be convenient.

4. That the last Thursday of January be observed as a Day of Prayer for Colleges and Academies, and that upon that day special prayer be made to God that the ranks of His ministry may be filled with consecrated men.

5. That those contributing to the Twentieth Century Fund be asked to include in their contributions the Scholarship Fund of the Board of Education.

6. That it be recommended to the Board that the aid to college and seminary students for the coming year be fixed at the rate of \$100, and to preparatory students at \$90, as maximum amounts, if the state of the funds will warrant it.

7. That in the investment of moneys arising, whether from the proceeds of unrestricted legacies or from the transfer from the Permanent Fund to the Current Fund, authority shall be and is hereby given to the Board of Education of the Presbyterian Church in the United States of America, and through them to their Finance Committee, to invest any portion or all of the moneys aforesaid in first lien bonds of companies incorporated under the laws of the State of Pennsylvania, it to be understood that this authority shall not in any sense interfere with the discretion of the Board or its Finance Committee in making any investments in such securities as are now authorized by the laws of the State of Pennsylvania, the above action being at all times subject to the approval of two-thirds of the entire membership of the Board.

8. That the Assembly confirms the action of the Board in electing John B. Gest, Esq., to fill the place of Rudolph S. Walton, deceased, and the Rev. W. P. Finney, to fill the place of Rev. W. H. Miller, D.D., resigned.

9. That John S. MacIntosh, D.D., J. Sparhawk Jones, D.D., Hughes O. Gibbons, D.D., John B. Gest, Esq., Mr. George H. Stuart, Jr., and Mr. A. A. Shumway, whose terms of service expire at this time, be reelected to serve for three years.

10. That the Assembly expresses satisfaction at the excellent financial condition of the Board, the carefulness with which its funds are managed, and the wisdom which has characterized its policy.

Respectfully submitted,

DEWITT M. BENHAM, *Chairman.*

The Judicial Committee, through its Chairman, Rev. John W. Dinsmore, D.D., presented a Report, which was adopted, and is as follows :

The Judicial Committee respectfully reports :

Judicial Case No. 1, being an appeal by the Rev. Owen Riedy from a decision of the Synod of Texas. It has come up to the General Assembly in an orderly manner, but inasmuch as the case presents no question which affects either the doctrine or Constitution of the Church, we recommend that it be dismissed. Adopted.

Judicial Case No. 2, entitled Complaint of Hodge *vs.* the Synod of New Jersey. Your Committee find that this is not a Judicial Case, inasmuch as the issues raised respect the regularity of the proceedings of Synod, and are therefore properly the subject of review and control. We recommend that the case be withdrawn from the Judicial Committee, and be referred to the Committee on the Records of the Synod of New Jersey. Adopted.

Judicial Case No. 3, entitled an Appeal of Backus from a decision of the Synod of Kansas. Your Committee find that this case was before the last General Assembly, and was sent back to the Synod with certain instructions as to its disposition. We find from the records of the Synod that these instructions have been complied with, and therefore recommend that the case be dismissed. Adopted.

Judicial Case No. 4, being an appeal of J. C. Bose from a decision of the Synod of India. We find that the papers are in order and that the case presents questions affecting the Constitution of the Church. We therefore recommend the appointment of a Judicial Commission to which the case shall be submitted for trial. Adopted.

Judicial Case No. 5, being an appeal of John E. Dayton and others from a decision of the Synod of Pennsylvania. We find this case in order, and that it raises questions respecting the Constitution of the Church, and recommend that it be referred to a Judicial Commission to be tried and issued, in accordance with the provisions of the Book of Discipline. Adopted.

Judicial Case No. 6, entitled Complaint of the Session of the

Church of the Covenant *vs.* the Presbytery of Northumberland. Your Committee find that this case was brought directly from Presbytery to the General Assembly, passing over the Synod, which is contrary to Section 72, Chapter ix, Book of Discipline, and would therefore recommend that it be dismissed. Adopted.

Judicial Case No. 7, entitled the Presbyterian Church in the United States of America *vs.* Mrs. Sarah R. Clinton. We find this case in order, and that it raises questions affecting the Constitution of the Church, and recommend that it be referred to a Judicial Commission to be tried and issued in accordance with the provisions of the Book of Discipline. Adopted.

Judicial Paper No. 8.—There has been referred to your Committee a paper signed by John E. Dayton and others, calling attention to an alleged error in the *Minutes* of the General Assembly of 1900, touching the record of a certain Judicial Case acted upon by that Assembly. Inasmuch as the subject-matter presented in this paper is in no sense of a judicial character, it is respectfully returned to the General Assembly without recommendation.

Respectfully submitted,

JOHN W. DINSMORE, *Chairman*.

It was made the third Order for Wednesday afternoon to hear Rev. Richard S. Holmes, D.D., on the payment of the mortgage debt on the Presbyterian Building in New York.

The Standing Committee on Home Missions, through its Chairman, Rev. Hugh K. Walker, D.D., presented its Report, which was accepted, and after addresses by the Chairman, the Rev. Charles L. Thompson, D.D., Secretary of the Board, and others, was adopted. The Report is as follows:

The year upon which we are looking backward to-day has been one of unusual international complications. The oldest empire in the world has furnished to us our newest problems. China and South Africa have held the stage, and the eyes of Americans have been turned very largely away from America. In our study of international politics we have become somewhat infected with a cosmo-mania which has made us forget too much the interests of our own dear country. It is a good thing to be "citizens of the world," but it is a necessary thing always to remember that first of all we are "citizens of America." "Beginning at Jerusalem" is always to be the motto of the Christian Church. That is ever the Divine starting-point, and it must certainly be ours. We would call our eyes back, therefore, from the ends of the earth and fix them again with steadfast and loving gaze upon our own, our native land.

Your Standing Committee on Home Missions has examined with great interest the printed Reports of the Board of Home Missions for the year ending April 1, 1901, and of the Woman's

Board of Home Missions for the same year and also of the Board's Superintendent of School Work as they have been presented to the General Assembly. It has been a most delightful exercise! It has been like the inspection of a grand army. If the Americanism of any Presbyterian needs to be stimulated, it will richly repay such an one to read these reports. It will make him prouder of his country to know something of the self-sacrificing toil and tireless zeal of the home missionaries who have been veritable "sky pilots" to many storm-tossed souls. The pages of these reports are not dry and uninteresting, but are as thrilling as any romance. If we could catch a glimpse of the 1767 men and women who are laboring in the field white for the harvest or fighting the good fight of faith against mighty odds and on the "thinnest kind of a firing line," it would be an inspiring spectacle. It would be a wide vision, reaching from the Arctic Circle to tropic seas. It would be a blessed vision, because it would include the 7000 souls brought to Christ and the 117,000 children and young people in the Sabbath-schools and whose faces are turned ever heavenward. The Church would surely feel that the three-quarters of a million of dollars given to Home Missions last year was a magnificent investment. And to-day the sigh of regret that fills our heart is that we did not invest more. It is true that for the third successive year the Board has come to the Assembly out of debt, but the balance is very small, and only the most skillful management has saved the Church from disaster. Never has any Church been more faithfully served than has our great Church by the officers and members of our Board of Home Missions. They have put forth the most strenuous endeavors, and yet in spite of the phenomenal prosperity which has characterized all lines of trade and commerce there has been little increase in the contributions, and much of the new work which had been so hopefully planned has had to be abandoned, and unless larger help is forthcoming we are confronted with the stern necessity of doing less work, instead of more, during the coming year. Surely the American spirit needs reviving. It is the desire of your Committee to deal with this matter in perfect frankness and fairness. There are many bright and hopeful things that can be truly said. It has been in many respects a more blessed year. The churches have responded nobly to the clarion call of the last Assembly in the matter of reaching self-support and forty-three churches, the largest number in many years, declared their independence last year. And yet on account of the new work to be undertaken and of many trying conditions in the older fields, such as the changing character of the population, the existence of long-continued drought, the devastation wrought by storm and pestilence, the Presbyteries have almost uniformly asked for more money than could be possibly granted. The Board has loyally kept its promise not to incur any large debt, and has steadfastly

refused to make appropriations beyond the income which it could reasonably expect based on the average receipts for the past ten years. This is right, but it has necessarily worked hardships. In the newly organized Presbytery of Cimarron, in Oklahoma Territory, for example, the need is very great. The opening of a vast tract of new country, comprising five counties, the extensive construction of new railroads and the immediate influx of at least fifty thousand people, furnish to us a golden opportunity. There ought to be at least one Presbyterian missionary in each of these five counties on the day that they are thrown open for settlement, in order that the incoming population may find the land preëmpted for Christ. But this is only one clear call. There are scores of other opportunities for effective service: Porto Rico, with its great and pressing calls, and where our Church is already doing a splendid work—a greater work than all other Churches combined. The attention of your Committee has been called to the needs of scores of thousands of foreigners, notably Hungarians and Bohemians, in our great cities, concerning whom the Presbyterian Church has some special responsibilities and opportunities, and yet for whose spiritual welfare we are apparently very little concerned. And if the crying needs of the Presbyteries could be realized by this Assembly to-day, there would be some minor notes in our song of rejoicing over the completion of another year's work without any debt. This is an achievement of which the Board may well be proud, on the ground of excellent business management; but we are not, as a Church, to congratulate ourselves overmuch, when we remember that the glad announcement of "no debt" has been made possible by the scaling of meagre salaries, the prospective contraction of our blessed work, and the thwarting of many plans for the speedy bringing of America to Christ. With increasing prosperity there has been practically a decreasing interest in the great cause of Home Missions. In the matter of contributions directly to the treasury of the Board many of our strong Presbyteries and some of our largest and wealthiest congregations have been painfully derelict. It is reported that last year only 354 churches gave as much as \$100 or more, and of this number only 164 gave as much as \$200 or more. Something must speedily be done to improve these conditions if the Church is to begin its forward march with the new century. Some suggestions will hereafter be made, looking to this end.

In the meantime some matters of special interest must be gratefully recorded. First, the women of the Presbyterian Church are marching on. They have collected and paid over directly into the treasury of the Board alone \$300,000 for their work among the Alaskans, Indians, Mexicans, Mormons, Mountaineers and Porto Ricans. Thirteen new schools have been opened during the year and eleven new buildings erected. But the field story shames all figures and cannot be

told in the formal sentences of an Annual Report. No words at our command can adequately express our gratitude to God for these noble women, who are helping efficiently in the work of winning our country for Christ. In this connection we most heartily commend the Report of the efficient and enthusiastic Superintendent of Schools as a veritable gold mine of precious and inspiring facts concerning the work which our Woman's Board is so grandly doing for Christ and the Church. It is encouraging to note substantial advance in the matter of contributions from the Young People's Societies and Sabbath-schools. Here is the nucleus of the conquering army of the Twentieth Century.

And here we are reminded of the splendid work of the Twentieth Century Committee under the superb leadership of the Moderator of the last General Assembly, the Rev. Dr. Charles A. Dickey. The influence of the magnificent addresses made by Dr. Dickey in nearly all the large cities of the continent and the raising of more than three million dollars for various objects cannot be overestimated. It doubtless means great things for our Home Missionary Zion in all the coming years. The Twentieth Century Committee, its Chairman, the Rev. Dr. Marcus A. Brownson, and above all, Dr. Dickey himself, deserve the cordial thanks of the Assembly and of the entire Church for their self-denying labor of love. Two things, indeed, have signally characterized the past year: Debt-paying on the part of churches, and special personal unremunerated efforts on the part of individuals. These two things are joined together everywhere, but notably so in the splendid movement now being carried forward toward the extinguishing of the debt on the Presbyterian Building in New York. The Church is under lasting obligations to the generous men and women who have given so abundantly toward this glorious object, and also to the Rev. Dr. Richard S. Holmes, of Pittsburgh, and Dr. W. W. Atterbury, of New York, for their untiring and entirely unremunerated endeavors to secure subscriptions for the liquidation of this burdensome debt. It is hoped that during the coming year this noble enterprise may be triumphantly accomplished.

Your Committee desires now to call special attention to another matter which has been brought before us. It is concerning the matter of securing an anti-polygamy amendment to our National Constitution. We heartily commend the work of the Christian women of all denominations in carrying on a non-partisan and non-sectarian campaign of education for the advancement of the movement for the proposed amendment, and we would urge our churches and ministers to coöperate with these women so far as they can consistently do so. Recent developments would seem to call for greater earnestness and zeal in dealing with this grave question, this serious menace to the moral and religious welfare. In closing this Report, we would remind the Assembly that

next year will be signalized as the centennial year of our Home Mission work, and in order that this may be the most glorious year of its history, the Board is making most strenuous endeavors to bring a large number of churches to self-support, and at the same time large increase in the contributions, so that new and much-needed work may be at once inaugurated. Your Committee would strongly urge the Presbyteries to insist more earnestly than ever before upon the necessity of churches which have been long aided by the Board declaring their independence during this centennial year.

Your Committee has examined the Minutes of the Board for the past year and finds them, in every way, to be worthy of unstinted commendation as presenting a clear and concise statement of the executive and routine work of the Board.

We respectfully offer the following recommendations for the action of the Assembly:

Resolved, 1. That the Minutes of the Board of Home Missions be heartily approved.

Resolved, 2. That the following members of the Board, whose terms expire with this General Assembly, be reelected for the term of three years, to wit: *Ministers*—James S. Ramsay, D.D., Samuel J. Niccolls, D.D., LL.D., L. Mason Clarke, D.D.; *Laymen*—Walter M. Aikman, William H. Corbin, Robert C. Ogden, Henry W. Jessup.

Resolved, 3. That the least amount which the churches shall be asked to give to the Board of Home Missions during the coming year be fixed at \$350,000, \$500,000 of which shall be for evangelization.

Resolved, 4. That as a means to the securing of this amount, and to signalize the centennial year, the Presbyteries be requested to ask the churches to make two congregational offerings to the Board of Home Missions wherever possible or practicable, and to inform the Sessions that all offerings should be sent promptly and as early in the year as possible to the Treasurer of the Board, and to suggest that a member of each Session be appointed to see that this is done.

Resolved, 5. That churches, families and individuals be earnestly urged to make special gifts for the support of specific objects, such as furnishing the salary of a missionary or teacher, always provided, however, that such gifts will not tend to decrease the regular offerings to the Board.

Resolved, 6. That in order that the Church may have a full exhibit of all its Home Missionary operations, the self-supporting Synods be requested to furnish a detailed statement of all the work done within their bounds, and that such statements be published under the same cover with the Annual Report of the Board of Home Missions.

Resolved, 7. That the Moderator be empowered to appoint a Centennial Committee of thirty-two, a representative from each

Synod, to assist in the carrying out of the aggressive plans of the Home Board during the coming year, and also to arrange for the proper celebration of the one hundredth anniversary of Home Missions at some time during the sessions of the Assembly of 1902.

Resolved, 8. That we heartily commend the plan of the Alaska Geographical Society to reproduce the old log cabin Presbyterian Mission Church of Juneau as the Alaska Building at the Pan-American Exposition, and regard as worthy of especial praise and support its effort to rescue this picturesque landmark of Alaska and Presbyterian mission work from its present occupancy.

Resolved, 9. That this General Assembly hereby reaffirms the action of the last two Assemblies (see *Minutes* of 1899, p. 100, and *Minutes* of 1900, p. 108) so far as these actions endorse the movement for the proposed anti-polygamy amendment to the Constitution of the United States. We earnestly urge upon Congress the importance of prompt action in this matter, so that such an amendment may be submitted to the States before the Mormons gain the balance of political power in any additional States of the Union.

Resolved, 10. That on the Sabbath preceding Thanksgiving Day, our Sabbath-schools be requested to make an offering for the mission school work under the care of the Woman's Board.

Respectfully submitted,

HUGH K. WALKER, *Chairman*.

The Standing Committee on Bills and Overtures, through its Chairman, Rev. Charles A. Dickey, D.D., presented a Report, which was adopted, and is as follows:

The Committee on Bills and Overtures presents the following partial Report: We recommend

1. That on *Overtures Nos. 1 to 7*, sent up by the Presbyteries of Aberdeen, Arizona, Dakota, Detroit, Lake Superior, Los Angeles and St. Cloud, asking for a Pan-Presbyterian Creed, no action be taken, because the same matters are in the Report of the Special Committee on Creed Revision, and action is to be taken thereon.

2. That on *Overture No. 46*, sent up by the Presbytery of Southern Oregon, asking for the adoption of a resolution calling for the closing of the gates of the Pan-American Exposition on the Sabbath, no action be taken, inasmuch as such a resolution has already been presented by the Committee on Sabbath Observance, and adopted by the Assembly.

5. That *Paper No. 73*, relating to certain changes in Danville Theological Seminary, be referred to the Committee on Theological Seminaries.

4. That on *Overture No. 45*, from the Presbytery of Kearney, asking that the blanks prepared for the Statistical Report be amended by striking out the column for Synodical Sustentation,

and substituting therefor a column for gifts to the American Bible Society, no action be taken.

5. That *Paper No. 215*, calling attention to action contained in the Minutes of the Synod of Pennsylvania, be referred to the Committee on the Minutes of said Synod.

6. That *Paper No. 216*, calling attention to two acts of the Synod of Illinois, be referred to the Committee on the Minutes of the Synod of Illinois.

7. That *Papers Nos. 64, 218 and 220*, all of which relate to our Correspondence with other religious bodies, be referred to the Committee on Correspondence.

8. That on *Paper No. 219*, being a letter from Mr. B. G. Welch relating to a Plan for Interdenominational Fellowship, it is inexpedient to take any action; that similar action be also taken on *Paper No. 221*, relating to work among the Bohemian populations in the United States, and on *Paper No. 222*, relating to a National Federation of Churches.

9. That *Overture No. 47*, asking for a deliverance on the question as to the rights of Synodical Home Missionary Superintendents to act as Moderators of any Sessions in the Synod, be referred to the Committee on Polity.

10. That on *Overture No. 52*, from the Presbytery of East Oregon, asking that all Synodical Home Missionary Superintendents be made honorary members of the General Assembly, it is not expedient to take any action.

11. That on *Overture No. 51*, from the Presbytery of Westchester, asking that the Boards of Education and of Aid for Colleges be united, it is not expedient to take any action.

12. That on *Overtures Nos. 58 to 63*, from the Presbyteries of Corning, Hudson, Freeport, Hastings, East Florida and Westchester, no action be taken, as their substance is embraced in the Report of the Special Committee on Creed Revision.

Respectfully submitted,

CHARLES A. DICKEY, *Chairman*.

The Assembly took recess, and was closed with prayer.

TUESDAY, May 21, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Standing Committee on the Board of Aid for Colleges, through its Chairman, Rev. T. D. Ewing, D.D., presented its Report, which was accepted, and after addresses by the Chairman, the Rev. E. C. Ray, D.D., Secretary of the Board, Rev. Herriek Johnson, D.D., Rev. W. C. Roberts, D.D., and Rev. John DeWitt, D.D., was adopted. The Report is as follows:

The Standing Committee on the Board of Aid for Colleges and

Academies would respectfully report to this General Assembly, that it has received the records and the Annual Report of the Board for the year ending April 1, 1901, being the Eighteenth Annual Report.

Your Committee has carefully examined this Report and takes pleasure in commending it to the General Assembly and to the churches under its care. The Report gives a broad and comprehensive view of the whole field. The important facts presented must commend this cause to every intelligent reader as one of first importance to our beloved Church.

The Report looks backward to the date of its birth and gives, as far as statistics can give, a history of the work. In this "looking backward," we find that there have been seventy-eight institutions aided by the Board. These are scattered over twenty-nine States and Territories. Thirty-six schools have been founded, and wherever the Board invests money in a school it is fully secured by a first mortgage. The total value of the property thus secured is \$1,521,158.

The burden of indebtedness has been removed from twenty-six institutions. Only four of the institutions under the Board have debts on them. These are comparatively small, being respectively \$6500, \$5500, \$2500 and \$55. These debts should be speedily removed, especially as this Board assures us that, if \$5000 were now given to the Board for this purpose the whole indebtedness of \$14,555 could be wiped out. And then no more debts can come back to trouble us; the policy of the Board now is not to further aid an institution that incurs a debt.

A small beginning for endowment has been secured for nine of our schools, amounting in all to \$346,254, and four others have secured pledges for endowment for \$67,500, so that these beginnings show an endowment of \$413,754, distributed among thirteen schools. Notice well that this work has been threefold: Securing property, removing indebtedness and laying permanent foundations by endowment. The sum total gathered and used or invested in these eighteen years of history is \$2,312,909, which in the judgment of the Boards of Trustees of these institutions would never have been obtained except through its fostering care and skillful management.

In all of these institutions the Bible is a chief text-book and the atmosphere Christian. Christ is held up as the centre and glory of educational as well as religious life. Students are required to study the Bible systematically as part of the curriculum necessary for graduation, and are under the inspiration and culture of pious teachers and spiritual influences. It is inspiring to note that 2938 persons were credibly converted during their student life, and that about ten per centum of all male students have had the ministry in view.

Almost equally cheering is the history from the financial side. During these eighteen years there have been received from

churches and organizations \$560,589.26; and from individuals, \$577,154.66; from legacies, \$112,017.46; from miscellaneous sources, \$68,989.47, making in all, \$1,318,750.85. There have also been received from churches and individuals, sent, under the rules of the Board approved by the General Assembly, directly to aided institutions and credited in the Board's Annual Reports, \$511,397.51, making the grand total of receipts for these eighteen years \$1,830,148.38.

We note the increase in offerings and in the number of churches contributing to this Board in the year just closed. There has been a gain of 110 contributing churches, and \$8383.88. We note also with some degree of surprise that there are over 4000 churches not reporting any gifts to this Board. This is an opportunity for the Assembly to give some fatherly advice to the delinquent churches.

In the institutions aided last year we find 3178 students, 1511 of them members of the Church, 129 credibly converted during the year, and 163 meaning to be ministers or missionaries. Twenty-five schools have been aided during the past year. The amounts appropriated by the Board vary from \$400 to \$2000, averaging about \$900. Of these aided institutions one is a theological seminary, ten are colleges and fourteen are academies. During these eighteen years the results are of such a character as to attest the worth and efficiency of our Board of Aid for Colleges and Academies. The facts as thus set forth tell their own story.

The denominational school is largely the source of supply for educated leaders for our Church; our ministry, our missionaries, our educators and teachers and editors, and practically all the stronger personal factors in our Church work are the product of our denominational schools and colleges. Your Committee wishes to emphasize the statement that this is foundation work for our Church, and what the foundation is to the building, these schools, if wisely planned and generously supported, will be to the Church. But this will call for men and money and sacrifice. Here is one of the great and grand problems that meet us at the opening of the Twentieth Century. How shall we best establish and equip a high grade of Christian schools for the youth of our Church and nation? For let it never be forgotten that the Christian school is not only the foundation, but the strong right arm of the Church. The Church that gives the most care to her schools, other things being equal, will stand forth in the greatest service for the blessed Master in the Twentieth Century. Not only consecrated, but the very best educated talent will be in demand for meeting and solving the problems before us. For this work we must enlist the most active coöperation of the ministry and eldership of our churches. Under God we are almost absolutely dependent upon them. The pulpit must give no uncertain sound as to the importance of this work. The work

of this Board must not be crowded into the corner for the sake of paying old local debts or for any other merely local cause, so as to cripple the source of supply for workers in our beloved Church. Education Day, "a Sabbath near the Day of Prayer for Colleges," must be magnified, and sermons on Christian education intensified and repeated until every Christian parent shall know and feel that Christian education means Christian character and Christian life. Our schools should be so well equipped and supported that in only rare cases should there be any occasion for our young people to go to other schools. The rule in our Presbyterian homes should be that our schools are for our young people and our young people for our schools.

In order to attain the end desired these schools must be endowed, and this work of endowment must be prosecuted with the utmost diligence. The General Assembly last year urged the entering upon this work. Your Committee on the Twentieth Century Fund placed this work first on the list of objects claiming a share of your gifts, and we may assume that they believed it to be first in importance. Their third resolution reads as follows: "That a special memorial fund, to be known as 'The Twentieth Century Fund,' be raised for the endowment of Presbyterian academic, collegiate and theological institutions, etc." Now let this General Assembly give additional emphasis to this thought by pushing this work to the front all along the line. Let the people know that these endowments are permanent investments for the Church of the blessed Redeemer, that they will live and teach and preach not only through the twentieth century, but through all the centuries of time. Let the people know the truth, and they will endow the schools. The Presbyterian Church has money enough to consecrate, and, as we believe, wisdom enough to see and grace enough to believe that this is the greatest and the grandest and the best monument that she can erect for the work of the Master as she enters upon the Twentieth Century.

The Report of the Treasurer has been examined and found correct; the money entrusted to the Board, as far as your Committee has been able to discover, has been used economically and wisely. The returns from the invested securities show an average income of about five per cent., while the expenses of the Board have been reduced to the minimum of five and two-tenths per centum. The Board closes the year with a cash balance of \$29, 742.26, part of which is appropriated to institutions, payment awaiting fulfillment of conditions, the balance being permanent funds awaiting investment.

We offer for your consideration and adoption the following resolutions:

Resolved, 1. The Records of the Board, having been carefully read and found to be neatly and carefully kept, are recommended for approval.

Resolved, 2. We recommend the work that has been entered upon for the endowment of the institutions aided by the Board, and urge upon all the pastors and churches the great importance of diligence and persistence in the work until completed.

Resolved, 3. The Board should receive this year from church offerings \$150,000, the amount actually needed to support adequately the institutions on its list and to make a moderate advance in new fields.

Resolved, 4. We recommend the observance of Education Day, "a Sabbath near the Day of Prayer for Schools and Colleges," that sermons on Christian education be preached, and an opportunity given for offerings for this cause.

Resolved, 5. That the Plan for the classification of these schools be approved and its continuance be commended.

Resolved, 6. The term of service of the following members of the Board expires with the meeting of this Assembly, namely: *Ministers*—Herrick Johnson, D.D., LL.D., William O. Ruston, D.D., W. P. Kane, D.D., and Edward H. Pence, D.D.; *Laymen*—W. H. Swift, the Hon. Henry V. Freeman, L. W. Yaggy and Theodore F. Rice.

We nominate all for reelection except the Hon. Henry V. Freeman, Justice of the Appellate Court of Chicago, who finds it impossible, by reason of his judicial duties, to attend the meetings of the Board with regularity, and therefore asks that he be not reappointed. We therefore nominate for this place Mr. Ephraim Banning.

All of which is respectfully submitted,

T. D. EWING, *Chairman*.

The Standing Committee on Church Erection, through its Chairman, Rev. George V. Reichel, D.D., presented its Report, which was accepted, and after addresses by the Chairman, the Rev. Erskine N. White, D.D., Secretary of the Board, Rev. Joseph R. Tewell and others, was adopted. The Report is as follows:

Your Standing Committee on Church Erection would respectfully report that we have examined the Thirty-first Annual Report of the Board to the General Assembly, in which we recognize with profoundest gratitude to our Heavenly Father a pervading spirit of cheer and encouragement due to now several successive years of distinct advance in the Board's work.

While this advance has not been rapid, having achieved little more than the holding of our own with the general rise of the country's prosperity in the matter of erecting new houses of worship, which such prosperity and increase of population almost everywhere demand, yet in the last two years there has been a most noteworthy interest in the erection of manses. This interest points the increased conviction on the part of the Church that a stable and permanent pastorate is of the utmost importance and worth.

That the Assembly may gain some adequate conception of the number and character of the applications, resources and appropriations made during the last twelve months, we here attempt as comprehensive yet brief a summary as possible.

The total number of applications during this period in all the Board's departments was 227, and the amount asked, either as loan or grant, was, in the aggregate, \$154,877.

Of these 227 applications, 136 were to the General Fund—15 being for loans, 115 for grants and 6 for both loans and grants. Sixty-nine were for loans from the Manse Fund, 7 for loans from the Reynolds Manse Fund, 14 for loans from the Church Loan Fund, and 1 for a grant from the Barber fund. The last-named fund has only been established during the past year.

This shows that the number of applications is not much above the average, except in the matter of manses, which exceeds by \$6290 even the large and unusual demand of last year.

The income of the Board is derived from four general sources, namely :

1. The income of the General Fund is derived from contributions, legacies, interest on investments, sales of abandoned property and refunded appropriations. Although there was an increase in contributions last year of \$3328.64, yet 4102 only of our more than 7500 churches contributed to the Board.

2. The Loan Fund.

3. The Manse Fund income.

4. The Reynolds Fund and the Barber Fund.

The total income of the Board from these sources last year was \$146,563.26.

The appropriations made from each of these sources are as follows :

From the General Fund, \$63,402 upon the application of 124 churches, either in loans or by grants, or by both together.

The average amount of grants was \$487.95 ; of loans, \$486.61 ; and of appropriations, including both grants and loans, \$511.30.

There were also seventeen special gifts amounting to \$1152.31, making the total allotment \$64,554.31, allotted in thirty-two different States and Territories, including Porto Rico, or, in other words, allotted within the bounds respectively of eighty-five Presbyteries.

From the Loan Fund, which differs from the General Fund in that it is not renewed and expended each year, but is derived from trust funds, thirteen loans were made aggregating \$22,050.

From the Manse Fund, which has now been open for more than fifteen years, and which now amounts to \$86,500, there have been made fifty-five loans and six grants, aggregating \$26,680. There were also three special gifts amounting to \$100.

From the Raynolds Fund, six loans were made aggregating \$8600, and from the Barber Fund, one loan of \$1500.

All this, however, gives only a summary of the aggressive work done. The Board carries the equal responsibility of caring for those permanent interests which have marked and made lasting its progress during more than half a century.

Thus it holds in trust \$600,000, of which nearly \$200,000 are loaned at the present time.

It holds mortgages upon these loans amounting to nearly \$200,000, while all reversionary interest in mortgages held for grants under special conditions must be safeguarded and amount to about \$2,200,000.

The fire insurance policies also held by the Board aggregate nearly \$2,300,000. Added to this there is also the important and necessary provision in many cases of architectural plans.

The Assembly will notice in the Board's Report a statement of the final adjustment of the matter of the lien of the Board upon the property of the First Church of Jacksonville, Fla., which was completed in accordance with the directions of the last Assembly. Since the Report was written and printed, it has been learned that before the papers were placed upon record the disastrous fire occurred and in it some of the papers were destroyed. This will render necessary their reëxecution.

A question has been raised as to whether a strict interpretation of Rule 1 under Article XII, Plan of the Board, does not prevent grants to churches the title to whose property is held by a Presbytery or by a Board of the Church. Your Committee therefore recommends such change in the wording as will remove all ambiguity.

It should also be said that, as it is one of the important duties of the Board in the case of churches that have been dissolved or have abandoned their buildings, to recover, so far as possible, the money of the Church that has been invested in the enterprise, it is very essential that the Presbyteries should keep the Board informed in regard to such cases.

Your Committee recommends the adoption of the following Resolutions:

Resolved, 1. That this Assembly heartily and emphatically approves the management of the Board's work, and especially commends therein the eminently wise and faithful labors of its officers and members, making particular reference to the important assistance rendered by the laymen, whose services are given without compensation therefor.

Resolved, 2. That in view of the greatly increased advance and magnitude of the Board's work and consequent enlarged responsibilities, all our churches be most earnestly exhorted to give to the Board their prayerful and pecuniary support, and to make each year at least one contribution to its work.

Resolved, 3. That Rule 1, Article XII, Plan of the Board,

which now reads : " No grant shall be made to any congregation unless such congregation own in fee simple and free from all legal encumbrances the lot on which their house of worship is situated or on which they propose to build," shall be so amended as to read : " No grant shall be made to any congregation unless the title to the lot on which its house of worship is situated or on which it proposes to build is in fee simple free from all legal encumbrances and vested either (1) in such church as a corporate body (if the statutes of the State permit incorporation) or in an incorporated Board authorized by law to hold the title for such church, or (2) in an incorporated Presbytery or Synod of the Presbyterian Church, or (3) in one of the incorporated Boards of the General Assembly of the Presbyterian Church in the United States of America."

Resolved, 4. That it be incorporated in the Standing Rules of Presbyteries that the Chairmen of all Presbyterial Committees on Church Erection, shall report to the Board as early information as possible, in regard to any church which has been dissolved, or which has practically abandoned for religious services its church building.

Resolved, 5. That in view of the expiration of the term of office of the following-named members of the Board of Church Erection, they be nominated for reelection for the term of three years, namely : *Ministers*—Nathaniel W. Conklin, D.D., Samuel M. Hamilton, D.D., William A. Holliday, D.D; *Elders*—Frederick G. Burnham, Daniel J. Holden, John Sinclair, E. Francis Hyde.

Resolved, 6. That the Minutes of the Board for the past year be approved.

All of which is respectfully submitted,

GEORGE VALENTINE REICHEL, *Chairman*.

The Committee on Church Polity, through its Chairman, Rev. George T. Purves, D.D., presented a Report, which was adopted, and is as follows :

The Standing Committee on Church Polity respectfully reports upon the papers submitted to them as follows :

Overtures Nos. 8 and 9, from the Presbyteries of Chester and Emporia, requesting that Form of Government, Chapter xxiii, Section 5, be so amended that there can be no alteration in the vows of ordination of deacons, elders or ministers, except by an Overture to the Presbyteries from the General Assembly, approved by two-thirds of the Presbyteries and subsequently enacted by the Assembly ; also,

Overtures Nos. 10 to 13, from the Presbyteries of Cincinnati, Neosho, San Francisco and Southern Oregon, asking that Form of Government, Chapter xxiii, Sections 2, 4 and 7, be amended so that the Form of Government as well as the Confession of Faith and Catechisms can be amended only by a two-thirds vote of all the Presbyteries. In reply to all of these Overtures, your Committee report, that there is not sufficient evidence of demand by

the Church for these changes, to make it advisable to submit them to the Presbyteries, and therefore recommend that no action be taken.

Overture No. 34, from the Presbytery of Benicia, relative to demission from the ministry, asking the Assembly to direct Presbyteries, that when ministerial members have been for three years, and without sufficient reason, with no ministerial duties under the approval of Presbytery, they should be required by Presbytery to seek demission from the ministry, under the provisions of Section 51 of the Book of Discipline. Your Committee report that ministerial members in such cases, cannot be compelled, under our rules, to seek demission, though Presbyteries may properly advise with them as to what it is best to do under such circumstances.

Overture No. 35, from the Presbytery of Chicago. Presbytery asks instructions from the Assembly whether, under Section 51 of the Book of Discipline, it can allow a minister who seeks demission, and who in the judgment of Presbytery acts wisely in seeking it, to demit the ministry immediately without waiting for a year's probation. Your Committee report that this Section of the Book of Discipline evidently gives permission to the Presbytery to allow demission only after a year's consideration by the Presbytery and the minister; that such is part of our Constitution to which the several Presbyteries have assented; that it does not appear that any real hardship can be suffered by a year's waiting, and that it is the judgment of the Assembly that this provision of the Book of Discipline, as thus interpreted, should be complied with.

Overture No. 36, from the Presbytery of New Brunswick, requesting the Assembly to resubmit the Overture on Ministers from Other Denominations, which was adopted last year, with the amendment that such ministers shall answer questions 1 to 7 of Section 12 of Chapter xv of Form of Government, instead of being required to answer the eighth question also. Your Committee answer that Presbytery has always had the power to ordain as an evangelist when the minister is not to be in charge of a particular church, and that hence in its judgment it is not necessary to reamend the new Overture.

Overture No. 37, from the Presbytery of Philadelphia, requesting the Assembly to pass a rule that ministers, licentiates and candidates from Churches not holding the Westminster Standards nor the Presbyterian Form of Government, who may apply to be received by Presbyteries, shall have their names placed on the books for one year before their application for admission shall be considered. Your Committee report that the needs of the Church are sufficiently safeguarded in such instances by the Overture recently adopted on Ministers from Other Denominations, and therefore recommend that no action be taken.

Overture No. 38, from the Presbytery of Muncie, inquiring

concerning the relation to his local church of a licentiate who has been ordained, and suggesting that the local church be directed to give such a licentiate a letter of dismission to the Presbytery. Your Committee report that such a person, when ordained, thereby ceases to be a member of the local church to which he belongs; that the local church cannot give him a letter of dismission to Presbytery, but that he should at once advise the church of the fact that he has been ordained, in order that his name may be erased from its roll.

Overture No. 39, from the Presbytery of Arizona, inquiring to whom elders, deacons and trustees should present their resignations. Your Committee report, in accordance with the decision already given on this subject (see *Digest*, p. 538), that elders and deacons should present their resignations to the Session. As to trustees, they may resign either to the Board of Trustees or to the congregation itself, in accordance with custom or the civil law applying to the corporation in any particular State.

Overture No. 40, from the Presbytery of Brooklyn, asking leave to erase from their roll the names of two ministers whose whereabouts have not been known for twenty-five years, such erasure to be without prejudice to their ministerial character. Your Committee report that permission was granted by the Assembly of 1891, on an Overture from the Presbytery of Brooklyn, to report such names apart from others; the names being printed on a Reserved Roll, and not to be counted in determining their representation in the Assembly. Your Committee therefore report, recommending to the Presbytery of Brooklyn in the present instance that such a disposition be made of the two names now in question.

Overture No. 41, from the Presbytery of Hudson, concerning the declaring a pulpit vacant, and asking that Chapter xvii of the Form of Government should be so amended that the Presbytery shall be directed, after the dissolution of a pastoral charge, to appoint a minister to declare the pulpit vacant in the name of the Presbytery, in accordance with what is now the custom though not the law. Your Committee report that while the custom is to be commended, it does not appear necessary to embody it into our formal law.

Overture No. 50, from the Presbytery of Morris and Orange, asking that the definition of a vacant church, on p. 148 of the *Digest*, viz.: "Every congregation or church is vacant which has not a pastor duly installed," be amended so as to read: "Every congregation or church is vacant which has not a stated supply approved by Presbytery or a pastor duly installed." Your Committee report that our system contemplates a pastor over every church, and that therefore the proposed new definition should not be made.

Overture No. 66, from the Presbytery of Chicago, asking for a Committee to reconsider the form of the so-called Westchester

Overture, which was submitted to the Presbyteries last year, and to frame such an amendment to the Form of Government as shall provide for the restriction of voting in Presbyteries to those ministers who represent churches, or who are actively engaged in the service of the Church, while obviating the criticisms which were made upon the Overture as submitted last year. Also, *Overture No. 67*, from the Presbytery of Geneva, proposing an amendment to Form of Government, Chapter x, Section 2, which is practically a repetition of the late so-called Westchester Overture, but including honorably retired ministers in the list of active members. Your Committee report that the so-called Westchester Overture was defeated by such an overwhelming majority that it does not seem advisable to resubmit its principle to the Presbyteries.

Overture No. 68, from the Presbytery of Brooklyn, asking for the amendment of Section 26 of the Book of Discipline, so as to provide for the appointment of counsel for a prosecuting private member of a church, as well as for the accused person in a Judicial Case, and also giving permission to judicatories which are appealed from or complained against to appoint counsel for their defense before the higher courts. Your Committee report that the former of these proposals is already embodied in the Report of the Special Committee on Judicial Commissions, and therefore need not be acted upon here. Further, that the limitation of complaints to cases non-judicial, which is also proposed in the special Report on Judicial Commissions, would seem to make it unnecessary to adopt the suggestion of the Presbytery of Brooklyn, that Section 26 should give permission to judicatories to employ counsel in their defense in cases of complaint, and that Section 89 of our present Book provides for counsel for judicatories in cases of complaint.

Overture No. 69, from the Presbytery of Troy, asking that Form of Government, Chapter x, Section 4, be altered so that two churches united under one pastor shall be represented in Presbytery by two elders, instead of by one as at present. Your Committee report that there does not seem to be sufficient necessity for the change, and recommend that no action be taken.

Overture No. 70, from the Presbytery of Flint, asking for an amendment to the Form of Government, Chapter xiv, Section 6, so as to direct that no candidate shall be licensed until he has been under the care of Presbytery for one year, except in extraordinary cases, and by consent of three-fourths of the members of Presbytery present. This proposal was made by the Assembly of 1900 (see *Minutes*, p. 70), and already has been adopted by the Presbyteries. Your Committee recommend, therefore, that no action be taken.

Overture No. 71, from the Presbytery of New Brunswick, asking an amendment to Form of Government, Chapter xv, Section 9, providing that no change shall be made in the amount of

salary stipulated in a call, unless the Presbytery consent thereto, or unless both minister and congregation consent thereto, and that only the minister or the congregation regularly assembled shall have power to bring such a question to the attention of Presbytery. Your Committee recommend that no action be taken, since this provision has already been made by one of last year's Overtures.

Overture No. 72, from the Presbytery of Chicago, asking that Form of Government, Chapter xvii, be amended so as to read, "when any minister desires leave to resign his pastoral charge" instead of "when any minister shall labor under such grievance in his congregation that he shall desire leave to resign his pastoral charge." Your Committee report that this change of language would undoubtedly be an improvement in the wording of the chapter, but that it does not seem sufficiently important to justify its transmission in the form of an Overture to the Presbyteries, and therefore recommend that no action be taken.

Overture No. 47, from the Presbytery of Albany, inquiring whether a Synodical Superintendent, in the exercise of his office toward the feeble churches, has the right, by virtue of his appointment by Synod, to act as Moderator in the meetings of Sessions of other Presbyteries than that to which he belongs, but within the bounds of the appointing Synod; also asking the Assembly to interpret the privileges and prerogatives of a Synodical Superintendent. Your Committee recommend the following reply: (1) The Synodical Superintendent has no right, *ex officio*, to act as Moderator of the Sessions of vacant churches (see Form of Government, Chapter ix, Section 4); (2) that the Moderator of a vacant church should be of the same Presbytery as the church (see *Digest*, p. 163); (3) that when the Session of a vacant church meets and no Moderator from the same Presbytery is present and the Synodical Superintendent is present, a ruling elder should ordinarily preside; (4) that the Synodical Superintendent in this matter occupies the same position as any other minister.

Respectfully submitted in behalf of the Committee,
GEORGE T. PURVES, *Chairman*.

8. Overture on Salaries of Ministers: Presbyteries voting in the affirmative, 165; in the negative, 39; not voting, 29.

It is recommended that, in accordance with the Rule in the case, a Committee of five, three ministers and two elders, be appointed to canvass the vote above given, and report appropriate action to the General Assembly.

Respectfully submitted,

WM. H. ROBERTS, *Stated Clerk.*

The Report was approved, and the Moderator appointed as the Committee to canvass the vote upon the Overtures: *Ministers*—J. J. McCarrell, D.D., John A. Gordon, D.D., and William H. Bleakney; *Elders*—John C. Wharton and Strong Hayden.

The Standing Committee on Foreign Missions, through its Chairman, Rev. James D. Moffatt, D.D., presented its Report, which was accepted, and after addresses by Mr. Robert E. Speer, Secretary of the Board, Rev. J. L. Whiting, of Peking, China, Rev. Howard Campbell, of Laos, and Rev. J. Albert Miller, of Paotingfu, China, was adopted. The Report is as follows:

The Committee on Foreign Missions respectfully submit the following Report:

We have considered, with as much care as our limited time would allow, the Minutes of the meetings of the Board for the year extending from May, 1900, to May, 1901, and find them recorded with noteworthy carefulness and neatness. Each item of business is marked by a title upon the margin and the whole fully indexed, and thus a complete history of the business of the Board is recorded and accessible. The index shows that 892 items of business were attended to in the twenty meetings of the Board, and each item seems to have received all the attention its relative importance deserved. We find no decision of the Board to which we can take exception; but, on the contrary, have been impressed by the judicious character of all their decisions. We have also had before us the Sixty-fourth Annual Report of the Board, and we ask for it a careful perusal. It will be found a storehouse from which pastors can take material for the instruction and entertainment of their people in missionary meetings.

We call special attention now only to such items of interest found in it as we think should be considered by this Assembly. Since the meeting of the Assembly of 1900, the Rev. John C. Lowrie, D.D., LL.D., for more than sixty years connected with the Board as missionary, Secretary and Emeritus Secretary, has gone to his reward, and we cannot doubt that it is a rich one inasmuch as it is according to his work. His devotion to the cause of foreign missions in all the positions he occupied and his lovely Christian spirit will long remain a delightful memory with all who knew him.

The death also of Mrs. H. H. Fry, who for many years had charge of "special objects" and served as a medium of coöperation between the Board and the Central Committee of the Women's Boards, is noted.

The names of ten missionaries who died during the year are also given, with the dates of their death, including the five martyrs of Paotingfu.

To take the place of the departed and retiring missionaries the Board sent out thirty-two men and women, newly commissioned, into ten different countries, viz., Africa two, Brazil one, China four, India seven, Japan one, Korea seven, Mexico one, Persia four, Philippine Islands three and Syria two.

The force now in the field numbers 715, of whom 299 are men and 416 women. The native force numbers 583 ordained preachers and licentiates and 1258 other helpers, making a total of 1841. There are therefore in the field 2556 recognized laborers. The native churches number 636, with 41,559 communicants. There are 718 schools with 25,910 pupils, and in the Sabbath-schools are 38,137 pupils. Eighty-four students are preparing for the ministry. All this work is carried on in thirteen different countries. It is gratifying to note that the additions made to the communicant rolls during the year were 4481. This is an increase of more than twelve per cent., probably four times the percentage of the home churches. Such growth in one of the most trying years in the history of foreign missions is very encouraging.

It is also a delight to know that the year of extraordinary expense and of much public attack upon the policy of foreign missions was closed without debt, the increased income keeping pace with the increased expenditures. The total contributions to the regular work were \$935,186.64, and to sources not itemized \$112,908.58, making a total of \$1,048,095.22.

Large and gratifying as this amount is, it is well to remember that it is only one dollar per capita of church membership.

Of this total it is proper that the sources, as set forth in the Treasurer's Report, should be noted. The churches have contributed \$357,710.33; the seven Women's Boards (not including Young People's Societies) have contributed \$280,079.56; the Sabbath-schools, \$48,574.23; the Young People's Societies through

Women's Boards, \$45,167.57, through Assembly's Board, \$2,947.09, a total of \$48,114.66; legacies, \$82,111.36; miscellaneous, \$118,596.50.

It is gratifying to observe how dependent we are upon these agencies which have grown up in our Church, not in obedience to our ecclesiastical authority, but as the yielding on the part of our women and young people to the impulse to serve our Lord in a systematic way. Although they stand in no legal relation to the General Assembly, it should ever be a pleasure to recognize our indebtedness to them, and to encourage them in their good work by our hearty commendation.

It does not seem necessary to rehearse the troubles which grew out of the ferment in China; they are well known, and we refer to them now only to remind the Assembly how great were the responsibilities thrust upon the Board, and how serious were the problems it was required to solve, often in the shortest possible time. It is a pleasure to read the records of their meetings and to observe with what care these problems were met, and to look back over the year and to observe how wisely each problem was solved. The prayers of God's people were answered in New York as truly as in China.

It is also gratifying to observe that fears and suspicions that the uprising in China might in some measure be chargeable to the work or indiscretion of missionaries were dissipated as the true state of affairs in China became better known. There seems now to be no doubt but that our missionaries will be more welcome on their return to their fields, and that greater success than ever before may attend their labors.

The question of indemnity for losses has been earnestly discussed in this country, and good people have been divided in opinion as to what the best Christian policy demands. But our difficulties are being removed by the remarkable readiness exhibited by the Chinese themselves to make good the losses we have suffered, and to make as liberal a restitution to native Christians as seventy per cent. Already one missionary reports the payment of nearly \$30,000. We may safely leave it to the good judgment of our Board and our missionaries to settle the vexed question in a way satisfactory to them, and to the Chinese authorities to formulate any idealistic principles.

What is of more importance is that there shall be hereafter an improved political condition in China that shall secure to our missionaries and to native Christians protection and religious liberty, and we are glad to be able to report that our Government has exerted its influence with other Powers to secure this result.

A judicial review of the field of our labor is almost impossible. The story of the year makes the heart throb and quickens utmost enthusiasm. There has been heroic sacrifice, leading on to martyrdom. The spirit of all the work has been the martyr spirit. The missionaries and the native helpers have been a goodly host

who have brought the Church steadily onward toward the conquest of the world by its Head, Jesus Christ. Whether in the agonies of China or the sufferings of India, whether in the marvelous advances of Korea or the slow progress in parts of Siam, whether in the dark paganism of Africa or the half-light of Japan, whether in the ignorance of South America or the wisdom of Persia, in the old work of Syria or the new work in the Philippine Islands—everywhere the Church has had its heroes, everywhere the Cross has made its conquests. The year is redolent of heroism.

Standing upon the crest of the earth, we may briefly trace the progress of the year.

AFRICA has caught glimpses of the light. The working force, weakened by fevers and depleted by necessary withdrawals and furloughs, has labored on with much blessing. The first church has been organized among the Bulu and revised translations of the Gospels are now being printed for their use. Large numbers of catechumens are enrolled and many hopeful converts are reported. The German Government has insisted upon our withdrawal from the choice location at Elat, but has paid a fair price for the site, intending to use it for a military station. Educational and medical work has gone forward during the year. Africa begins to face toward the light.

CHINA.—The world knows much about the political events in China during the year past, and doubtless supposes that all missionary operations were wholly suspended, and the work set back so much that many years must elapse before the lost ground is recovered. But this gloomy view is far from being well grounded. While there was commotion and apprehension in almost every part of China, yet there was complete stoppage in the northern provinces only, and even in these districts the missionaries were doing a kind of sowing of which there is yet to be a harvest. In the Canton missions there were additions to particular churches of such numbers that a like state of things reported from any section of our country would be credited to the presence of revival agencies. Seventy, thirteen, twenty-two, fourteen, and like numbers are reported from stations little known to the Christian public. We have counted 165 additions to eight churches in Canton, and seventy-two to ten churches in Ningpo. If in many other provinces there were no such accessions, yet the testing applied to all native converts showed such results as we could scarcely have expected. We have read the stories of the martyrdoms of former generations with serious questioning as to the probability of Christians of our day ever exhibiting a like fidelity. To how high a place in our esteem ought we to advance the native Christians of China, who would not seek safety by a temporary denial of their Christian faith! In the light of such glorious fidelity to Christ on the part of so

many Chinese converts, who can doubt the presence in the world of supernatural grace !

The direct losses of our missionary force in China are stated as five missionaries and three children, and in the churches of Peking and Paotingfu alone 178 communicants, and probably children, households and other adherents sufficient to swell the number to 500.

We observe with emphatic approval the inauguration of a movement looking to the establishing of two funds—one a memorial fund to commemorate the martyrs of Paotingfu by supporting their successors in that field; and another, a fund to rebuild and refurnish the mission stations and chapels destroyed or impaired by the “Boxers.” Some thousands of dollars have already been contributed to these funds, and we earnestly hope it will not be long before the special gifts of individuals and organizations will complete them. These will be very proper objects for the special contributions to the Twentieth Century Fund.

Without giving details to be found in the Report, we may confidently assert that the time is not now far distant when our work in China may be fully resumed, and we believe the Christian Church may look for a degree of success in it which will serve to reflect some light upon the events which looked dark enough to us all while they were occurring.

INDIA.—We are glad to observe from the Report of the Board that in India there is marked change for the better in the work of evangelization and particularly in the country districts. That the seeming unfruitfulness of missionary effort, which was so much a matter of disappointment and sorrow years ago, has given place to better conditions, and the accessions to the membership of the churches has been most gratifying. The kindness and helpfulness of our Christian missionaries during the plagues in India of war and famine have demonstrated to that people the priceless characteristics of the Christian religion. Forman Christian College is doing a great work, and seems to have reached a point where further growth under present conditions as to buildings is impossible. Admission has been refused to many applicants on the ground that the classrooms were already crowded.

Dr. Ewing writes of the need of evangelizing those in India who are nominal Christians. He says: “There are no worse enemies of the Gospel than its inconsistent friends.” Mr. Chatterjee writes that “caste prejudices seem to be disappearing, but the necessity of atonement through the vicarious sufferings and death of a Saviour is not recognized.”

But in looking over the fifty-six pages of the Board's Report we find very much for encouragement and thanksgiving to God.

JAPAN is in the half-light. Its people are dissatisfied, but do not yet know what will bring rest and peace. Eighteen years ago colporteurs of the American Bible Society were refused permis-

sion to board a Japanese war-vessel. The two largest battleships of her navy were recently under command of Christian officers, and the late Admiral Serata was once President of the Tokyo Y. M. C. A. and a zealous Christian worker. The year has brought few peculiar difficulties and much encouragement. A more cordial relation is developing between native and foreign workers, and the spirit of unity among the foreign workers appeared in the first General Missionary Conference held there during the year. It included the workers of all missions. Several novel methods of bringing the Gospel to the attention of the people have proved successful. Advertising in the papers, cooking classes, correspondence methods and similar unusual plans have been blessed. The old indifference of the people is disappearing and in its place is a thoughtful attention to the Gospel. Japan is coming toward the light.

KOREA is just now the land of wonderful advancement. Its people are turning eagerly to the Gospel. There was reason to fear a fanatical uprising at one time, but the wise action of the Government and such diplomatic agents as our own Minister Allen averted the danger. There have been 1086 baptisms, there are 4000 catechumens, there are 8000 professing Christians, and it is but sixteen years since the arrival of the first missionary! New buildings erected by the Koreans themselves, a splendid hospital under way as the gift of an American benefactor, a steady outgoing of native Christians as missionaries to their fellows, a deluging number of applications for missionary services and other facts of the same order make the Korean report thrilling to read. Nothing is more touching than the story of the self-denials and sacrifices of these people who were but a decade ago ignorant of Christ and the Gospel. They have made offerings for the famine relief in India, they have given for the erection of chapels, they have labored in the night and in the day for the Church of Christ, and the outcome is glorious. Korea is moving out into the light.

MEXICO and SOUTH AMERICA group together naturally in our thoughts. Their problems are much the same. Romanism and ignorance are grave obstacles. The difficulties of self-support are increased by the poverty of the people and the depreciation of the currency. At the same time our workers are encouraged everywhere. The schools are being welcomed, the very opposition on the part of fanatical priests and people strengthening them and adding vigor to the evangelistic work. In Brazil and Chile especially the institutions for higher education are supplying a goodly force of coming workers. The great unreached stretches of country are demanding more and more attention. There are scattered hamlets where the Gospel is not yet known, and some of the workers feel that with their small force the work can be but touched. But the work of winning these lands of superstition to the knowledge of the Gospel goes steadily on.

We need more schools, more prayer, more evangelists, more teachers, more helpers; but the conquest is already sure. Mexico and South America turn toward the light.

PERSIA has no new story to tell, but its story is always of deep interest. The influence of Russia becomes more prominent in the northern part of the land, but there are signs of reaction against the Greek Church, and throughout the entire country are encouragements. Evangelistic, educational and medical work have met success. Urumia College has bravely set out to make education desired by charging a tuition fee, and this in spite of the several free schools sustained by unwise and uninformed American and European benefactors, who have been deceived into their support by smooth-tongued impostors who have toured the Christian countries. Few missions have suffered more from this uninformed zeal of Christian people than has that of Persia. The visit of the Shah to Europe awakens hope of a more enlightened local policy. Persia has been a land of martyrs for the faith, the faith of its natives being many times sealed in blood. It waits its true redemption, and feebly gropes for the light.

The PHILIPPINE MISSION is our newest one. Its life begins well. A new station has been occupied during the year, and a generous friend has given a considerable fund to establish an industrial school in the new station. One of the most experienced missionary educators of the world has accepted an appointment and is there temporarily to lay the foundations. The Protestant workers are in full harmony and are watching with keen interest for the solution of the problems connected with the presence of the friars and the feeling of the people regarding them. Organization of churches has begun and Sabbath schools are established. It is pleasant to note that work is done among our soldiers in the islands. By the blessing of God the Philippine Islands are being turned from darkness to light.

SIAM and LAOS are generally united in our thought, yet they bring us different stories. One is passing through the dark places, meeting much discouragement and walking by faith. The entire additions in our Siam mission numbered only ten last year. The missionaries believe that others were brought to Christ, though not added to the Church. The work has gone on in evangelistic, educational and medical lines, as before, and an earnest plea for prayer is sent to us. The calamity wherein Dr. Toy lost his house by fire revealed the sympathy of officials and people, which they showed by liberal subscriptions for rebuilding. The first report from the new station in Nakawn is encouraging, in that it shows that we have gained a foothold in the new locality.

LAOS tells a different story. There have been discouragements, of course. For example, in one station where there are nine families and three single missionaries, every person in the mission, young and old, has required medical attention; but the

spiritual encouragements have been many. Additions have been continuous, the life of the people has altered, the schools have been well attended, the native Christians have been awake and active. The Laos Church has the unique distinction that it supports a full-fledged foreign mission of its own among people in French territory, across the Cambodia river. This mission has been much blessed. The small printing establishment has grown during the year and is swamped with orders for printing. The people themselves are building a considerable addition to one of the hospitals. Laos moves toward the light.

SYRIA is dear to the Church, because much of its territory is holy ground, and because it is our *oldest* mission. The restrictions of the Government have hindered outdoor preaching, but much evangelistic work has been done. Two other lines of service are of most remarkable effect here. They are the educational work and the great Press at Beirut. The College at Beirut gained 100 students last year, enrolling 535 students. Our other schools gained similarly. The year has utterly broken our educational record. Meanwhile the Press has added 25,000,000 pages to its output, bringing its total up to the magnificent number of 667,000,000 pages. Such work demands the profound admiration and thanksgiving of the Church.

When we turn from the view of the foreign field as the place of labor to the home Church as the source of supply, there is much to cheer and much to give us thought. The Report specifies the number of churches which made no gift to the foreign work last year. There were 2726 such churches. They constitute more than one-third of the total number.

Our chief concern at this moment is not with the financial expression of the interest of the Church, but with that interest itself. The year has seemed marked by special effort to bring the home field into close relation to the foreign. The activity of the well-known Field Secretary has continued and been much blessed. The service has taken this Secretary over large parts of the country, where he has inspired enthusiasm for missions and developed substantial interest in our foreign work. Meanwhile the Secretaries in the New York office have been alert and eager in similar work. According to a wise policy of the Board, commended by missionaries and home workers alike, Rev. Dr. Arthur J. Brown has started upon a protracted tour of our missions, and did less than his usual amount of home service, because of the demands of preparation. The two younger Secretaries have been ready for much such service. One has made 279 addresses, and the other 225. These have been in no one locality, and have reached a wide range of hearers. During the year several conferences have been held in different cities, with men in parlor gatherings and with general congregations as well. The Treasurer of the Board has gained friends for its work by his frank statement of the methods of his office, and his readiness to

meet men of his own business calibre on equal terms. The Committee is convinced that such conferences are productive of much good, and commends the purpose of the executive force of the Board to extend their scope and increase their number. There are no cities of our Church wherein they could not be held to great advantage.

It would be unwise to omit from such a statement the excellent literature of the year. The Board has never issued better leaflets, better in style and in contents. The literature has the dignity and the freshness which belong to such work. It is hoped that the pastors and churches will realize this opportunity to secure the very best foreign mission literature without cost, and will use it liberally.

The Committee is convinced that for the Board's work the unit of the Church is the Presbyterial Committee on Foreign Missions. This Committee and the Synodical Committee hold the strategic position in the home field. Both are near the churches. Their members know the local conditions. The field of observation is small; its details are few. The Board, on the other hand, is remote from most of the churches, and cannot possibly be informed of local conditions or the details of the work. This Committee cannot fail to see under what stress the Board is often placed when Committees do not act with efficiency or dispatch, and has only words of approval of the effort to reach the particular churches, notably the non-giving ones, from the New York office; but it is distinctly of opinion that no such stress or necessity ought to exist. The duty of reaching the individual church belongs to the Presbyterial Committee. There can be no doubt that the conferences on the subject, the literature of the Board and the work of the Secretaries in that behalf have developed a much better Committee system than we formerly had; but our largest hope in organization lies in that direction. Presbyterians do poorly when they are careless in the selection of members of this Committee. To them are committed the interests of our largest work, and from them may fairly be expected a large amount of service. The least part of their work is financial. It is theirs to seek out and develop plans for increasing the interest and intelligence of the people, to find recruits for the work itself and to link the home work and the foreign work in every way. This cannot be done by perfunctory report nor by a mere revamping of published figures. It must be done by persistent, continued, untiring labor. We commend the efforts of the Board to secure a closer coöperation among Presbyterial and Synodical Committees and advise still stronger movement in this direction, in hope that the time may come when the Board itself will be relieved of all care about individual churches. The conference immediately preceding the Assembly has proven its value in this matter, in that it draws together many of the Presbyterial and Synodical Committee-

men. We strongly urge that this conference be counted such a regular order as not to require renewed approval from year to year. It has made its place and fills it well.

The review of the home field makes it clear to us that we are coming nearer to an intelligent and worthy view of the dignity and greatness of the work of foreign missions.

We cannot close our Report without calling attention anew to the fidelity and rare ability displayed by our Board of Foreign Missions, including the Secretaries, which constitute the connecting link between the churches at home and the field abroad. Their records show that they have dealt with the problems coming before them from every part of the world with all the high qualities which enter into statesmanship, and yet they have taken up the cases of individuals making complaints or asking appointments, and have considered them with equal care and the most sympathetic interest consistent with their grave responsibility. Their burdens have been greatly increased by the unusual difficulties of the year, but they have been divinely guided and sustained in their work. They are entitled to the earnest prayers of the Church at all times, for an unwise decision in the office or lack of patience on their part cannot fail to appear as an evil on the field.

During the past year the Board, together with the Home Boards, has made wise and practical efforts to remove the debt resting upon the Presbyterian Building. So much success has attended these efforts that all are encouraged to hope that it may speedily be complete.

The Report of the Treasurer states fully and clearly the financial condition of the Board, and the same has been audited by certified public accountants and verified as correct. The number of churches contributing during the past year was 4866, while the number of non-contributing churches was 2762, or thirty-six per cent. of the whole number. This compares with previous years as follows: 1900, 2726; 1899, 2787; 1898, 2802; 1897, 3079; 1896, 3030. These figures exhibit a decrease in the number of non-contributing churches. The Treasurer remarks that some of these churches may have given through Women's Societies or to special objects, and many of them may be small and poor. Still we cannot doubt that the number of churches which could contribute but did not do so, in any way, is very large.

In view of the necessity of arousing the churches to a participation in this work, it is recommended that the Board be authorized and instructed to arrange during the coming year to present the cause of missions as far as possible in all the Presbyteries containing the greatest number of non-contributing churches.

We should not suppose that the Board's sole aim, with respect to the work at home, is to obtain money. It is not less important, and sometimes far more difficult, to obtain men and women qualified to carry on the work. There is also an erroneous notion

too prevalent that there are more men at the disposal of the Board than can be accepted. At the present time a number of qualified persons is wanted. And it ought to be considered a part of the duty of the Presbyterian Chairmen to assist the Board in finding the proper candidates.

The Committee make the following recommendations :

Resolved, 1. That the Minutes of the Board of Foreign Missions from May, 1900, to May, 1901, be approved.

Resolved, 2. That the following persons be reelected to membership, to constitute the class of 1901-1904, viz.: John D. Wells, D.D., William M. Paxton, D.D., John Balcom Shaw, D.D., David Gregg, D.D., Mr. Alexander Maitland, Mr. John Stewart and Mr. William E. Stiger.

Resolved, 3. That we recommend pastors and Sessions to adopt some systematic plan whereby every church member may be induced to make at least an annual contribution to foreign missions; and where this cannot be done, we recommend that at least a second opportunity during the year be given to secure gifts to this object; preferably the second opportunity should be in April, in connection with the commemoration of the resurrection of our Lord.

Resolved, 4. That the Assembly reasserts the claim of this work on our Sabbath-schools, and designates the Christmas and Easter Sabbaths as the two fitting days for offerings for this purpose. In no way can the birth and the resurrection of the Saviour of the world be more fittingly commemorated. The wide observance of this mode of celebration is urged.

Resolved, 5. That the Assembly declares its conviction of the great importance of the Presbyterian and Synodical Committees of Foreign Missions, and that the Secretaries of the Board, both in the field and in the office, be urged to keep before the Presbyteries and Synods the necessity for wise selection of and hearty coöperation with these Committees. Especially is it important that only such men be appointed to the service as will give intelligent supervision to the work.

Resolved, 6. That the effort inaugurated to secure a Martyrs' Memorial Fund, the annual interest of which shall be employed in supporting the successors of the noble men and women who laid down their lives in Paotingfu, be most earnestly commended to the various organizations and to individuals contributing to our foreign missions, in the earnest hope that an amount of money may soon be gathered which shall fittingly perpetuate their memory, and give increased efficiency to the work in that field now made sacred by the blood of the martyrs.

Resolved, 7. That we rejoice in the special contributions already made to reëstablish our work in China, and urge such additions to this fund that it may be apparent to all that the trials and reverses of the past year do but stimulate us to put forth more

vigorous effort for the conversion to Christ of that marvelous people.

Resolved, 8. That we rejoice to learn that the civil authorities, and particularly the President of the United States, have made earnest effort to secure in reconstructed China that kind of religious liberty which we enjoy in our own land.

Resolved, 9. That we urge upon our churches and individual givers the raising of not less than one million dollars for the ordinary work of the Board, as this entire amount is needed to meet the demands of the great work. We do not include in this amount the special contributions which may be made to the cause of foreign missions through the Twentieth Century Fund. These special gifts should be for permanent investment and improvement.

Resolved, 10. We commend to churches, organizations and individuals the plan of engaging to support a particular missionary, which many have already found to be a method yielding much gratification and benefit to the givers.

Resolved, 11. That we recommend the liberal employment of the literature furnished by the Board, and the wise distribution of the Report of the Ecumenical Conference, as a means of giving instruction and stimulating increased interest in the great work.

Resolved, 12. That we record our profound sorrow upon the intelligence which has reached us during the sessions of this Assembly of the death of the Rev. Maltbie D. Babcock, D.D., a member of the Board, and express to his bereaved family and church our sympathy and our prayers for the sustaining power of the Holy Spirit.

Resolved, 13. That the Assembly earnestly exhorts all ministers, elders and private members of our Church to avail themselves of every opportunity to advocate anew that loyalty to Jesus Christ and sympathy with His last command, which make missionary labor at once a duty and a pleasure, whether the results are encouraging or otherwise. We should depend for our enthusiasm in this work primarily upon those considerations of a spiritual character which grow out of our love of God in Christ, and that love of our fellow-men which Christ has both exhibited and commanded.

In behalf of the Committee,

WEDNESDAY, May 22, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Judicial Committee, through its Chairman, Rev. John W. Dinsmore, D.D., presented a Report, which was adopted, and is as follows:

The Judicial Committee respectfully reports upon

Judicial Case No. 7, as follows: We find the papers in order; questions affecting the Constitution are raised in the case, and we therefore recommend that it be committed to a Judicial Commission for trial.

The Standing Committee on Publication, through its Chairman, Rev. Samuel F. French, presented its Report, which was accepted, and after addresses by Rev. E. R. Craven, D.D., Secretary of the Board, and others, was amended and adopted. The Report is as follows:

In the beginning of the Report your Committee desires to recognize with gratitude the good hand of our God in sparing the lives of all the members and officers of the Board, and in enabling them to attend unremittingly to all their duties. The Board has had the benefit of their valuable experience and practical knowledge. In the kingdom of our Lord there come changes in the workers by the call of some to the higher service above, or the transference to other parts of the work on earth. But our Church has rejoiced in the large degree of permanence among its workers throughout the land.

Your Committee is glad to report a year of success and enlargement in all the departments.

BUSINESS DEPARTMENT.—The total amount of business for the year was \$464,785.68. The net profits for the year were \$23,-

\$81.20, notwithstanding the increased cost of paper was \$22,576.41. The business shows a large increase in its periodical, book and tract departments. Two-thirds of the net profits, or \$15,920.80, have been placed to the credit of the Sabbath-school and Missionary Fund, and the remaining third, or \$7960.40, has been added to capital, from which it appears that the Business department of the Board of Publication and Sabbath-school Work not only pays its own expenses, but has contributed almost \$16,000 to the Sabbath-school work, and about \$8000 to the capital of the Board during the past year.

The establishment of the Depository at San Francisco, in the judgment of the Committee, has been justified. It is doing a very large business. The business of the Board is now almost entirely transacted through its own agencies, namely, Philadelphia, New York, Chicago, St. Louis and San Francisco. The periodical lesson helps, illustrated papers and other Sabbath-school supplies constitute a most complete equipment. These facts show that the business of the Board is conducted in an economical and satisfactory manner.

In the past fourteen years, beginning with the year 1888, when the practice of contributing two-thirds of the profits of the business to the missionary work was first inaugurated, more than two hundred and thirty-eight thousand (\$238,000) dollars have been paid over by the Business department to the Missionary department. Your Committee suggests that the Commissioners to this General Assembly impress upon their respective Presbyteries and congregations this fact, that the Business department of the Board of Publication and Sabbath-school Work is not only self-supporting, but contributes largely to the Sabbath-school work of the Church. Your Committee has only commendation for the clearness of the financial exhibits and the excellent work accomplished at the proportionately low cost of administration.

EDITORIAL DEPARTMENT.—Your Committee desires to express its high esteem and commendation of the periodicals prepared by this department, to call attention especially to the improvements in and additions to previous publications and the exceptional merit of the new Primary Quarterly. In these we note, with reasonableness of price, beauty of appearance and effectiveness of preparation, their spiritual aim and tone. We wish also to endorse most heartily the contemplated Normal Quarterly and its endeavor to stimulate teacher-training in our schools—a much-needed improvement. We recommend the use of these publications in all our schools, and the adoption of the progressive methods in grading, Home department and Normal work involved. In evidence we adduce the vast increase in volume of publications issued and in constituency reached, amounting to 44,770,806 issues, with approximately 1,506,298 subscribers.

In referring to bound volumes, while commending all, we wish

especially to mention the Westminster Series of Handbooks, one of the most effective volumes being *Christianity Supernatural*, by our Moderator, Dr. Minton. This Series contemplates the issuing of concise compendiums on timely topics adapted to popular use.

We find the Editorial department articulating in complete harmony with its coadjutors, and under its well-known Superintendent and his capable assistants is in the lead among all denominations.

SABBATH-SCHOOL AND MISSIONARY DEPARTMENT.—We desire to express our appreciation of the evident heart-interest taken by the Secretary of the Board and Superintendent of this department in the personal welfare of the men on the field.

Having considered all the interests concerned, and having learned from the representatives of the Board the things appearing to them to be of the greater importance, we submit the following recommendations :

1. That more earnest measures be taken for the culture of the Sabbath-school members in the spirit of beneficence ; that, when practicable, the general expenses of the school shall be borne by the church, that the gifts of the school may be devoted to missionary causes.

2. That the Assembly recommend to the Presbyteries and Synods that at the next Fall meetings the work of the Presbyterian and Synodical Sabbath-school missionaries shall have a good and sufficient time allotted to this cause ; and that the discussion at that time shall be based upon the items of the regular monthly reports, as made by each missionary, month by month, to the Board.

3. We rejoice in the success thus far attained in the Twentieth Century movement toward the addition of one-half million to the membership of Presbyterian Sabbath-schools, and recommend the continuance of earnest and systematic efforts to gather the unreached youth within the bounds of our churches.

4. We commend the Board's movement for the organization in all our schools, where practicable, of a Normal department for the training of future teachers and a comprehensive instruction in the Scriptures.

5. In view of the pressing appeals coming to this Board from Presbyteries for additional Sabbath-school missionaries, that this Assembly should urge our churches, Sabbath-schools, Young People's Societies and individual givers to contribute more liberally to this Board, and to concentrate their gifts upon its work.

6. We gratefully recognize the evidence of the Divine blessing upon the labors of our devoted Sabbath-school missionaries as shown in the Annual Report, and specially recommend that endeavors be made through institutes, evangelistic meetings and all other wise measures to secure the development of the schools into churches.

7. We heartily commend the efforts of the Board to stimulate the study of the Shorter Catechism by rewarding with a beautiful Bible such of our younger scholars as commit the Catechism to memory.

Your Committee has received from the Committee on Bills and Overtures, by vote of the Assembly, *Overture No. 49*, from the Synod of Montana, urging that a former practice of this Board of donating libraries to destitute Sabbath-schools in missionary fields be resumed, and that \$2500 be set apart each year from the earnings of the Business department for this purpose. Upon inquiries of the Secretary, the Business Superintendent and other officers of the Board, your Committee finds that they are all in full sympathy with the spirit of this Overture, so far as it can be done wisely, but believe that all Sabbath-schools, even the weakest, should be encouraged to do all that they can toward their own support. Books have been given to the most needy schools in the last year. It is, therefore, the recommendation of your Committee that this Overture be referred to the Board to take such action as they may think wise.

Your Committee has examined the Minutes of the Board as contained in this book, and finds them neatly and accurately kept, and recommends that they be approved.

We are informed that within the last year Elder Eugene Delano declined service as a member of the Board, and that Elder Franklin L. Sheppard was appointed to fill the vacancy for the remainder of the year. We recommend that this appointment be confirmed.

Your Committee also recommends that the following-named ministers and elders, members of this Board, be rechosen for another term of service: *Ministers*—Charles A. Dickey, D.D., Robert M. Patterson, D.D., LL.D., Louis F. Benson, D.D., Alexander Henry; *Elders*—Robert M. Hinekley, John H. Watt, William H. Scott, Franklin L. Sheppard.

All of which is respectfully submitted.

For the Committee,

SAMUEL F. FRENCH, *Chairman*.

The following additional Report was presented by the Committee on Publication and Sabbath-school Work, and accepted and adopted, viz.:

Whereas, In the Report of the Standing Committee on Temperance, at the last General Assembly, a recommendation was made that the Board of Publication and Sabbath-school Work be instructed to print gratuitously for the Permanent Committee on Temperance such literature as the Committee may prepare for its use, to the amount of \$500 in value annually; and,

Whereas, This recommendation was not brought to the attention of the Standing Committee or of the Board concerned, and is an annual draft on the treasury of the Board for purposes not

contemplated in its work ; therefore, *Resolved*, That this action of the last Assembly be rescinded.

The Standing Committee on Benevolence, through its Chairman, Rev. E. P. Whallon, D.D., presented its Report, which was accepted, and after an address by Rev. William R. Richards, D.D., Chairman of the Special Committee on Systematic Benevolence, was adopted. The Report is as follows :

The Church of Jesus Christ is no mere accident or incident of human life. It had its origin in God's eternal purpose, and its progress and triumphs are provided for in His divine wisdom and bounty. It is no mere child of fortune, but the creature of God's infinite love and transcendent grace. It had no obscure origin ; it has no uncertain destiny. It should have at our hands, who are honored with the privilege of being enrolled in its membership and entrusted with the affairs of its administration, no indifferent treatment and no precarious support. Splendid in its origin, magnificent in its ultimate victories, it should have ever from us the most generous, loving, solicitous and loyal support. When God flung out the battle line of His kingdom and ordered His forces out to the uttermost parts of the earth for the conquest of the world, to the rightful sovereignty of its Lord and the enforcement of His decree that it should be the inheritance of His Son, He provided for its temporal maintenance as well as for its spiritual comfort and guidance. He claimed the earth, the sea, the cattle on a thousand hills. On these He levied for the support of His cause. He did not ask alms ; He did not cringe as a waiting suppliant. He made His assessment for all time in the single announcement, " The tithe is the Lord ;" and this in emphasis of the fact that all is His and that we, the apparent owners, are only His stewards to whom is entrusted His property. The acknowledgment of God's right to all must be made by us in the payment of God's rightful claims, if we would continue as lawful tenants and not as unlawful usurpers.

The progress of the kingdom of God in its great home and foreign enterprises lags for the lack of money for carrying on its work. The doors are open for our entrance into all the lands of the world with the Word of Life. No national restrictions prevent the carrying of the tidings of the Gospel to all people. The walls are down ; the ports are open ; the seas are free. We may go with the Gospel into all lands and put forth spiritual efforts to bring souls into subjection to the loving will of God. More than this, there are great multitudes of consecrated men and women who are ready to go out in the service of Christ and the Church to proclaim the unsearchable riches of the Redeemer. But our treasuries are not sufficient to enable us to rise to the height of our present opportunity. Men and women who are ready to go out in the name of Christ are compelled to remain at home, and the Church looks out and sees her possibilities unaccepted and

passing by because of the lack of money at her command. The same thing is true in our own land. New work cannot be accepted on our Western frontiers because we have not sufficient money at the command of our Home Mission forces. Strategic points must be left unoccupied. Important positions must be uncaptured. Multitudes of men and women and little children must be left uncared for. Foundations for most important enterprises must remain unlaied. All these failures and lacks are the sad result of our want of a sufficient amount of money to do work, the most important in all the world, that which our world needs, that which would bless our nation, that which would uplift our race, and that to which we are directed by the very commission of our Lord. Piety, philanthropy and patriotism are calling us to do the grand work of giving Christian instruction and training to men and women at home and abroad, and we sit down in view of many of these open doors and wearily or sadly decline them because we have not the necessary money.

Back of all the great missionary operations of our Church, as the mountain spring behind the rivulet that flows down to widen out into the mighty river, lies and must lie the spirit of Christian benevolence. If this fountainhead be maintained with strong and steady pressure there will be no failure in the stream that flows on to give life and beauty to all that lines its borders in its passage through the widespreading valley. But if this fountain dry the stream narrows and shallows and dies away. So if the spirit of Christian benevolence fill the hearts of all our people the treasures of our Boards will be filled with the rich and willing offerings of the people, and there will be no difficulty in carrying out the work of the Church in any of its important and necessary departments. To change the figure, this is the heart of our whole missionary system, and if the vital forces of our Church course through all these diversified channels, it must be because the heart of the Church is filled with the abiding and abundant spirit of her loving and self-sacrificing Lord, who, when He was rich, for our sake became poor, that we through His poverty might become rich, and who has told us, through His inspired apostle, that if any man has not the Spirit of Christ he is none of His.

The ideal of Christian giving, in its pure and simple form, would be for every individual to place in the Lord's treasury, at stated and frequent intervals, that proportion of his income that is called for by the Lord. But if there be difficulty in locating this treasury so as to place in it undesignated all that is called for, owing to the many modern departments of religious effort, our obligation becomes not less but rather all the greater. Our missionary Boards make, each of them, their earnest plea; and if they, each of them, have a right to exist, they should plead successfully with each and every member of all our churches. And so, in our organized conditions of to-day, it becomes the ideal of

Christian benevolence that every individual member of the Church should make an offering to each and every department of our Church's activity.

We have had presented to us the claims of the various Boards of our beloved Church, and we have resolved that during this next year we will make effort to raise the following sums: For Home Missions, \$850,000; for Foreign Missions, \$1,000,000; for Education, \$100,000; for Publication and Sabbath-school Work, \$100,000; for Church Erection, \$100,000; for Ministerial Relief, \$125,000; for Freedmen, \$250,000; for Aid for Colleges, \$150,000—a total for these Boards for the coming year of \$2,675,000.

In order to do this we shall have to enlarge our hearts. We shall have to pray more and love more, in order to give enough more than last year to reach these sums which we have decided that we should not fall below. It was in view of the necessity for an increase of consecrated devotion, in order to greater success in the work and service of God, that the Psalmist wrote, "I will run the way of thy command when thou shalt enlarge my heart."

Instead of the ideal condition in our Church of a contribution from every individual member to each particular cause, we have not arrived at even the approximate condition of a contribution from each church to each cause. The very carefully prepared Report of our Special Committee on Systematic Benevolence sets forth many facts as to these contributions which are worthy of most careful study. From them we learn that of our 7750 churches less than 3000 gave last year to our Board of Publication and Sabbath-school Work, the lowest number contributing to any of our Boards; and that less than 5000, the highest number contributing to any of our Boards, gave to Foreign Missions. Of the churches on our roll over 2800 are reported as giving nothing to the Foreign Mission Board, which seems to lie nearer the heart of the churches than any other of our various agencies. The entire membership of all these 2800 churches deprived itself or was deprived of the privilege of contributing to this great cause of Foreign Missions, and it is to be feared that even among the members of the churches reported as contributing great areas of people gave nothing.

It has been carefully estimated that nine-tenths of all our religious offerings come from one-tenth of the people, while of the remaining nine-tenths of the people many of them do absolutely nothing to make up the final one-tenth of the contributions. This emphasizes the large-heartedness of some of God's people. It is very sure that we have not yet reached the ideal of a contribution from each church, and from each member of each church, to each of the agencies through which our work is being done for the evangelization of the world. When this ideal shall be reached and each enrolled member of the visible Church

becomes an active, working, giving participant in the efforts to give the Gospel to all lands and to all men, it will not be long until the shout of triumph shall be raised: "The kingdoms of this world are become the kingdoms of our Lord and His Christ."

It is not our purpose to go into any extensive tabulation of the receipts of our Boards or the contributions of our churches. This is done most admirably in the excellent Report of our Special Committee, and their Report, which is already distributed, is worthy of preservation and study. The figures given here and in the Reports of our Boards and in the *Minutes* of our General Assembly are ready for the eye, and appeal to it rather than to the ear. Be it ours in this brief moment rather to call attention to the great principle of Christian benevolence and impress upon all our hearts the privilege, which is ours, of being co-workers with Christ, by voice, by personal effort, and by conscientious, Scriptural, systematic giving, in spreading the tidings of His glorious kingdom.

An Overture from the Presbytery of Lackawanna (*Overture No. 42*) sets forth the fact that our eight Church Boards were incorporated primarily, not for the purpose of raising money, but for the purpose of expending it, as the agents of the Church, after it has been raised. It is the duty of the churches to fill up the treasuries of these Boards, that the important missionary work contemplated in the erection of these Boards may be by them efficiently carried on year by year. This efficiency is greatly interfered with if the funds be not cheerfully and promptly provided, and seriously crippled if any funds absolutely necessary be withheld. The officers of these Boards should not be compelled to spend anxious days and sleepless nights striving to raise necessary funds for carrying on the work. Their efforts should be given to the wise and efficient distribution of the funds raised by the Church and to a study of conditions which may lead to the larger efficiency of the cause of Christ. Let the Church support the Boards by large, liberal, willing and steadily imparted offerings, and then let the Boards act as wise agents in carrying out the design of their creation. The Church must support its Boards. The Boards must be wise and efficient agents of the Church. Let this conception be clearly recognized. Let the duties growing out of it be firmly grasped and performed. Let this General Assembly be the beginning of days in a new understanding of our relation to these Boards. They are not a lot of independent institutions set to implore assistance precariously doled out and pleading for alms whose coming shall be continually uncertain. No more should they beg for funds than a pastor should be compelled to plead for his salary. The grace and the dignity, and we had almost said the power and efficiency, are gone if the Boards must be on their knees beseeching gifts to keep them out of debt and enable them to scrape through the year. No! No!

The causes represented by these Boards are the causes that belong to the Church and that should have its deep affection, tender solicitude and generous benefactions.

We do not believe it best to appoint a Special Committee on this subject, but we would ask the whole Church, all the ministers, all its elders and all its members, to consider this year the undoubted fact that it is our duty to support the Boards, abundantly and promptly, and the simple duty of the Boards to act as our agents and thus work the good and glorious will of Christ.

Your Committee beg leave to report the following recommendations :

1. That our offerings should be regarded primarily as rendered to the Lord. Our obligation is to Him. We place our offerings in His treasury. We make our gifts not to churches or to Boards as such, but to the Lord and to these as His agencies. Our giving is worship. Our offerings are in recognition of God's claims upon us and His right to us and ours. Thus we lose the thought of mere slavish duty and are filled with the spirit of worshipful privileges. Thus all our duty will be for our growth in grace and for the glory of God.

2. That pastors be urged to present more frequently and more forcefully the duty and privileges of Christian giving, from principle and from spiritual interest, not simply from impulses or under the power and pressure of special solicitation.

3. We recommend that special efforts be made in each church for the raising of necessary money for the support of our Boards, and that in each church the means that appear most effective should be adopted: as annual pledges secured from each member, to be divided according to the established *pro rata* basis or pledged directly to particular Boards, and paid in by means of special envelopes or in any other way calculated to produce the largest and best results.

4. We recommend that at the annual meeting of each Presbytery the roll of the churches and pastors be called that it may be ascertained if the opportunity has been afforded each church to contribute to each one of the Boards of the Church, and if not, why not.

5. We recommend that in each of our theological seminaries full instruction be given to our students for the ministry on the subject of Systematic Benevolence, and upon the history, objects and operations of the several Boards of the Church. Thus our young ministers will enter upon their work with a knowledge of these important agencies and trained in a branch of ministerial duty in which we cannot afford that any of our ministers should be lacking.

6. We recommend that no extraordinary or special efforts should direct the beneficences of the Church from their necessary and pledged channels. If there be extraordinary giving—as there should be very often—there should not be the neglect of the

common and ordinary causes which depend for their very life upon the Church, which has called them into being. We rejoice in the reports that come in from all quarters of the extraordinary and splendid gifts that are being raised at the present time for the paying off of church debts and other encumbrances and for the endowing of our institutions. We congratulate all who have participated in this magnificent movement, in general or in any particular, and hope that the end may not come to this special effort until the treasures of all our highly prized institutions be filled to overflowing. At the same time we cannot but utter one simple word of warning, lest needed funds be directed from the Boards which need them for their very life. We cannot take the bread from the mouths of our children, even for the building of splendid homes in which they may dwell. Let us be sure, day by day, year by year, that we provide for all the causes that must perish if we withhold from them that which we have pledged to them.

7. We recommend especial approval of the efforts of our Special Committee to stimulate and arouse the Church in its work of beneficence. In its enunciation of basic principles and in its circulation of helpful literature it has been the ally of our missionary Boards and a power behind the throne. Unostentatious and unrequited, the stimulus of their activity is felt throughout the Church. No one is able exactly to define the actual results accomplished by any particular force or agency, but the principle abides that we are, each one, in our own place, to do what lies within our power, and are to appreciate, as we recognize, the efforts of our co-workers.

8. We recommend that the Special Committee be continued, with no change in its membership as at present constituted. Its work has been carefully done, and the Report of its Treasurer is found correct and recommended for approval.

9. We recommend that the sum of \$500 be appropriated for the expenses of the Committee for the coming year.

Respectfully submitted,

E. P. WHALLON, *Chairman.*

The Standing Committee on Benevolence also presented a Supplementary Report, which was adopted, and is as follows:

The Standing Committee on Benevolence also reported on *Overture No. 42*, from the Presbytery of Lackawanna, recommending that no action be taken thereupon, for the reason that they are unwilling to recommend the appointment of another Special Committee by the General Assembly, especially as the end contemplated is already provided for sufficiently by the General Assembly's Special Committee on Systematic Beneficence.

Your Committee, in addition, has had placed in its hands two *Overtures* from the Synod of Illinois.

One, found on printed Minutes of the Synod, on p. 28, asks

that the Young People's Societies be permitted to contribute directly to the Boards, as do the other departments of the Church. Inasmuch as this is considered in the Report of "Special Committee on Missionary and Benevolent Offerings," we would respectfully refer to the action of the Assembly on this Report.

The other, on p. 39, asks a definition of Systematic Beneficence and an outline for its practical operation. For answer we refer to the Report of the "Special Committee on Systematic Beneficence."

Rev. Richard S. Holmes, D.D., addressed the Assembly on the movement for the payment of the mortgage debt on the Presbyterian Building in the city of New York, after which the following resolution was adopted:

Resolved, That the Assembly approves heartily the movement undertaken by Rev. Dr. Holmes, to pay the mortgage debt on the Presbyterian Building in New York, and instructs the Executive Committee of the Twentieth Century Fund to coöperate with him in the effort.

The Moderator announced the following *Judicial Commission on Judicial Case No. 7: Ministers*—James E. Moffatt, D.D., Charles H. Little, D.D., A. J. Hutton, D.D., W. W. McKinney, D.D., John B. Helwig, D.D., F. R. Wotring. Hugh Jack, Frank M. Carson, Robert C. Stone; *Elders*—W. H. Edwards, H. K. Linger, Henry P. Coile, M.D., Hon. Alfred Hand, F. P. Hettlinger, John C. Stevenson, R. W. Williamson, N. S. Preston, H. G. Kimball.

The Assembly adjourned, and was closed with prayer.

WEDNESDAY, May 22, 8 o'clock P.M.

A popular meeting in the interest of Foreign Missions was held in the Academy of Music, and addresses were delivered by Rev. C. A. R. Janvier, of India, Rev. Eugene P. Dunlap, of Siam, Rev. J. W. Hawkes, of Persia, Rev. Melvin Fraser, of Africa, and Rev. W. I. Swallen, of Korea.

THURSDAY, May 23, 9 o'clock A.M.

The Assembly met, and was opened with devotional exercises.

The Minutes of yesterday's sessions were read and approved.

The Committee on Bills and Overtures, through its Chairman, Rev. Charles A. Dickey, D.D., presented a Report, which was adopted, and is as follows:

The Standing Committee on Bills and Overtures respectfully reports on additional papers in its hands as follows :

Overtures Nos. 26-31, from Presbyteries of Detroit, Flint, Kalamazoo, Lake Superior, Monroe and Saginaw, relating to Bible Training for Young People's Societies. In answer to the above Overtures your Committee recommend the following : It seems evident that the time has come for a more systematic training of our young people in Bible study and along the line of our denominational life and work. We therefore recommend that the Board of Publication and Sabbath-school Work take the matter into consideration and devise some plan for meeting this need in connection with the work of Young People's Societies and Sabbath-schools, and in conference with the Assembly's Committee on Young People's Work. Adopted.

Overtures Nos. 54 and 214.—The Committee has had before it *Overture No. 54*, from the Synod of Washington, with the certificate of the concurrence of the Synod of Oregon therein, on the boundaries of said Synods ; and also *Overture No. 214*, from the Presbytery of Puget Sound, asking for the creation of a new Presbytery, containing churches some of which now belong to the Synod of Washington and some to the Synod of Oregon.

Your Committee recommends the following action:

The General Assembly adopts the following Enabling Act, to wit :

Be it enacted, 1. That the boundaries of the Synods of Oregon and Washington be changed by taking from the former and adding to the latter the part of the Synod of Oregon, as at present constituted, which lies within the boundaries of the State of Washington.

2. That a new Presbytery be and is hereby erected, embracing the ministers and churches in the three counties of Kittitas, Yakima and Kliekitat, in the State of Washington, said new Presbytery to be known as the Presbytery of Central Washington, and to be subject to the jurisdiction of the Synod of Washington.

3. That Rev. James M. Thompson, of North Yakima, be and he is hereby appointed to convene said Presbytery for organization, report to be promptly made to the Assembly and Synod.

4. That to care for the home mission work within the bounds of the new Presbytery, until it can be legally constituted, the following are appointed a Committee on Home Missions : Rev. James M. Thompson, *Chairman* ; *Ministers*—David Blythe and Frank L. Hayden, D.D. ; *Elders*—W. C. Dudley and Hugh Sinclair. Adopted.

Your Committee has had submitted to it 139 papers, most of them in the form of Overtures, relating to a change in the salaries of the Stated and Permanent Clerks and to a limitation of the terms of office of said Clerks. The Committee, having carefully examined and arranged all of these papers, has to report that only forty-three Presbyteries are in favor of any such action, so

far as reported, while ninety have expressed themselves as in opposition thereto. A small number of these papers are unsigned and unattested in any way. These were disregarded by the Committee. After careful consideration of the matter, the Committee unanimously recommends that the Assembly take no action thereon. Adopted.

The Committee having considered *Overture No. 55*, from the Synod of Indian Territory, recommends the following action thereon :

That the request of the Synod of Indian Territory, that the First Presbyterian Church of Mena, Ark., in the Presbytery of Choctaw, of said Synod, be transferred to the Presbytery of Ozark, Synod of Missouri, be granted. The Committee states that while no formal action of the Synod of Missouri on the subject was presented to it, yet satisfactory evidence was presented to show that some action approving of the proposed change had been adopted by that Synod.

Overtures Nos. 14-22, from the Presbyteries of Chippewa, Dayton, Detroit, Fort Wayne, Lima, Los Angeles, New Albany, Red River and Westchester, asking that steps be taken to collect certain additional statistics regarding the churches, work and property of our denomination. It is recommended that these papers be referred to a Committee composed of three persons, of which the Stated Clerk shall be a member and Chairman, to confer with the officers of the Board of Education and others, to ascertain the cost of collecting such statistics and to arrange for their collection, if it be deemed wise and feasible ; also that *Overture No. 213*, from the Presbytery of Buffalo, which has been returned to the Committee, with the suggestions therewith, proposing changes in the Narrative blanks, be referred to this same Committee. Adopted.

Overture No. 44, from the Presbytery of Chemung, asking that a copy of the Assembly *Minutes* be sent each year to each church Session, in addition to sending a copy to each minister. No action is advisable, because it would be unwise to put the Church to so great an expense upon the request of only one Presbytery. Adopted.

The following resolution was adopted :

The General Assembly of the Presbyterian Church extends to the President of the United States hearty congratulations and expresses devout thanks to Almighty God for the recovery of Mrs. McKinley, and for the prospect of her early return to her home in the Executive Mansion at the Capital.

The Permanent Committee on the *Digest*, through its Chairman, Rev. William H. Roberts, D.D., presented its Report, which was adopted, and is as follows :

The Permanent Committee on the *Digest* of the Acts and De-

liverances of the General Assembly would respectfully report that the work of compilation, with a view to a new edition, is being carried forward according to the directions of the Assembly, in the office of the Stated Clerk.

Respectfully submitted,

WM. H. ROBERTS,
E. R. CRAVEN,
WM. B. NOBLE.

The Permanent Committee on Editions of the Constitution, through its Chairman, Rev. William H. Roberts, D.D., presented its Report, which was adopted, and is as follows :

The Permanent Committee on Editions of the Constitution would respectfully report that the Board of Publication and Sabbath-school Work, during the past fiscal year, issued a new edition of the Constitution of the Church, and that the proofs of the same were submitted to and approved by this Committee.

Respectfully submitted,

WM. H. ROBERTS,
E. R. CRAVEN,
WM. B. NOBLE.

The Permanent Committee on the Reprinting of the *Minutes*, through its Chairman, Rev. William H. Roberts, D.D., presented its Report, which was adopted, and is as follows :

The Permanent Committee on the Reprinting of the *Minutes* would respectfully report that it has at this time nothing to present to the General Assembly. However, it has under consideration certain matters connected with the *Minutes* of the General Presbytery and General Synod upon which it hopes to be able to report in 1902.

Respectfully submitted,

WM. H. ROBERTS,
WM. B. NOBLE.

The Special Committee on Omaha Seminary presented its Report, which was accepted and approved, and is as follows :

Your Committee on the Omaha Seminary have to report that progress has been made during the year in enlarging the field and influence of this school of the prophets. By the gift of Mrs. Thaw, of Pittsburg, the building occupied by the institution has become the property of the Seminary Trustees. It will be remembered that over a year ago the interest of Mr. McDougal in the same was willed to and received by the Board. This property, therefore, as a whole, is now an asset of the Seminary, and is worth, at least, \$30,000. But as it is too far down town in Omaha to continue long a valuable site for the Seminary, and is valuable for business purposes, the Board of Trustees sought and found another site in a fine part of the city, well situated, accessible,

because very near a car-line, valued at \$30,000, and which could be sold for that sum. By interesting the owner in the project of building on the lots at that point, he made a generous donation, and brought the purchase of the site by the Board within reach. Work was begun at once. Mr. Wharton, one of the members, went to New York and Chicago, and, being a lawyer of wide acquaintance and large influence, raised the needed amount, and now this property is an added asset of the Seminary. In addition to this, the Board has left untouched the \$5000 which it received by will about two years ago. That money is in the bank, and is another asset of the Seminary. Footing up these assets we have the total of \$65,000 as the property of this youngest theological school of the Assembly.

Work has been begun on the needed endowment for the Seminary. The current expenses have been raised, by the untiring zeal and patience of the Rev. M. B. Lowrie, D.D. The Seminary comes to the Assembly without a debt to report, but an examination into the facts of the case will reveal a degree of self-denial and hardship on the part of the Faculty that goes a great way in explaining this fact. This Assembly, and the Church, are under a debt of gratitude to these noble men.

The appeal which Omaha Seminary makes to the Church is backed by faithful work and excellent business management. The most critical inquirer into the standing and the management of the Seminary, will find the facts to warrant ample encouragement to go ahead, and to sustain the appeal of the Seminary for funds with which to build up an adequate endowment. The hand-to-hand method which has been employed hitherto in carrying on the work, is a method hardly in line with the dignity of the work or with the resources of our great Church. One hundred thousand dollars have been asked from the generous givers in the Church as an endowment, but every one knows that, as interest-bearing securities now go, the annual income from such an endowment cannot exceed \$4000, a modest sum, and not one wholly adequate for the purposes of such a school. The endowment to be provided ought to be \$300,000. This would give an income each year of about \$12,000. A comparison of other seminaries will reveal that this is not too large a sum. The gross income of Princeton is \$83,000, McCormick \$52,000, Auburn \$50,000, Allegheny \$38,000, and Lane \$21,000.

Your Committee therefore appeals for an adequate endowment. This cannot well be less than \$100,000, and if more, then the money would be placed where good would surely be accomplished, and from which the Church would reap large returns in the years to come. Schools, like linen, sometimes unravel for want of hemming. In the case before us the needed hem is money.

In behalf of the Committee,
E. TRUMBULL LEE, *Chairman.*

The Conference of the Theological Seminaries, through its Chairman, Rev. E. R. Craven, D.D., presented its Report as a Committee of the Assembly, which was accepted and approved. The Report is as follows :

The Conference of representatives of the Theological Seminaries requested and authorized by the General Assembly (see *Minutes*, 1900, p. 71), respectfully reports as follows to the General Assembly of 1901 :

The Conference met at the Witherspoon Building, Philadelphia, Pa., January 17, 1901, and continued in session for two days.

The Stated Clerk reported the action of the Assembly of 1900 in relation to the Conference, and his procedure thereunder in the calling together of the Seminary representatives.

The action of the Assembly was as follows :

“ Among the subjects submitted to your Committee from the Theological Seminaries were two, which we believe should receive special consideration. One had reference to the terms of admission to the Seminaries, and the other to the length of the course of study. Your Committee would recommend that the General Assembly adopt the following :

“ *Resolved*, That the Governing Boards of the several Seminaries under the care of the Assembly are hereby requested to meet, through their representatives, and consider the questions of the terms of admission to the Seminaries and the length of the course of study, and such other matters as may concern the advancement of the Seminary course ; and also to consider the methods of granting beneficiary aid, presented in this Report, as they apply to the Scholarship Funds of the Seminaries ; and to report their conclusions to the next General Assembly.

“ The Stated Clerk was appointed to be the medium of communication between the Governing Boards of the several Theological Seminaries in securing a meeting of their representatives ” (*Minutes*, 1900, p. 71).

The Stated Clerk also presented a list of the members of the Conference, as reported to him by the secretaries of the Governing Boards of the Theological Seminaries, as follows :

The Rev. E. R. Craven, D.D., was chosen Chairman, and the Rev. William H. Roberts, D.D., Stated Clerk, was requested to act as Secretary, on the ground that the Conference was a Committee of the Assembly.

The roll was called, and the following persons were found to be present: Rev. Drs. Warfield, Greene, Stewart, Campbell, W. C. Roberts, Marquis, Smith, Craven and Sanders, with Mr. John Sinclair. The Rev. John DeWitt, D.D., of Princeton Seminary, also appeared as a representative of the Faculty of that Institution.

After due consideration of the matters submitted by the Assembly, the Conference, voting by Seminaries, took the following action, viz.:

Resolved, That this Conference communicates to the General Assembly the following:

The Conference of Representatives of the Seminaries, requested to meet, was duly convened, and after prolonged discussion of the matters proposed to it, found that the representatives were agreed upon

1. The importance of maintaining the present period of studies in the Seminaries;

2. The present requirements for admission, and further safeguarding them as to those subjects immediately requisite for the pursuit of the Seminary course;

3. Having examined the methods of granting beneficiary aid as they apply to the Scholarship Funds of the Seminaries, submitted to us (see *Minutes* of Assembly, 1900, pp. 61-63 and 71), we find that we are in substantial agreement with them, and especially so far as they emphasize the importance of making a scholarship test for receiving aid, and of making provision, so far as possible, for those students who do not desire a direct grant from the Seminary to earn or to borrow the necessary funds.

4. That the Seminaries being well agreed as to the general plan of Theological education and best able to meet the special needs of their individual fields, no action on the part of the General Assembly is required on the matters referred to the Conference as suggested in the resolution of the General Assembly (*Minutes*, 1900, p. 71).

The Conference further, as a Committee of the Assembly, directed the Chairman to report its proceedings to the Assembly, and requested the Stated Clerk to defray its expenses.

Respectfully submitted,

E. R. CRAVEN, *Chairman*.

The Special Committee on Revision, through its Chairman, Rev. Charles A. Dickey, D.D., presented its Report, which was accepted.

The minute of the Committee on Revision on the death of Ex-President Benjamin Harrison, a member of the Committee, which was held to be a Supplementary Report, was presented, accepted and adopted as the action of the Assembly, and upon invitation of the Moderator, Rev. Samuel P. Sprecher, D.D., led the Assembly in prayer. The minute is as follows :

We hereby record our sincere sorrow and profound sense of loss on account of the death of one of our number, Benjamin Harrison, ex-President of the United States of America. This sad event occurred April 12, 1901, at his home in the city of Indianapolis. His appointment as a member of this Committee was made at a time when he was declining high public and official honors, and when he was deeply engaged in the solution of questions that affected the welfare and peace of nations ; but he did not hesitate, though at much personal sacrifice, to respond to the duty the Church of his choice and love had laid upon him. We gladly bear testimony to the high ability and efficiency with which he served in this Committee. His views were stated with that clearness, precision and force which have in such a marked degree characterized his public addresses and given them a world-wide renown. He was deeply interested in securing some revision or explanation of certain points in our Confession which would silence controversy and bring peace to the Church. Although his lamented death prevented him from signing these Reports which we present, we believe, from his recorded utterances, that they would have met his approval. While we feel the loss of his presence and counsels in our Committee, we recognize the wider loss which his death has brought to the Church and to our country. Called by his fellow-citizens to the highest office in their gift, he exhibited in it a Christian statesmanship that secured the confidence and commands the admiration of all. Highly gifted, wise in counsel, fearless in expressing his convictions, incorruptible in his integrity, and thoroughly conscientious in his conduct, he has passed from the realm of the present into that of history, there to remain while time lasts, an historic character to which all true Americans will give honor. His life-work forms an important part of the history of our country, and its influence will abide for good. We believe that the passing years will only reveal more clearly his greatness, and add new honors to his name. In the relations which he sustained to the Church which we represent, we are proud to speak of him as a Presbyterian elder, steadfast in the faith and faithful in the discharge of his duties. He was genuinely Christian. We are glad to place on record his testimony to the power of the Gospel, given by him as the presiding officer of the last World's Confer-

ence of Christian Missions: " Agencies of man's devising may elevate, but they cannot cure. Christ in the heart and His Gospel of love and ministry in all the activities of life are the only cure." This was the faith that moulded his character and nourished within him that unfaltering conscientiousness which directed his conduct. While we bow in submission to the will of the great Head of the Church, who has seen fit to remove him from the toils and labors of earth to the rest and service of heaven, we also thank Him for what He wrought for the Church and our beloved country through the life and ministry of Benjamin Harrison.

A minority of the Committee on Revision, through Rev. William McKibbin, D.D., presented its Report, which was accepted.

A motion was made and seconded to adopt the Report of the Committee.

An amendment was moved and seconded that the Report of the minority be substituted for the Report of the Committee.

A second amendment was moved and seconded, and is as follows:

Whereas, The vote of the Presbyteries on Credal Revision indicates an utter lack of unanimity as to what should be done in the matter;

Whereas, Such lack of unanimity inevitably means a long period of controversy and unrest in the Church, in case the movement for revision be persisted in; and

Whereas, The disturbance of the Confession of Faith would in all likelihood be squarely in the way of union with other Churches holding this same symbol, which union is earnestly desired and anticipated; therefore,

Resolved, That the General Assembly deems it inexpedient to proceed further in the matter of Credal Revision, and hereby dismisses the whole matter.

Pending discussion, the Assembly took recess, and was closed with prayer.

After careful consideration of all the circumstances connected with these invitations, the Committee recommends the adoption of the following resolutions :

Resolved, 1. That the General Assembly of 1902 meet in the city of New York, and in the Fifth Avenue Presbyterian Church.

The complaint of Rev. E. B. Hodge, D.D., and others against the Synod of New Jersey was again referred to the Committee on the Records of the Synod of New Jersey, with instructions to take up the case and report their findings to the Assembly. The Moderator was empowered to appoint additional members upon said Committee, and named the following persons : *Ministers*—George L. Shearer, D.D., DeWitt M. Benham, and *Elder* John Willis Baer.

The Moderator was authorized to appoint additional members upon the Judicial Commission to try *Judicial Case No. 7*, and announced the following appointees : *Elders*—H. M. Simmons, M.D., John Ross, R. B. Ewing, J. R. Redding, C. E. Cornell and Matthew Bigger.

The Judicial Commission on *Judicial Case No. 4* reported their finding in the case, which was placed upon record, and is as follows :

J. C. BOSE vs. THE SYNOD OF INDIA.

In the matter of the Appeal of J. C. Bose to the General Assembly of 1901 of The Presbyterian Church in the United States of America from the action and final judgment of the Synod of India pertaining to his case, rendered December 22, 1900, the Judicial Commission appointed by the aforesaid Assembly to hear and try said Appeal respectfully report the following Findings of Facts and Conclusions of Law.

FINDINGS OF FACTS.—1. That it appears from the *Minutes* of the aforesaid Assembly for the year 1887, and on p. 129 thereof

(to which reference is made in the aforesaid Appeal), that the Rev. J. C. Bose, of the Presbytery of Lahore, the aforesaid appellant, was tried in 1886 on the charge of lying and deceit by his Presbytery, and found guilty under each of two specifications, and was thereupon suspended from the ministry; that he appealed from the judgment of the Presbytery; that the Synod, on review of the case, sustained the finding of the Presbytery under one specification only, and required the Presbytery to administer to Mr. Bose a severe censure and restore him to the ministry. Against this decision of the Synod a protest was made, and entered upon the Minutes, on the grounds:

(1) That though one of the specifications had not been established, the crime remained the same under the other specification which the Synod sustained.

(2) That the restoration, enjoined upon the Presbytery, of Mr. Bose to the ministry, without any acknowledgment of guilt or evidence of repentance, was contrary to the express requirement of the Book of Discipline.

2. That the judgment of the Synod was executed by the Presbytery of Lahore, and Mr. Bose was restored to the ministry by said Presbytery at the order of the Synod of India of 1886, and obtained a certificate from said Presbytery of being in good and regular standing.

3. That the Committee appointed by the aforesaid Assembly of the year 1887 to examine the Minutes of the Synod of India reported that "we therefore recommend that the Minutes of the Synod of India be approved with the following exception: The requiring of the Presbytery of Lahore to restore Mr. Bose to the ministry, without acknowledgment of guilt or evidence of repentance, was a virtual reversal of the judgment and sentence of the Presbytery, founded, so far as the records show, on the erroneous interpretation of Section 58 of the Book of Discipline, that where one only of two specifications of a charge is proved, the charge itself is not proved.

4. That the aforesaid judgment of the Synod of India was never brought up either by Appeal or Complaint.

5. That the Synod of India, without process, reimposed the sentence of suspension upon the aforesaid appellant, J. C. Bose, in 1891, five years after its action ordering the Presbytery of Lahore to restore him to the ministry.

CONCLUSIONS OF LAW.—As Conclusions of Law the Commission finds:

1. That the decision of the Synod of India in 1886 of the Appeal of J. C. Bose from the Presbytery of Lahore was a Judicial Decision, and could only be reversed by being taken up by Appeal or Complaint (see *Book of Discipline*, Sec. 74).

2. That when the Presbytery of Lahore, at its session in 1886, in obedience to the judgment of the Synod of India, restored J. C. Bose to the ministry and gave him a certificate of good and

regular standing, the controversy became thereupon *res adjudicata*, and beyond the further control of either the Presbytery or Synod.

3. That all actions taken by the Synod of India since the year 1886, in reference to the original charge of lying and deceit preferred against J. C. Bose, are null and void.

4. That this Commission sustains the following part of Specification of Error No. 3, to wit: "Although the General Assembly of 1887 corrected the wrong interpretation of Section 58 of the Book of Discipline which the said Synod put upon it: But the General Assembly of 1887 did not direct the Synod to reconsider nor to reverse their decision of 1886, which would have been contrary to our Constitution," and does not sustain any other part of said specification.

5. That this Commission does not sustain specifications of error numbered 1, 2, 4, 5, 6, 7, 8.

Therefore, It is hereby adjudged that all proceedings and judgments had, taken, made and entered subsequent to 1886 by the Synod of India in relation to the original charge of lying and deceit preferred against J. C. Bose in 1886, and adjudicated by said Synod during said year, are unconstitutional and void, and therefore reversed.

For the Commission,

J. P. E. KUMLER, *Chairman*.

In giving this judgment the Commission adds a note of explanation:

It is distinctly expressed that the merits of the case have not been considered. We have dealt purely with the constitutionality of the acts taken. The question whether the said J. C. Bose was guilty of the original charge or not we have not had before us. But we do find that the case has not been handled by the Synod of India with strict regard for all particulars of law.

The Report of the Special Committee on Revision was taken up, amended and adopted, and is as follows:

The Committee upon the Revision of the Credal Statements of the Church respectfully reports to the General Assembly of 1901, that it was appointed by virtue of action taken by the General Assembly of 1900, and recorded on page 99 of their *Minutes*, in the following resolutions:

"1. That a Committee of fifteen, eight ministers and seven elders, be now appointed by the Moderator to consider the whole matter of the restatement of the doctrines most surely believed among us, and which are substantially embodied in our Confession of Faith.

"2. That this Committee be enjoined diligently to pursue their inquiries, seeking light and knowledge from every available

source, and to report to the next Assembly what specific action, if any, should be taken by the Church.

"3. That to further the work of the Committee the Presbyteries be and are hereby invited by the Assembly to take action on this subject at their approaching fall meetings, and through the Assembly's Stated Clerk to report said action to the Committee, whether suggesting revisional, supplemental or substitutional changes, or no change at all" (*Minutes*, 1900, pp. 99, 100).

Subsequently the Committee provided for by this action was appointed by the Moderator, and as named the members were: *Ministers*—Herrick Johnson, D.D., Samuel J. Niccolls, D.D., Daniel W. Fisher, D.D., William McKibbin, D.D., George B. Stewart, D.D., Stephen W. Dana, D.D., Samuel P. Sprecher, D.D., Benjamin B. Warfield, D.D.; *Elders*—Gen. Benjamin Harrison, Justice John M. Harlan, Daniel R. Noyes, E. W. C. Humphrey, William R. Crabbe, John E. Parsons and Elisha A. Fraser. The Moderator, Rev. Charles A. Dickey, D.D., was added to the Committee by direct action of the Assembly, as its Chairman. Rev. Dr. B. B. Warfield having declined to serve, the Rev. Henry Van Dyke, D.D., was appointed to fill the vacancy.

In order to carry out the directions of the Assembly, the Committee met at Saratoga Springs, N. Y., on August 14, 1900, all the members being present except Rev. S. W. Dana, D.D. (who was out of the country), Gen. Benjamin Harrison and Justice John M. Harlan, and adopted a communication to the Presbyteries, which the Stated Clerk of the Assembly, as the Secretary of the Committee, was directed to transmit to those judicatories. The communication, after stating the appointment and work of the Committee, requested the Presbyteries to answer certain inquiries as follows:

"The Committee beg leave to ask the following questions, answers to which will be helpful to a full and clear understanding of the mind of the Church. These questions are simply suggestive, putting upon the Presbyteries no restriction whatever, except that it should be remembered that the Committee is not empowered to consider any suggestions that conflict with the System of Doctrine taught in the Holy Scriptures and contained in the Confession of Faith:

"1. Do you desire a revision of our Confession of Faith? or

"2. Do you desire a supplemental explanatory statement? or

"3. Do you desire to supplement our present Doctrinal Standards with a briefer statement of the doctrines 'most surely believed among us,' expressing in simple language the faith of the Church in loyalty to the System of Doctrine contained in Holy Scripture and held by the Reformed Churches? or

"4. Do you desire the dismissal of the whole subject, so that our Doctrinal Standards shall remain as they are, without any change whatever, whether revisional, supplemental or substitutional?

“ If your preference is for a revisional action, state in what direction and to what extent you would have revision undertaken. The revision reported to the Assembly in 1892 might here be helpful as a basis for judgment.

“ If your preference is for an explanatory statement, indicate what specific points in the Confession the explanation should cover.

“ The Committee considers it as quite evident that due regard to the above questions and suggestions, may be of great service in contributing to a better knowledge of the mind of the Church on this important matter.

“ The Committee also would respectfully request the Presbyteries in reporting their action to state the votes both in the affirmative and in the negative.”

To the questions contained in the foregoing communication answers were made by 190 Presbyteries, prior to December 1, 1900, which were put in printed form and submitted to the Committee at its meeting in Washington, D. C., December 4 to 8. At this meeting all the members of the Committee were present, and an examination was made of the returns from the Presbyteries. A tentative Report was agreed upon at this meeting, but final action was postponed to another time.

A third meeting was held at Washington, D. C., February 13 and 14, 1901, at which additional answers from the Presbyteries were presented, and the subject was further considered.

Several members of the Committee found it impossible to attend this February meeting, and others were compelled to leave before definite action could be agreed upon. While a majority of the Committee found it feasible to agree upon a definite recommendation, a considerable minority expressed a desire for further consideration. The Chairman being authorized to convene the Committee at the convenience of the majority, called, therefore, a meeting at Pittsburg, April 25, 1901. Ten members of the Committee were present. One member of the Committee, Hon. Daniel R. Noyes, was absent from the country; four members, viz., Rev. Samuel J. Niccolls, D.D., and John E. Parsons, Esq., Justice John M. Harlan and Dr. William R. Crabbe, regretted their inability to attend the meeting, but in view of previous action, expressed their willingness to unite with the majority in any final action that might be determined upon. The deliberations of this meeting were shadowed by the lamented loss of our distinguished member, Gen. Benjamin Harrison. Expressions of esteem and regret were recorded upon our Minutes, and a Committee, consisting of the Chairman, Rev. Samuel J. Niccolls, D.D., and Justice John M. Harlan, was appointed to submit a minute to the Assembly.

At the Pittsburg meeting the final statement of the action of 202 Presbyteries upon the questions submitted by the Committee was presented, and was as follows:

Votes of the Presbyteries upon the questions submitted by the Committee :

1. For Revision of the Confession (*Question 1*), 47.
2. For an Explanatory Statement (*Question 2*), 11.
3. For Revision of the Confession and an Explanatory Statement (*Questions 1 and 2*), 1.
4. For a Supplemental Statement of Doctrine (*Question 3*), 52.
5. For Revision and a Supplemental Statement of Doctrine (*Questions 1 and 3*), 15.
6. For an Explanatory Statement and a Supplemental Statement (*Questions 2 and 3*), 1.
7. For a Substitute Creed, 14.
8. For an Alternative Creed, 1.
9. For some change, 6.
10. Negative vote on all four questions, 4.
11. Indecisive vote, 1.
12. For a dismissal of the whole subject, 50.
13. Presbyteries in the United States not reporting, 15.
14. Presbyteries in foreign lands not reporting, 16.

The votes show that sixty-three Presbyteries favor (see *Items* Nos. 1, 3 and 5 above) some Revision of the Confession of Faith, and that sixty-eight Presbyteries favor (see *Items* Nos. 4, 5 and 6 above) some form of a Supplemental Statement of the "doctrines most surely believed among us."

After the patient consideration given to this important subject, thus recorded, and after a protracted, but harmonious, discussion of the subject in all its bearings, and in its possible issues, it was determined to submit to the General Assembly to convene in Philadelphia, May 16, 1901, the following findings and recommendations, viz.:

I. That the returns indicate that the Church desires some change in its credal statement.

II. That the returns indicate that no change is desired which would in any way impair the integrity of the system of doctrine contained in the Confession of Faith.

III. These returns indicate that it is the mind of the Church that the Confession shall be interpreted throughout in harmony with the teaching of Scripture that God is not willing that anyone should perish, nor is it the decree of God, but the wickedness of their own hearts which shuts some men out from the salvation freely and lovingly offered in Christ Jesus to all sinners.

IV. These returns indicate that a plurality of the Presbyteries desire that changes should be made by some new statement of present doctrines.

V. The returns also indicate a desire on the part of many Presbyteries for some revision of the present Confession, especially in Chapter III; Chapter X, Section 3; Chapter XVI, Section 7; Chapter XXII, Section 3; Chapter XXV, Section 6; with

additional statements concerning the love of God for all men, Missions and the Holy Spirit.

A. In view of these facts we recommend that a Committee as provided for by the Form of Government, Chapter XXIII, Section 3, be appointed by this Assembly.

B. We recommend that this Committee be instructed to prepare and to submit to the next General Assembly, for such disposition as may be judged to be wise, a brief statement of the Reformed faith, expressed as far as possible in untechnical terms. The said statement is to be prepared with a view to its being employed to give information and a better understanding of our doctrinal beliefs, and not with a view to its becoming a substitute for, or an alternative of, our Confession of Faith.

C. We further recommend that this Committee be instructed to prepare amendments of Chapter III; Chapter X, Section 3; Chapter XVI, Section 7; Chapter XXII, Section 3; and Chapter XXV, Section 6, of our Confession of Faith, either by modification of the text or by Declaratory Statement, but so far as possible by Declaratory Statement, so as more clearly to express the mind of the Church, with additional statements concerning the love of God for all men, Missions and the Holy Spirit. It being understood that the revision shall in no way impair the integrity of the system of doctrine set forth in our Confession and taught in the Holy Scripture.

In behalf of the Committee,

CHARLES A. DICKEY, *Chairman*.

The following resolution was adopted:

Resolved, That the Committee on Revision be composed of twenty-one members, that the Moderator be a member and Chairman of the Committee, that the following persons be appointed members, viz.: *Ministers*—Charles A. Dickey, D.D., Herriek Johnson, D.D., Samuel J. Niccolls, D.D., Daniel W. Fisher, D.D., William McKibbin, D.D., George B. Stewart, D.D., Samuel P. Sprecher, D.D., Henry Van Dyke, D.D.; *Elders*—Justice John M. Harlan, Daniel R. Noyes, E. W. C. Humphrey, William R. Crabbe, John E. Parsons and Elisha A. Fraser; and that the remaining members be appointed by the Moderator.*

On motion duly adopted, the Rev. William H. Roberts, D.D., Stated Clerk of the General Assembly, was appointed Secretary of the Revision Committee.

The Report of the Special Committee on Judicial Commissions was taken up, and was adopted. The Report is as follows:

The Special Committee appointed by the General Assembly of 1900 [see *Minutes*, p. 74], to prepare a revision of the thirteenth chapter of the Book of Discipline, being the Chapter on Judicial Commissions, respectfully report that prior to March 1st of this

* See p. 182.

year they held four meetings in the city of Philadelphia, received and duly considered the various suggestions sent to them by Presbyteries and Synods, completed a proposed revision of the chapter above referred to, and complied with the recommendation of the General Assembly "to publish, not later than March 1, 1901, the results of their labors."

In submitting these results to the General Assembly of 1901, the Committee desire to state some of the underlying principles of the proposed revision.

FIRST.—The Committee think that the classes of cases to be submitted to Judicial Commissions should be more clearly defined than they now are. Section 119 of the Book of Discipline provides that "all *judicial* cases may be submitted to such Commissions." But the question continually arises, What is a "judicial case?" To that question, as our Book of Discipline is now framed, no satisfactory answer can be given. Every Session, Presbytery, Synod, and General Assembly, possesses all the forms of governmental power, legislative, executive and judicial; and these powers often merge into one another so gradually that it is impossible to draw any clear lines of demarcation between them. Even in our civil government, where these forms of governmental power are vested in separate governmental departments, it is sometimes difficult to determine whether a particular act is legislative, executive or judicial.

The power of the Presbytery to license candidates for the ministry, to ordain, install and remove ministers, and to unite and divide congregations, involves the exercise of judicial functions, since the ascertainment and weighing of facts and the formation of judgment upon those facts is an essential part of the exercise of such power. Yet no one would speak of such business as "judicial business," or of a case calling for the exercise of such power as a "judicial case," or of a decision given in any such case as a "judicial decision," or of a Presbytery in its exercise of such a power as sitting in a "judicial capacity." The expressions, "judicial business" (Form of Government, Chap. ix, Sec. 4), "judicial cases" (Form of Government, Chap. x, Sec. 8; Chap. xi, Sec. 4; Chap. xii, Sec. 4; Book of Discipline, Secs. 94 and 119), "judicial decision" (Book of Discipline, Secs. 74 and 87), and "judicial capacity" (Rules for Judicatories, No. 40), are all indefinite terms, because, in many of the proceedings of our Church judicatories, judicial functions are so closely interwoven with functions of an executive or legislative character that it is not possible to distinguish those proceedings, with accuracy, as exclusively judicial, executive or legislative. Most of the proceedings of our Church judicatories are therefore described by a more generic term, as *administrative* proceedings. The Confession of Faith declares: "It belongeth to Synods and Councils, *ministerially*" (that is, in an administrative capacity), "to determine controversies of faith and cases of conscience" (which may be the exercise of an executive

power or of a judicial power, or of both of these powers combined); "to set down rules and directions for the better ordering of the public worship of God and government of His Church" (which is the exercise of a legislative power); and "to receive complaints in cases of maladministration and authoritatively to determine the same" (which may be the exercise of a judicial or administrative power).

Under the present provisions of our Book of Discipline, it is clear that every case originating in a charge of an offence against a church member or officer is to be regarded as a "judicial case." It is not clear, however, that any case originating in a *complaint* can be properly regarded as a "judicial case," and it is therefore doubtful whether a judicial commission has at present any jurisdiction of a case originating in a complaint. A case originating in a charge of an offence is one in which the rights of some individual church member or officer are determined. Such a case, every one will concede, may properly be submitted to a judicial commission under the authority of Section 119. But cases that originate in complaints, being in their nature largely administrative, have to do with the acts of judicatories themselves, and ought not to be submitted to Judicial Commissions.

The Committee have therefore concluded to embrace in their proposed revision the authority to submit to judicial commissions, for hearing and determination, only cases originating in charges. All other cases—cases that deal with the discretionary and supervisory powers of Presbyteries, Synods and General Assemblies—are to be heard and decided, upon complaint, by those bodies themselves.

SECOND—The Committee also believe that a change should be made in the present law of the Church concerning proceedings for the review of final judgments.

Heretofore a final judgment has been subject to reversal or modification upon appeal or complaint. An appeal can be prosecuted only by one of the original parties to the case, but a complaint may be made by any person who is a member of the judicatory whose decision is complained of. Accordingly a final judgment may be appealed from by one of the original parties, in which case the two original parties become appellant and appellee; and also complained against by a member who is not an original party, in which case the complaining member becomes the complainant, and the judicatory rendering the judgment the respondent.

It is the opinion of the Committee that this practice tends to confusion and uncertainty in the administration of justice. They believe that no complaint should be allowed against any decision rendered in a judicial case. Every such decision should be affirmed, reversed or modified only upon appeal. The evils of our present practice are clearly shown in Hodge's *Church Polity*, page 457: "It seems unreasonable and anomalous to make the lower court a party. In civil matters a lower tribunal does not appear at the bar

of a higher as a party to be tried. Its decision is reviewed, but the original litigants are the only parties, no matter how many steps there may be before the ultimate tribunal is reached. Would it not simplify matters if we adopted the same course? Our plan is first to try the Synod as a culprit, then the Presbytery, then the Session, and at last we get down to the original offender. No wonder we never fail to get into confusion. The simple and natural course, when a case is brought from a lower to a higher court, is to try the cause and not the court. The thing to be done is to administer justice; that is, for example, to decide whether a member has been rightfully suspended. . . . In the State, if a man brings a cause before a lower court, and it goes against him, he appeals to the Superior Court; if not satisfied he takes it up to the Supreme Court, and if still aggrieved he goes to the Court of Errors. In every step he takes simply his cause. He does not drag all the courts with him. The case is reheard at every step, and if injustice was done in the original decision or in any of the subsequent ones, the matter is set right. The cause goes up with all the records in the case, and is decided on its merits. We cannot see why we should not adopt the same course. If a man is suspended unjustly, in his judgment, by a Session, let him take the case to the Presbytery and have the case (not the Session) tried over again; if not satisfied with the decision let him go to the Synod and have the case (not the Presbytery and Session) reheard, and if still aggrieved let him take the case to the Assembly and have it (and not the Synod, Presbytery and Session) tried again. This, we are persuaded, would save a great deal of time and trouble, and deliver us from that labyrinth in which our higher courts never fail to get bewildered."

The evils of the practice so clearly portrayed by Dr. Hodge have their origin in the allowance of complaints against decisions rendered in judicial cases, and the Committee therefore propose that final judgments in judicial cases shall be carried to the higher judicatories by appeal only.

THIRD—What shall be the relation of Judicial Commissions to the present judicatories of the Church?

One of the plain purposes of the General Assembly in appointing the present Committee was that they should devise an improved method of relieving our Presbyteries and Synods, and especially the General Assembly, from the duty of hearing judicial cases. The cases proposed to be submitted to judicial commissions are only those relating to the rights of church members and church officers. They do not include any of that large class of non-judicial proceedings which call for the exercise of the discretionary and supervisory powers of Presbyteries, Synods and General Assemblies.

A judicial commission may be either strictly subordinate and responsible to the judicatory appointing it, or it may be independent of the appointing judicatory. It is the opinion of the Com-

mittee that our inferior judicial commissions should be independent of the judicatories appointing them, to the extent that their decisions shall not in any respect be subject to reversal or modification by the appointing judicatories, but shall be reversed or modified only in appellate proceedings. Still the Committee believe that unity in our system of church government is essential, and the greatest care has accordingly been taken not to vest in judicial commissions an authority which will impair the usefulness of the General Assembly as "the bond of unity, peace, correspondence and mutual confidence among all the churches" It is provided in the proposed plan that the decision of an inferior judicial commission shall be reported to the judicatory appointing the commission and recorded as the final judgment of that judicatory. Any appeal will be an appeal from the judgment of that judicatory and not from the judgment of the commission. The members of the judicatory to whom the decision of the commission is thus reported, are given the same right of entering dissents and protests and answers to protests that are now secured to them by Sections 103 to 107 of the Book of Discipline. The minutes of the proceedings of the judicial commission are also required to be reported, with its decision, to the appointing judicatory, and are made a part of the records of such judicatory, and thus they become subject to general review under the provisions of Section 71 of the Book of Discipline.

The right to enter dissents and protests, the right of general review, and the right of appeal given to original parties, secured in the manner above proposed in every case tried by an inferior judicial commission, will, in the opinion of the Committee, afford to the Church and to its officers and members, all needful means of correcting erroneous decisions.

A proposition to establish a permanent judicial commission of last resort was submitted to and adopted by the Old School General Assembly of 1865, but it failed of approval by a majority of the Presbyteries. The General Assembly is now twice as large as was the Old School Assembly of 1865, and the membership of our Church is now nearly three times as large as in 1865 was the combined membership of the Old and New School Churches. The arguments then so strongly urged for the establishment of a permanent judicial commission, to be elected by the General Assembly, are all the more forceful now. The following were some of the points made by the Committee in their report to the General Assembly of 1865: That the removal of all judicial cases from our superior bodies would enable them to give more careful attention to other important matters relating to the general interests of the Church; that the members of our superior judicatories are not, and should not be, appointed with special reference to judicial qualifications; that our superior judicatories cannot devote that time to judicial cases which is essential to fair judgment; that permanence of constituent element is essential to con-

sistent and wise judicial action; and that our present superior judicatories are too large for judicial work.

Your Committee believe it to be the mind of the Church that our General Assembly should be largely relieved from the duty of hearing and deciding judicial cases. They have therefore provided in their proposed plan that all appeals and references to the General Assembly in judicial cases, if found to be in order, may go to a commission to be styled "The Permanent Judicial Commission of the General Assembly." This Commission is to be composed of fifteen ministers and ruling elders, elected by the General Assembly for terms of three years, in classes of five members each, so that the terms of the members of one class will expire in each year. The final judgments of this permanent commission are to be reported annually to the General Assembly, and the members of the General Assembly are to have the right of entering their dissents and protests, and answers to protests, but the General Assembly is to have no power to reverse or modify those judgments.

Presbyteries, Synods and the General Assembly, it will be noted, are to have the discretionary power of trying judicial cases themselves, or of submitting them to specially elected commissions.

FOURTH.—The Committee believe, further, that while the employment in judicial cases of paid counsel should be prohibited, the rule on the subject of securing help in such cases, contained in Section 26 of the Book of Discipline, is too narrow. It is common experience in the judicial tribunals of the civil law, that the cases that are most thoroughly argued by counsel are the cases that are most correctly decided by judges. It is, therefore, proposed to give to the parties in a judicial case a freer choice in the selection of counsel.

LASTLY.—The plan adopted by the Committee has made it necessary to annex to the proposed revision of the Chapter on Judicial Commissions a few amendments to Sections in other chapters. In all the proposed changes, however, the Committee have kept constantly in mind the fact that, whatever may be the form of our church judicatories, and whatever may be the nature of the powers exercised by them, they act "*ministerially*" for the purpose of giving effect to the law of Christ for the government of His Church.

Briefly stated, the Committee have endeavored, in the plan devised by them for the trial of judicial cases, to define clearly the classes of cases that shall be submitted to judicial commissions; to simplify our procedure; to bring our judicial commissions into intimate and harmonious relations with the other judicatories of the Church; and by providing for a permanent court of last resort, to be composed of ministers and ruling elders of judicial ability elected by the General Assembly, to secure for us, and for those who shall come after us, a body of law which shall be readily and

loyally accepted as containing sound expositions of the constitutional rights of the members and officers of our Church.

The Committee, therefore, recommend that the following Overtures be sent down to the Presbyteries for action, in accordance with the provision of the Form of Government, Chapter xxiii, Sections 1 and 6, viz.:

Overture No. 1 (a). Shall Chapter xiii of the Book of Discipline be changed so as to read:

CHAPTER XIII. OF JUDICIAL COMMISSIONS.

118.—Judicial Commissions as herein established shall have jurisdiction only of judicial cases affecting church members or officers.

119.—Any Presbytery or Synod may at any time elect a Judicial Commission of not less than five ministers and ruling elders for a Presbytery, and not less than nine ministers and ruling elders for a Synod, and may transmit to such Commission any particular judicial case for hearing and determination.

120.—Every Judicial Commission of a Presbytery or Synod shall elect its own Moderator and Clerk; shall sit at such times and places as it may deem proper; shall keep full and correct minutes of its proceedings in a book to be provided for that purpose; shall have all the powers prescribed by, and conduct all its proceedings according to, the rules applicable to the trial of a judicial case before the judicatory appointing the Commission; and shall report its decision to the said appointing judicatory as soon as possible after it shall have been agreed upon. The decision, from the date of its report to the appointing judicatory, shall be held to be the final judgment of that judicatory.

121.—A quorum of every such Judicial Commission shall be for a Presbytery three, of whom at least two shall be ministers, and for a Synod seven, of whom at least four shall be ministers.

122.—The minutes of every such Judicial Commission, together with all evidence taken in the case transmitted to it, if any there be, shall be duly authenticated by the clerk of the Commission, and be forthwith filed with the Stated Clerk of the appointing judicatory, and such Stated Clerk shall preserve the same as a part of the records of the proceedings of the appointing judicatory, and shall send up the same annually to the next superior judicatory for review.

123.—The court of last resort for the hearing and determination of judicial cases which the General Assembly shall not determine to try itself shall be styled "The Permanent Judicial Commission of the General Assembly," and shall be composed of eight ministers and seven ruling elders, who shall be elected by the General Assembly. At the first election fifteen persons shall be elected, five to serve for one year, five for two years, and five for three years, and thereafter five persons shall be elected annually to serve for three years. Any vacancy may be filled by the General

Assembly at any meeting thereof by the election of a person to fill the vacancy for the unexpired term.

124.—The said Permanent Judicial Commission shall annually elect a Moderator from among its own members; shall, unless otherwise ordered by the General Assembly, fix the times and places for the hearing of cases; shall have power to require the attendance of parties and witnesses, and shall also have all the powers prescribed by, and conduct all its proceedings according to, the rules applicable to the trial of a judicial case before the General Assembly. All appeals and references in judicial cases, taken to the General Assembly, may, if found to be in order by the General Assembly, be submitted to said Permanent Judicial Commission, which shall then hear and give final judgments therein.

125.—Ten members of the said Permanent Judicial Commission shall constitute a quorum, of whom, however, at least five shall be ministers.

126.—The Clerk of said Permanent Judicial Commission shall be the Stated Clerk of the General Assembly, who shall file all papers relating to the business of the Commission, keep full and correct minutes of its proceedings and judgments in a book to be provided for the purpose, and report to each General Assembly all judgments rendered by the Commission during the last preceding year, together with all written opinions of the members of the Commission assenting to or dissenting from such judgments. He shall serve without salary and may from time to time appoint an assistant to attend the sessions of the Commission and discharge the duties of the Clerk, when the Stated Clerk is himself necessarily absent.

127.—The expenses of the said Permanent Judicial Commission, and of its officers, shall be defrayed, upon proper vouchers, by the Treasurer of the General Assembly from its contingent fund.

1. (b.) In addition, as a part of *Overture No. 1*, Shall the Form of Government, Chapter XII, Section iv, be changed so as to read:

iv. The General Assembly shall receive and issue all appeals, complaints and references that affect the doctrine or Constitution of the Church, which may be regularly brought before them from the inferior judicatories, except that appeals and references, in judicial cases, if found in order, may be submitted to the Permanent Judicial Commission of the General Assembly as provided for in the Book of Discipline. They shall review the records of every Synod, and approve or censure them; they shall give their advice and instruction in all cases submitted to them in conformity with the Constitution of the Church; and they shall constitute the bond of union, peace, correspondence, and mutual confidence among all our churches.

Overture No. 2, Shall the following amendments and alterations of the Book of Discipline be approved and adopted, viz.:

2. (a.) Insert a new Section in the Book of Discipline as follows to be numbered Section 5 :

5.—Every case in which there is a charge of an offense against a church member or officer, shall be known, in its original and appellate stages, as a judicial case. Every other case shall be known as a non-judicial or administrative case.

2. (b.) Amend and alter Section 83 of the Book of Discipline, so as to read :

83.—A complaint is a written representation by one or more persons, subject and submitting to the jurisdiction of an inferior judicatory, to the next superior judicatory against a particular delinquency, action or decision of such inferior judicatory in a non-judicial or administrative case.

2. (c.) Amend and alter Section 85 of the Book of Discipline, so as to read :

85.—Whenever a complaint is entered in a non-judicial or administrative case against a decision of a judicatory by at least one-third of the members recorded as present when the decision was made, the execution of the decision shall be stayed until the final issue of the case by the next superior judicatory.

2. (d.) Amend and alter Section 87 of the Book of Discipline, by omitting the last clause of the first sentence and the whole of the second so that it shall read :

87.—If the higher judicatory finds that the complaint is in order, and that sufficient reasons for proceeding to its determination have been assigned, the next step shall be to read the record of the action complained of, and so much of the record of the lower judicatory as may be pertinent ; then the parties shall be heard, and after that, the judicatory shall proceed to consider and determine the case.

2. (e.) Amend and alter Section 88 of the Book of Discipline, so as to read :

88.—The effect of a complaint, in a non-judicial or administrative case, if sustained, may be the reversal, in whole or in part, of the action or decision complained of. When a complaint is sustained, the lower judicatory shall be directed how to dispose of the matter.

2. (f.) Amend and alter Section 89 of the Book of Discipline, by striking out the words "in cases non-judicial," so that the Section will read :

89.—The parties to a complaint shall be known respectively as Complainant and Respondent—the latter being the judicatory complained of, which should always be represented by one or more of its number appointed for that purpose, who may be assisted by counsel.

2. (g.) Amend and alter Section 91 of the Book of Discipline, so that it shall read :

91.—Either of the parties to a complaint may complain to the

next superior judicatory, except as limited by Chapter XI, Section 4, of the Form of Government.

2. (*h.*) Strike out the whole of Section 93 of the Book of Discipline, which reads:

"If a case should be carried to an appellate judicatory by both appeal and complaint, the same shall be consolidated for trial, if deemed proper by the appellate judicatory. If the appeal be abandoned, the case shall be heard only on the complaint."

2. (*i.*) Amend and alter Section 94 of the Book of Discipline, so that it shall read:

94.—An appeal is the removal of a judicial case, by a written representation, from an inferior to a superior judicatory, and may be taken by either of the original parties from the final judgment of the lower judicatory. These parties shall be called Appellant and Appellee. Final judgments in judicial cases shall be subject to reversal and modification only by appeal, and no judicatory from whose final judgment an appeal shall have been taken shall be heard in the appellate judicatory, further than by the reading of the dissents, protests and written opinions of its members assenting to or dissenting from its judgments.

2. (*j.*) Amend and alter Section 95 of the Book of Discipline by striking out the words "or complaint" in the third line of said Section, so that it shall read:

95.—The grounds of appeal may be such as these: Irregularity in the proceedings of the inferior judicatory; refusal to entertain an appeal; refusal of reasonable indulgence to a party on trial; receiving improper, or declining to receive important, testimony; hastening to a decision before the testimony is fully taken; manifestation of prejudice in the conduct of the case; and mistake or injustice in the decision.

2. (*k.*) Amend and alter the last clause of Section 74 by omitting the words "or complaint," so that it shall read:

"*Provided*, That no judicial decision shall be reversed, unless regularly taken up on appeal."

Overture No. 3, Shall the following amendments and alterations of the Book of Discipline be approved and adopted:

3 (*a.*) Amend and alter Section 99 of the Book of Discipline by striking out Sub-section 3, which reads:

"[3.] Opportunity shall be given to the members of the judicatory appealed from to be heard."

3 (*b.*) Amend and alter Section 107 of the Book of Discipline so as to read:

107.—No one shall be allowed to dissent or protest who has not a right to vote on the question decided; and in judicial cases no one shall be allowed to dissent or protest who did not vote against the decision; *provided*, that when a judicial case has been decided by a judicial commission, any member of the judicatory to which the decision is reported, either under the provisions of Section 120 or of Section 126 of this Book, may enter his dissent or protest,

or his answer to any protest, in the same manner as if the case had been tried before the judicatory itself and he had voted thereon.

Overture No. 4. Shall Section 26 of the Book of Discipline be amended and altered so as to read:

26. Each of the parties in a judicial case shall be entitled to appear and be represented by counsel, and to be heard by oral or written argument. No person shall be eligible as counsel who is not a minister or ruling elder in the Presbyterian Church in the United States of America, and no person having acted as counsel in a judicial case shall sit as a judge therein. The counsel of the prosecutor in a judicial case where prosecution is initiated by a judicatory, shall be the prosecuting committee authorized to be appointed by Section 11 of this Book, and such other persons as may be appointed under the provisions of said section to assist the prosecuting committee. No person shall accept any fee or other emolument for any service rendered as counsel.

Overture No. 5. Shall the Permanent Committee on Editions of the Constitution make such changes in the numbers of the Sections of the Book of Discipline as shall become necessary by reason of the adoption of any of the preceding overtures.

Respectfully submitted,

WILLARD M. RICE,
BENJAMIN F. BITTINGER,
GEO. W. F. BIRCH,
WILLIAM M. LANNING,
J. C. GRAY,

Committee.

The Standing Committee on Church Polity, through its Chairman, Rev. George T. Purves, D.D., presented a Report on *Overture No. 1*, referred to the Committee, and contained in the Report of the Special Committee on Missionary and Benevolent Offerings. The Report was adopted, and is as follows:

The Committee on Church Polity, after consultation, report that the proposed Overture, entitled Section 5 of Chapter ii of the Form of Government, and contained in the Report of the Special Committee on Missionary and Benevolent Offerings, is inconsistent with the present Section 4 of the same chapter, and recommend that it be not transmitted to the Presbyteries. The omission of this Overture does not, in the judgment of your Committee, interfere with the operation of the other Overtures proposed by the Special Committee on Missionary and Benevolent Offerings.

For the Committee,

G. T. PURVES, *Chairman.*

The Report of the Special Committee on Missionary and Benevolent Offerings was then taken up and discussed.

The Moderator announced the Committee on the Centennial of Home Missions, and on motion the Moderator was made a member and Chairman. The Committee is as follows :

The Moderator announced the appointment of Rev. Samuel T. Lowrie, D.D., of the Presbytery of Philadelphia, as a member of the Interdenominational Committee of Conference on Psalmody, in place of Rev. John T. Duffield, D.D., deceased, and the Stated Clerk was authorized to pay the sum requested for the expenses of said Committee, viz., fifteen dollars.

The Assembly took recess, and was closed with prayer.

MONDAY, May 27, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Committee on Bills and Overtures, through its Chairman, Rev. Charles A. Dickey, D.D., presented a Report, which was adopted, and is as follows :

Certain papers have been submitted to the Committee on Bills and Overtures from the National Reform Bureau, upon which we recommend no action. Adopted.

Overtures Nos. 23, 24 and 25, from the Presbyteries of East Oregon, Los Angeles and Southern Oregon respectively, regarding the relations of Young People's Societies to the Women's Missionary Boards. As the matter referred to in these Overtures is, in our judgment, fully covered by the Reports of Special Committees on this same subject, which are now before the Assembly, your Committee recommend that no action be taken. Adopted.

Overtures Nos. 56, 57 and 223, from the Presbyteries of Zacatecas, Gulf of Mexico and City of Mexico, located in the Republic of Mexico, and at present in connection with the Synod of Pennsylvania, asking that these three Presbyteries be allowed to unite with the Presbytery of Mexico, at present in correspondence with the Presbyterian Church of the United States (known as the Southern Presbyterian Church), and together constitute themselves into an independent Synod of Mexico; it being understood that this proposition is unanimously favored by the Board of Foreign Missions, and that it is in entire harmony with the settled policy of the Foreign Board concerning missions in foreign lands, which policy has been already approved by the General Assembly.

It is also to be understood that the Board of Foreign Missions will still continue its supervision over the missions in Mexico. It is further understood that corresponding relations will be continued between the General Assembly of the Presbyterian Church in the United States of America and the proposed Synod of Mexico. The petition also gives assurance that the Standards of the Presbyterian Church in the United States of America shall be adopted as the Standards of the Synod of Mexico, and that the Form of Government of the Presbyterian Church in the United States of America shall be the Form of Government of the Synod of Mexico.

Your Committee therefore recommends that the petition of the Presbyteries of Zacatecas, City of Mexico and Gulf of Mexico be granted. We also recommend that the Moderator of this General Assembly appoint a Commission of not less than five, who shall represent the General Assembly of the Presbyterian Church in the United States of America at the organization of the Synod of Mexico, at such time and place as may suit the con-

venience of all concerned. This Commission shall provide for its own expenses.

For the Committee,
CHARLES A. DICKEY, *Chairman*.

The following resolution was presented and adopted :

Whereas, It is the obligation of the Church as a missionary organization to carry the message of salvation to every creature ; and

Whereas, To this end, as part of the Forward Movement of the Twentieth Century, evangelistic services, so called, may be made, with the Divine blessing, a powerful and efficient factor, especially in our cities ; therefore,

Resolved, That the Moderator be requested and authorized to appoint a Special Committee of twelve, to consist of six ministers and six elders, whose duty it shall be to stimulate the churches in evangelistic work, to consider the methods of such work and of its conduct in relation to the churches, and to report with recommendations to the next General Assembly.

The following resolution was adopted :

Resolved, That the General Assembly of the Presbyterian Church, in session at Philadelphia, recognizes the importance of some special religious work during the continuance of the Pan-American Exposition at Buffalo, and notes with approval the efforts made by the New York *Evangelist* to supply this need, commending the same to the cordial support of the Church.

The Moderator and Stated Clerk were authorized to send the following telegram :

PHILADELPHIA, May 27, 1901.

To the General Assembly of the United Presbyterian Church, Des Moines, Ia.:

The General Assembly, in session at Philadelphia, sends cordial fraternal greetings.

HENRY C. MINTON, *Moderator*.
WM. H. ROBERTS, *Stated Clerk*.

The Report of the Special Committee on Missionary and Benevolent Offerings was amended and adopted, and is as follows :

The Committee appointed by the last General Assembly on "The Missionary and Benevolent Offerings of the Churches and their Auxiliary Societies" [See *Minutes*, 1900, pp. 133, 154] would respectfully report as follows :

Your Committee has held two meetings during the year, and has given careful attention not only to the general subject, but

also to such other subjects as are logically and historically connected with it. All persons interested in the matter, as far as they are known, have been heard either in person or by representatives, or by communication in writing, and the substantial agreement of all in the conclusions of the Committee has been secured. These persons represent the Young People's Societies, with the Women's Boards of Home Missions and of Foreign Missions. The Committee thinks it matter of congratulation for the General Assembly that this Report in its letter, and in its spirit, meets the approval of all the parties interested, after a full and free discussion of the principles contained in it.

The Committee on Bills and Overtures of the last General Assembly, in the first sentence of its report on *Overture No. 215* from the Synod of Ohio, said: "It is time that a broader principle should be enunciated which will place not only one society, but all societies and associations connected with the Presbyterian Church upon one common basis." This utterance your Committee has made the cornerstone of all its deliberations.

It became evident at an early stage of our work that more was needed than an utterance *ex cathedra* as to the offerings of the young people of the Church—more than a series of resolutions adopted by an Assembly. The history of our Church records the development of many activities in the Church which have taken organized form, but which have constitutional standing or recognition in only the most general way, if at all. It seemed necessary, therefore, to propose to the General Assembly certain amendments and additions to the Constitution of the Church which should be so general in their character as to embrace all organizations that exist or that may hereafter exist, and which should define the nature, relations and responsibilities of all such societies or organizations.

We therefore submit to the General Assembly the following Overtures, as in the judgment of the Committee sufficient, if adopted by the Presbyteries, to so amend our Form of Government and our Directory for Worship as to make our Constitution provide for the relations and responsibilities of the various societies or organizations existing or to exist in the all-inclusive Church.

Overture No. 1, Shall the Form of Government, Chapter ix, Section 6, be amended by the insertion after the words "spiritual interests of the congregation" of the words following, to wit:

"To supervise the Sabbath-school and the various societies or agencies of the congregation."

Overture No. 2, Shall the Form of Government be amended by adding a new chapter to be called Chapter xxiii, the present Chapter xxiii to be renumbered as Chapter xxiv. The proposed new chapter is as follows:

“CHAPTER XXIII. OF THE ORGANIZATIONS OF THE CHURCH:
THEIR RIGHTS AND DUTIES.

“SECTION 1. The members of a particular church or particular churches may associate together, and may associate with themselves other regular members of the congregation or congregations, under regular forms of association, for the conduct of a special work for missionary or other benevolent purposes, or for the purpose of instruction in religion and development in Christian nurture.

“SECTION 2. Where special organizations of the character above indicated exist in a particular church they shall be under the immediate direction, control and oversight of the Session of said church; where they cover the territory included within a Presbytery or Synod they shall be responsible to the judicatory having jurisdiction, and where they cover territory greater than a Synod they shall be responsible to the General Assembly.

“SECTION 3. The names or titles of special organizations may be chosen by themselves, and the organizations shall have power to adopt each its own Constitution, and to elect its own officers, subject always to the powers of review and control vested by the Constitution in the several judicatories of the Church.

“SECTION 4. Wherever the functions of the special organizations shall include the collecting and distributing of moneys for benevolent work, it shall be done always subject to the power of oversight and direction vested by the Constitution in the Session and in the higher judicatories.”

Overture No. 3, Shall the Directory for Worship, Chapter vi, be amended by inserting a new section between present Sections 3 and 4, to be called Section 4, the present Section 4 to be renumbered and called Section 5:

“4. The offerings of the Sabbath-school and of the various societies or agencies of the church shall be reported regularly to the Session of the church for approval, and no offerings or collections shall be made by them for objects other than those connected with the Presbyterian Church in the U. S. A., without the approval of the Session.”

Your Committee believes that in case the Presbyteries shall adopt these proposed amendments further advisory action by the General Assembly will be wise—action with reference to existing organizations and societies that cannot be made a part of constitutional law, and which yet will be helpful in carrying the principles into practical use.

In case these proposed amendments shall not be adopted, then other action in the form of resolution and direction by the General Assembly will be necessary; but for the Assembly to attempt to provide for either of the conditions that will be created by the favorable or adverse action of the Presbyteries, before such action, seems to your Committee unwise.

We therefore recommend that the amendments to the Form of Government and to the Directory for Worship above proposed be submitted by the General Assembly to the Presbyteries for approval or disapproval, under the provisions of present Chapter xxiii of the Form of Government.

Respectfully submitted in behalf of the Committee,
RICHARD SILL HOLMES, *Chairman*.

The Committee on the Twentieth Century Fund, through its Chairman, Rev. Marcus A. Brownson, D.D., presented its Report, which was accepted and adopted, and is as follows :

The Committee appointed by the General Assembly of 1900 to direct the raising of a Fund for the strengthening of the Church and its Boards and Institutions, in order to a larger work in the new century, would report to the General Assembly of 1901, as follows :

The resolutions of the General Assembly authorizing this movement were :

“ 1. That a special memorial fund, to be known as the Twentieth Century Fund, be raised for the endowment of Presbyterian academic, collegiate and theological institutions, for the enlargement of missionary enterprises, for the erection of church buildings and the payment of debts upon churches and educational institutions, and for the other work of the Boards, at the option of the donors ; contributions to specific objects to be strictly regarded, and contributions to the general work to be distributed according to the proportions which have been designated by our General Assembly as applying to miscellaneous offerings ; and care shall be taken that this special effort shall in no way conflict with or diminish the regular contributions to the treasuries of the several Boards.

“ 2. That in connection with the Fund a central Committee be appointed, to consist of seven ministers and six elders, whose headquarters shall be in Philadelphia ; which Committee shall have a general supervision of the work, shall publish appropriate literature for the furtherance of the object, making the widest possible distribution of the same, all expenses to be met out of the general contributions ; and that the Stated Clerk of the General Assembly be appointed Treasurer of the Fund, to serve without expense, except for such clerical assistance as may be required ” (*Minutes* for 1900, p. 19).

The Moderator announced the appointment of the following persons to constitute this special Committee : *Ministers*—Marcus A. Brownson, D.D., Philadelphia, Pa.; George T. Purves, D.D., New York, N. Y.; Richard S. Holmes, D.D., Pittsburg, Pa.; Robert Hunter, D.D., Philadelphia, Pa.; Richard D. Harlan, Rochester, N. Y.; William J. Chichester, D.D., Chicago, Ill.; William J. McKittrick, D.D., St. Louis, Mo. *Ruling Elders*—John H. Converse, Philadelphia, Pa.; Louis H. Severance, Cleve-

land, O.; Frank K. Hipple, Philadelphia, Pa.; John Wanamaker, Philadelphia, Pa.; William E. Dodge, New York, N. Y.; William B. Gurley, Washington, D. C.

The Moderator was authorized by the Assembly to increase the Committee (*Minutes* for 1900, p. 154), and subsequently, with a view to a fuller representation of the different parts of the Church, added the following persons to its membership: *Ministers*—James McLeod, D.D., Scranton, Pa.; Donald Guthrie, D.D., Baltimore, Md.; J. Kinsey Smith, D.D., Louisville, Ky.; E. Trumbull Lee, D.D., Cincinnati, O.; James D. Paxton, D.D., St. Paul, Minn.; Thomas V. Moore, Omaha, Neb.; Robert F. Coyle, D.D., Denver, Col.; John Hemphill, D.D., San Francisco, Cal.; Edgar P. Hill, D.D., Portland, Ore.; A. Nelson Hollifield, D.D., Newark, N. J. *Ruling Elders*—H. Edwards Rowland, New York, N. Y.; William M. Lanning, Trenton, N. J.; William P. Potter, Pittsburg, Pa.; Albert P. Stevens, Albany, N. Y.; S. M. Clement, Buffalo, N. Y.; John Willis Baer, Boston, Mass.; James Joy, Detroit, Mich.; James A. Mount, Indianapolis, Ind.; S. A. Harris, Minneapolis, Minn.; C. A. Maynard, Milwaukee, Wis.

The Committee and the Church were called to mourn the deaths of Dr. Hollifield and Governor Mount, whose cordial interest gave promise of great usefulness in this service to our Church. The Moderator appointed in place of Dr. Hollifield, Rev. Dr. Lyman W. Allen, D.D., but no person as yet in place of Governor Mount.

The Committee, as thus constituted, has prosecuted the work entrusted to it with diligence and vigor.

A meeting for organization was held in Philadelphia, June 26, 1900, and the Committee gave careful consideration to the work assigned to it by the General Assembly. The Philadelphia members of the Committee were made the Executive Committee, with power to arrange all details of the work. The Treasurer of the Fund, Rev. Dr. W. H. Roberts, was made the Secretary of the General and the Executive Committees, and was requested to correspond with Moderators and Stated Clerks of all the Presbyteries and Synods. This laborious and freely rendered service resulted in the efficient organization of our work in 190 Presbyteries and in most of the Synods.

It was determined by the Committee to place before the whole Church the following objects as contemplated by the action of the Assembly:

1. The increase of contributions to all the Boards of the Church.
2. The enlargement of the work of the Boards as suggested by them.
3. The increased endowment of academic, collegiate and theological institutions.
4. The payment of local church debts.

5. The improvement of the properties of congregations and institutions.

6. Church extension in cities.

7. The establishment or endowment of hospitals and other benevolent institutions connected with our Church.

8. Special efforts for strengthening the general interests of the Church, assumed by individuals, congregations, Presbyteries or Synods.

It was further determined by the Committee to labor directly for the welfare of the Boards of the Church and the Theological Seminaries under the control of the Assembly. It was also decided to request Synodical Committees to prosecute the work of gathering gifts for academic and collegiate institutions sustaining relations to them, and for Synodical Sustentation in Synods in which that method of Home Missionary work is followed; and still further, Presbyteries were requested to stimulate congregations to pay off any existing indebtedness that might hinder, on the part of these congregations, the enlargement of the missionary, benevolent and educational work of the Church; to make any needed improvements in church buildings, to establish new churches where needed, and, in general, to strengthen the denomination within their bounds.

This plan has been adhered to and the cordial coöperation of Synodical and Presbyterian Committees is hereby gratefully acknowledged.

The Committee desires also to express its obligations to former Committees of the General Assembly of a similar character, particularly the Anniversary Reunion Committee, the Committee on the Centenary Fund, and the Committee on the Memorial Reunion Fund, whose principles of procedure have been largely followed, and whose successful work has been a great inspiration.

The Executive Section of the Committee has held frequent meetings throughout the year, having established quarters in Rooms 401-2, Witherspoon Building, Philadelphia, generously provided by the Board of Publication and Sabbath-school Work, without expense to the Church. In pursuance of its work, the Executive Committee, together with Rev. Dr. George T. Purves, Mr. H. Edwards Rowland, of New York, and Mr. L. H. Severance, of Cleveland, of the General Committee, met with the Secretaries of our eight Church Boards on November 1, 1900, in New York City. The desires and needs of the Boards were talked over at length at this conference, and the Committee was informed as to the earnest desires of the various Boards for increased resources, in the face of multiplied opportunities of advancement in every branch of denominational effort.

By the generosity of four lay-members of the Committee, the entire expenses incident to this work were promptly provided for, up to the meeting of this General Assembly, although the Committee had been authorized by the Assembly to deduct the

amount of its expenses from the general contributions. These personal gifts enabled the Committee to announce at the beginning of its work, that every dollar contributed to the objects included in the Fund would go as directed by the donors. It has been a unique feature in this work; no such Committee, in the history of the General Assembly, having thus provided for its own expenses.

At the suggestion of the Secretaries of the Boards, and subsequently after careful consideration by the Committee, it was determined to secure the services of a representative of the Fund who should visit the various cities of the country, and by addressing public meetings in these centres of influence, and by communications with individuals throughout the Church, thus bring the plan before the Church at large.

The Moderator of the General Assembly, Rev. Charles A. Dickey, D.D., was unanimously agreed upon, and, after conference with the Session and Board of Trustees of the Bethany Presbyterian Church of Philadelphia, of which church Dr. Dickey is one of the pastors, and with the Board of Trustees of the Presbyterian Hospital of Philadelphia, of which institution Dr. Dickey is the President, the Committee was able to persuade him to accept the office of representative of the Fund, from December 1, 1900, to the 1st of June, 1901.

It has been of the highest value to this work, that it has been so forcibly presented by the Moderator of the General Assembly in the leading cities of the land. Dr. Dickey will make a separate report of his work to the Assembly. The Committee desires to record its gratitude and the gratitude of the Church to him for his earnest and efficient advocacy of this cause.

From the office of the Committee in the Witherspoon Building, hundreds of letters to pastors, prominent laymen, Presbyterial and Synodical Committeemen have been sent out. Eight series of circulars, setting forth in full the nature and claims of this work, have been printed and distributed throughout the Church to the number of 200,000 copies. These circulars have set forth the resolutions of the Assembly pertaining to the subject, the objects for which contributions and subscriptions were requested, the statements from the Boards and the Theological Seminaries, and with them a specially prepared subscription blank has been distributed to the extent of 100,000 copies.

The blank reads as follows :

"In grateful recognition of the goodness of God to the Presbyterian Church in the U. S. A. during the Nineteenth Century, and of the great opportunities for spiritual progress during the Twentieth Century, I hereby subscribe to The Twentieth Century Fund, established by the General Assembly of the Presbyterian Church in the U. S. A., the sum of dollars, in the several amounts and for the

causes or objects designated by me on the back of this pledge, to be paid during the year 1901 to the Treasurer of the Fund, the Rev. W. H. Roberts, D.D., or to the authorized representatives of such causes or objects.

[Signature]

[Place and Date]."

The *Missionary and Benevolent Boards* of the Church made request through a circular issued by the Committee for the following amounts as special gifts in connection with this Fund :

The Board of Home Missions, seven hundred and fifty thousand dollars.

The Board of Foreign Missions, eight hundred and twenty-five thousand dollars.

The Board of Education, two hundred thousand dollars, and the establishment of additional scholarships ranging in amount from twenty-five hundred to eight thousand dollars each.

The Board of Publication and Sabbath-school Work, an invested fund of five hundred thousand dollars.

The Board of Church Erection, one hundred and fifty thousand dollars.

The Board of Relief, two invested funds yielding a yearly income of forty thousand dollars.

The Board of Missions for Freedmen, two hundred and fifty thousand dollars, for the endowment of Biddle University.

The Board of Aid for Colleges, one hundred and fifty thousand dollars.

The *Theological Seminaries* of the Church stated their needs through a circular of the Committee, as follows :

Princeton, five hundred thousand dollars.

Auburn, three hundred thousand dollars.

Western, two hundred and fifty thousand dollars.

Lane, two hundred and fifty thousand dollars.

Danville, one hundred and ten thousand dollars.

McCormick, three hundred thousand dollars.

San Francisco, one hundred and fifty thousand dollars.

The German Seminary of the Northwest, fifty thousand dollars.

The German Seminary of Newark, one hundred thousand dollars.

Lincoln University, two hundred and fifty thousand dollars.

Omaha, two hundred thousand dollars.

The Committee has noted with satisfaction that Synodical Committees, Presbyterian Committees, the Boards and particular insitutions have issued separate statements showing the needs, and the claims upon the Church, of these agencies.

The Religious Press and the Secular Press also have published

important items of information, and have presented strong pleas for the Fund.

The results may not be stated with fullness at this time for the reason that we have only the beginning of the returns. The entire Church has been moved to thought of larger and nobler things. Magnificent advancements have been planned, but the scale upon which the work has been projected will naturally require more time than the intervening period between two Assemblies to bring the work to perfection. The Committee is of the opinion that not less than twenty millions of dollars should be raised for this Fund, and that this great sum may be pledged, within a year from this time, if full and hearty coöperation of pastors, Sessions, Presbyteries, Synods and the friends of our educational, benevolent and missionary work can be secured.

It is with joy and gratitude to God that we present, through the Treasurer, the report of the Fund up to the date of the meeting of the Assembly. Our joy is the greater, and our gratitude is the more profound because we regard this as only the beginning of the gifts which the Church will bestow upon advance work in the New Century. The gratitude of the Committee and of the Church are due to the Treasurer, Rev. William H. Roberts, D.D., for the abundant and untiring labor which he has bestowed, without compensation, upon the interests involved in this Fund.

The Committee presents the following recommendations for adoption by the Assembly:

1. That the General Assembly calls upon every church in the denomination still burdened with indebtedness and thus hindered from giving its full share to missions and benevolence, to take steps under the inspiration of this movement to remove this indebtedness within the next two years.

2. That the General Assembly earnestly request congregations and individual givers throughout the Church to prayerfully consider the enlarged needs and larger opportunities of the Boards, of the Theological Seminaries, of the academic, collegiate and charitable institutions of the Church, and speedily to provide for these greater needs as the Lord may enable them to do.

3. That the General Assembly most earnestly calls upon the Synods and the Presbyteries to continue to prosecute this work during the ensuing year by organized effort and hearty coöperation with the General Committee.

4. That in view of the longer time necessary to gather in the full results of this Twentieth Century Movement, the Assembly's Committee be continued for another year, to report to the General Assembly in 1902.

5. That moved by the sense of gratitude to the great Head of the Church for His abundant and long-continued goodness to our Presbyterian denomination, and recognizing our contemporary responsibility for the relief of the suffering, the education of the rising generation and the salvation of souls throughout the world,

the General Assembly hereby expresses the deliberate judgment that it is the sacred duty and blessed privilege of the Church at the beginning of the new century to strengthen all the agencies and institutions employed in our work, by furnishing a sum sufficient for their enlarged endowment and adequate support; and, in addition, bringing the tithes into the storehouse of the Lord of Hosts, to seek by earnest prayer the fulfilment of the promise of abundant spiritual blessing attached to faithful discharge of such a duty.

For the General Committee,
 MARCUS A. BROWNSON, *Chairman*,
 ROBERT HUNTER,
 JOHN H. CONVERSE,
 FRANK K. HIPPLE,
 JOHN WANAMAKER,
Executive Committee.

The following resolution was unanimously adopted:

Resolved, That the General Assembly hereby expresses its hearty appreciation of the generous gifts of certain lay members of the Committee on the Twentieth Century Fund, which have met the entire expenses of this movement thus far.

The Report of the Treasurer of the Twentieth Century Fund was presented, approved, and is as follows:

The Treasurer of the Twentieth Century Fund respectfully presents the following statement of the total of contributions up to May 10, 1901, to the several objects of the Fund, as reported to him:

To the Boards of the Church.....	\$106,030 04
“ Colleges and Academies	330,642 51
“ Theological Seminaries.....	110,767 18
“ Local church debts.....	1,081,654 20
“ Local church improvements.....	1,537,913 51
“ Hospitals.....	61,659 28
“ Young Men’s Christian Associations.....	30,900 00
“ Miscellaneous objects.....	117,464 38
	\$3,377,081 10

These gifts, it is hoped, are but the beginning of the Church’s generosity to the Fund, and it is to be noted have not interfered with the contributions to the Boards, all of whom report that they are without debt.

Respectfully submitted,
 WM. HENRY ROBERTS, *Treasurer.*

The following resolution was adopted:

Resolved, That a Special Committee of five ministers and four elders be appointed by the Moderator to coöperate with the Committee on the Twentieth Century Fund in raising the amount

of the remaining indebtedness upon the Presbyterian Building in New York, said Committee to serve without expense to the Assembly.

The Standing Committee on Finance, through its Chairman, William Reynolds, Esq., presented its Report, which was accepted and adopted, and is as follows :

The Committee on Finance respectfully submits the following Report :

It has examined the accounts of the Trustees of the General Assembly and finds that the invested funds in their hands amounted on March 30, 1901, to \$870,110.99, of which the sum of \$21,909.40 was in cash on deposit with the Real Estate Trust Company of Philadelphia, and the remainder invested as follows : In bonds and mortgages, being a first lien on real estate, principally in Philadelphia, \$796,091.67 ; in corporation mortgage bonds, \$17,758.15 ; in individual notes, \$150 ; in cash loans advanced to secure bequests made to Trustees, \$3219.59 ; in real estate, \$30,982.18, making a total of \$848,201.59, besides the cash on deposit as above stated.

In addition to these investments the Trustees own some ten houses in Philadelphia, of which the value is not given, and a \$5000 mortgage on another house in the same city, all acquired under wills and held for the benefit of particular trusts.

The principal of the fund in the hands of the Trustees was increased during the past year by three legacies, aggregating \$2434.14.

Investments paid off during the year amounted to \$78,875, and new investments were made to the extent of \$159,209.36, which include a considerable portion of the \$77,610.22 of uninvested principal in hand at the beginning of the fiscal year.

The total income for the past year amounted to \$37,124.53, a decrease of \$3285.23 from that of the year before, which is readily accounted for by the diminishing income rates of safe investments. The average rate of the income for the present year on the entire principal is over four and a quarter per cent, which is a most favorable showing under existing financial conditions. The total cost of administration of this large sum is only \$1837.05 for the year, including the Treasurer's salary of \$1500.

The principal beneficiaries of the income during the past year, as shown by the Treasurer's account, are : The Board of Ministerial Relief, \$12,960.24 ; Princeton Theological Seminary, \$4064.59 ; the Board of Freedmen, \$5467.24 ; the Board of Home Missions, \$3958.12 ; the Board of Church Erection, \$2708.87 ; the Board of Publication and Sabbath-school Work, \$1363.42, and several churches and individuals in smaller amounts.

This Committee has also examined the accounts of Dr. Wil-

liam H. Roberts, as the Stated Clerk and Treasurer of the General Assembly, and with the several Boards of the Church, from which it appears that his receipts as Treasurer during the past year amounted to \$40,117.74, making with the cash balance in hand at the beginning of the year a total of \$117,498.75, out of which he had expended up to April 30, 1901, the sum of \$51,604.29, leaving a cash balance on hand at that date of \$65,604.29.

The principal items of expenditure were: Mileage for Commissioners to Assembly of 1900, \$25,555.52; entertainment of Assembly of 1900, \$9060.33; printing and mailing *Minutes*, \$6482.37; expenses of Revision Committee, \$1723.88; salaries of Stated and Permanent Clerks, \$4500; clerical aid, \$1189.18.

His accounts as Stated Clerk with the Boards of the Church for printing, binding and mailing their Reports to this Assembly show an expenditure of \$2531.07, which has been paid for by the Boards, leaving a cash balance of \$22.10 in his hands to their credit on April 30, 1901.

All of these accounts, both of the Trustees and of the Stated Clerk, have, pursuant to the direction of the General Assembly of 1899, been examined with vouchers by a public auditor and accountant, and certified by him as correct in every particular, and the Committee bears testimony to the skill, faithfulness and singular financial ability displayed by both the Trustees and the Stated Clerk in the management of the important trusts confided to their charge.

As it is made the duty of this Committee to nominate a suitable person to fill the vacancy in the Board of Trustees of the General Assembly, caused by the death of the late lamented Mr. Charles M. Lukens, we respectfully present the name of William A. Patton, of Philadelphia, to the General Assembly for election to that position.

We also recommend the payment out of the funds of the General Assembly of the sum of \$765, as last year, toward the expenses of the Pan-Presbyterian Alliance, of which the Presbyterian Church in the United States of America is a member.

The Committee is of opinion that it would be more satisfactory if, in making their Report in future years, the Trustees of the General Assembly would give in more detail the several items of which their income is composed, instead of simply giving one lump sum covering the whole amount, as heretofore has been the custom.

Respectfully submitted on behalf of the Committee,

W. REYNOLDS, *Chairman*.

Rev. George L. Shearer, D.D., Secretary of the American Tract Society, addressed the Assembly in the interest of that Society, and the following resolution was adopted:

Resolved, That the Assembly again records its high apprecia-

tion of the American Tract Society as an expression and bond of Christian unity, as an agency for providing a unique evangelical literature and affording the means for giving the Gospel to the immigrants of many languages; as an auxiliary to Home Missions among exceptional classes, especially in its supply of Spanish literature for use in our newly acquired possessions, and also as an auxiliary in creating and issuing a vernacular literature at mission stations abroad.

The Assembly hereby commends the Society to the confidence and support of our churches, and recommends that each Presbytery appoint a Standing Committee on the work of the American Tract Society.

The following Commission was appointed to represent the General Assembly at the organization of the Synod of Mexico, the Moderator being made Chairman by vote of the Assembly: *Ministers*—Henry C. Minton, D.D., Charles A. Dickey, D.D., Samuel J. Nicolls, D.D., A. W. Halsey, D.D., William H. Roberts, D.D.; *Ruling Elders*—John H. Converse, L.L.D., W. E. Stiger, Louis H. Severance.

The following Committee was appointed on Raising the Debt on the Presbyterian Building in New York: *Ministers*—R. S. Holmes, D.D., Charles Wood, D.D., H. H. Stebbins, D.D., W. J. McKittrick, D.D., W. R. Notman, D.D.; *Ruling Elders*—L. H. Severance, Robert Pitcairn, Russell A. Alger, C. H. McCormick.

The Standing Committee on Home Missions, through its Chairman, Rev. Hugh K. Walker, D.D., presented a Supplemental Report, which was accepted and adopted, and is as follows:

The Standing Committee on Home Missions would submit the following Supplemental Report:

1. With regard to *Overture No. 43*, from the Presbytery of Great Falls, we recommend that no action be taken.

2. We recommend that on the Sabbath preceding Washington's Birthday, our Sabbath-schools be requested to make an offering directly to the Board of Home Missions.

In behalf of the Committee,

HUGH K. WALKER, *Chairman*.

The Standing Committee on Theological Seminaries, through its Chairman, Rev. D. S. Kennedy, D.D., presented its Report, which was accepted, amended and adopted. The Report is as follows:

Your Committee has received reports from twelve seminaries. These institutions are so located as to bring the advantages of a theological education within the reach of the candidates for the ministry in all sections of our country. In the interest of

economy and for the decrease of rivalry, we would encourage every young man to attend that school which is most closely identified with his own vicinage. Such is the number and distribution of these seminaries that the Church is not likely to need any additional institutions of this kind for years to come. We believe it to be eminently wise that all effort should be concentrated toward the strengthening of the institutions which we now have rather than toward the increase in their number.

Princeton, our oldest seminary, reports a total enrollment of 156 students, forty-two of whom were granted certificates of graduation at the last commencement. This seminary reports additions to its funds during the last year of \$25,635. Its annual expenses were \$74,577.25, and its income \$70,774.48, leaving a deficit of \$3802.77. This oldest of our seminaries is advancing along all lines, and our Church may justly appreciate and give thanks to God for this great conservator of sound Christian learning. The election of Rev. Melancthon W. Jacobus, D.D., to the Chair of New Testament Literature and Exegesis is reported by the Board of Directors.

Auburn Seminary reports a total enrollment of seventy-two students, thirty-two of whom have completed the course and received diplomas; \$12,360 have been added to its permanent funds. Its income from other sources amounts to \$51,316.67. Its expenditures are \$47,111.02. The whole tone and temper of the report from this seminary manifests energy and fullness of promise.

The Western Theological Seminary has had an increased attendance during this year. The missionary spirit of the seminary is strong and earnest. The students have raised \$348 toward the support of Rev. O. C. Crawford, a late graduate, as foreign missionary to China under the care of our Board. The whole number of students enrolled this year is sixty; of this number fourteen were graduated at the last commencement. The Board of Directors report the election of Rev. James A. Kelso, Ph.D., of the Presbytery of Allegheny, to the Chair of Hebrew and Old Testament History and Literature. Rev. Thomas H. Robinson, D.D., Reunion Professor of Pastoral Theology, Church Government and the Sacraments, tendered his resignation because of the state of his health and the infirmities of advancing years. The Board accepted his resignation and continued him in the Faculty as Professor Emeritus. The Directors extended to Rev. Matthew B. Riddle, D.D., LL.D., their cordial congratulations on the completion of his thirtieth year in the Chair of New Testament Greek and in recognition of his long and eminent service in this department. He was made president of the Faculty for the ensuing year.

Lane Seminary, we are glad to say, comes up with a report full of courage and hope. The number of students in the different classes show an increase for the last three years, the whole num-

ber now being thirty students. Of this number six were graduated at the commencement May 9. The productive endowment of this seminary is \$322,857, and the Board reports great faithfulness, energy and skill on the part of the Faculty and excellent intellectual and spiritual qualities upon the part of the students. The seminary expresses an imperative need for increased endowment and we trust its plea will be generously answered both in its own vicinage and throughout the Church.

Danville Seminary reports twenty-two students, of which number three were given the diploma of the seminary. One encouraging feature in this seminary is the fact that the later classes in the seminary are larger than the earlier ones. This seminary reports a permanent endowment fund of \$243,727.28, and an income of \$11,610.74; income on scholarships, \$1020.

McCormick Seminary has become one of the largest theological schools in our country, with a splendid endowment and a Faculty covering all the disciplines now pursued in schools of this class. One hundred and thirty-nine students are reported, fifty of whom were graduated at the last commencement and three received certificates of standing. This seminary reports from real estate and endowments \$1,036,119.45, with a total income of \$57,153.25. Rev. David C. Marquis, D.D., LL.D., Professor of New Testament Literature and Exegesis, tendered his resignation, which was accepted to take effect when his successor was appointed. The Chair of New Testament Interpretation was created and Dr. Marquis was elected to the same.

The German Theological School of the Northwest reports twenty-four students on its roll, five of whom were graduated. Its resources amount to \$56,397.09; its income is \$4344. Rev. Nicholas M. Steffens, from the German Reformed Church, has been elected to the Van Vliet Chair of Systematic Theology. This chair has been vacant for two years. This school reports excellent intellectual work and a high spiritual condition among its students. It is required to exercise very great economy and restriction in order to keep out of debt, but thus far this has been accomplished. We bespeak for this worthy institution special consideration from men of means, especially in its own vicinage. The school, through its students, has developed 100 German churches and given them over to the Presbyterian Church. The missionary spirit of this school is very high, and its young men are preparing to go to different parts of Africa, or to any other portions of the world where the knowledge of the German language is necessary to the work.

The German Theological School at Newark reports fifteen students; six of these are in the graduating class. There are many applicants for admission, but the Board insists upon quality rather than quantity. The endowment has been increased \$5400 in the last year and the whole amount in buildings and funds is

now \$98,152.16. The total income for the year is \$18,268.55. The present deficit is \$3377.27.

The Theological Department of Biddle University reports an enrollment of fifteen students, six of whom will graduate in June. This school has no fund distinct from Biddle University. At present the university has no endowment, but a most strenuous effort is being made, under the recommendation of this Assembly, to secure funds for this purpose. It is most earnestly desired that some servant of God will consider the dire needs of this worthy institution and come to its relief along the lines already indicated by this Assembly's recommendation.

San Francisco Seminary reports twenty-five students, seven of whom were in the Senior class. This seminary to-day occupies a strategic position. She faces the Orient and the Orient faces her. Her missionary spirit is excellent. She has students from the Jews, from Japan and from other provinces, and her graduates are going out to the uttermost parts of the earth. Her opportunities for home mission work are unsurpassed. But this thorough-going seminary suffers sorely for lack of funds. The members of her Faculty are making great sacrifices, and most of them are doing two men's work in order to get a chance to make these sacrifices. This seminary has been bearing a great financial burden for more than thirty years. Surely the time has come when the sons of the Church, in her own community not only but all over the country, should come to her rescue. The assets of this seminary are \$606,434.14. Of this amount but \$243,748.87 is at present available for income. Her total income for this year was but \$14,450.98, with which to maintain seven professors and meet all other expenses.

The Theological Department of Lincoln University reports fifty-two students, of whom eight were graduated at the last commencement and three received certificates of standing. This school has assets to the amount of \$181,900, all of which is under the control of the Assembly. The work done in this institution is characterized by great energy and hopefulness, and by an exalted, wide and wise outlook upon the work in behalf of the Freedmen. Rev. Samuel Dickey, A.M., has been elected to the Chair of New Testament Literature and Exegesis made vacant by the resignation of Dr. McCleod, which was caused by illness in his family.

Omaha Seminary is the youngest of them all. The report from this school shows an attendance of seventeen students. The field of this seminary is a large one and lies midway between that of McCormick and that of San Francisco. It forms the last link in the chain which spans the continent. This last year is reported as the most prosperous in the history of this institution. Rev. Daniel E. Jenkins, Ph.D., has been elected to the Chair of Didactic and Polemic Theology. A permanent site, consisting of six acres of valuable ground in a fine residence portion of the

city, has been secured for \$20,000. The entire increase of the funds of this seminary for the year has been \$35,000. They have no debt, thanks to their strict economy. The Board has decided that the erection of a new building, to cost about \$35,000, is an imperative necessity. The present property of this seminary is nearly \$60,000. This has all been secured in the last ten years. Here, then, is a most healthy and promising plant, growing up to such influence as will enable it to care for the religious interest of the vast region in the midst of which it is located. There is but one question—shall it be developed or shall it be arrested? To arrest it at this point is to produce a dwarf; to nourish and cultivate means a great tree whose leaves may fly forth for the healing of the nations. We believe the Presbyterian Church is too wise and too generous to miss this opportunity.

Blackburn Seminary sends up no report.

The Committee recommends:

1. Excepting in the case of the German Theological School of the Northwest, that the election of all professors and members of Boards reported from the seminaries, wherever necessary, be and hereby are approved.

2. That the election of Rev. Nicholas M. Steffens, D.D., who is reported to have come from the Reformed Church in America to the Van Vliet Chair of Systematic Theology in the German Theological Seminary of the Northwest, be approved upon condition that he unite with one of our Presbyteries.

3. That the changes in the Constitution of the Omaha Seminary, which have been specified in the report of that seminary, be approved.

4. That our seminaries cultivate the spirit of fraternity and avoid, as far as possible, the appearance of rivalry.

5. That we commend our seminary family to the generous attention of the whole Church, and ask that those seminaries which are struggling under heavy financial burdens be the subject of special consideration during this year.

6. That the Stated Clerk be instructed to correspond with Blackburn University and inquire as to the status of that seminary in relation to the General Assembly of this Church, and that the said Clerk report his information to the Standing Committee upon Theological Seminaries of the Assembly of 1902, in order that said Committee may report to the said Assembly upon the status of said seminary.

All of which is respectfully submitted,

D. S. KENNEDY, *Chairman*.

The following Supplementary Report upon matters * connected with Danville Theological Seminary was presented, accepted, amended and adopted by more than a two-thirds vote:

It has been made to appear to this General Assembly that an

* See for Petitions, etc., the Appendix.

agreement has been made and entered into by and between the Trustees of the Theological Seminary, under the care of the General Assembly of the Presbyterian Church in the United States of America, at Danville, in the State of Kentucky, commonly called The Danville Theological Seminary, on the one part, and The Louisville Presbyterian Theological Seminary, commonly called The Louisville Seminary, on the other part. The said Louisville Seminary is under the control of the Synods of Kentucky and Missouri, in connection with the Presbyterian Church in the United States.

Under and by virtue of this agreement the two seminaries above mentioned are to be consolidated into one corporation under the name and style of The Presbyterian Theological Seminary of Kentucky, which will be called in this minute The Kentucky Seminary. Under the terms of that agreement the management and control of said Kentucky Seminary shall be vested in a Board known as The Board of Directors of the Presbyterian Theological Seminary of Kentucky. Said Board shall consist of twenty-four members, unless and until the number of said Board shall be changed (which may be done) by agreement between the Synod of Kentucky, which is in connection with the Presbyterian Church in the United States of America, on the one side, and the Synods of Kentucky and Missouri, which are in connection with the Presbyterian Church in the United States, on the other side. One-half of the members of said Board shall be elected by the Synod of Kentucky, in connection with the Presbyterian Church in the United States of America, and one-half shall be elected by the Synods of Kentucky and Missouri, in connection with the Presbyterian Church in the United States; and the election of members of the Board shall be so made that said Synod of Kentucky, in connection with this Assembly, on the one side, and said Synods of Kentucky and Missouri, in connection with the Presbyterian Church in the United States, on the other side, respectively, shall at all times have an equal number of representatives in the Board.

The election of directors by the said Synods, respectively, shall be submitted to each of the General Assemblies hereinbefore mentioned at their next annual meetings, respectively; and if either of said Assemblies shall, at said meeting, by resolution, object to and disapprove of such election, the same shall not become effective, or shall cease to be effective, from and after the time when said Kentucky Seminary shall, in writing, have been notified of such disapproval.

Said Board of Directors shall have power to elect, appoint or provide for the appointment of such officers, professors, teachers and employes generally as in their judgment shall make the work of the Seminary more effective; and further, the election, appointment or transfer of any teacher or professor in said seminary shall be submitted to the General Assembly of the Presby-

terian Church in the United States of America and the General Assembly of the Presbyterian Church in the United States at their next meetings, respectively; and if either of said bodies shall at said meeting, by resolution, object to and disapprove of such election, appointment, or transfer, the same shall not become effective, or shall cease to be effective, from and after the time when said seminary shall, in writing, have been notified of such disapproval.

This proviso, however, shall not apply to or permit the veto of the election, appointment or transfer, at the opening of said seminary, of any of the professors or teachers now employed in either of the said seminaries, that is, the Danville and the Louisville Seminaries.

The Kentucky Seminary shall be vested with and own all property, business, credits, assets and effects of said Danville and Louisville Seminaries, and shall be bound for all the contracts and liabilities of each of said seminaries which are to be consolidated into and form one corporation under the name and title of THE PRESBYTERIAN THEOLOGICAL SEMINARY OF KENTUCKY.

And further, in the event of the violation by said Kentucky Seminary of the terms of said articles of agreement, or of the misuse or diversion of the funds or property held by said Kentucky Seminary, then either of said General Assemblies shall have power to proceed against such violation, misuse or diversion, and may, through any officer or Committee, person or corporation appointed by it, sue in any civil court to enforce this agreement and to protect the trusts under which property and funds are held by said corporation; and said corporation shall not in such suit object that either of the said General Assemblies cannot acquire a standing in court through the intervention of its said officer, Committee or appointee.

The Kentucky Seminary shall hold the property and funds hereby vested in it, and all property and funds which may hereafter be acquired, in trust for and the same shall be devoted to the education and training of young men as ministers of the Gospel according to the Confession of Faith, Catechisms and other Standards of the Presbyterian Churches aforesaid, and for the support and maintenance of young men while in attendance on their studies, in so far as the same may by said Seminary be deemed advisable and practicable; provided, however, that such training and education shall at all times be in accordance with those Standards which are now common to both of said Churches, and with such modifications thereof, if any, as may hereafter be made and adopted by both of said Churches; but said Seminary shall not adopt, authorize or pursue any course of education or training which is not in accordance with those Standards which are now common to both Churches, and modifications thereof which may hereafter be made by both and shall thereby become common to both of said Churches.

It further appears to this General Assembly that by the Plan of the Danville Theological Seminary, adopted by the General Assembly of 1853—that is, by the General Assembly of the Presbyterian Church in the United States of America—and amended by the General Assembly of 1873, the Danville Seminary was located at Danville, in the State of Kentucky, under certain covenants and agreements contained and set forth under the Plan of 1853, as amended in the Plan of 1873.

In the Plan of 1853, as amended by the Plan of 1873, it was provided as follows :

1. “ No fundamental principle of the Plan shall be changed unless it is proposed at one annual meeting of the Assembly and carried at the next annual meeting thereof, or unless such changes be proposed to the Assembly by the Board of Directors and carried by a vote of two-thirds of the members of the Assembly.

2. “ Those principles and parts of the Plan which are founded on the covenants and agreements between the Synod of Kentucky or the Board of Trustees of the Center College of Kentucky and the General Assembly, shall never be so changed as to affect the force or integrity of either of those covenants without the previous consent of the opposite parties thereto.”

It appears from the papers filed with this minute as a part thereof that the Board of Directors of the Danville Theological Seminary and the Board of Trustees of said Seminary have both taken action upon and adopted the agreements hereinbefore mentioned to effect the consolidation hereinbefore mentioned, and both said Trustees and Board of Directors have overtured and requested this General Assembly to take such action as may be necessary to accomplish the full purpose of said agreement and to permit the Danville Seminary, in Kentucky, to be removed from that town to Louisville, Ky., and there to be consolidated with the Louisville Theological Seminary into a corporation called The Presbyterian Theological Seminary of Kentucky, the said Kentucky Seminary to be located at and conducted in the city of Louisville, State of Kentucky.

And it further appearing to this General Assembly from the papers filed with and made a part of this minute, that all of the parties to the Plan of 1853 and the Plan of 1873, to wit: The Synod of Kentucky, the Board of Trustees of the Center College of Kentucky and the Board of Trustees and the Board of Directors of the Danville Theological Seminary, have petitioned and requested this General Assembly to permit all parties to withdraw from said covenants of 1853 and 1873, so far as may be necessary to enable them to carry out the purpose of the said scheme of consolidation ;

And whereas it appears that all of the parties interested in the Danville Theological Seminary and who are parties to the said covenants of 1853 and 1873, have in a regular and orderly manner adopted papers and resolutions and have requested this Gen-

eral Assembly to take all the necessary steps to effect the scheme of consolidation hereinbefore mentioned, and it appearing to this General Assembly that the future prosperity and welfare of the Danville Theological Seminary and the cause of theological education in the Southwest would be promoted by the aforesaid consolidation;

Therefore we recommend that the following action be taken by this General Assembly:

Resolved, 1. That the Trustees of the Theological Seminary under the care of the General Assembly of the Presbyterian Church in the United States of America, at Danville, in the State of Kentucky, and the Board of Directors of said seminary be and the same are hereby directed, authorized and empowered (1) to remove said seminary from Danville to Louisville, Ky.; (2) to take such legal steps as may be necessary to accomplish and consummate the consolidation of the Danville Seminary with the Louisville Seminary into one corporation, to be known as "The Presbyterian Theological Seminary of Kentucky," to be located and conducted at Louisville, Ky., under the terms and conditions set forth in this minute, and in the printed agreement between the said Danville and Louisville Seminaries, filed with this minute as a part thereof.

Resolved, 2. That the executive officers of said Trustees and Directors shall have, and we hereby give them full authority, to sign and execute such deeds, contracts and articles of incorporation as may be necessary to consummate said consolidation.

Resolved, 3. That the agreement filed with this minute, under which the Danville and Louisville Seminaries are to be consolidated, and which is to form the Articles of Incorporation of The Presbyterian Seminary of Kentucky, shall not be altered except with the concurrence of the Board of Directors and of the Synod of Kentucky, in connection with The Presbyterian Church in the United States of America, and the Synods of Kentucky and Missouri, in connection with The Presbyterian Church in the United States, respectively. Any alteration so made and agreed upon shall be submitted to each of said General Assemblies above mentioned at their next regular annual meeting, and, unless disapproved at such meeting by one of said Assemblies, the same shall become operative.

Resolved, 4. That the Board of Directors of the Presbyterian Theological Seminary of Kentucky shall annually make full and complete report to the General Assembly of the Presbyterian Church in the United States, and also to the General Assembly of the Presbyterian Church in the United States of America.

Respectfully submitted,

D. S. KENNEDY, *Chairman*.

The Assembly adjourned, and was closed with prayer.

TUESDAY, May 28, 1901, 9 o'clock A.M.

The Assembly met, and was opened with devotional exercises.

The Minutes of yesterday's sessions were read and approved.

The Commission on *Judicial Case No. 7* reported its finding in the case, which was entered upon record, and is as follows :

Judicial Case No. 7, The Presbyterian Church in the United States of America *vs.* Mrs. Sarah R. Clinton, being an appeal from the final judgment of the Synod of Ohio. Your Commission finds that the appeal does not properly come before us for adjudication, because it does not present any question of constitutional law or doctrine, and therefore the same is hereby dismissed.

J. E. MOFFATT, *Moderator.*

HARRY G. KIMBALL, *Clerk.*

The Special Committee on Vacancy and Supply, through the Hon. Robert N. Willson, presented its Report, together with supplemental resolutions presented by Rev. Robert F. Sample, D.D., Chairman of the Committee, all of which were accepted. The resolutions in the Report of the Committee were adopted, and are as follows :

The Committee on Vacancy and Supply, appointed by the Assembly of 1899, and continued by the Assembly of 1900, respectfully reports as follows :

The record of the action of the Assembly of 1900, in connection with the work of the Committee, shows that the first part of its Report to that Assembly, containing certain Overtures to be sent down to the Presbyteries, was adopted ; and that the second part, having to do with a plan for the organization of the work of Vacancy and Supply in Presbyteries and Synods, was referred to the Committee to report to this Assembly.

The Committee has carefully considered the portion of the Report referred to it, and has also secured from the Stated Clerk of the General Assembly information showing that the Presbyteries have adopted three of the Overtures sent down by the Assembly of 1900 connected with this subject, viz., the Overtures on Vacancy and Supply, on the Reception of Ministers from other Denominations, and on Ministerial Salaries. The favorable action of the Presbyteries on these Overtures places the work entrusted to the Committee in a position in which it is practicable to put into operation a general plan of Vacancy and Supply.

In connection with the Plan herewith submitted, the Committee desires to state that careful study has been given it, and that it is modified in one or two particulars from the Plan recommended in 1900. It is of course clear, that whatever is done,

must have due regard to the constitutional powers and rights of the Presbyteries and Synods in relation both to ministers and churches. Further, care must be taken not to interfere with the work carried on either by the self-sustaining Synods or the Board of Home Missions. The Synods that have adopted plans of ministerial sustentation should be encouraged to carry forward their laudable undertakings to more complete success, and the Board should be earnestly sustained in the beneficent work which it is carrying forward in a majority of the Synods. In this connection it is to be noted that the Synods, by the Constitution of the Church, possess the power "generally to take such order with respect to the Presbyteries, Sessions, and people under their care, as may be in conformity with the Word of God and the established rules, and which tend to promote the edification of the Church" (*Form of Government*, chap. XI, sec. 4). It has seemed proper, therefore, to the Committee to suggest the use of the constitutional authority of the Synods as a part of the plan of Vacancy and Supply suggested in this Report. Thus to do, avoids interference with established plans of Synodical sustentation, gives increased responsibility to the Synods, and provides for a greater degree of unity in the location of unemployed ministers and the supply of the pulpits of vacant churches, than would be possible through the Presbyteries acting independently. In addition, to complete the plan submitted, the Committee have felt that it was necessary that the Synods should report annually to the General Assembly on the work of Vacancy and Supply within their bounds, and that these Reports should be considered by a Standing Committee of the Assembly, to be known as the Committee on Vacancy and Supply. By these latter provisions the Church, gathered in General Assembly, can deal from time to time with any new problem which may arise in connection with this important matter.

The Committee is also of the opinion that there is need for more frequent information, as to the condition of the churches and the ministry, than is furnished by the annual *Minutes* of the Assembly. It is felt that the Stated Clerks of the Presbyteries should report every ecclesiastical change, whenever made, to the Stated Clerk of the Assembly, and that said officer should be authorized to publish at regular intervals supplements to the *Minutes*, which shall contain the information supplied to him from time to time by the Clerks of Presbyteries. It is believed that an arrangement of this kind would be of great benefit to the Church.

In view of the considerations presented, the Committee recommend the following plan for adoption by this Assembly, viz.:

The General Assembly recommends to each of the Presbyteries and Synods under its care the adoption of the following plan for the employment of unemployed ministers and the supply of vacant churches:

PLAN OF VACANCY AND SUPPLY.

1. That each Presbytery appoint a Committee, either an existing Standing Committee or a new one, under the provisions of the Form of Government, to have supervision of all vacant churches within its bounds, except as otherwise arranged for by the Presbytery; the term of service of members to be not less than three years.

2. That it shall be the duty of this Committee to prepare and keep a list of the Presbytery's vacant churches, and of such of its unemployed ministers as are competent for service and not relieved from the active work of the ministry; and also to arrange for the supply of these churches from its list of available ministers, and from such other sources as may be suggested by correspondence; all details of adjustment, such as the amount to be paid supplies, the sum to be contributed by the churches, and the duration of assignments to particular churches, being left to each Presbytery.

3. That if, in the judgment of the Presbytery, pecuniary aid is needed beyond the amount contributed by the vacant churches themselves, the Presbytery shall provide, by a distinct offering from its entire list of churches or in some other way, for a fund that shall be used exclusively for this work, and which may be known as "The Vacancy and Supply Fund," and placed in the hands of the Treasurer of the Presbytery.

4. That the Chairmen of the several Presbyterial Committees on Supply and Vacancy within the bounds of any given Synod, constitute a Synodical Committee of a similar character, whose duty it shall be to report annually to the Synod on the work, to unify the work within the Synod's bounds, to bring about better relations of supply and demand, and to furnish such information to the Presbyterial Committees as may contribute to their knowledge and efficiency.

5. That in every Synod a Secretary be appointed for the Committee on Vacancy and Supply, who shall superintend the work within the bounds of Synod, subject to the directions of the Committee. He shall also be the medium of correspondence with other Synods, and with the Presbyteries of the appointing Synod.

6. That each Synod present to the General Assembly an annual Report upon the work of Vacancy and Supply within its bounds, through its Committee on the subject; said Report to cover the calendar year preceding the meeting of the Assembly to which the Report is made, and giving in full the details of the situation. These Reports shall be referred by the Assembly to a Standing Committee on Vacancy and Supply.

To carry out this plan to completion it is recommended that the following additional resolutions be adopted, viz.:

Resolved, 1. That all ecclesiastical changes shall be reported

immediately upon their occurrence, by the Stated Clerk of Presbytery, to the Stated Clerk of the General Assembly, who shall issue supplements and numbers of the *Minutes* at regular intervals containing lists of such changes, etc. These lists shall be furnished, without extra charge, to the Chairmen of Presbyterial and Synodical Committees, to the Clerks of Presbyteries and Synods, and upon request to unemployed ministers and to the Clerks of Sessions of vacant congregations.

Resolved, 2. That a Standing Committee of the Assembly, consisting of five ministers and four elders, is hereby constituted, to be known as the Standing Committee on Vacancy and Supply. To this Committee shall be referred for consideration all matters connected with the subjects of unemployed ministers and the supply of vacant churches.

Your Committee deems it proper to state that it has given careful consideration to a question which has been discussed in our Church, viz., whether or not it is expedient to establish a Permanent Committee of the General Assembly, with a salaried Secretary or other executive officer, for the purpose of furnishing a bureau of information and organization in the matter of "vacancy and supply."

In the judgment of your Committee such action would be unnecessary and unwise. For the purpose of gathering and imparting information upon all points as to which information can judiciously be asked or given, the plan hereinbefore set out would seem to be ample, and for the organization of the scheme the Presbyteries and Synods are sufficient. If they will not assume the full responsibility of the work, which is properly and specifically their own, there is little reason for expecting that it will prove successful. Neither a Permanent Committee nor a salaried officer could exercise any authority in the matter. All the benefit which might accrue from any voluntary or advisory efforts of such agencies to bring ministers and churches together in particular instances, would hardly justify the risk of distrust in the Church as to their disinterestedness and non-partisanship, or the expense and burden of another Permanent Committee.

Respectfully submitted,

ROBERT F. SAMPLE,*

ROBERT N. WILLSON,
GEORGE E. STERRY.

The supplemental resolutions appended to the Report of the Committee on Vacancy and Supply, submitted by Rev. R. F. Sample, D.D., and providing for a paid General Secretary, were referred to the Committee, to report upon them and any other related matters to the next Assembly.

* Dr. Sample dissented from the last two paragraphs of the Report.

The Special Committee on Young People's Work, through its Chairman, Rev. William H. Roberts, D.D., presented its Report, which was accepted, amended and adopted. It is as follows :

The Special Committee on Young People's Work respectfully reports to the General Assembly of 1901 as follows :

The record of the appointment of the Committee by the last General Assembly includes the whole subject of Young People's Work, and reads :

" It was moved that a new Standing Committee of the Assembly be established, to be called the Committee on Young People's Work, and that the statistics should include the membership of the Societies.

" These propositions, with the whole subject of Young People's Work, were referred to the Special Committee just authorized, which was appointed by the Moderator as follows :

" *Committee on Young People's Work : Ministers*—William H. Roberts, D.D., Robert M. Patterson, D.D., Robert Hunter, D.D., Hugh B. MacCauley and Matthew J. Hyndman ; *Ruling Elders*—William A. Pickell and Marshall S. Collingwood " (*Minutes*, 1900, pp. 159, 160).

The Committee has held several meetings, has consulted with the representatives of the several interests having to do with Young People's Work, and after diligent inquiry has reached conclusions which find expression in the recommendations of this Report.

Prior to the statement of these recommendations it is needful to emphasize certain facts.

1. The fact of the rise and growth of Young People's Societies in the United States. The movement for the organization of young people for active Christian work has extended throughout all the Churches of the country, has assumed to a considerable degree an interdenominational form, and has been largely beneficial to Christian life.

2. The fact that the development of the organized activities of young people in our Church has not been the result of a distinctively denominational movement. Many Young People's Societies exist in the congregations whose origin extends back two generations. This is especially true of the missionary societies composed of children and young women. There are, in addition, a number of societies associated under the name of the Westminster League. The largest number of Young People's Societies in our denomination, however, is found within the ranks of the interdenominational organization known as Christian Endeavor. But whatever the names or objects of the societies, they are not under the control of any one general organization of a denominational character.

3. The fact that the General Assembly of 1896 had presented to it the entire question of the relation of Young People's Societies to the Church as a whole, and adopted a Statement of the

Relation rightly existing between the individual society and the Church. This Statement of Relation left the young people at liberty to form such organizations as might seem best, subject to the exercise by the Session of that control which is vested in it by the Constitution over all the organizations of a particular church.

4. Another important fact to be emphasized is this, that the young people whose welfare the Assembly is considering are our own young people, who recognize the right of the Church to advise and guide them. We can count as a denomination upon their loyalty.

These several facts have vital bearing upon the whole subject of Young People's Work. The present situation, concisely described, is as follows: In the process of the gradual growth of the Young People's Movement in the country in general, the work of our own young people has reached a point in which it needs special guidance and stimulus from the entire Church. Something more is needful than local control through the Church Sessions. The tendencies toward both organization and coöperation, characteristic of Presbyterian Churches, have made themselves manifest in many quarters among our young people. A number of the Presbyteries have organized the Young People's Societies within their bounds into Presbyterial Societies. Several of the Synods have effected Synodical organization. The work thus begun in Presbyteries and Synods needs to be developed in connection with the activities of our Church as a whole. It was with the feeling that something more than Presbyterial and Synodical organization was necessary, that the last General Assembly appointed this Committee, and that one of the matters specifically referred to the Committee was the question of the advisability of the appointment of an Assembly's Standing Committee on Young People's Work.* This Assembly is called upon, therefore, to deal, not with a question involving an issue as to any particular form of society, but with the question of the more complete organization of a great Christian movement among the young people of our own Church. Viewing the situation as to Young People's Work from this standpoint, the following conclusion has been reached:

That the Statement of Relation issued by the Assembly of 1896 should be reaffirmed with certain verbal modifications, and with the addition of a declaration setting forth the fact that the office of the pastor, to use the language of the Form of Government, is "the first in the Church, both for dignity and usefulness." Emphasis needs to be laid, in connection with all the organizations of the Church, upon the powers which our Constitution vests in the officer known by the Scriptural titles of bishop and pastor. The pastor of every particular church of our

denomination is the official head of the congregation, and upon him rest the responsibilities of leadership. This power of the pastor should be cordially recognized and efficiently sustained in all the departments of congregational activity.

The Committee therefore recommends the adoption of resolutions as follows :

Resolved, 1. That the following statement of principles be adopted by the Assembly for the guidance of Young People's Societies :

STATEMENT OF PRINCIPLES FOR YOUNG PEOPLE'S SOCIETIES.

The General Assembly recognizes as under the jurisdiction of the Church all religious organizations, of every name, which are to be found within our congregations, or are composed of the members thereof. The variety in the forms of these organizations cannot affect the substantial relation which they all alike sustain to the Church in her organized capacity. This principle is specially applicable to Young People's Societies, whose relation to the Church is that of a child to its mother, and involves mutual obligations. The Church in her courts owes it to her young people to take account of their aspirations and activities, and to provide proper media for the exercise of these ; and the young people, on their part, as members of the Church, have a duty of recognizing her authority, implying, as this does, her right to advise with them and to guide their movements. It is this authority which unites all Presbyterian churches into one common body, and reaches to all of its organizations. Such being the case, the Assembly deems it unnecessary to prescribe any specific form of organization for individual Young People's Societies, but desires and expects them to conform to acknowledged principles, both general and particular, as follows :

IN GENERAL, these societies are to be organized and to work in conformity with the historic position of the Church as expressed in her Standards and interpreted by her courts. This historic position of the Church needs to be emphasized to-day with reference to

(a) *The reverence due to the Word of God* as the only infallible rule of faith and practice. The Church cannot countenance as teachers of her young people any persons in whom she could not repose confidence as teachers of her older people.

(b) *The honor due to the Holy Spirit* in the development of the Christian life, and the emphasis to be placed, under His divine tuition, on the spiritual rather than the formal.

(c) The primary authority and inclusive scope of the vows pertaining to *church membership*, including not only persons in full communion, but also the baptized children of the Church.

(d) *The chief means for growth in grace* and in the knowledge of Christ for our young people, as for our older people, are the divinely appointed ordinances of the sanctuary, including prayer, praise, the reading and preaching of the Word, and the adminis-

tration of the Sacraments, under the direction of the ordained ministry.

(e) *The separation of the Church in its organic capacities from all political parties.* The Church inculcates upon her members the loyal discharge of their responsibilities as citizens, but leaves it to the individual conscience to determine as to parties and candidates.

(f) *The office of the pastor* as being the "first in the Church, both for dignity and usefulness." By the Scriptural titles of bishop and pastor are given to him the leadership and oversight of all the interests of the congregation.

The PARTICULAR relations of all our Young People's Societies to the Church are sustained, in the first instance, to the pastor and the Session of a particular church, and thence through them to the Church at large. Each such society is under the immediate direction and oversight of the pastor and the Session of that church in which it is formed, and that oversight is not merely general, but applies to

(a) *The constitution of the Society*, which shall be framed in accordance with the general principles named hereinbefore and the Constitution of the Presbyterian Church.

(b) *The schedule of its services*, including the time of meeting, the list of topics, courses of Christian training, and the general leadership, in order that such services may form an integral part of the work and worship of the Church.

(c) *The election of its officers* to this extent, that each society shall submit for the approval of the Session the list of those who are to be nominated for office, lest unsuitable persons should be placed in positions of influence.

(d) *The contributions of the Society*, that the regular benevolent work of the Church, under the care of our Boards, be not allowed to suffer through indiscriminate giving to miscellaneous objects which appeal to individual sympathy.

The General Assembly emphasizes the fact that these relations, both general and particular, are not mere matters of method nor chiefly ways of oversight, but are intended to be means for the upbuilding of Christian character in the young, and for the cultivation of loyalty and love, one for another, among the members of the household of faith.

Resolved, 2. That the Standing Orders of the General Assembly be amended so that in Order 4, paragraph 7, dealing with the popular meeting for the second Friday, the last clause shall read, "The evening of Friday, the eighth day, to Young People's Work and to Temperance." Respectfully submitted,

The Standing Committee on Ministerial Relief, through its Chairman, Rev. Henry E. Mott, D.D., presented a Supplemental Report, which was accepted, adopted, and is as follows :

Your Standing Committee on Ministerial Relief has received the minutes of the meeting of ruling elders of this Assembly, held in the interest of those who have served the Church in the ministry of the Gospel, but have been retired on account of age and disability. This Committee is gratified at the action of the ruling elders, taken thus spontaneously. It starts to put into effect the suggestions of this Committee's Report, seconded by the address of the Secretary of the Board. Resolutions were adopted at this meeting of ruling elders calling for some measures for bringing this cause more effectively before the churches, suggesting an enlargement of the scope of the Board and a change of name to correspond to the enlarged idea, inquiring whether a different basis of the grants made under the Board is not both desirable and practicable, and expressing a wish to coöperate to these ends. This meeting proposed a Special Committee to be appointed by the Moderator, consisting of four elders and three ministers, to aid in this work, and pledged the expenses by special contributions.

Your Committee recommends that the General Assembly gratefully welcomes this expression of the ruling elders, that their formal action be communicated to the Special Committee on the subject already appointed by this Assembly, and that the elders who drew the resolutions of the meeting, together with any other elders whom the Moderator may desire to name, be appointed a Special Committee, under the terms of their offer, to coöperate with the present Committee of the Assembly in this work. The elders named are Ephraim Banning, of Chicago ; G. E. Conn, of Seattle ; C. G. Thompson, of Indiana ; John H. Converse, of Philadelphia ; Wallace T. Goodhue, of Los Angeles ; Elmer E. Johnston, of Iowa ; F. A. Hall, of Springfield, Mo. ; William E. Stiger, of New York, and John Willis Baer, of Boston.

Your Committee has examined the Minutes of the Board, finds them in order, and recommends their approval.

In behalf of the Committee,

H. ELLIOTT MOTT, *Chairman*.

It was *Resolved*, That two members be added to the Committee on Vacancy and Supply, and the Moderator appointed Rev. Herriek Johnson, D.D., LL.D., and Rev. J. E. Moffatt, D.D.

The Judicial Commission on *Case No. 5* presented a Report of its finding in the case, which was placed on record, and is as follows :

The Judicial Commission appointed by the General Assembly to whom was referred the appeal of John C. Dayton and others

from the action and judgment of the Synod of Pennsylvania, beg leave to report :

The case, in accordance with the provisions of the Book of Discipline, was entertained, the parties thereto were heard, and judgment rendered as follows :

The General Assembly of 1900 gave decision in this case, which decision is now in process of being carried out in the lower courts, to which it was remanded for reconsideration and action. We therefore do not sustain the appeal.

By order of the Commission,

A. S. FISKE, *Chairman*.

The sum of two thousand, instead of one thousand, dollars additional to the Entertainment Fund was placed at the disposal of the Stated Clerk for entertainment expenses of Commissioners, the rate being \$1.50 per day for each Commissioner.

The following telegram from the General Assembly of the United Presbyterian Church, in session at Des Moines, Ia., was read :

DES MOINES, IA., May 28, 1901.

To the General Assembly of the Presbyterian Church, Greeting :

Let brotherly love continue.

J. A. THOMPSON, *Moderator*.

W. J. REID, *Principal Clerk*.

The Assembly took recess, and was closed with prayer.

TUESDAY, May 28, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Standing Committee on Education, through its Chairman, Rev. DeWitt M. Benham, Ph.D., presented a Supplemental Report, which was adopted, and is as follows :

Recognizing the value of the subject-matter of *Overture No. 48*, from the Presbytery of Cairo, your Committee on Education would request the General Assembly to refer said Overture to the Board of Education that it may consider the points involved, and report to the General Assembly of 1902.

For the Committee,

DEWITT M. BENHAM, *Chairman*.

The Standing Committee on Temperance, through its Chairman, Rev. S. A. Freeman, D.D., presented its Report, which was accepted, adopted, and is as follows :

Your Committee would respectfully report that they have

received and examined the Minutes of the Permanent Committee on Temperance of the Presbyterian Church in the United States of America, and they recommend their approval.

These Minutes, as well as the Twentieth Annual Report of the Committee also placed in our hands, give abounding evidence of the wise and self-denying diligence and zeal of the Committee in the prosecution of the work assigned them by the Assembly. For this they deserve the hearty thanks and cordial coöperation of the Assembly and of the Church at large.

The receipts from the churches during the year, \$1678.84, show an increase of \$213 over those of last year. This amount has been supplemented by an appropriation of printed matter to the value of \$500 from the Assembly's Board of Publication, in accordance with the Assembly's action last year. With these meagre resources the Committee have been able to print and circulate during the year over two million pages of tracts, leaflets and other printed matter, not only in the English language, but in the German, Slav and Bohemian. The importance of the work among both our native and our foreign-born population in all portions of our country, North and South, obviously demands a large pecuniary support, a support which is easily attainable if only Presbyteries and individual ministers will coöperate in securing a small annual contribution from each church. If our 7750 churches would contribute only an average of \$1, it would afford the Committee ample means for the enlargement and more efficient prosecution of their beneficent work. The number of churches, Young People's Societies and Sabbath-schools contributing last year was 266; of individuals, ten.

The year has afforded varied evidences of progress in the promotion of Christian temperance work, in the instruction of the young, and in the multiplied indications that the business world is more and more demanding habits of total abstinence among all who are entrusted with the care of the lives or property of others.

In national legislation we have reason to be thankful that our National Congress, by decisive majorities in both houses, in response to the request of our Assembly and other like bodies, has effectively abolished the sale of intoxicants to our soldiers in the army post canteen. We should be thankful, too, that the Senate of the United States has ratified the treaty between the great Powers for the protection of the two hundred million natives of Africa from the peculiar horrors of the drink traffic on that continent. And the bill for which the venerable missionary, Rev. Dr. John G. Paton, so earnestly pleaded, for the like protection to the islands of the Southern Pacific, having been passed by the Senate, received a large majority in the House, under circumstances, however, which demanded a two-thirds vote of the latter body.

Petitions were laid before us, for action of the Assembly, from

various bodies, ecclesiastical and other, upon most of which the Assembly had taken negative action only last year. Having declined to recommend a reversal of this action, your Committee has not deemed it necessary to cumber our records with the detailed mention of these petitions.

Your Committee recommend the adoption of the following resolutions:

1. The General Assembly hereby reaffirms its repeated commendation of the practice of personal total abstinence from the use of intoxicating liquors as a beverage, and its disapproval of the manufacture and sale of such liquors for this purpose and of the lease of property for their sale.

2. We urge ministers and laymen of this Assembly and of our Church at large to call the attention of the Congressmen of their respective districts to the need of the completion of the legislation already begun for the protection from the drink traffic of the native inhabitants of the islands of the South Pacific.

3. We earnestly request our national authorities to take effective action for the suppression and exclusion of the traffic in intoxicants from our new possessions and dependencies.

4. We heartily endorse the petition which our own Foreign Board and many other American Missionary Societies have sent to the President, asking that our Government shall initiate proposals to the Powers that shall lead, in connection with the settlement of other Chinese difficulties, to the release of China from treaty obligations to tolerate the opium traffic, which she has long desired to prohibit.

5. Inasmuch as the cigarette habit among the young people of our country has reached such alarming proportions as to demand decisive action on the part of our General Assembly, we recommend that our Permanent Committee be directed to call the attention of our churches to this great evil, and to use their utmost endeavors to counteract the same.

6. In order to provide support more nearly adequate, and to increase the efficiency of our Permanent Committee, we recommend:

(a) That all our churches be requested to send an annual contribution, however small, to the treasury of the Committee.

(b) That the Stated Clerk be instructed to add to the blank form provided for the Annual Report of each church to the Presbytery, (but not to the statistical columns in the *Minutes* of the General Assembly), that shall sustain the same relation to the statistical columns of the *Minutes* that the column for the American Bible Society does.

(c) That the Publishing Committee of *The Assembly Herald* be instructed to allot two pages monthly for the use of the Permanent Committee on Temperance, the Permanent Committee to bear its appropriate share of the deficit, if any, incurred in the publication of the *Herald*.

(d) That the Permanent Committee be instructed to seek a friendly conference with the representatives of the Board of Publication and Sabbath-school Work, with a view to their joint action in accomplishing the issue by the Board, and for the Permanent Committee, of such publications as are suggested in the action of the Assembly of 1881, originally constituting the Permanent Committee.

The term of service of the following members of the Permanent Committee expires at this time: *Ministers*—Charles S. McClelland, D.D., and Thomas B. Anderson, D.D.; *Ruling Elders*—George Irwin and William C. Lilley. Their reelection is recommended

All of which is respectfully submitted,
SAMUEL ALDEN FREEMAN, *Chairman*.

The Special Committee on *The Assembly Herald*, through its Chairman, Rev. A. W. Halsey, presented its Report, which was accepted and approved, and is as follows:

The Committee on *The Assembly Herald* respectfully submit the following Report:

Our former Report covered the work of the Committee to the 1st of May, 1900. By vote of the General Assembly the fiscal year of *The Assembly Herald* was made to begin with January rather than with June, as had been previously the case. We therefore submit a Report covering the entire calendar year 1900, although part of that year was included in last year's Report.

The year was a prosperous one in the affairs of *The Assembly Herald*. As we explained in a previous Report, the circulation rapidly increased from July, 1899, and by May, 1900, had reached 40,000. The edition was still further increased during the fall, so that the circulation at the end of the year was 44,000. As about one-third of the circulation discontinues at the expiration of the time of subscription, this involves the procuring of about 15,000 new subscribers to make good the loss and show the increase noticed. This increase was obtained by a vigorous and systematic canvass of the churches. At present there are 3000 churches in our denomination in which there are *Assembly Herald* Clubs, not to speak of many individual subscribers in other churches, so that we feel that the principal object of the periodical, which is to disseminate promptly and in authoritative form through the churches the operations and requirements of the Boards, is well accomplished.

In order to meet the requirements of many readers who wish to use the periodical in connection with the *Monthly Concert* at the beginning of each month, the date of publication was changed and advanced a week, so that each issue is distributed throughout the country in time for such preparations.

The Committee called the attention of the General Assembly

of 1900 to the fact that the principal and essential object aimed at by *The Assembly Herald* is to keep the Church at large informed of the work of the Boards. For this purpose the magazine is printed at a price which represents only the bare cost of production. As we said last year, a magazine of the size and quality of *The Assembly Herald* cannot be manufactured and distributed for twenty-five cents a year. The receipts from the Boards are printed at cost, and advertisements cannot be depended upon to make good any serious loss in the manufacture of the periodical. Every economy, however, has been practiced, and we are able to report that the periodical shows for the year only a small deficit. It is to be remembered also that on the 1st of January *The Assembly Herald* had assets in the shape of unpaid subscriptions, paper stock, etc., to the value of \$1000, reducing the net deficit to a nominal sum.

The Committee are happy to say that they have abundant evidence of the value of *The Assembly Herald* to the Boards, as a medium between them and the church membership. We could cite important cases of contributions coming from its presentation of the work of the Boards. It would be difficult to overestimate the value of the *Herald* in this respect. A signal example of its efficacy was the service it rendered in putting before the churches the details of the outbreak in China. The Foreign Board gladly used a large extra space in two or three issues in order to put the churches in command of early information on this important subject.

The Committee would urge upon pastors the great value of this official medium as a means of awakening interest in the larger work of the churches. We feel that an *Assembly Herald* Club in a church exerts a tonic influence, which is felt quite as much in the internal life of the church as in its outside ministrations.

While presenting a Report covering only the operations of the Committee for the year 1900, we would mention the retirement of the business manager, Mr. Henry R. Elliot, in May, 1901, in order to accept another position. His duties now devolve upon Mr. William P. Scott, of Philadelphia.

In behalf of the Committee,

A. W. HALSEY, *Chairman*.

The Committee on *The Assembly Herald* was reappointed.

The Committee of Canvass of Vote on Overtures sent down by the Assembly of 1900 presented their Report, which was approved and is as follows:

Your Committee to Canvass the Votes of the Presbyteries on the Overtures sent down by the last Assembly, respectfully report:

This action shall be subject to the approval of Presbytery, and shall take effect upon the formal dissolution of the pastoral relation " (*Minutes*, 1900, p. 25).

The Session of a vacant church may receive leave to supply the pulpit for a period to be fixed by Presbytery, subject to the limitation contained in the fourth section of this chapter.

“III. Ministers, licentiates and local evangelists connected with the Presbyteries of this Church shall be the only persons to be employed as regular supplies in vacant churches. It shall be the duty of ministers not engaged in regular church work to render service in vacant congregations within the bounds of their respective Presbyteries, unless excused by act of Presbytery. Ministers of other denominations in correspondence with this General Assembly may be employed as occasional supplies.

“IV. When the pulpit of any congregation has been vacant for a longer period than twelve months, the appointment of ministers for the pulpit shall be made by the Presbytery, and shall continue to be so made until a pastor has been elected by the congregation and duly installed by the Presbytery” (*Minutes*, 1900, p. 151).

J. J. McCARRELL, *Chairman*.

Upon the approval of this Report, the Moderator announced as follows :

“ I announce that the *Overtures* on Pastor Emeritus, Constitutional Rule No. 3, Limitation upon Time of Licensure of Candidates, Supply of Vacant Churches, Ministers from Other Denominations, and Salaries of Ministers, having been adopted by a Constitutional majority of the Presbyteries, are now a part of the Constitution of the Church.”

The Stated Clerk was directed and authorized to insert the Overtures, declared by the Moderator to have been adopted, in their proper place in the Constitution of the Church.

The Committee to perfect the Plan for the Election of Standing Committees presented its Report, through its Chairman, Rev. Chauncey T. Edwards, D.D., which was accepted, adopted, and is as follows :

Your Committee are disposed to congratulate the Assembly on the smoothness with which the new plan for electing the Standing Committees was put into operation. The Committees have been doing their usual work in the usual way, and the Assembly's energy and efficiency are at least not inferior to previous Assemblies. The faithful preparations of the Stated Clerk in notifying each Commissioner of the number of his Electing Section, and of the Committeemen to be chosen, are still indispensable. We must remind the Assembly that in order fairly to carry out the plan, each Presbytery must be represented on some Standing Committee. The Electing Sections can and should have no existence until the organization of the Assembly.

1. We recommend the following addition to Standing Rule No. 5 : After the election of a Moderator, the Permanent Clerk shall report absentees from the first roll call. Vacancies in the Electing Sections may then be filled by the Assembly. The Stated Clerk shall designate one Commissioner in each Section to receive any necessary papers for the Section. The Sections shall meet, as far as practicable, at the close of the second session of the first day. Reports from the Sections shall be handed to the Stated Clerk by the opening of business on the morning of the second day. The quorum of an Electing Section shall be the same in number as the quorum of the Assembly, viz., fourteen.

2. In order more nearly to equalize the Electing Sections, we recommend the following transfers in the Sections as at present arranged : (1) Philadelphia North, from Section 9 to Section 8 ; (2) Central and Southern China, from Section 22 to Section 10 ; (3) India, from Section 13 to Section 11 ; (4) Montana, from Section 21 to Section 20 ; (5) North China, from Section 12 to Section 4 ; (6) Long Island and Nassau, from Section 3 to Section 4 ; (7) New Castle, from Section 6 to Section 5 ; (8) Otsego, from Section 1 to Section 2.

C. T. EDWARDS, *Chairman* ;
WM. H. ROBERTS,
R. M. PATTERSON,
ROBERT LAIDLAW,
WM. E. McVAY,
Committee.

The Committee on Narrative, through its Chairman, Rev. John C. Chapman, presented its Report, which was approved, and ordered to be printed in the Appendix to the *Minutes*.

The Necrological List was read by the Stated Clerk, and Rev. Ebenezer Erskine, D.D., upon invitation of the Moderator, led the Assembly in prayer.

The Committees on Synodical Records presented their Reports, and the Records of the following Synods for the past Synodical year were approved without exception: Atlantic, Baltimore, California, Catawba, China, Central and Southern, Colorado, Illinois, India, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Missouri, Montana, Nebraska, New Mexico, North Dakota, Ohio, Oregon, South Dakota, Tennessee, Utah and Wisconsin.

The Committee on the Records of the Synod of Indian Territory presented its Report, which was adopted, and is as follows:

The Committee on the Records of the Synod of the Indian Territory report recommending their approval with the following exceptions:

1. That no record of absentees is made, and churches not represented are not recorded (see *Minutes*, G. A., 1900, p. 155, and *Digest*, p. 684).

2. That reports of Committees on "Systematic Beneficence," "Freedmen," "Records of Sequoyah Presbytery," "Narrative," "Young People's Societies," and "*Minutes of General Assembly*" (pp. 8, 14, 16, 19 and 24 of *Minutes*) were adopted, but are not recorded (see *Digest*, 253).

3. That the Narrative of the State of Religion, though adopted, is not in the record (see *Minutes*, G. A., 1870, p. 91, and 1892, p. 200).

4. That the Treasurer's Report was presented, and without being accepted was referred to the Auditing Committee; that the Auditing Committee found the "books and vouchers correct," yet did not recommend the adoption of the Report.

5. That while there is no minute of the Report of the "Treasurer of the Davidson Fund," yet the Auditing Committee reports upon the said Treasurer's "books and vouchers" and finds them correct, but does not recommend their approval.

6. The Auditing Committee's Report recommends the adoption of the Treasurer's recommendation of an apportionment of two and one-half cents per member, whereas the Treasurer's Report does not show any recommendation at all upon this matter.

The Committee on the Records of the Synod of New Jersey reported as follows:

The Committee appointed to examine the Records of the Synod of New Jersey report, recommending that the Minutes be approved with this exception:

That the Synod, having entertained a complaint against the Presbytery of Monmouth for a certain action, and tried the case

by a Judicial Commission, which rendered a judgment sustaining the Presbytery, subsequently recorded an exception to the Minutes of said Presbytery because of the action complained of, thus by an administrative act reversing a judicial decision. It is recommended that the Synod be instructed to review its action and make it consistent.

In the matter of a memorial from the Session of the Washington Church, in the Presbytery of Newton, requesting "that the General Assembly authorize the Synod of New Jersey to authorize the Presbytery of Newton to direct the Session of the Washington Church to supply an omission in their records," it is recommended that the authority asked for be granted.

The Report was adopted.

The Committee on the Records of the Synod of New York presented its Report, which was adopted, and is as follows :

The Committee on the Records of the Synod of New York report, recommending that they be approved with the exception of a statement on p. 35, viz.: That the declaring of a pulpit vacant is not fitting in cases of ordinary dissolution of a pastoral relation.

The Committee on the Records of the Synod of Pennsylvania reported as follows :

The Committee on the Minutes of the Synod of Pennsylvania report, recommending approval with the following exceptions :

1. That the approval of the record in *Judicial Case No. 1* is conditioned upon the action of this Assembly on the appeal taken from the Synod's action and now before the Assembly.

2. That the exception to the Records of the Presbytery of Butler, because the "engrossed records lack approval by Presbytery," is not well taken.

3. That the exception to the Records of the Presbytery of Philadelphia North, because "the popular lecture and sermon were heard by the Examination Committee and not in open Presbytery," is not well taken.

The Committee on the Records of the Synod of Pennsylvania also presented a Supplemental Report, as follows :

A paper from the Presbytery of Butler, relative to the action of the late Synod of Pennsylvania on the Minutes of this Presbytery, has been placed in the hands of this Committee. We recommend that, in view of the exception 2 in above Report, no further action is required.

The Reports were both adopted.

The Committee on the Records of the Synod of Texas reported as follows :

The Committee on the Minutes of the Synod of Texas reports

that it has examined the Records, finds them carefully kept and recommends their approval with the following exceptions :

1. On p. 12, the Committee on the Records of Trinity Presbytery reported, recommending their approval with an exception, and Synod adopted the Reports without recording the exception or explaining it in any way.

The Committee are of the opinion that the exception should be placed on record in the Minutes.

2. As these records are in a new book, and the old book not present in the house, and no attestation by the Clerk that the previous Minutes up to this date had been examined and approved by the Assembly, the Committee are without voucher to that fact. We think this omission should be supplied to complete the record.

The Report was adopted.

The Committee on the Records of the Synod of Washington presented its Report, which was adopted, and is as follows :

The Committee on the Minutes of the Synod of Washington report that they have examined the attested printed copy of the Minutes, and recommend their approval so far as written with this exception, that there is no record of the election of any Moderator or Clerks for the meeting.*

The Committee on the Records of the Synod of Central and Southern China reported answers to certain questions propounded to the Assembly by the Synod, as follows :

The General Assembly answers the questions propounded by the Synod of Central and Southern China, Minutes of Synod for 1900, p. 14, as follows :

Question 1.—When a new Presbytery is erected by order of General Assembly, in addition to the names of ministers designated in the order of the Assembly, what other names may be added to the roll at the time of organization? *Answer.*—Presbytery should first be organized with those designated by the Assembly, then any other ministers who have letters of dismission for the purpose may be received.

Question 2.—Should the roll include all ministers residing within the bounds of the Presbytery at the time of its erection? Answered in first reply.

Question 3.—Are ministers residing within the bounds of a Presbytery at the time of its erection *ipso facto* members of the new Presbytery, or must they first receive letters from the Presbyteries with which they were previously connected? *Answer.*—They must first receive letters of dismissal.

Question 4.—If a minister residing within the bounds of a new Presbytery at the time of its erection continues to labor within

*The election of Moderator and Clerks is noted in the Records of Washington Synod at the foot of p. 5.—W. H. R.

its bounds, but is unwilling to connect himself with the said Presbytery, what action, if any, should be taken by Presbytery in regard to his case? *Answer.*—Every Presbytery has oversight of the work within its own bounds. If a minister of another Presbytery refuses to connect himself with the Presbytery within whose bounds he labors the Presbytery may refuse him permission to continue his labors within their bounds and may complain to the Presbytery of which he is a member, in case he continues his labors without such permission.

F. R. WOTRING, *Chairman.*

The Synod of Northern China having had no meeting during the year, its Records were not under review.

The Standing Committee on Correspondence, Rev. H. C. Evans, D.D., Chairman, presented its Report, which was accepted, adopted, and is as follows:

The Committee on Correspondence would respectfully report that there have been placed in their hands the following papers:

1. The Annual Report of the Executive Commission of the Western Section of the Alliance of the Reformed Churches throughout the world holding the Presbyterian System.

Of this Report we make the following synopsis, with the request that the entire Report be published as usual in the Appendix to the *Minutes* of the Assembly.

(1) The Commission held two meetings during the year, one in Louisville, Ky., November 15, 1900; the other in New York City, April 9, 1901. (2) The Commission appointed Gen. Ralph E. Prime to bear fraternal greetings to this Assembly, with F. K. Hipple, Esq., LL.D., as alternate. (3) The apportionment of the expenses of the year to this Assembly is \$765. (4) The Commission reports the death of Gen. Benjamin Harrison, ex-President of the United States, an honored member of this Commission. (5) It calls attention once more to the need of English religious services on the Continent of Europe during the summer season. (6) It reports that a Constitution for "Auxiliary Societies for European work" was adopted at the New York meeting, and that copies of this Constitution can be procured from the American Secretary of the Alliance. (7) The Commission appointed Rev. J. Addison Henry, D.D., Rev. John B. Drury, D.D., and Rev. James I. Good, D.D., to present the interests of this work to this Assembly. (8) It calls attention to the great need of coöperation by the Churches of the Alliance in home mission work, work among the alien immigrants, and to the movement presented to the Commission by Dr. J. A. Worden, looking to the organization of a Normal department in our Sabbath-schools for the higher study of the Scripture and training teachers for the Sunday-schools and for furnishing a Normal Quarterly for these lessons.

2. A communication from the delegate of the General Council of the Reformed Episcopal Church.

3. A communication from the General Assembly of the Transdanubian Reformed Churches of Hungary.

Your Committee recommends, *First*, in reference to the Report of the Commission of the Alliance of the Reformed Churches :

1. That the Assembly appoint a time to hear the delegate who brings the fraternal greetings of the Alliance, and also to hear representatives who have been appointed to present the interests of the Alliance to this Assembly.

2. That the usual provision be made to meet the Assembly's apportionment of expense.

3. That we heartily commend the movement looking toward an organization for the higher study of the Scriptures in our Sabbath-schools.

Second, in reference to communication from the General Council of the Reformed Episcopal Church, we recommend that an answer, herewith submitted, be sent by the Stated Clerk to Dr. Noakes.

Third, In reference to the communication from the General Assembly of the Transdanubian Reformed Churches in Hungary, we recommend that the Stated Clerk send a proper answer to their communication, expressing to them our fraternal sympathy in their great struggle and commending them to the prayers and liberality of our people.

In behalf of the Committee,
HENRY C. EVANS, *Chairman*.

Rev. James I. Good, D.D., of the German Reformed Church, addressed the Assembly as a representative of the Western Section of the Alliance of the Reformed Churches, and presented a Report on the work on the European Continent.

The Report presented by Dr. Good was ordered to be printed in the Appendix to the *Minutes*; also communications received from other delegates who were not present.

The Board of Foreign Missions was authorized to enter into correspondence with the Alliance with a view to the establishment of religious services upon the Continent of Europe.

A protest against the decision in *Judicial Case No. 7* was presented and ordered to be put on record. The protest is as follows :

The Judicial Committee, by its Chairman, reported this case in order, as involving questions of Constitutional law or doctrine, and recommended that it be assigned to a Judicial Commission for trial. The Commission in the case found that it does not properly come before them for adjudication, because it does not present any question of Constitutional law or doctrine, and therefore dismissed the case. The point here presented is one of great

importance, in view of the movement to appoint a Permanent Judicial Commission. Shall the Assembly retain the right to decide beforehand the questions at issue, as far as it may see fit to do so, and then refer the case to a Judicial Commission, with instructions to issue and try the case, or shall a Judicial Commission, by virtue of its appointment, become a law unto itself, a semi-independent body, with liberty to disregard the action taken and the instructions given by the Assembly?

As we regard the finding and judgment of the Judicial Commission in this case as a disregard of the action taken and instructions given by the Assembly, we file our protest.

E. W. C. HUMPHREY,
D. S. KENNEDY.

A protest against the decision in *Judicial Case No. 4* was presented, ordered to be put on record, and is as follows:

We, the undersigned, members of the Synod of India, and of the one hundred and thirteenth General Assembly, beg to submit our respectful protest against the decision of Judicial Commission No. 4 in the case of J. C. Bose *vs.* the Synod of India. We protest on the following ground:

1. The Commission, in its desire to follow the letter of the law, has rendered a decision that reinstates in the Gospel ministry a man whose guilt is admitted by all the parties involved, and even by the man himself.

2. The Commission has refused to give consideration to the action of the last General Assembly, which concludes its instructions to the Synod in the following words: "And that said Synod shall take such action in this case as the rights of all parties concerned and the best interests of the Church require." We submit that these instructions made it the duty of the Commission, not so much to look into the technical legal aspects of the case, as to consider whether or not Synod had acted, as we believe it has, in accordance with these instructions.

Respectfully submitted,

C. A. R. JANVIER,
F. J. NEWTON,
J. M. FORMAN.

The appointment of a Committee to answer the protest in *Judicial Case No. 4*, was authorized, but owing to the early adjournment of the Assembly it was not practicable to present such answer in time for action.

2. It is recommended that the Annual Reports of the Boards for the year 1901 be printed and distributed as heretofore, under the direction of the Stated Clerk, the expenses to be borne by the several Boards in proportion to the space occupied by each Report in the bound volume.

3. It is recommended that the Boards be requested and urged to transmit their Reports to the Stated Clerk on or before June 21, 1901. Unless this be done, the Reports cannot be distributed prior to August 1.

The Stated Clerk also presented the following Report, the recommendations of which were adopted:

The Stated Clerk respectfully presents to the General Assembly the following recommendations upon matters connected with the work of his office:

1. The Stated Clerk is hereby authorized to insert a separate column in the *Minutes* for the numbers of absentee church members placed from year to year by church Sessions upon the rolls of suspended members.

2. The General Assembly commends to the churches the *Presbyterian Handbook*, edited by the Stated Clerk of the Assembly, and published by the Board of Publication and Sabbath-school Work.

3. In July, 1900, a letter was received from the Committee to arrange for the first meeting of the General Assembly of the United Free Church of Scotland, and inviting the presence at the meeting of representatives of this Church. The following resolutions were severally adopted:

Resolved, That the General Assembly is responsible only for the expenses of its Commissioners and officers in connection with its annual meetings.

Resolved, That the Stated Clerk be directed, as usual, to publish the *Minutes* of the General Assembly.

Resolved, That the Stated Clerk be authorized to furnish the *Minutes* to such Presbyteries only as have paid in full their quotas to the Contingent Fund.

Rev. W. E. Boggs, D.D., LL.D., of Jacksonville, Fla., a minister of the Presbyterian Church in the United States, on invitation addressed the Assembly.

The Standing Committees, having completed their business, were severally discharged, viz.: Bills and Overtures, Judicial

Committee, Polity of the Church, Home Missions, Foreign Missions, Education, Publication, Church Erection, Theological Seminaries, Ministerial Relief, Freedmen, Aid for Colleges, Correspondence, Benevolence, Narrative, Leave of Absence, Mileage and Finance.

The Committee on Resolutions, through its Chairman, Rev. H. W. Hulbert, D.D., presented the following, which was adopted:

This One Hundred and Thirteenth General Assembly of our beloved Church may not come to a close without some fitting Minute of its appreciation of the welcome it has received in Philadelphia. While giving itself with unusual earnestness to the absorbing tasks in hand, and while it has proved to the world that it is no mutual admiration society, it has yet not been unmindful of the environment which has so vitally affected its comfort and helped in so many ways to bring it to its far-reaching and beneficent conclusions. We cannot help feeling that there has been a Providence in it all.

Our Moderator has commanded our loyal support and has carried the heavy load we placed upon his shoulders with strength and grace. We cannot separate without making special mention to him of our high appreciation of his part in leading to the happy and irenic issues of this first General Assembly of the new century.

Our Vice-Moderator has faithfully seconded these efforts. The Stated and Permanent Clerks and their assistants have brought a rare skill to bear upon our proceedings, both in the preparation for and during our deliberations. The Committee of Arrangements and its Sub-Committees have challenged our admiration and our gratitude, as among many other kindly services they have opened to us many a hospitable door and pulpit and made us feel that, indeed, we were in *Phil-adelphia*.

The officers and members of Calvary Church have placed their noble structures and all their facilities at our disposal. Its pastor and choir and various attendants have put us under peculiar obligation. The same is true of the Bethany Church, where several of our popular evening meetings have been held.

The University of Pennsylvania has given us royal welcome to its halls, and the Union Traction Company furnished free transportation to and from the University. The Presbyterian Union has tendered to us a reception which emphasized the social feature of our Assembly's life, and which was greatly appreciated by us all. The Academy of Fine Arts has housed our historical and missionary exhibit. The *North American* has given us hospitable insight into the workings of a great daily paper. Princeton University and Theological Seminary have been to us places of pilgrimage, and together with the Pennsylvania Railroad have already been appropriately thanked by this Assembly. A

chorus choir, organized by Rev. Dr. C. M. Alford, and conducted by Mr. James Morrison, Jr., rendered a much-appreciated service for us in the larger popular meetings. The singing of the children at the Sunday-school Rally still rings melodiously in our ears. Dr. F. L. Marshall has led our devotions in song, and an Estey organ has been furnished free of charge by that company. The Real Estate Trust Company has cared for our finances. The Board of Publication and Sabbath-school Work has placed Witherspoon Building at our disposal and printed for us an Assembly selection of hymns. The post-office officials, the Western Union Telegraph Company, and the Bell Telephone Company have most courteously cared for our wants.

We feel called upon to make particular mention of the fullness and faithfulness with which the Associated Press and the daily papers of Philadelphia have reported the proceedings of this Assembly. Among a long list of papers in this city and other cities, we specially make mention of our indebtedness in this particular to the *Public Ledger*, the *Inquirer*, the *Press*, the *North American*, the *Evening Telegraph*, the *Evening Bulletin* and the *New York Tribune*.

The ladies of Philadelphia have bestowed generous courtesies upon the members of the Assembly, and in so many ways that our chivalrous natures have been profoundly stirred, and we cannot leave the city without emphatic expression of our heartfelt thanks.

We feel called upon also to make special mention of our interest in the Foreign Mission Conference which preceded the Assembly, and which was attended by so many of our Commissioners. Great credit is due to the Secretaries of the Foreign Board, who year by year furnish a world-outlook and inspiration by these annual conferences.

We wish also to make special mention of our satisfaction over the celebration of the advent of the Twentieth Century at the Academy of Music, on Friday, May 17. We are under great obligation to the inspiring speakers of that day—the Rev. W. G. Craig, D.D., LL.D., of Chicago; the Rev. Henry C. McCook, D.D., Sc.D., of Philadelphia; the Rev. Henry C. Minton, D.D., San Francisco; the Rev. George T. Purves, D.D., LL.D., of New York; Mr. Robert E. Speer, of New York; Rev. S. J. Nicolls, D.D., LL.D., of St. Louis—as well as to the Chairmen of the three meetings held—John H. Converse, LL.D., of Philadelphia; the Rev. Edward R. Burkhalter, D.D., of Cedar Rapids, Ia., and Hon. John Wanamaker, of Philadelphia.

In view of all these circumstances we desire, in behalf of our fellow-Commissioners and of those who have, with us, been recipients of the kindness of Philadelphia; in behalf, also, of the officers of the Assembly, the Secretaries of the Boards and other corresponding members of the Assembly, to offer this resolution:

That we hereby formally express to all those mentioned in the above Minute our profound sense of gratitude, and instruct the Stated Clerk appropriately to express the same to each organization and individual named.

It is evident to all that this Assembly will ever be counted an historic one—a monument to the unity, wisdom, stability, and spiritual earnestness of our great Church. May the blessing of Him who maketh rich indeed, and to whom our hearts go forth with supreme gratitude, rest upon the Church of Christ in this city of Philadelphia, of whose namesake it was said in the olden time, “Him that overcometh will I make a pillar in the temple of my God.”

In behalf of the Committee,
HENRY W. HULBERT, *Chairman*.

The Assembly was appropriately addressed by the Moderator, and by Hon. Robert N. Willson, in behalf of the Committee of Arrangements.

The Roll was called, and 243 Commissioners answered to their names. The following members were found absent without leave, and their names were ordered entered on the Minutes :

I. Narrative, Necrology, Correspondence, etc.

NARRATIVE

OF THE STATE OF RELIGION WITHIN THE BOUNDS OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES OF AMERICA,
FOR THE YEAR ENDING MARCH 31, 1901.

The Standing Committee on Narrative present to the General Assembly the first report on the Narrative of the State of Religion in the Twentieth Century. Some of the reports from the Presbyteries are typewritten, which are easy to read compared with some which were not typewritten, the latter presenting many difficulties of interpretation.

We begin by introducing a Complaint and Appeal. We complain of the irregularity, indefiniteness and neglect of the Narrative in the line of progression from the Session up, and appeal to negligent Sessions in the first instance, and to some Presbyteries in the second instance, to be particular, prompt, definite and concise in making out the Narrative. Some of the Presbyterial reports are dissertations. When some two hundred and thirty odd documents are to be canvassed in the rush of Assembly business, philosophical treatises are not edifying. Presbyteries frequently complain of lamentable indifference and neglect of Sessions in regard to the Narrative.

It seems to your Committee that in the very outset of the catechetical blanks for Presbyteries to fill there should be the question, How many churches under your care? Has there been any increase or decrease? Some Presbyteries have been careful to report exact numbers of churches, showing at one time increase, at another time decrease. Others state no number and indicate no change. Some Presbyteries report the number of dead churches. There is even report of resurrection of churches, or what is equivalent thereto—a very encouraging fact.

There is a matter of importance universally attested, and it deserves emphasis and should be noted as a ground of hope, viz.: public worship, especially on the Lord's Day, has been punctually observed and the Gospel has been faithfully preached. As sure as God has said His Word shall not return unto Him void, we may expect harvest from such sowing of God's seed. From all quarters the word of testimony comes, declaring faithfulness in preaching and the fidelity of churches in supporting their pastors according to financial engagements. Let us hope in God. There has been constant sowing. God is faithful. There shall be glorious reaping. There is frequent expression of solicitation about church attendance. Many hearts are burdened because the Sunday morning service, in several of our largest cities particularly, has present only fifty per cent. of enrolled membership. The evening is still less. Some of the Presbyteries of our largest cities have carefully tabulated the calculated attendance and average. The variation in the average of some of the largest cities is not great. Some places can boast of an attendance at service which equals the number of members reported to the General Assembly. They are few who can report so high an average. The conclusion from the reports, particularly in the

majority of cases, is that church members are not conscientious enough about their duty in maintaining the public worship of God. One place, large and influential, expresses dismay over summer vacation and the scattering and apparently harmful results.

Prayer meetings are held midweek very generally all over the land. The attendance is sometimes reported as encouraging and at other times discouraging. The view at one time is pronounced sad; others say, attendance one in ten, or fifteen per cent. or twenty per cent. One church reports almost entire membership attending prayer meeting. In Oregon there is 20.5 per cent. reported. Of course, there are outlying districts which have no prayer meetings at all, but the almost universal observance of weekly prayer service is indeed encouraging.

The attendance of youth at church is in some cases quite encouraging. In most cases there is but partial attendance. Various methods are tried in different quarters, such as five-minute sermons for children every Sunday, or a particular Sunday once a month for the youth, or specific urging of parents to have their children accompany them. There are words of cheer and a song of hope which come up from the Sabbath-school Department of the whole Church. There is more encouragement from this source than from any other. There is promising interest among the scholars. Encouraging numbers from the school have united with the Church. The Catechism is faithfully taught in some instances, is partially taught in others, is perfunctorily taught in some cases, and is not taught at all in very many churches and homes. In many cases neglect in this matter is complained of. There is extended and loyal use of Westminster helps, but very general lack of regularity, frequency and effectiveness in teachers' meetings, and the difficulty complained of frequently is the want of consecrated teachers. It is also repeatedly reported that parents are indifferent, yet with all there is a ring of joy coming from the Sabbath-school.

The report of the efforts of organizing the men of the church into activity presents no great encouragement. In quite a large number of cases the experiment is tried, but whatever it may accomplish in outward appearance for the local church, it has accomplished very little for the Boards of the Church. A great problem is to get very generally from men, for the Kingdom of Christ, the plan, push, perseverance, enterprise and energy which business monopolizes. If the men were in the churches as are the women, the Kingdom would come by leaps and bounds. The Women's Missionary Societies and the Christian Endeavorers are everywhere. There are Junior Endeavorers, too, rising up like an army who, with their Seniors, are being trained to do what Jesus would have them do. They are taught to pray with and for each other and are being interested in missions and taught how to give. If the past century, with its meagre beginning, grew into such proportions, what ought to be the fruit of the Twentieth?

If the genius of Presbyterianism means the veritable government by the Session of all the spiritual affairs of the local church, a study of the Narrative reports would impress generally, as it has impressed your Committee, that some uniform rule is needed. The supervision of Session is quite frequently acknowledged as at least informal, and sometimes the acknowledgment is stronger than that. Often societies make no report to Sessions at all, and it is intimated that there are instances when the various organizations of the Church are not subject to review, and are conducted without the realization of being under the oversight of a higher power.

Comparatively few cases are reported of any unusual religious interest. There has been no great, far-reaching revival. There have been special efforts in some localities, with no special results of particular note. There have been cases of quite marked spiritual blessings. There have been numerous accessions upon profession of faith here and there. Many churches report no such accessions at all. Some churches and Presbyteries report less total membership than a year ago, and this sometimes in the midst of increasing populations. There are conditions, widespread and general, which are occasions enough for humiliation, fasting and prayer. Yet the appointed day for such is very little observed. Some report fasting out of date. Many pray, but few fast.

Among the difficulties mentioned in the way of progress of religion are

worldliness, Sabbath desecration, lack of spirituality, religious indifference among professors of religion, saloon, the devil, and sin in general.

In the management of benevolence, Sessions in the majority of cases show diligence in furnishing the churches opportunity for contributing to the Boards. There is enough indicated in the reports to reveal that in many cases Sessions are negligent. There is suspicion that even where the pastor may be all right in the matter the Elders are without enthusiasm and without endeavor. There is suspicion that not every pastor is enthusiastic and diligent in regard to the various Boards. There are cases where there is evident need of stimulation, emulation and possibly regeneration in the Session in the matter of supporting the causes of the Kingdom. There is a lack of system in many places and lack of uniform system in benevolence throughout the whole Church. But various methods seem to work well among well-workers. The great need appears to be spiritual faithfulness in every department of Church work. Some make the plea of poverty for not doing. What must we say about such a plea in view of the case of the poor woman who gave "all her living?" Such societies of men as are reported have enhanced but little the contributions to the Boards. The women's societies are chiefly for Home and Foreign Missions, sometimes for Freedmen. The young people's societies and Sunday-schools are limited in the number of Boards they are taught to support. The questions arise here of partial education and a narrow horizon of interest and vision. There is much lamentable confession of lack in family religion. The altar fires smolder on many a family altar. In multitudes of cases it is feared the fire has gone out entirely and no incense arises. Hence the complaint of indifference of parents to the work of the Sunday-school and lack of spirituality and worldliness in the churches. Is it any wonder? This is a most vital matter, which should have the most diligent and vigilant care of shepherding throughout the whole Church. It is intimated several times in the reports that pastors are faithful in shepherding when the Sessions are not. The question begins, Are the Sessions faithful in their care? The question should be brought home to the Elders. Is the spirit of this question met by the faithfulness of the pastor alone? If it were the province of this Committee to make recommendations, it would at this point have some to make. It would recommend:

(1) That the Presbytery blanks should open with an inquiry as to the number of churches under the care of Presbytery; whether there was increase or decrease during the year. Then the report from the Presbytery would be more likely to be uniform.

(2) The Stated Clerks of the various Presbyteries should be instructed in some proper way to take advantage of the period of the fullest attendance at the fall meeting of the Presbyteries, and make an impression on the minds of pastors and Elders as to the importance of fidelity in making out all the required reports in the spring, and to be as faithful in sending them in as in filling them out in time.

(3) That some method be adopted, through Committees on Systematic Beneficence or through some other agency, to have the various Boards of the Church designated and assigned to different members of the Session, and that these Elders as assigned be made responsible for the presentation of the several Boards, and the execution of the methods adopted to keep them and all possible information and interest about them before all the departments of the Church.

(4) That a pastoral letter be sent down from the General Assembly to be read in the churches, exhorting to diligence, particularly with respect to benevolence, fidelity to the Boards and the shepherding of the flock, and exhorting the people to family worship and the continued consecrated training of their children, and the conscientious spiritual observance of the Lord's Day and the loyal maintenance of the public ordinances of God's worship.

But as it may not be in accord with the nature of a Narrative to thus suggest recommendations, we allow these to pass as forceful suggestions, and respectfully submit our report.

In behalf of the Committee,

GEO. T. CRISSMAN, *Chairman.*

CORRESPONDENCE.

REPORT OF THE EXECUTIVE COMMISSION OF THE ALLIANCE OF THE REFORMED CHURCHES THROUGHOUT THE WORLD HOLDING THE PRESBYTERIAN SYSTEM.

PHILADELPHIA, PA., May 7, 1901.

To the General Assembly of the Presbyterian Church in the U. S. A. :

DEAR BRETHREN :—The Executive Commission of the Western Section of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System presents to your venerable body its annual report, invoking upon you and your churches the grace of our Lord Jesus Christ, the love of God, and the communion of the Holy Ghost.

The Commission has held two meetings during the year—one on November 15, 1900, at Louisville, Ky., in the Warren Memorial Presbyterian Church of that city ; the second in the Marble Collegiate Reformed [Dutch] Church, New York City, on April 9, 1901. Both meetings were characterized by much good feeling and were highly profitable to the mutual interests of our Churches. The members of the Commission were the objects of a cordial hospitality in the two cities, and in New York City an evening reception was given by the Presbyterian Union.

The Commission has appointed Gen. Ralph E. Prime as a delegate to bear to your venerable body the fraternal greetings of the Alliance, with F. K. Hipple, Esq., LL.D., as alternate.

It is respectfully requested that provision be made for the apportionment of the expenses of the Alliance due from your venerable body for the present year, which amounts to the sum of \$765. Remittance may be made to the American Treasurer of the Alliance, Frank K. Hipple, Esq., LL.D., President of the Real Estate Trust Co., Philadelphia, Pa.

We regret to report the removal by death of one of the most distinguished members of the Commission, Gen. Benjamin Harrison, ex-President of the United States. He belonged to the highest type of Christian statesman, and was honored in all the Churches.

The work on the European Continent needs once more to be emphasized in our Correspondence. A large proportion of the visitors to Europe each summer are connected with the American Churches of the Alliance. Their spiritual needs receive but little attention. Where effort has been made to supply them the result has been most encouraging. It is respectfully suggested that the agency having charge of the work of Foreign Missions under your jurisdiction be charged with the duty of special effort with a view to providing services of the Churches of our faith and order in Europe during the summer season, in such places as are most frequented by American visitors.

In connection with this work, we report that a draft of a Constitution for "Auxiliary Societies for European Work" was adopted at the meeting of this Commission held in New York City, on April 9, 1901. Copies of the same can be secured upon application to the American Secretary of the Alliance. We also report the appointment of a deputation to present the interests of this work to your General Assembly, viz.: J. Addison Henry, D.D., John B. Drury, D.D. and James I. Good, D.D.

The Commission having given careful consideration to the Home Mission work of the several Churches in the Western Section of the Alliance, submits the following resolutions adopted by it to your venerable body, viz.:

Whereas, the blessing of God has been graciously and in remarkable degree bestowed in the past upon the Home Mission work of the Churches connected with this Alliance on the American Continent ; and

Whereas, in the new century which opens before us yet larger opportunities for progress appear to be afforded by divine Providence ; and

Whereas, God has blessed His people with greatly increased means for the prosecution of the work of His Kingdom ; therefore

Resolved, That it be recommended to the supreme judicatories of the sev-

eral Churches in the Western Section of the Alliance to take such steps as shall lead to renewed effort along all lines of Home Mission work, with a view to a yet more thorough evangelization of the American Continent.

2. That special attention be called to the increasing alien immigration so full of peril to our religious institutions; to the religious destitution among the isolated dwellers in our mountain districts and the great field open to us among them, and to the changing conditions among the colored people, requiring greatly increased efforts for their instruction and spiritual elevation, providential calls to special work at this critical period.

3. That it be earnestly recommended that in all these lines of special mission work the plan of coöperation already adopted be carefully carried out, that the Churches represented may come nearer together in the common field.

The Commission further took action in relation to the Ecumenical Missionary Conference held in New York last year, and as follows:

Resolved, That the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, Western Section, herewith records its great joy that there was held in the City of New York, in the closing year of this century, an Ecumenical Missionary Conference, whose truly representative character and strong personnel, whose splendid programme of noble addresses and comprehensive papers, evoked widespread missionary enthusiasm and inspiration, and marked it as unique and glorious among the great Councils of the Church of Christ.

This Commission also records its profound gratitude to God that the Alliance of the Reformed Churches of the world was permitted to have part in inaugurating the movement that resulted in this great Conference, the beneficent effects of which will doubtless be felt and strongly far into the coming century, as the Christian Church realizes its splendid privilege and great responsibility and enters the doors of the heathen world that everywhere are opening to the Gospel.

The matter of the conditions prevalent in China were under consideration at the meeting November 15, 1900, at Louisville, Ky., and the following action was taken:

Resolved, 1. That this Alliance expresses its high appreciation of the devotion and courage of the missionaries of the Christian Churches in China during the troublous events recently occurring in that country, and its thankfulness to God that not even the fear of death availed to shake the faith or weaken the fidelity either of the missionaries or of the great majority of their converts.

Resolved, 2. That the deep sympathy of the Alliance is tendered to the relatives of the missionaries, both men and women, who suffered martyrdom for the sake of Christ.

Resolved, 3. That it is the judgment of this Alliance that the work of missions in China, where destroyed, should be reëstablished at the earliest practicable date, and that missionary efforts should be carried forward with renewed and unflagging energy when God in His Providence opens the way.

Resolved, 4. That Christian missionaries equally with other citizens are entitled to the full protection of their Governments while resident in China, and that the officers of the Alliance communicate to the President of the U. S. A. our thanks for the kindly interest and care which the representatives of the U. S. Government in China have shown to the missionaries during the recent dangerous and sorrowful times.

With gratitude to God we draw attention to the movements toward union within our Churches. The several Presbyterian missions in Southern India, representing three separate Churches, have under consideration arrangements for coöperation in mission work and the union of the native congregations in one body. This movement is in line with the religious tendency of the times, a tendency yet more clearly manifested in the completed union of the Free Church and the United Presbyterian Church of Scotland, which took place at Edinburgh, Scotland, October 31, 1900. The new Church is called the United Free Church of Scotland, and has about 1786 ministers, 1706 congregations, 495,178 communicants and 282,965 Sabbath-school scholars and teachers.

The Commission addressed a letter of congratulation, signed by its officers, to the General Assembly of the United Church as follows:

PHILADELPHIA, PA., U. S. A., Oct. 12, 1900.

To the General Assembly of the United Free Church of Scotland:

BELoved BRETHREN:—The Western Section of "The Alliance of the Reformed Churches throughout the World holding the Presbyterian System" tenders to you its heartfelt felicitations upon the union now happily effected between the United Presbyterian and the Free Churches of Scotland. In tendering our congratulations we feel that we represent a widespread and affectionate interest in your welfare as a Church among the Presbyterian and Reformed Churches of the American Continent. From the Southern Cross to the Aurora Borealis, in Chile, Brazil, Mexico, the United States and Canada, there is heard the voice of thanksgiving and praise for the goodness of God as made evident in your dwelling henceforth together in one visible household of the faith. Especially when we remember that the Alliance, which gives expression to this spiritual unity of the Presbyterian and Reformed Churches throughout the world, was brought into existence by the earnest efforts and unselfish devotion of such men as the Rev. Drs. Wm. Garden Blaikie, James McCosh and John Cairns, we can but rejoice that their work in the line of Christian unity has in part found fruitage in the union of your two Churches. Indeed, as we think upon the past, rejoice in the present and cherish hope for the future, "we are bound to thank God always for you, brethren, as it is meet, because that your faith groweth exceedingly and the charity of every one of you all toward each other aboundeth."

May the union now realized by you be an incentive, in many lands, to the bringing into the visible unity of Christ's Church the many beloved brethren who, with us, are one in faith and practice.

"Now our Lord Jesus Christ himself, and God, even our Father which hath loved us, and hath given us the everlasting consolation and good hope through grace, comfort your hearts and establish you in every good word and work. Finally, brethren, pray for us that the word of the Lord may have free course and be glorified even as it is with you."

[Signed by the Officers.]

Your attention is also called to the movement presented to the Commission by the Rev. Dr. J. A. Worden, looking toward, first, the organization in our Sabbath-schools of a Normal Department for the higher study of the Scriptures and for the training of persons to be Sabbath-school teachers; and, second, to the furnishing of these Normal Departments with a series of lessons in the Bible, and with the methods and principles of teaching in a Normal Quarterly. It is also worthy of note that a plan of Systematic Beneficence of an efficient character is now in operation in the Sunday-schools and Christian Endeavor Societies of the Reformed Church in America.

We close this report with brief reference to the great interests which are entrusted of God to the Churches of this Alliance. We are in agreement upon all essential matters. We draw from the Holy Scriptures as the great source our doctrine, worship and government. We acknowledge these Scriptures as the only infallible rule of faith and conduct. We stand for the certainty of the accomplishment of God's purposes alike in Salvation and in Providence. Our Churches have been in the forefront in the past in all missionary work both at home and abroad. We have on the American Continent 8,000,000 of adherents and 17,000,000 in other parts of the world. We should come yet more closely into sympathy and coöperation, striving together for the faith, and praying earnestly for the outpouring of the Holy Spirit upon Christian and heathen nations alike, God thus coöperating with His people for the redemption of the world, and responding to their prayer "Thy kingdom come." May the opening years of the Twentieth Century witness great revivals of religion in this and other Christian lands, and the overthrow of idolatry in heathen regions, in particular in that empire where so many Christians recently have sealed with their blood their fidelity to Christ and His cross!

Tendering fraternal sympathy and earnest prayers for the prosperity of the work of Christ within your bounds, and in fullness of faith that His purposes shall be fulfilled in due time whose is the kingdom and the power and the glory, we are, in behalf of the Alliance,

GEORGE JUNKIN, *Chairman*;

WILLIAM HENRY ROBERTS, *American Secretary*.

LETTER FROM THE DELEGATES OF THE ALLIANCE OF REFORMED CHURCHES TO PRESENT THE NEEDS OF THE WORK IN EUROPE.

To the General Assembly of the Presbyterian Church :

FATHERS AND BRETHREN,—The Western Section of the Alliance of the Reformed Churches holding the Presbyterian System would earnestly call your attention to the great needs of Europe to-day, for which none of the Churches of our faith and order are doing anything officially. We call to your notice :

1. *The needs of the native Churches of Europe.* While these are aided by independent and undenominational agencies, they are not by any of our denominations. And yet they are near to you, or ought to be, for from them Knox received his impulse to found your Church; and besides many of their emigrants to our shores—Huguenot, Palatine, Hollander—have enriched your congregations. They are suffering from the tyranny of Romanism on one hand and of rationalism on the other. Just now there is a peculiar opportunity, such as has not come for centuries, in the “converted priest” movement in France and the “loose from Rome” movement in Austria. Europe is passing through a crisis. What will our American Churches do to aid them in their mighty problems at this propitious time? We have prepared a constitution for Continental Auxiliaries and ask you to commend it to your churches, that those who feel like aiding this worthy cause may find an official channel through which they can do so. We pray you to remember our common responsibility in this matter, that the rule of history has been “as goes Europe so goes the world.” We cannot afford to let that continent suffer when it will be to the detriment of Christ’s cause to the ends of the earth.

2. *The need of English services on the Sabbath in European lands.* Many thousands from our congregations go abroad every year, perhaps from five to ten thousand from your own communion. In many places there is no Sabbath service in the English language, or only such as is offered by a cold ritualism. We appeal to you for your own children, that you care for them. It is a duty you owe to them as your own. They are surrounded by Romanizing and rationalistic influences and threatened by the dominant influence of secularism. You not merely owe it to them, but also to yourselves. For they will come back to leaven your congregations with the loose ideas of the Continental Sabbath and of neology unless you care for them there. The Anglican and Episcopal Churches have already made serious inroads among your own members because you have not attended to their wants abroad.

Thus far none of the American Churches, especially of our faith and order, have officially done anything for their adherents. In a few places undenominational American chapels have been founded, and the Scotch Churches, especially the Free Church, have done considerable, but many places still remain unoccupied. If it be objected that American tourists do not go to church, then the need is all the greater for faithful ministers to welcome them there and to remind them of their duty. But we believe that they will go to church, and that one of the reasons why they do not is because our Churches have not led them to expect English services. If it be objected that Europe seems so far away when nearer problems are pressing, we reply it is not so far away, not so far as many of our mission fields, and indeed not far away at all in these days when steam and electricity have annihilated distance.

We therefore appeal to you to open one or more summer services in English on the Continent, at a cost of from \$300 to \$400 each to cover expenses. This movement can be placed under a Continental Committee or under one of the Boards, although the former is perhaps preferable. We are proposing that each of the denominations in our Alliance open one or more stations. Will your body, the largest in our Western Section, lead the way and gain the honor for it? We trust you will do so and we are sure that the blessing that has attended the Anglican Church and the Free Churches of Scotland for doing this work will be yours also as these summer stations grow into permanent churches, thus extending your territory and influence. That the Lord may richly bless you and guide you is our prayer.

Yours fraternally,

LETTER TO THE GENERAL ASSEMBLY OF THE UNITED FREE CHURCH OF SCOTLAND.

PHILADELPHIA, PA., October 12, 1900.

To the General Assembly of the United Free Church of Scotland:

BELOVED BRETHREN IN CHRIST:—The Presbyterian Church in the United States of America tenders to you most cordial congratulations upon the union now happily effected between the Free Church and the United Presbyterian Church of Scotland. We rejoice greatly that these two Churches, with their honorable history, their large resources, their remarkable achievements, their heroes of the faith, and their high spirituality, have been led of God to unite as one body for the welfare of our holy religion in the chief historic home of the American Presbyterian Churches, and for the extension of the kingdom of Christ throughout the world.

We recall with sincere thanksgiving to God our vital relation as a Church to the Churches of Scotland, a relation which has continued through many generations and binds us together, as in the past so in this present, by the ties both of faith and blood. With tender and sympathetic memories we think of the blessings vouchsafed us through the labors in our midst of such leaders of the hosts of God as the Rev. Dr. James McCosh and of others, both ministers and laymen, who served Christ faithfully in their day. We know that your union will be the cause of praise and thanksgiving not only in many of our congregations, but also in numerous Christian homes of our land.

We are led to this heartfelt expression of sympathy with you both by the high fraternal regard and sincere affection which is cherished among us for the two great Churches now so happily united and by our own history. It is now some thirty years since the Old School and New School Presbyterian Churches in the United States were, after a separation enduring for a generation, again brought together into one household of the faith. The blessing of God upon that union has resulted in an unexampled growth for our united Church, both in membership, ministry, gifts and usefulness for service. It would not be proper for us to enter into any detail of the divine blessing which has been our happy lot since the Reunion of 1869, but the mercies of God enjoyed by us deepen within us interest in the union now consummated by you, and lead us to invoke upon the United Free Church of Scotland the outpouring of that rich heavenly benediction which is the unfailing source of spiritual life and prosperity.

May the God of our Lord Jesus Christ, the Father of glory, who gave His Son to be the "head over all things to the Church," give unto you the spirit of

wisdom and revelation in the knowledge of Him, that ye may know what is the riches of his inheritance in the saints, and what the exceeding greatness of His power to usward who believe." May "the God of peace, that brought again from the dead our Lord Jesus, that great Shepherd of the sheep, through the blood of the everlasting covenant, make you perfect in every good work to do His will, working in you that which is well pleasing in His sight, through Jesus Christ, to whom be glory forever and ever."

Regretting that the suggestion made to us that we send representatives to be present at your Assembly is not possible under present circumstances, we are, in behalf of the Presbyterian Church in the United States of America,

Yours fraternally,

CHARLES A. DICKEY, *Moderator.*

JOHN H. CONVERSE, *Vice-Moderator.*

ACKNOWLEDGMENT FROM THE MODERATOR OF THE GENERAL ASSEMBLY OF THE UNITED FREE CHURCH OF SCOTLAND.

EDINBURGH, Nov. 6, 1901.

DEAR DR. ROBERTS:—Yours with address from the General Assembly of the Presbyterian Church in the U. S. A. was duly received. The address was communicated and was much appreciated by our Assembly. You will be glad to hear that the proceedings at the meetings last week for carrying through the union were in a very high degree impressive and edifying.

Yours very truly,

ROBERT RAINY.

LETTER FROM THE DELEGATE OF THE GENERAL SYNOD OF THE REFORMED (DUTCH) CHURCH.

MAY 25, 1901.

MR. MODERATOR, FATHERS, BRETHREN:—I have been highly honored in the commission to bear to this august body the greetings of the Reformed Church of America.

Personally I find myself very much at home in mingling with the members of this great Assembly, not only because between our two communions there exists the warmest bond of union, but because, although I have always served in the Reformed branch of the Lord's army, I have been doing the fighting in a Presbyterian armor, having been educated in the Presbyterian school of prophets. While our Church holds to the system of Calvinism taught by your common body, we have certain distinctive forms of worship which mark our individuality as a Church.

First, we are a semi-liturgical Church; the form for the administration of the sacraments and for the ordination and installation of our officers are obligatory. The form for the administration of the Lord's Supper, being obligatory, has the advantage of insuring a uniform and edifying order of service, whether it takes place in the most elegant city church or in the plainest log cabin.

Our second distinctive feature is the Consistory of elders and deacons, to whom, with the pastor, the administration of the individual church is committed. We avoid the dictation of a body of secular trustees, some of whom might not be in sympathy with the spiritual interests of the Church.

The third distinctive feature is the pledge taken by the pastor to expound from the pulpit the Heidelberg Catechism in regular courses during the period of four years. This stimulates the studies of the individual minister in his efforts to bring water out of the flinty rock, oil out of the dry land and blood out of stones.

We rejoice in our name, the "Reformed Church," because it connects us with that great movement which in the sixteenth century changed the face of Europe, made the Papal throne totter, unfettered the human conscience and opened the Bible to prince and peasant.

Our denomination now numbers in this country 618 congregations, 652 ministers, 104,000 communicants and 117,000 Sunday-school scholars and teachers.

Our Church holds the most cordial relations with every other evangelical body, but for no Church do we cherish such warm and tender feelings of respect and affection as for the Presbyterian Church. We can never be jealous of your greatness, but rather the more you increase and prosper the more will we rejoice. In every village and town where your Church and ours are planted our Church catches new inspiration from the aggressive and progressive work which you are doing in your Home and Foreign Mission fields, in the lavish liberality of your gifts to the cause of Christ, in the advancement of your educational institutions, and the distinguished achievements of your consecrated scholars and preachers.

May God continue to show His favor unto you and grant you increasingly the grace of His Holy Spirit!

DAN'L H. MARTIN.

LETTER FROM THE DELEGATE OF THE GENERAL COUNCIL OF THE REFORMED EPISCOPAL CHURCH.

CLEVELAND, O., May 17, 1901.

To the General Assembly of the Presbyterian Church in Session in Philadelphia :

BRETHREN IN THE LORD :—Deputed by the Thirteenth General Council of the Reformed Episcopal Church to present our fraternal regards to the members of your gracious Assembly, I ask your kind permission to do so by letter instead of in person.

I regret much the necessity for such request, not alone because it is a privilege to witness even one day's proceedings of your learned body, but because at this time you have before you a subject in which all the Churches in Christ Jesus are deeply interested, viz.: the proposed revision of your ancient Creed. May the Spirit of the Lord excite the prayers of Christendom that you may reach a wise and Scriptural conclusion.

Although I have the honor of representing the smallest branch of the great trunk of historic Christianity, yet I cannot help believing that the principles for which the Reformed Episcopal Church contends are in harmony with the truths which form the basis and life of the Presbyterian faith. We stand for the simplicity which is in Christ against what we believe to be the delusions and errors of Sacerdotalism. We stand for Protestantism as against the methods and seductions of Romanism.

The Councils of God's Church, forming as they do waymarks in ecclesiastical history, call for the loving sympathy and spiritual unity of all who love our Lord Jesus Christ in sincerity.

May grace, mercy and peace from God our Father and the Lord Jesus Christ and the unseen Presence of the Holy Ghost be with you!

Cordially and respectfully,

B. T. NOAKES.

LETTER TO THE GENERAL COUNCIL OF THE REFORMED EPISCOPAL CHURCH.

To the General Council of the Reformed Episcopal Church, Greetings :

The General Assembly of the Presbyterian Church in the United States of America, in session at Philadelphia, most cordially reciprocates your fraternal salutations.

We heartily appreciate your most earnest expression of interest, both in

our work as a part of the universal Church of Christ, and in the immediate denominational questions of our own branch of that Church. Especially do we note the kindly Christian spirit expressed in the subject of Creed Revision, which at this time so greatly interests us and attracts the attention of the ecclesiastical world.

Standing, as we always have done, in unswerving loyalty to the Word of God as the infallible rule of faith and of authority in matters of worship, we are in hearty sympathy with your noble effort to maintain the simplicity of the truth as it is in Christ Jesus our Lord, and to that end will continue our earnest prayers for the presence and guidance of the Holy Spirit among you.

LETTER FROM THE GENERAL ASSEMBLY OF THE TRANS-DANUBIAN REFORMED CHURCHES IN HUNGARY.

To the General Assembly of the Presbyterian Church in the U. S. A., Philadelphia, Pa.:

REVEREND MODERATOR, BELOVED FATHERS AND BRETHREN:—As far as the Holy Scriptures say, let us do good unto all men, especially unto them who are of the household of faith, and so far as the Presbyterian Church in the U. S. A. acted according to this principle in the past days, we send our petitionary letter to you with trusting heart.

Some two hundred years ago the tide of counter-reformation was destroying in Europe all that the Reformers had built up. In Hungary also churches and schools had been confiscated, pastors and teachers put in prison or driven away from their flocks, the constitution and the liberties of the country had been abolished, and a bloody tribunal set to work in Pozsony (= Pressburg, near Vienna), in Hungary, where the adherents to the Reformed faith were treated as political offenders and traitors against their sovereign and lastly sold to the galleys in Naples.

It is therefore not to be wondered that since that time there has been no Reformed Church in Pozsony, and for a long time could not be, because the laws of the State forbade it. By God's help, these unfavorable circumstances have been removed, and Reformed people were once again allowed to reside here and in the neighborhood. These Reformed peoples in Pozsony and surrounding district formed themselves into a congregation in the year 1895, but being working people drawn chiefly from the agricultural class, so numerous in this country, and also from other branches of industry in the town, they have so far been unable to procure a suitable place wherein to worship. At the present the Pozsony Reformed congregation by her own efforts has gathered together a sum of 10,000 florins (= 4500 dollars). But as this sum is entirely swallowed up in purchasing the necessary ground, which is exceptionally expensive here, we have still the building to face.

Were we to wait until we gathered sufficient funds among our poor people, it should take us over twenty years, but such a long wait as that would be a great hindrance to the development of the Pozsony Reformed congregation, as at present there are no means of our acquainting newcomers to the town of the fact that a Reformed congregation exists in it. Around us we see the wealthy and numerous Roman Catholic edifices, whose doors are always open to welcome the stranger, and whose agents (Jesuits, monks, nuns, etc.) are at all times on the lookout for those having Reformed or no church connection. It would take too long to enumerate all the difficulties in our way. After much thought and prayerful consideration we have decided to throw ourselves on the liberality of our Christian Brethren of the Presbyterian Church in the U. S. of A., and now we would ask your Christian liberality to the young and struggling Reformed congregation of Pozsony.

We hope that this our petition will be received by the Christian Fathers and Brethren in the spirit of charity and love, and trust that God in his

infinite mercy may use them as the means of extending a helping hand to those of another nation whose ancestors suffered and died for the same cause as did the Covenanting Fathers of bygone days in Scotland.

We the undersigned send our fraternal salutations and sympathy to the General Assembly of the Presbyterian Church in the U. S. A.

REPLY TO THE LETTER OF THE HUNGARIAN CHURCHES.

PHILADELPHIA, U. S. A., June 20, 1901.

To the General Assembly of the Transdanubian Reformed Churches in Hungary :

BELOVED FATHERS AND BRETHREN,—Your fraternal letter addressed to the General Assembly of the Presbyterian Church in the U. S. A. was duly considered by that venerable judicatory, and as the Stated Clerk of the Assembly, the undersigned was authorized to answer the same. In the name therefore of this General Assembly I tender to you the fraternal sympathy of American Presbyterians in the trying circumstances which surround your churches. These circumstances do but make the more clear your Christian patience and fortitude, and evoke in your behalf earnest prayers, by the people of God in this land, that you may ere long share equally with us the blessings of civil and religious liberty. Your fathers endured bitter sufferings even unto martyrdom for the faith once delivered to the saints, and the history of your Church, as a result, for more than two centuries has been made glorious by their achievements. In this history we feel that as a branch of the universal Christian Church we have a part, even as the New Testament Christians are declared by the Apostle Paul in the eleventh chapter of the Epistle to the Hebrews to have had a vital relation to the Old Testament saints. We are one with you not only, however, through the history of the past, but also in the work of the present. "There is one body and one spirit, even as we are called in one hope of our calling; one Lord, one faith, one baptism; one God and father of all, who is above all and through all and in us all."

Realizing our unity in the faith and to give expression to our sympathy with you, this General Assembly has commended you and your interests to the prayers and liberality of our people. We shall cherish the hope that this commendation may result in securing for you the objects named in your petition. But whatever the material results of our correspondence this General Assembly greets you as fellow-citizens with the saints. It congratulates you that you "are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief cornerstone; in whom all the building fitly framed together groweth unto a holy temple in the Lord: in whom ye also are builded together for a habitation of God through the Spirit." Invoking upon you and yours rich divine blessings, I am,

In behalf of the General Assembly,

Your fellow-worker unto the kingdom of God,

WM. HENRY ROBERTS,
Stated Clerk.

REPORT OF THE DELEGATES TO THE DEDICATION OF THE PRESBYTERIAN HISTORICAL MONUMENT.

The delegates appointed by the General Assembly of 1899 to be present at the dedication of the Presbyterian Historical Monument on the site of the Old Scots Church, near Freehold, N. J., respectfully report as follows:

The monument was unveiled and dedicated on June 14, 1900. It was erected under the supervision of the Synod of New Jersey, "to recognize the good Providence of God in planting the Presbyterian Church in this country, and to commemorate the first recorded ordination by a Presbytery in the American Colonies." The General Presbytery of the Church assembled in the Old Scots meeting house, December 29, 1706, and ordained to the Gospel ministry the Rev. John Boyd, who died August 30, 1708, and was buried in the cemetery in which the monument is located. The erection of the monument is due to the untiring efforts of the Rev. Allen Henry Brown, of New Jersey.

The symbolism of the monument, as given by the Rev. Mr. Brown, is as follows: "As the men who composed the Presbytery here in 1706 were from Scotland, Ireland and New England, it is not a mere fancy or sentiment which has brought the granite from these three countries to erect this monument to their memory. The rough base is from Vermont. The Scotch thistle (national flower of Scotland) which crowns the top and the four polished pillars at the corners are of Scotch granite, while the remaining body is of fine Irish graystone." Three tablets are affixed to the monument, one being the tablet of dedication, the second containing the Latin inscription on the tombstone of the Rev. John Boyd, and the third containing Prof. H. C. Cameron's translation of the Latin tablet. The monument has also upon it four historic seals, one on each side: the seal of the Presbyterian Church in the U. S. A., the seal of the Presbyterian Church of Monmouth Co., the seal of the Scotch-Irish Society, and the seal of the Presbyterian Church in the United States. The monument is also commemorative of Walter Ker, one of the first elders of the Scots Church, who came to New Jersey from Scotland in 1685.

The dedication exercises were presided over by the Rev. A. N. Hollifield, D.D., Moderator of the Synod of New Jersey. The Scripture was read by the Rev. Joseph M. McNulty, D.D., pastor of the Presbyterian Church of Woodbridge, N. J. A history and description of the monument was given by the Rev. Allen H. Brown, Chairman of the Synod's Committee, and the monument was unveiled by Walter Kerr, Esq., of New York, a descendant of the first elder of the Scots Church. The dedicatory prayer was offered by the Rev. George D. Baker, D.D., pastor of the First Presbyterian Church of Philadelphia, Pa.; fraternal messages were delivered by Rev. Robert F. Sample, D.D., of New York, for the General Assembly of the Presbyterian Church in the U. S. A., and by the Rev. Robert P. Kerr, D.D., for the General Assembly of the Presbyterian Church in the United States. The address was delivered by the Rev. William H. Roberts, D.D., of Philadelphia. In the afternoon the celebration was continued at the Tennent Church, New Jersey, the true successor of the Old Scots Church.

Your representatives close their report with the words which end the printed account of the exercises, edited by the Rev. Hugh B. MacCauley, "Long may the memory of the Old Scots Presbyterians endure, long stand the monument to speak for their heroic faith."

ROBERT F. SAMPLE,
WILLIAM HENRY ROBERTS.

1. ANNUAL REPORT OF THE BOARD OF DIRECTORS OF THE THEOLOGICAL SEMINARY, PRINCETON, N. J.

THE Board of Directors of the Princeton Theological Seminary presents to the General Assembly the following as its Eighty-eighth Annual Report:

Craven, of the Board of Publication; Rev. D. S. Kennedy, D.D., Pastor of First Church, Allegheny, Pa.; Rev. Dr. E. P. Cowan, of the Board of Freedmen; Rev. A. H. Ewing, of India; Rev. Dr. A. W. At the weekly meeting of the Seminary for Conference and Prayer the members of the Faculty have given addresses in rotation upon special phases of the religious life and kindred subjects.

The Foreign Missionary Society of the Seminary contributed \$348 for the support of Rev. O. C. Crawford, a late graduate, as a foreign missionary under the care of the Board of Foreign Missions.

The entire number of students enrolled for the year is sixty. Of this number three are preparing for the ministry in the Methodist Episcopal Church, and a fourth for the ministry in the Methodist Episcopal Church (Colored).

Ill health has obliged three of the students to intermit their studies for a year. The Faculty reports a very commendable faithfulness on the part of the students in meeting the obligations of a course of study and maintaining Christian character.

At a called meeting of the Board of Directors on July 2, 1900, Prof. R. D. Wilson resigned the Chair of Hebrew and Old Testament History and Literature to accept a position offered him in Princeton Theological Seminary. Pending the election of Dr. Wilson's successor, the duties of the Chair devolved on Rev. James A. Kelso, Ph.D., who had previously been acting as instructor of Hebrew.

At the annual meeting in May, Dr. Kelso was elected by the Board to the full professorship previously held by Rev. Dr. Wilson.

Rev. Thomas H. Robinson, D.D., Reunion Professor of Pastoral Theology, Church Government and the Sacraments, offered his resignation because of his conviction that the state of his health would not longer permit him to meet the duties of the Chair. The Board accepted the resignation and continued Dr. Robinson in the Faculty as Professor Emeritus.

Temporary arrangement has been made by which Rev. David R. Breed, D.D., Professor of Sacred Rhetoric and Elocution, will assume the duties of the Chair made vacant by the resignation of Dr. Robinson.

The Board of Directors extended to Rev. Matthew B. Riddle, D.D., LL.D., its cordial congratulations on the completion of his thirtieth year in the Chair of New Testament Greek, and in recognition of his long and eminent services in this department he was made President of the Faculty for the ensuing year.

The closing exercises of the Seminary were held this year on the evening of May 9, in the First Presbyterian Church, Pittsburg, Pa., and an address was delivered by Rev. Daniel H. Evans, D.D., LL.D., of Youngstown, O., in connection with the delivery of the diplomas.

During the year three deaths occurred in the membership of the Board—that of Rev. James Allison, D.D.; that of Rev. Robert Alexander, D.D., and that of William Bakewell, Esq. The vacancy caused by the death of Dr. Allison was filled by the election of Rev. Maitland Alexander, D.D.; that caused by the death of Dr. Robert Alexander by the election of Rev. William S. Miller; and that caused by the death of William Bakewell, Esq., by the election of James I. Buchanan. Rev. J. P. E. Kumler, D.D., resigned on account of removal from the city, and Rev. William S. Fulton, D.D., was elected to fill the vacancy. Judge James Ingram was elected to fill the vacancy made by the declination of Mr. Frank Robinson, who had been elected to fill the place of Mr. James Lewis, deceased.

Rev. O. A. Hills, D.D., was elected Vice-President of the Board of Directors in the place of Rev. James I. Brownson, D.D., deceased.

VII. PROGRESS OF THE YEAR.

It affords the Board of Trustees great pleasure to report that the Seminary year just closed has been very satisfactory, both in the scope and quality of the instruction provided and in the ability, character, fidelity and spirit of the students. It is believed that the graduates of Lane Seminary compare favorably with those of any other Seminary in the Presbyterian Church—a result which at present requires some double work on the part of the instructors.

Several applicants for admission at the opening of the year were not received because of the lack of funds to afford them desired aid. Lane Seminary greatly needs an increased endowment, both general and special, and it is hoped that the way may soon open for the securing of the needed funds.

VIII. REPORT OF THE EXAMINERS.

The following Examiners, appointed by the Synods of Ohio and Indiana and Presbyteries in these States, were present at the public examination of students on May 6, 7 and 8, 1901:

Synod of Ohio—Rev. John A. Ewalt and Rev. Frank Granstaff.

Synod of Indiana—Rev. I. I. Gorby and Rev. Geo. Knox.

Cincinnati Presbytery, Rev. G. W. Shield and Mr. I. D. Fry; Columbus Presbytery, Rev. H. G. Birchby; Cleveland Presbytery, Hon. Dan P. Eells; Portsmouth Presbytery, Rev. R. C. Dobson and Rev. L. O. Richmond; Steubenville Presbytery, Rev. M. W. Simpson; Crawfordsville Presbytery, Rev. A. J. Alexander; Logansport Presbytery, Rev. H. G. Rice; Muncie Presbytery, Rev. John Roberts; New Albany Presbytery, Rev. S. C. Bates; White Water Presbytery, Rev. Wm. Carson and Rev. Chas. T. White.

The following report was submitted by the Examiners to the Board of Trustees:

We, the Examiners in attendance upon the closing exercises of Lane Seminary for the year 1901, desire to express our satisfaction with all we have seen and heard. The past two days have been full of evidence of a profitable year. We rejoice to find that Lane Seminary maintains a standard of theology in keeping with the demands of the Church and of the age.

The young men of the several classes have impressed us with the fact that they have brought to the Seminary a thorough collegiate training. They have evidently formed those mental habits which enable them to profit by the broad and thorough instruction given by this institution. We record also the fact that while scholarship holds a high place, it is evident that both with Faculty and with students the culture of the spiritual life has been supreme.

In closing this brief report we would extend to the Faculty our hearty congratulations for the highly satisfactory progress made by the students, and would commend them to the Church as masters in their several departments of instruction and well equipped in all ways for the training of young men for the Gospel ministry.

Signed,

WM. CARSON, *Chairman.*

JOHN A. EWALT, *Secretary.*

May 8, 1901.

In the year just closed the Seminary has suffered loss in the death of a devoted Trustee, Rev. Thomas L. Hughes, D.D., of Piqua, O., who departed this life June 17, 1900; and also in the death of Rev. Thomas Fullerton, D.D., who departed this life January 6, 1901. For several years prior to his decease Dr. Fullerton gave, for a nominal compensation, instruction in Homiletics and Pastoral Theology, filling the position with great acceptance and efficiency. Rev. John N. Ervin, an alumnus of the Seminary, is employed as instructor in Homiletics and Pastoral Theology for the coming year.

Most respectfully submitted,

EMERSON E. WHITE,

President.

JOHN L. TAYLOR, *Secretary.*

Whereas, There has been presented to this Synod a draft of an agreement proposed to be entered into between the Trustees of the Theological Seminary under the care of the General Assembly of the Presbyterian Church in the United States of America, at Danville, in the State of Kentucky, the Louisville Presbyterian Theological Seminary, at Louisville, Ky., and the Trustees of the Theological Fund of the Synod of Kentucky, having as its purpose the consolidation of these three institutions under the name of the Presbyterian Theological Seminary of Kentucky, upon the terms and conditions therein set out; and whereas the same has been duly approved by the Board of Directors (and Board of Trustees) of the first-named corporation, the Board of Trustees of said second corporation and the Trustees of said third corporation; and which proposed agreement is in words and figures as follows, viz.:

Louisville, Ky., April 23, 1901.

AGREEMENT FOR CONSOLIDATION OF THE PRESBYTERIAN THEOLOGICAL SEMINARIES AT DANVILLE AND LOUISVILLE, CREATING THE PRESBYTERIAN THEOLOGICAL SEMINARY OF KENTUCKY.

This Agreement, made and entered into this the — day of —, 1901, by and between the Trustees of the Theological Seminary under the care of the General Assembly of the Presbyterian Church in the United States of America, at Danville, in the State of Kentucky (hereinafter designated as the Danville Seminary), party of the first part, and the Louisville Presbyterian Theological Seminary (hereinafter designated as the Louisville Seminary), party of the second part, and the Trustees of the Theological Fund of the Synod of Kentucky (hereinafter designated as Synodical Trustees), party of the third part;

Witnesseth: Each of the parties hereto is a corporation created, organized and existing under and by virtue of the laws of the State of Kentucky, as follows, viz.:

The Danville Seminary, under and by virtue of an act of the Legislature of Kentucky, entitled "An Act to incorporate the Trustees of the Theological Seminary under the care of the General Assembly of the Presbyterian Church in the United States of America, at Danville, in the State of Kentucky," approved January 28, 1854, and an act supplemental thereto, approved February 25, 1854;

The Louisville Seminary, under and by virtue of Articles of Association dated May 3, 1893, entered into by and between Wm. T. Grant and others, creating thereby a corporation under the name of the "Louisville Presbyterian Theological Seminary," which Articles of Association were executed and delivered pursuant to the general incorporation laws of the State of Kentucky and recorded in the County Clerk's Office of Jefferson county, Kentucky, in Corporation Book No. 8, page 350;

The Synodical Trustees, under and by virtue of an act of the Legislature of Kentucky, entitled "An Act to incorporate the Trustees of the Theological Fund of the Synod of Kentucky," approved March 1, 1850.

The Danville Seminary was organized and has always continued in connection with the General Assembly of the Presbyterian Church in the United States of America, and has received the income from the Synodical Fund; the Louisville Seminary was organized in connection with and is under the control of the Synods of Kentucky and Missouri in connection with the Presbyterian Church in the United States.

Each of said institutions was organized and has been conducted for the same general purpose, namely, the education and training of young men as ministers of the Gospel—the Danville Seminary, according to the Confession of Faith, Catechisms, and other standards of the Presbyterian Church in the United States of America; and the Louisville Seminary, according to the Confession of Faith, Catechisms, and other standards of the Presbyterian Church in the United States; and the Confession of Faith and Catechisms of said Churches are the same, and their other standards are nearly the same.

Each of said parties owns funds and property, real, personal and mixed, part of said property and funds being held for the general purposes of said institutions, respectively, and other parts thereof being held for specific or defined purposes.

It is believed that the best interests of both institutions and of the Churches which control and sustain them will be conserved and promoted by the consolidation of such institutions under the terms and conditions herein set forth.

Now, in consideration of the premises, and of the mutual undertakings of the parties hereto, it is agreed between them as follows, to wit:

I. Said Danville Seminary, said Synodical Trustees, and said Louisville Seminary, the corporations hereinabove designated and made parties thereto, shall be and are hereby consolidated into a single corporation under the corporate name and style of the Presbyterian Theological Seminary of Kentucky, which, for convenience, is hereinafter designated as the Kentucky Seminary.

II. The Kentucky Seminary shall be vested with and own all property,

business, credits, assets and effects of said constituent corporations without deed or transfer, and shall be bound for all the contracts and liabilities of each of the constituent corporations.

III. The Danville Seminary and the Louisville Seminary shall be conducted by the Kentucky Seminary at or near Louisville as one Theological Seminary under this agreement, and the Danville Seminary shall no longer be conducted at Danville.

IV. The Kentucky Seminary shall hold the property and funds hereby vested in it and all property and funds which may hereafter be acquired, in trust for, and the same shall be devoted to, the education and training of young men as ministers of the Gospel according to the Confession of Faith, Catechisms and other standards of the Presbyterian Churches aforesaid, and for the support and maintenance of young men while in attendance on their studies, in so far as the same may by said Seminary be deemed advisable and practicable; provided, however, that such training and education shall at all times be in accordance with those standards which are now common to both of said Churches, and with such modifications thereof, if any, as may hereafter be made and adopted by both of said Churches; but said Seminary shall not adopt, authorize or pursue any course of education or training which is not in accordance with those standards which are now common to both Churches, and modifications thereof which may hereafter be made by both, and shall thereby become common to both of said Churches.

V. All property and funds which have been donated or contributed to either of said constituent corporations for the support or maintenance of special Chairs, or for any specific purpose, shall be held by said Kentucky Seminary and dedicated to and used for such specific purpose or purposes, in accordance with the terms of the gift or contract under which the same shall have been received.

VI. The management and control of said Kentucky Seminary shall be vested in a Board known as the Board of Directors of the Presbyterian Theological Seminary of Kentucky. Said Board shall consist of twenty-four members, unless and until the number of said Board shall be changed (which may be done) by agreement between the Synod of Kentucky, which is in connection with the Presbyterian Church in the United States of America, on the one side, and the Synods of Kentucky and Missouri, which are in connection with the Presbyterian Church in the United States, on the other side.

For purposes of convenience, said first-named Synod will be hereinafter designated as the "Synod of Kentucky," and the other two Synods will be designated as the "Synods of Kentucky and Missouri."

One-half of the members of said Board shall be elected by the Synod of Kentucky and one-half shall be elected by the said Synods of Kentucky and Missouri. Said bodies respectively shall regulate the time and mode of election as to the members of the Board to be elected by them; and it shall be competent for the Synods of Kentucky and Missouri, by agreement between themselves, to regulate the number to be elected by each.

The members of the first Board of Trustees to be constituted by election by said Synods shall hold office for the following terms, to wit: One-fourth of said members shall hold office for one year; one-fourth for two years; one-fourth for three years, and one-fourth for four years; and thereafter the term of office of the members shall be four years.

Each member of the Board shall hold office until his successor shall have been duly elected and qualified. If any member shall fail to qualify at or before the next regular annual meeting of the Board after his election, or shall resign or otherwise cease to be a Director, the other members of the Board, appointed by the Synod which elected the member whose office shall have become vacant, shall fill such vacancy, and the appointee shall serve out the term of office of his predecessor, unless the Synod which originally elected such member shall, by election at its next meeting thereafter, substitute another person, in which event that person shall serve out such unexpired term in lieu of the appointee aforesaid.

Elections of members of the Board shall be so made that said Synod of Kentucky, on the one side, and said Synods of Kentucky and Missouri, on the other side, respectively, shall at all times have an equal number of representatives in the Board.

The election of Directors by the said Synods respectively shall be submitted to each of the General Assemblies hereinabove mentioned at their next annual meetings, respectively; and if either of said Assemblies shall at said meeting, by resolution, object to and disapprove of such election, the same shall not become effective or shall cease to be effective from and after the time when said Kentucky Seminary shall, in writing, have been notified of such disapproval.

VII. The Board of Directors shall have power to elect, appoint or provide for the appointment of such officers, professors, teachers, and employes generally as in their judgment shall make the work of the Seminary most effective.

It may adopt and prescribe a constitution and by-laws for the government and control of the institution in all its parts and with respect to its entire conduct, and may from time to time alter the same; *provided*, however, that it shall have no power to adopt any rule or regulation in conflict with this agreement, or with any joint resolution of or agreement between said Synod of Kentucky and said Synods of Kentucky and Missouri.

The election, appointment, or transfer of any teacher or professor in said Seminary shall be submitted to the said General Assembly of the Presbyterian Church in the United States of America and the General Assembly of the Presbyterian Church in the United States at their next meetings, respectively; and if either of said bodies shall at said meeting, by resolution, object to and disapprove of such election, appointment, or transfer, the same shall not become effective or shall cease to be effective from and after the time when the said Seminary shall, in writing, have been notified of such disapproval. This proviso, however, shall not apply to or permit the veto of the election, appointment, or transfer at the opening of said Seminary of any of the professors or teachers now employed in either of the Seminaries, constituent parties hereto.

In the event of the violation by said Kentucky Seminary of the terms of these articles of agreement, or of the misuse or diversion of the funds or property held by said Seminary, then either of said General Assemblies shall have power to proceed against such violation, misuse, or diversion, and may, through any officer or committee, person or corporation appointed by it, sue in any civil court to enforce this agreement and to protect the trusts under which property and funds are held by the said corporation; and said corporation shall not, in such suit, object that said General Assembly cannot acquire a standing in Court through the intervention of its said officer, committee, or appointee.

VIII. A majority of the Board shall constitute a quorum. The Board may appoint an executive committee and vest in said committee such powers of the Board as it may deem fit.

IX. This agreement shall not be altered except with the concurrence of the Board of Directors, and of said Synod of Kentucky and said Synods of Kentucky and Missouri, respectively. Any alteration so made and agreed upon shall be submitted to each of said General Assemblies above mentioned at their next regular annual meetings, and, unless disapproved at such meeting by one of said Assemblies, the same shall become operative.

X. The first Board of Directors of said Kentucky Seminary shall be selected, one-half by the present Directors of Danville Seminary, and one-half by the present Directors of Louisville Seminary—in each case, preferably, from their own members—to hold office until the Board shall be regularly constituted by the Synod of Kentucky and the Synods of Kentucky and Missouri.

XI. Each Director of the Board hereby constituted before entering upon the duties of his office shall qualify by taking an oath faithfully to perform the duties thereof.

XII. This corporation shall be perpetual.

It may acquire by gift, purchase, or otherwise, and hold and use for general and special purposes real and personal estate; and sell, convey, lease, pledge, or mortgage its real or personal estate, and generally it may exercise all corporate powers conferred by general law upon incorporated bodies.

XIII. This agreement shall become effective when and not until it shall

have received the assent of the three constituent corporations herein named—the General Assembly of the Presbyterian Church in the United States of America, the Synod of Kentucky in connection therewith, the Synods of Kentucky and Missouri in connection with the Presbyterian Church in the United States, and the General Assembly of the Presbyterian Church in the United States.

5. GENERAL STATEMENT.

The past year has been one of considerable anxiety to the Board of Directors, through the pressure of the financial difficulties which have burdened the Seminary for several years. The Faculty have made heroic sacrifices in order that the work might go on, and that the Board might be helped in its efforts to reach financial *terra firma*. We ask the sympathy and the help of all friends of our Church throughout the country. Fronting the Orient as we do, and meeting thus the first impact of its manifold and growing claims upon our Church, we feel that our work is wider than our territory and that it has a just claim upon the Church as a whole.

Our Seminary work has been prosecuted with much zeal and efficiency during the year. The total enrollment of students has been 25, made up of 7 Seniors, 7 Middlers and 11 Juniors. Of this total, 15 are college graduates. Of the 7 members of the graduating class, 2 go to the foreign fields, a third, formerly a Jewish Rabbi, will take up Jewish mission work, and a fourth will labor among his Japanese fellow-countrymen. Nine students of the total number enrolled belong to the Pacific Coast.

7. GENERAL REMARKS.

At the last meeting of the Board of Directors the following were elected as Directors of the Class of 1904:

Ministers—Jacob Konzett, Henry Schmitt, J. K. Fowler, D.D., H. A. Van Griethuysen, John E. Drake; *Elders*—Hon. R. H. McClellan, William Meier, C. Loetscher, for whose election the approval of the General Assembly is asked.

Five students, Edmund Flath, Henry N. Gerdes, Gottlieb Grieder, Oltman B. Oltmans and Julius F. Schwarz, having completed the prescribed course, were graduated at the commencement on April 24.

The Chair of Theology has been vacant for two years. The arrangement reported last year was continued, and instruction was given by the Rev. W. O. Ruston, D.D., in Systematic Theology, Mode of Worship and Form of Government, and by the Rev. Ferdinand Urbach in Greek Exegesis and Homiletics.

The Board of Directors at its recent meeting elected to the Chair of Theology, known as the Van Vliet Professorship, the Rev. Nicholas M. Steffens, D.D., of the Reformed Church in America, who formerly occu-

pied this position. Dr. Steffens is well known as a most able and sound teacher of theological science, and the Board with great satisfaction presents his name for the approval of the Assembly.

The year has been marked by prosperity both temporally and spiritually. It is true that debt has been avoided only by the closest economy and by crippling the work. The progress of the students has been excellent, and we feel gratified to be able to report that our candidates everywhere receive the warmest commendation from the Presbyteries for the thoroughness of their preparation. A high tone of spiritual life has been maintained and gives promise of great blessing when the students enter the active ministry.

Enlarged facilities are needed. The school cannot do its work without more generous help. The number of students we are able to care for are inadequate to supply the demands, and they are engaged by the churches long before graduation. There is a large missionary outlook. The school not only has the home field to care for, and as a result of its work has given the Presbyterian Church one hundred German Churches, but it has a foreign mission character in the work that must be done in Africa and elsewhere in the German tongue. During the last year earnest appeals for German ministers have come to us from the Canada Presbyterian Church. The field is very large and the success of the operations heretofore pleads with Presbyterians for greater confidence and larger support. We need at once the endowment so often recommended by the General Assembly.

5. GENERAL STATEMENT.

With pleasure the Board calls attention to the fact that we have not only met our current expenses, but by the kind consideration of friends have been enabled to add \$5400 to our endowment, Mr. Philip Nye Jackson, of Newark, contributing \$5000 to found five scholarships, and Mrs. Lizzie Howell Mitchell, lately deceased, contributing \$400.

We have also made a large reduction of our indebtedness by reason of contributions to the Twentieth Century Fund, and the inauguration of a scheme by Prof. Weber which gives promise of canceling all our obligations by the time another annual report is presented.

Respectfully submitted,

D. R. FRAZER, *Vice-President Board of Directors.*

Among these eleven graduates are some whose piety has won our highest confidence; in whom prudence and zeal combine to justify our expectation of conspicuous usefulness, and whose scholarship would satisfy the demands of the Negro's most exacting friends. We testify to the General Assembly out of this year's experience that the gifts of intelligence and grace which God has conferred on the Negro are not in vain in the Lord; and that their fruit is unto holiness, which is the unmistakable mark of the Holy Spirit's influence.

The academical year began on the 20th of September, 1900, and closed on the 16th of April, 1901. The Baccalaureate Sermon was preached by the Rev. John R. Davies, D.D., on the 14th of April, 1901.

A catalogue of Lincoln University for the year 1900-1901, containing a statement of the courses of study and of the details in each course, accompanies this Report, and pages 38 to 64 are especially commended to the notice of the Assembly.

The Theological Department shares moreover in the general prosperity of the University. We therefore append, for the information of the Assembly in the new century year, a statement of the entire property of the University under the dates of acquisition, so as to show the continued and increasing favor of the Church and of the benevolent during the century just closed towards our work of Higher Education.

First Decade, 1854-1860, Six Years.—The institution was chartered under the title of Ashmun Institute in 1854. In 1860 the Board of Trustees held in trust for the higher education of Negro youth: Thirty acres of land, \$1500; The President's House, \$3000; Ashmun Hall, \$10,000; total, \$14,500. Educational Features: one professor, one tutor, sixteen students, no endowment.

Educational Features: five professors, two tutors, one hundred and seventy students.

Educational Features: seven professors, two hundred and two students.

Fourth Decade, 1881-1890.—Increase of Property: Houston Hall, \$10,000; Livingstone Hall, \$3000; Ashmun Hall enlarged, \$5000; four professors' residences, \$20,000; Mary Dod Brown Chapel, \$20,000; ten acres of ground, \$2000; total, \$60,000. Professorships: The Latin Chair, \$20,000; The Chair of Mathematics, \$20,000; The Chair of Natural Science, \$20,000; The Chair of Hebrew History, \$20,000; total, \$80,000; scholarships, \$42,300; grand total, \$182,300. Educational Features: seven professors, two hundred and twenty-seven students, of whom sixty-three were in the Preparatory Department.

Fifth Decade, 1891-1900.—Increase of Property: The Vail Memorial Library, \$20,000; apparatus, \$5000; 16,000 volumes, \$10,000; total, \$35,000. Professorships: The Mrs. David Brown Professorship of the English Bible, \$20,000; The Chair of Pastoral Theology, \$28,000; total, \$48,000. The Fayerweather Bequest, \$190,000. Scholarships: The Harvey Scholarships, \$25,000; The Brighton Scholarship, \$1000; The Horace G. Pitkin Scholarship, \$3000; The Isbel Small Scholarship, \$4000; The James Spear Scholarship, \$2500; total, \$35,500; grand total, \$303,500. Educational Features: eleven professors, two hundred students—collegiate, 150; theological, 50; the Preparatory Department discontinued.

The Sixth Decade, 1901.—Opening Features and Prospects: A gymnasium building, \$9000; The Pierce Estate, due to the University in 1902, \$150,000; total, \$159,000. Eleven professors, two hundred students, the favor of

God, the approbation of the Church, the good-will of the wise; our prosperity is the hope of the Negro.

Summary of Results.—Trained in Academic Department—students, 1110; in the Theological Department, 348; graduates now on roll of the Presbyteries, 144; missionaries under the Board of Missions for Freedmen, 63.

Many of our former students are laboring in positions of the highest responsibility, as professors in schools of theology and in collegiate and academic and industrial schools in the Southern States, and as ministers of the Gospel in Baptist, Methodist and Episcopalian Churches as well as in our own Church.

In all these positions they are living evidences that the opinion sometimes privately held and often boldly expressed—that the Negro, especially when educated, is worthless to society and untrustworthy in the Church, and is therefore unfit to be a leader of his people—is a misinterpretation of God's providence, and is a denial of His grace manifested in our Negro fellow-Christians. The grace of God is effectual in them. We have made no mistake in putting Christian education in the forefront of our endeavors for the salvation of our Negro fellow-men. Industry itself requires religion to make it intelligent and honest. The home of the laborer is not a place of safety unless it is made Christian by all the influences of the Gospel, including a highly educated and pious ministry.

We beg leave to present a brief summary of the present and urgent wants of the Theological Department of Lincoln University.

WANTS.

Increased Endowment of Existing Chairs, \$60,000; Endowment of Chair of Christian Ethics, \$35,000; Dormitory for the Students, \$25,000; a Recitation Hall, \$20,000; a Residence for a Professor, \$5000; a Scholarship Fund of \$90,000; total, \$270,000.

NOMINATION OF A PROFESSOR.

A painful bereavement in the household of Rev. Malcolm J. McLeod, Professor of New Testament Literature and Exegesis, resulted in his resignation, and in his removal to Pasadena, Cal. His good-will abides with us, and our affection toward him is unchanged. He is a brilliant preacher, a scholar of cultivated tastes and high attainments, a successful teacher and a lover of Lincoln University. In providing for the necessities of the University the Board of Trustees respectfully nominate to the General Assembly the Rev. Samuel Dickey, A.M., a graduate of Princeton Theological Seminary, as the successor of Prof. McLeod in the Chair of New Testament Literature and Exegesis. He is a young man of an earnest evangelical spirit and of high general scholarship. He has made special attainments in the study of Classical and New Testament Greek. His father was for many years the Treasurer and a Trustee in this University; of which his uncle, the Rev. John Miller Dickey, D.D., was the honored founder. The Rev. Samuel Dickey, our nominee, is in full sympathy with our work and in hearty accord with the system of doctrine and polity embodied in the standards of the Presbyterian Church. It is our earnest hope that the General Assembly will in its wisdom and good-will confirm the election of Mr. Dickey to the vacant Chair.

Lincoln University is the agent of the Church in its work of communicating to our Negro fellow-Christians and fellow-men all the benefits of the Gospel, including that degree of education which we deem necessary for our own ministry. And after an experience of forty-seven years of practical work in his education, we renew our testimony that his capacity fills every offered opportunity, and that his spiritual nature graciously responds to all the benefits of redemption. Our continued and increasing aid is justified by his improvement.

In behalf of the Faculty of Theology,

ISAAC N. RENDALL, *President.*

Biddle University, located in the midst of the people for whose benefit it was founded, and for whose mental and moral uplift it has been fostered, is closing another year of usefulness. The several schools have been quite full and the year a prosperous one in all respects.

The closing exercises of the School of Theology will take place June 5, and the Commencement of the School of Arts and Sciences the afternoon of the same day. The attendance on the School of Theology has been fifteen, with an increased number in the other schools who are candidates for the ministry.

Industrial education for the colored people of the South has its place, and Biddle continues to bear a part of the responsibility in this respect by giving all the students in the Normal and Preparatory School a course of training in the trades. The importance of this is fully appreciated. But the moral and intellectual life of the people must be especially provided for. The demand for Christian leadership in all the walks of life is increasing with the development of the people. God in His providence seems to have given the Presbyterian Church a peculiar mission along this line of educational work.

The crying need of the colored race is for an educated ministry. The educating of such a ministry is in the hands of the Presbyterian Church in a large degree. Through her schools at Biddle, the Church has a great opportunity, located as the school is amid the greatest number. The urgent need of endowments for the University is being more and more keenly felt.

At the dawn of the twentieth century, with the Presbyterian Church reaching out and enlarging her great work, it is desired and hoped that an adequate endowment be provided as a timely and needed expression of the Church's good will, and for the purpose of giving permanency to the institution and glorifying God.

Very respectfully,

D. J. SANDERS, *President.*

Rev. MATTHEW B. LOWRIE, D.D., Professor of New Testament Literature and Exegesis.

Rev. ALEXANDER G. WILSON, D.D., Professor of Apologetics and Missions.

Rev. JOSEPH J. LAMPE, Ph.D., D.D., Professor of Hebrew, Old Testament Literature and Exegesis.

Rev. DANIEL E. JENKINS, Ph.D., Professor-Elect of Didactic and Polemic Theology.

Note.—The subjects of Ecclesiastical History and the English Bible are distributed among the Professors.

The Rev. M. B. Lowrie, D.D., who was elected President of the Seminary one year ago, signified to the Board his acceptance of that office, the duties of which he has performed for two years as President-elect.

The Board reports the election of the Rev. Daniel E. Jenkins, Ph.D., to the Professorship of Didactic and Polemic Theology and asks approval of this action.

The Board has made the following changes in the Constitution, for which it now asks the approval of the General Assembly :

1. Omit from the Constitution Section 7, in Article II because it repeats and is in part inconsistent with Article V of the articles of incorporation.

2. Omit from Section 8, Article II the words beginning "He may convene, etc.," as more properly matter for a by-law.

3. Omit in Article III, Section 3, third part, the paragraph marked (6) which makes it the duty of the Faculty to provide an employment bureau for students.

4. Omit from Section 3, Article IV the words "and shall have conferred upon them the degree of Bachelor of Divinity (B.D.)."

5. Insert in the Constitution the following as paragraph 1, Section 12, Article II :

1. To appoint a President of the Seminary, who shall be a member of the Board of Directors and of the Executive Committee and of the Faculty, and who shall be the special executive officer of the Seminary; in case of his absence or inability to act his duties shall be performed under the direction of the Executive Committee.

6. Omit Article VII and substitute the following : Article VII. (a) The President of the Seminary shall be the representative of the Board of Directors in the custody of the grounds and buildings of the Seminary.

7. Each member of the Faculty is under obligation to care for the property of the Seminary and for order among the students, and should cooperate with the President and the Board in any matter pertaining to the interests of the Seminary.

(c) The Faculty is the representative of the Board in relation to the students and the library, both of which shall be subject to such regulations as the Faculty may prescribe.

8. In Section 5, Article VIII. in place of the words "National Bank," substitute the words "Bank or Trust Company."

3. STUDENTS.

Seventeen students were in attendance during the year. Charles Warren Dade was received to the Senior Class from McCormick Theological Seminary. Harry Stewart from McCormick Seminary and Walter Nelson Halsey, after examination, were received to the Middle Class. The Entering Class numbered five: William James Creswell, Coe College; Cipriano Alexander Frausto, Talpan College; William Brown Patterson, Coe Col-

lege; Howell Smith Vincent, Coe College; Vaclav Hus Cech Ziegler, University of New York, and Albert Venting, William Jewell College, special student.

The past year has been the most prosperous and encouraging in the history of the Seminary. About six acres of valuable ground in a fine residence part of the city has been secured for a permanent site at a cost of \$20,000, and is now the property of the Seminary without any encumbrance whatever. Mrs. William Thaw, of Pittsburgh, has added to former generous gifts by bestowing upon the Seminary the remaining five-ninths interest in the valuable property of which the institution has had the free use since 1895. The increase of property of the Board during the year may be conservatively stated at \$35,000.

The Board at its last meeting decided the erection of a new Seminary building to be an imperative duty, and it is their purpose to erect such a building during the present season, if possible, at a cost of about \$35,000.

The present property of the Seminary is estimated as follows:

Real Estate, ...	\$51,000 00
Vanderburgh Legacy, ...	5,000 00
Wilson-Douglass Scholarships, ...	300 00
Chair of Theology, ...	2,500 00
Other Funds, ...	1,000 00

The library has received valuable additions during the year.

The financial advancement of the past year, and the hearty and valuable support of the friends who have taken hold of its work, puts the Seminary upon a far more encouraging basis than hereto. The great need now is that of funds for the endowment of the chairs of instruction. Generous friends have hitherto supported the work of the institution by their annual gifts. But we ask the help of the Presbyterian Church in making permanent a work which will have so large an influence upon the future of the vast region in the midst of which it is planted. It is now thirty years since the Seminary on the Pacific Coast was founded; it is more than seventy years since McCormick Seminary, located at Chicago forty-two years ago, was founded, and since then until this Seminary was begun in 1891 the Church has not added to her seminaries for training young men for the Gospel ministry for the supply of this great mission field.

Looking back upon the history of ten years, we feel we have great encouragement in the fact that we have been sustained and carried the work successfully through that period.

We have kept out of debt, we have sent out sixty graduates who are now preaching in ten States, and we have accumulated property for the Church which is worth not less than \$60,000.

Signed by order of the Board of Directors,

MATTHEW B. LOWRIE, *President.*

PORTO RICO.

The principal feature of last year was the establishing of the work of our Church in Porto Rico.

At the station first occupied in Mayaguez the Rev. Milton E. Caldwell has had much reason for encouragement. The First Presbyterian Church of Mayaguez was organized by him in April, 1900. The rented room where his services are held is capable of seating about two hundred people and is full and often overcrowded.

At the Playa, the port of entry, he has continued services which are likewise well attended by a people absolutely without other church privileges of any kind. Mr. Caldwell preaches also at San German, Maricao and Las Marias, with an occasional service at still other stations. The mission school at Mayaguez has four competent teachers and about eighty eager and promising pupils. In addition to the day school there are night classes for the study of English. In March, 1901, a second school was opened at the Playa. Help in the teaching force for these schools is urgently demanded. An assistant will soon be sent Mr. Caldwell in the person of Mr. Joseph W. Jarvis, until January 1 a colporteur of the American Bible Society in San Juan. Since then, supported by the Sabbath-school of the First Presbyterian Church of Scranton, Pa., Mr. Jarvis has been aiding the Rev. J. Milton Greene, D.D., of San Juan.

The features of the year in the work of Dr. Greene have been the erection of a substantial and attractive church building at a cost of over \$7000, and the organization in January of the First Presbyterian Church of San Juan, with about fifty members. He has opened a station at La Marina, a shore ward in the city, where regular services are also held. Both of these places of worship are full of people anxious to hear the Gospel. His assistant is the Rev. H. T. Jason, whose salary is furnished by the Presbytery of Chester, Pa.

In January last Dr. Grace Williams Atkins, of Roselle, N. J., a physician of experience in New York City, began dispensary work and general practice among the poor people of Dr. Greene's charge. She was overburdened from the first with applications for her professional and Christian help.

In May, 1900, the Rev. Judson L. Underwood, who had been temporarily aiding Mr. Caldwell in the work at the Playa, opened a mission station in the ancient city of Aguadilla on the western coast of the island. So rapid has been the development there that in February last Mr. Underwood organized the First Presbyterian Church of Aguadilla, with sixty-two members. A school has also been opened at Aguadilla with Miss Annie T. Aitken, of Morrison, Ills., in charge and forty pupils in attendance.

Mr. Underwood is holding regular or occasional services in five stations around Aguadilla—one of them fifteen miles away up the mountain.

Church buildings are urgently needed at Mayaguez and Aguadilla.

Two additional missionaries and three new teachers go to Porto Rico this year.

CUBA.

The most neglected mission ground to be found in this hemisphere is in the islands of the Caribbean Sea. The island nearest to the United States is Cuba with its million and a half population.

At Havana the Rev. Pedro Rioseco, under the direction of the Presbyterian Board of Publication and Sabbath-school Work, has established a Sabbath-school and is holding services. We are expecting to send a missionary at an early date to take up the work in that important city, and as fast as the means are furnished to open mission stations in other parts of that island. In neither Cuba nor Porto Rico can we advance, save as money is especially furnished for this work.

ALASKA.

The first station reached by the steamers going north is

SAXMAN.—The Rev. Edward Marsden, a native Metlakatlan, has been the missionary here since the beginning of his ministry three years ago.

By the kindness of some friends he has a steam launch, so essential to missionary work among those islands. He has preached with more or less regularity not only at Saxman but at Gravina, Ketchikan and other points. At Gravina regular services are held either under the conduct of the missionary or of some native helper. The same is true at Ketchikan, a town of several hundred people. At Boco de Quadra services have been held in a private dwelling. One peculiar feature of the service in that place is the presence of six or more nationalities, such as Thlingits, Tsimsheans, Hydahs, Norwegians, English, Chinamen and occasionally some Italians.

Mr. Marsden, realizing the necessity of industrial education for the natives, has led them to various industries, the principal ones being a saw-mill and a salmon cannery, which it is hoped will become a source of profit before long. Being a musician himself, he has interested the young men of the community in a brass band, has secured the necessary instruments and has taught them, so that their music enlivens the services.

Last summer Mr. Corser, our missionary at Fort Wrangel, and Mr. Marsden successively visited the Indian tribes on the west coast of PRINCE OF WALES ISLAND. There is a tribe of Klamack Indians there numbering about three hundred, who had been somewhat instructed in the rudiments of Christianity by William Benson, at one time a pupil in our Sitka School. He had adopted the methods of the Salvation Army and had won them to at least a formal recognition of Christianity. When our missionaries visited them they found them anxious that some one should be sent to teach the way more perfectly. Mr. David Wagoner, about to graduate from Park College, is commissioned to take up missionary work among them.

JACKSON, the home of the Hydah Indians, is about fifty miles west of Saxman. The Rev. and Mrs. D. R. Montgomery began their work there last year. Soon after reaching their field a Sabbath-school was organized, at which on the first Sabbath forty-one scholars were in attendance. Native teachers meet with the pastor on Saturday evenings and devote an hour or more to the study of the lesson. The next day they communicate in their own language what they have learned to eager classes of the Indian children gathering about them. A Christian Endeavor Society was organized with nineteen active members, which has since been increased to sixty. Already the missionary reports an improvement in the morals of the community. There is more or less development in mining directions along that coast and the missionary will have his hands full, not only with the native work but among the white people as well. Thus he reports Sabbath congregations numbering about one hundred, of whom one-fourth are white people.

At FORT WRANGLE, the Rev. Harry P. Corser continues his work in the two churches, white and native. There, as elsewhere in Alaska, the saloon is the terrible foe of Christian work in the lives and character of the natives. During the winter months the missionary has held eight services a week, five for the Indians and three for the whites. The attendance has been unusually good. There have been quite a number of accessions to the Indian church. The Sabbath-schools, both white and native, have been in a flourishing condition.

Mr. Corser has been anxious to remove his Indians from the contaminations of the white people at Wrangle to some island where, shut in by the sheltering arms of the sea, they might carry on industries which would make them self-supporting. A few thousand dollars could not be more profitably invested than in a loan to these Indians to enable them to build a saw-mill and a salmon cannery, and thus not only train themselves in habits of industry, but also conduct a business which would ultimately be profitable.

The historic JUNEAU is the next station, where for ten years in the native church the Rev. L. F. Jones has been our faithful and successful missionary. His work has grown so rapidly that now they urgently need a much larger building. There is not room in the present building to seat all the communicant members. There is prospect that a new church will soon be built. There has not been a communion season during the year in which there have not been many accessions on profession of faith. The progress

which the natives are making is illustrated by the fact that by their own voluntary efforts they have built and paid for a fine broad board sidewalk the full length of the village, and have put electric lights along the street. They are also putting lights in their houses—quite an advance for them. They still observe some of their native feasts, but not with the frequency with which they once held them nor with their old-time baneful features.

Across the bay on Douglas Island, the branch mission conducted by Mr. Jones, assisted by his interpreter, Mr. Fred L. Moore, is also in a thriving condition. A building was leased and the attendance has been growing, the house being often packed at the service. A building is in process of erection. A number who have joined the church at Juneau are fruits of this out-station on Douglas Island. Mr. Moore, Mr. Jones' native assistant, is an excellent interpreter, and has been doing faithful work in both stations.

Mr. Bannerman continued his faithful service at the white church until the first of January, when he was transferred to the work at Sitka—Mr. McClelland, the pastor at Sitka, having accepted a call to Portland, Ore. The Rev. J. H. Condit, who had given several years of strong service to the Juneau work, entered upon it again in January last and was warmly welcomed by the people who had learned to love him.

The work at SITKA, in all its varied departments, continues strong. The school and hospital work have been continued as usual. An effort is being made to enlarge the industrial part of the course in the school. It is strongly realized that the natives must be taught industries upon which, after leaving school, their living for the most part will depend.

Northward from Sitka is the island of HOONAH, where Mr. and Mrs. Carle have had a year of eventful work. Heathen customs were strong there. The influence of the liquor traffic reached even that lonely station and the missionary has had to stand against great odds. During the summer the village is practically deserted by the natives, who are off on fishing excursions or employed in canneries stationed on the various islands near them. The missionary says if he had a boat he could have large audiences almost all summer by going to these fishing places.

HAINES.—The Indian work here among the Chilkats and Thlingits has been for many years under the care of the Rev. W. W. Warner, who retired from it on the 1st of January. More than fifty new members have been added to the roll. The services are held in the school building, which is not large enough to accommodate the audiences. Frequently many have to go away for lack of room. The station is being supplied at present by Mr. Robert Falconer, a member of the church at Skaguay. Every indication is that in the near future Haines will be quite a mining town.

SKAGUAY is an interesting and important little city about fifteen miles north of Haines, at the head of the Linn Canal. The Rev. and Mrs. Norman B. Harrison have been our missionaries there since June, 1899. Within that time church property has been bought and paid for, including an audience room, lecture room and parsonage. There is much spiritual life in all the departments of the church work. Although subject to the fluctuating influences incident to those mining towns, it will always be an important point. It is the beginning of the railroad to the interior, and will, therefore, always command a large trade. The church expects to be self-supporting—possibly this year.

EAGLE CITY is now in easy communication with Skaguay by railroad to Lake Bennett and thence by steamer down the Yukon. It is one of the most important military posts in the Territory. The Rev. James Wollaston Kirk and his wife report a year of faithful service, though under many difficulties. The stampede of the miners down the river to Cape Nome almost depopulated the town. Perhaps the most notable feature of progress was in the building and equipment of a reading room, the privileges of which are enjoyed by the soldiers, miners and others. Mr. Kirk's home continues to be the centre, religious and social, of that community.

RAMPART.—The Rev. M. Egbert Koonce, Ph.D., remained at this station until last summer, when it was deemed advisable by him to follow the people down the river. He found himself in the autumn the only minister at

St. Michael's, the seaport town and military garrison at the mouth of the Yukon. To the people shut in there during the winter he has been preaching the Gospel and doing missionary work as he has been able, anticipating going with the miners when the breaking up of the spring should set the tide toward the interior. This itinerating work admits of few localizing results, but is absolutely essential if in the feverish and godless camps there is to be any voice of cheer and of hope for the tempted, sick and often discouraged dying miners.

CAPE NOME.—A self-supporting Presbyterian church was organized last winter under the labors of the Rev. S. Hall Young, D.D. Worn out with a long sickness he came back to the States for rest in October, and has since been addressing churches in the East in the interests of that land to which he has given so many years of faithful and heroic service. Before leaving Nome he sent an elder of the Nome church to Teller, a point seventy-five miles northwest on the coast. This elder has been holding meetings during a long and lonely winter in that station, which it is believed will have a considerable population during the coming summer.

Still farther north is ST. LAWRENCE ISLAND, where a company of Indians, many of them Christians, are anxiously waiting for a missionary to be their helper and guide.

POINT BARROW is the northernmost point of Alaska. The Rev. and Mrs. H. R. Marsh, M.D., have held this station for three years. The fruit of the few years of service on that stormy coast is well expressed by the fact that the lay representative to this General Assembly from the Presbytery of the Yukon is an Eskimo elder in our Point Barrow Church. The school work continues under the care of the Rev. and Mrs. Samuel R. Spriggs, who, during the absence of Dr. Marsh on a brief vacation, have conducted the religious services.

INDIANS.

It is estimated that there are in the United States (not including Alaska) not less than 267,000 Indians. Of these not more than 53,000 can understand English enough for ordinary use. Our work among them reaches from western New York to the Pacific Ocean.

The conditions in the Indian Territory are gradually improving. The passage of the Creek and Cherokee treaties is an event of much importance. Meantime, our churches and schools are going on encouragingly with their work. Henry Kendall College stands as a lighthouse on a stormy coast. In many of the little Indian churches in Oklahoma and the Indian Territory there have not been wanting tokens of divine favor.

There has been special interest in our work in New Mexico and Arizona among the Lagunas, Pimas and Papagos. We have among these tribes over one thousand church members. The training school at Tucson, Ariz., has about two hundred students. During this year the Pimas, impressed by the needs of their less favored neighbors, the Papagos, have organized a mission for them and have raised about \$100 toward paying the salary of an Indian missionary.

Recently the Rev. W. H. Gill made an exploring expedition among the villages of the Papagos. He and his wife with a native helper took the journey to the southward to the very borders of Mexico, and in many of the villages preached Christ to people who were eager to hear.

Our last report spoke of the mission of the Nez Perces Indians of Idaho to the Shoshone and Bannock Indians three hundred miles south, resulting in the organization of a Presbyterian church of eighteen members. They have recently built a house of worship. Miss Frost, of the Woman's Board, is our only missionary among these Indians.

Recently there came to her from the Shebitt Indians and other tribes scattered in southern Utah and across the Nevada border a call for some missionary from the new-born Bannocks and Shoshones to carry the light to their tribes, even as the Gospel message had come from the Nez Perces to them. The Rev. James Hayes, Miss Frost and one of the elders of the Shoshone church answered this call.

The success of our work among the Umatillas may be illustrated by the fact that at the last General Assembly a stalwart Indian elder was upon the floor as a commissioner from the church of the Umatillas.

On the Pacific coast our work among the Puyallup, Nesqually and Chehalis Indians with their three churches is moving steadily forward, while far up on Puget Sound a tribe of seven hundred Indians, who have been without the Gospel from any source, have been made glad and hopeful by the presence of Miss Helen W. Clark, a heroic woman who has taken up her abode among those friendless Indians.

Thus our work among the Indians is advancing strongly; but it is estimated that there are not less than 75,000 Indians still in our country who have never heard the story of the Gospel. One of our missionaries says: "I have witnessed many of their fiestas, dances and ceremonial customs dedicated to their tribal gods, and nothing I have ever read in foreign mission literature tells of a degree of darkness more terrible than the satanic rites practiced among the Indians of our own country."

Recently there has come to us a special plea for the Navajo Indians in Arizona. There is a population of over 20,000, fully three-fourths of whom have never heard of the Christian's God.

THE SYNODS.

The work of the self-supporting Synods, as summarized in their statistics, is presented in the table on page 270, and shows encouraging conditions.

PRESBYTERY OF BOSTON.—Our home mission work in New England is under the direction of the Presbytery of Boston. The Rev. Charles S. Dewing, D.D., for fourteen years their Presbyterial missionary, resigned from that office the 1st of last October, as the churches seemed to be progressing so hopefully as to no longer need such special oversight. The results of the past year show encouraging additions to church membership, payment of floating debts, diminishing applications to the Board of Church Erection, and raising of funds toward the erection of buildings and repairs of property.

ATLANTIC.—The Presbyteries of East Florida and South Florida feel greatly encouraged because of the recent mild winter promising abundant fruit harvests.

Another hopeful token is the increase of population, the recent census showing a gain of thirty-five per cent. in the last ten years. Our helpers in the Florida field have not for ten years had so bright an outlook as at present. During the past year our missionaries have been holding their own, struggling with poverty and churches depleted by removals. There is now a general expectation that the Florida interests will revive and population—and consequently congregations—increase in numbers and in financial ability.

TEXAS.—In Texas, as in our other Southern States, there has been a decided increase of population, the census of 1900 showing an advance of thirty-two per cent. Our three Presbyteries in that Synod are Austin, North Texas and Trinity. Most important in the history of the work of Austin Presbytery during the past year was the disaster of September 8, in which all of our churches in that coast region suffered heavily. Up to that time there had been a good prospect of those churches taking a step toward self-support. Since then, of course, financial advance has been impossible. They have bravely put forth every effort toward self-help, and with the aid specially contributed through our treasury and other sources most of our congregations have been able to restore their church properties, and are now continuing the work as before. There has been about the usual increase of membership and a most generous spirit shown in benevolent offerings.

KENTUCKY.—Kentucky, as reported in the last census, has a population of more than two millions, an increase of fifteen per cent. over that of 1890. The Synod is one which is partly self-supporting, but it still leans heavily upon the treasury of the Board. The importance of the work of

our missionaries is attested by all who live near our churches or who travel through our home mission fields. Especially in the mountains are conditions increasingly favorable, both schools and churches being largely attended by those hungry for such opportunities. The entire number of pupils in the mission schools in the Synod of Kentucky is about thirteen hundred, nearly double the number of four years ago.

TENNESSEE.—Three years ago the report of the Board to the General Assembly foreshadowed the forming of a fourth Presbytery, that of French Broad, including the churches in North Carolina which belonged to the Synod of Tennessee. The past year has witnessed the reviving of another Presbytery, that of Birmingham. The other Tennessee Presbyteries are Kingston, Union and Holston.

One of the churches in Kingston Presbytery, situated in Alabama, has gone into the Southern Church—a wise adjustment for all interests concerned.

Our Synodical Missionary writes regarding the whole work under his care as follows: "Ten churches will ask less than last year. Some other churches for various reasons will ask more, and a considerable amount will be required for new work, so that the aggregate for the Synod should be, if possible, something more than was proposed for last year. Our churches in the more thrifty communities are steadily advancing to self-support."

MICHIGAN.—This Synod, which has nine Presbyteries, was foremost a year ago in reducing the amount asked from the Board. Evident progress had been made in lessening the sums needed by individual fields. This year the same conditions reappear. The Minutes of the Synod last fall show that the brethren were admonished to use "the utmost care in the selection of their home mission committees, that the administration of these interests be committed to men who realize their full responsibility to the great Head of the Church in the extension of His kingdom, and who will freely give of their time and energy in careful, conscientious and business-like direction of the work."

The day seems not far distant when this Synod, whose first church was aided in 1816, shall contribute to the Board of Home Missions as much as it draws from the home mission treasury.

WISCONSIN.—As a whole this Synod is confronted with problems arising from its large foreign population. German indifferentism and customs foreign to American institutions are in the ascendancy. The northern part of Wisconsin is being rapidly cleared of its timber. The men in the temporary camp or town need such help as home missions can give them. As the land is cleared a farming and permanent population takes the place of the lumberman. Our Church ought to be on the ground with a nucleus from which we may minister to the spiritual and temporal wants of these settlers and gather them into a church home.

MINNESOTA.—Minnesota is one of our large home mission Synods. Its seven Presbyteries include all kinds of home missionary service, from that of the cities to the remote and thinly settled forest regions. The three great home mission Presbyteries are St. Cloud, Red River and Duluth, comprising more than three-fourths of the territory of this State. Ninety-two Presbyterian churches are on their rolls, of which only ten were self-supporting a year ago. There are many new points along four recently constructed railroads in the older portion of the State which should be occupied and are yet practically uncared for. Opportunities were never so many nor so great.

IOWA.—Iowa Synod receives large aid from our Board and at the same time gives generously, having claimed the Rev. J. Milton Greene, D.D., in Porto Rico, as its own missionary. In some communities the Roman Catholics have already attained such notice that a few of our churches are becoming weaker, but a hopeful feeling is in the hearts of our brethren notwithstanding this feature. In the hill country near the Mississippi river localities which have been woody, but now are cleared, are undergoing a transition, it is hoped for the better. The problem of foreigners bringing the Continental Sunday and atheistic tendencies is keenly felt in

the Presbyteries which include the large Iowa cities. On the whole, there is a fine outlook for new work.

MISSOURI.—Missouri has advanced largely in population during the last ten years, the gain as shown by the last census being fifteen per cent. Many of those who have come into the State have been foreigners, and the problem of our foreign peoples in Missouri is one requiring deep study for the future good of our country. Plans are under way which, if successfully carried out, will bring a better condition of affairs next year. Advances are expected in the churches which have been aided; new work could not be undertaken until the old showed signs of some decided progress. Although there has been evidence of weakness and indifference, yet as was said at the meeting of the Synod last fall, "There are wealth, intelligence and numbers which justify large expectations in connection with the service of Christ, and we must see that our churches are brought to a larger measure of self-support, and that we expand our borders by entering new fields."

NORTH DAKOTA.—Few of our States have made a larger advance in population than is shown by North Dakota, seventy-four per cent. since 1890. One of the interesting movements in this Synod during the past year was the suggestion at their annual meeting that the Congregationalists and Presbyterians make some exchanges of churches by which we should be entirely in charge of certain fields and they entirely in charge of others. Such negotiations are in progress and look toward the advancement of the kingdom. Another fact of importance was the election to the office of Synodical Missionary of the Rev. Andrew Christy Brown, D.D. It is expected that with this added help rapid progress will be made in church matters.

The new Synodical Missionary writes: "The prospects for advance movement the coming year are very fine." He sums up the needs thus: "More money, more consecration, and both a fuller baptism of the Holy Ghost and a longing to receive it."

SOUTH DAKOTA.—South Dakota Synod reports a gain in the last census of twenty-two per cent. Our Church should keep pace with this advance. Although many foreigners are coming and the spirit of Mammon has large control, yet the outlook is good. Many people are attracted by the fertile soil, but it will take time and patience to assimilate the foreign element among them and make good Americans and Presbyterians. With the productive soil and the large-hearted people and God's blessing, the future cannot fail to be bright.

In this Synod is found the Indian Presbytery of Dakota, and the only Presbytery in our Church without a geographical boundary. It is composed of twenty-six Indian churches, supplied by fourteen native pastors and three white missionaries. A new Indian church was organized during the past year. The Rev. John P. Williamson, D.D., the beloved "Apostle John" of the Dakotas, has given many long years to the service. Of the past year he writes: "The devil is fighting us hard—heathen dances, sacrifices to evil spirits, polygamy, drunkenness and other such missiles showered upon our people, laying many of them in the dust, but we have surrendered no point; rather have we gained ground. The Indians cannot have self-supporting churches till they are a self-supporting people, which they are not. Proportionally to the amount of their income our members give more to the Church than do the white people of South Dakota. We need therefore, along with growth in membership and growth in grace, growth in civilized life. Pray that the Government may be guided of God in its care of the Indians."

NEBRASKA.—Nebraska is one of the States which the last census shows to have just about held its own in point of population. There was no decrease, but a gain of 10,000 in ten years is all that the State could boast. Conditions on some of the Nebraska fields are hopeful, but on others discouraging. The great drawback on a number of fields is the crop failures, yet in spite of agricultural disappointments the people are looking with courage to the future. There have been several revivals with good results. In the way of church work there is every sign of growth notwithstanding

the financial disappointment and hardship of the past year. Quoting from the report presented by the home mission committee to the Synod last fall we say again, "There is yet much land to be possessed; thousands in the State of Nebraska have no Gospel privileges." Men and money are sadly needed that a forward movement may be inaugurated.

KANSAS.—Considered as a Synod, the work in Kansas cannot be said to have made much progress. The Board has been able to give no means with which to push new work, and no new churches have been organized. Yet there has been progress, as is evidenced by the fact that at least six have entered the list of those supporting themselves. Others will soon join the roll.

The temperance sentiment which was specially awakened during the winter, under the leadership of our ministers and others, has gone forward and become a great movement in behalf of the enforcement of law on the part of the temperance people of the State.

INDIAN TERRITORY.—The Synod of Indian Territory embraces Indian and Oklahoma Territories.

Population has made rapid strides in this region in the last ten years, Oklahoma having increased six times, and Indian Territory more than twice in point of population. The large number of white people who have settled within the limits of this Synod render the work of our Church of increasing importance. There have been frequent changes among our ministers, discouraging to the congregations and making work more unsettled. Smallpox has been so prevalent as in many cases to almost break up the congregations. All the Presbyteries within the bounds of this Synod send an almost Macedonian cry for help in these newly settled fields.

NEW MEXICO.—The Synod of New Mexico includes the Territories of New Mexico and Arizona. During the last decade the population of New Mexico has increased but little, while that of Arizona has more than doubled.

Santa Fé Presbytery occupies about the northern third of the Territory of New Mexico. It contains twenty-three churches—six American and seventeen Mexican. The Mexican work is always picturesque. In many places in this Presbytery it is largely assisted by native Mexican workers. One Mexican licentiate was ordained to the full ministry. The general condition is excellent and in advance of any previous year, with work well in hand, and with promise of steady though not rapid growth. The work among the native Mexicans for the present can hold out little financial encouragement, and the ancient immoral customs will need years of missionary work to efface.

The large Presbytery of Arizona contains work full of deepest interest and importance. Besides the work among the Mexicans and Americans there are missions to the Pima and Papago Indians.

The largest tribe of Indians are the Navajos, who number 23,000. Among these we have never had any mission. They are calling for help; already the salary of one missionary has been nearly raised, and it is hoped he will soon be on the field.

Throughout all the southern portion of this Territory the irrigation question is one of vital importance. The uncertain disposition of the matter by Congress last winter was a sore disappointment and severe blow to the lives of many from whom the means of support has been taken away on account of the Mormon monopoly of water in the northern part of Arizona. People are living without Gospel privileges, yet some of them are members of Eastern churches and others are members of our best families. We have a goodly number of Presbyterians asking help. We long for help. We trust the Board and commit the work and all decisions to the Master.

MONTANA.—Montana, whose vast area and increasing population is covered by three Presbyteries, shows one of the largest percentages of gain in our States the last ten years—eighty-four per cent. The entire northern part of the State, with an irregular southern boundary, is the Presbytery of Great Falls.

In a territory 300 miles long and 150 wide there are but thirteen churches. Eight of these are aided by our Board.

Butte Presbytery is about equal in area to the Presbytery of Great Falls and has fourteen churches, eleven of which were aided by our Board. Definite results here will exceed those of any preceding year.

West of the mountains lies Helena Presbytery, comparatively small in area, yet as large as the whole State of New York. Throughout this region there is opportunity for progress. The work in this Presbytery, as in the other two, has suffered much in the absence of any Synodical Missionary, Dr. Baird's ill health having compelled his resignation a year ago. He has again accepted reappointment, however, with renewed health and is bringing fresh courage into these distant stations by his wise and helpful oversight.

A quotation from the Minutes of the Synod represents the present conditions: "As a matter of fact all three Presbyteries are at this hour held out of fields that should be occupied. It is not a simple theory that confronts us here in Montana, but a condition, and that condition is an argument for liberality and greater self-consecration."

COLORADO.—The Synod of Colorado includes the State of Colorado, which has made a distinct gain in population during the past ten years, and all but the western part of Wyoming.

Wyoming is included in the Presbytery of Boulder, which occupies also the northeastern part of the State of Colorado. Out of the twenty-eight churches three-fourths receive aid, and send encouraging news of progress. We are assured that there is likely to be steady growth.

Denver Presbytery occupies a long, irregular area from the eastern boundary of Colorado to the northwestern corner. Its twenty-six churches, fifteen of which receive aid, are mainly located near the central part of the State.

Pueblo Presbytery in physical dimensions calls itself an empire. It is located in the southeastern part of Colorado and includes about one-third of that large State. In it are missions to Indians, Mexicans, ranchers, coal miners and gold miners. Our churches are holding strongly forty-five strategic points, and have never been served by a more able or consecrated body of men.

Gunnison Presbytery occupies the central part of western Colorado, and were the other Presbyteries less large, it would impress us more by its own size. In such a field results can never be what are fully desired until people begin making homes instead of temporary abiding places. When this change shall have become general there will be better prospects for church life and growth.

UTAH.—The population of Utah has increased one-third in the last ten years, but this by no means indicates the far more greatly increased number of our people who have come under the influence of the terrible curse of Mormonism. The Synod includes within its bounds southern Idaho.

Political parties are a source of strength to the Mormons, as through political trickery they can shut out all opposition and close all mouths opened against them. It is generally understood that they are responsible for the defeat of the anti-polygamy amendment. The recent Evans bill in the Utah Legislature, though vetoed by the Governor, is but one token of the assurance with which they are urging their own unrighteous methods. Our Synodical Missionary, eleven years in the service, emphasizes his oft-repeated statement that "Utah is the very vortex of the Home Mission battle ground." In his opinion our ministry and Home Mission force ought to be doubled, and in view of all conditions he pleads for larger appropriations for this work.

WASHINGTON.—The Synod of Washington is one of the parts of our country which has been brought into peculiar importance by the development of our recent history. Few States in the Union made so rapid an increase in population during the last decade as did Washington, where the gain was forty-seven per cent. The Presbyteries of Alaska and of the Yukon are included within the Synod of Washington, but mention has already been made of them in the earlier pages of this report. The swift development of Alaska and its increased need for communication, both by cable and by steamer, and new connections across the Pacific concentrate a large

amount of activity in the coast cities of Tacoma and Seattle. These are in the Presbyteries of Puget Sound, a large, irregularly shaped territory including thirty-four churches, of which twenty-nine last year received aid from our Board.

Spokane Presbytery, occupying the northeastern part of the State and northern Idaho, has thirty-one churches, of which twenty-seven are depending to a greater or less extent on the Board. Not less than twelve of their fields are asking less aid for the new year.

Southwestern Washington is covered by Olympia Presbytery, where our churches have been more fully supplied with preaching than for a number of previous years.

The southeastern portion of Washington, together with central Idaho, forms the Walla Walla Presbytery. Here nineteen churches out of twenty are included in the aid-receiving list. In the face of discouragements this Synod is for the most part doing good work, and there is a call for renewed and increased activity in its behalf. If we would occupy this great and growing country for Christ, here are splendid opportunities and great responsibilities.

OREGON.—Oregon's percentage of increase in population is scarcely less than that of Washington. The map of the Synod, with its Presbyteries outlined upon it, is in itself a forceful presentation of Home Mission work in the Northwest. Along the Pacific coast, beginning at the north, are the more settled Presbyteries of Portland, Willamette and South Oregon. All the rest of the State, fully two-thirds, is included in the large Presbytery of East Oregon. It has been a year of general progress, although there is lament that the spiritual interest has not been deeper.

Southern Oregon Presbytery covers one-half of the part of the State not occupied by East Oregon. Within the limits of Southern Oregon are seven large counties. In one we have neither church nor minister. In three others are one minister and one church each. So the work is still new. There are but three self-supporting churches in the Presbytery.

Willamette Presbytery is about one-half the size of Southern Oregon. Their Home Missionary Committee writes: "While the outlook is not so encouraging as we would wish, yet it is not all discouraging, but rather bright and promising, and the people are taking on courage and going forward, notwithstanding the fact that the Willamette Valley suffered great loss of crops and fruit last summer."

Portland, the smallest in territory of our Oregon Presbyteries, is by no means less important than the others. Peculiar problems centre here. The large city of Portland has to face the discouragements of our American cities with their cosmopolitan population. The mountain people are fast drifting into the condition of the mountaineers of the South, while the farming regions have the same problems as faced rural districts.

On the whole, Oregon has great needs and great possibilities. The Church must be awakened and redeem the time here if Eastern ideals are to be the ideals of our whole land.

CALIFORNIA.—The Synod of California includes the States of Nevada and California. With all this Western coast coming into increasing importance as the result of the history our nation has been making within the last three years, too much emphasis cannot be placed upon our work in this Synod. The chief centres of importance in California are, of course, San Francisco, the chief gateway to the Orient, and Los Angeles, the metropolis of southern California. This one Synod, with its eight Presbyteries, is nearly one-half as large as the original thirteen colonies. It is facing the present needs of the increasing population, and ministering as best it can to a people who care comparatively little for the Church and her ways.

With our Home Mission Committees in California carefully guarding the vacant churches, each minister urged to carry on mission work in neighborhoods adjacent to his own field, and with each dependent church working toward self-support, the prospects in this Western State are bright. The conditions that surround all religious work in California are peculiar and their gravity needs to be experienced in order to be appreciated. Religion seems to find it hard to cross the Rockies; at least many professing Christians seem to leave it on the eastern side of the mountains.

THE WOMAN'S BOARD.

Taken as a whole last year's work was good. Communities where mission schools were maintained are urging enlargement. Every new school planted or mission opened has given great encouragement to the people, and from one to ten petitions have come to the Board pleading for as many schools in contiguous neighborhoods. The work could be enlarged almost without limit were the means at hand to support it.

The truth is forced home upon the Board that this is the Church's great opportunity and therefore her great duty. That practically the only way to reach our exceptional populations is by the missionary teacher and mission school, is the unanimous decision of those who are on the field, as well as those who have had the privilege of visiting and becoming acquainted with the needs, with the work and its results.

In Alaska heathenism with its horrible customs and evil spirit still opposes the Gospel. The worse than heathenish practices of white men who are among these people, for gain only, aggravates the situation. Nevertheless, the churches have increased in membership rapidly, and the church members have grown steadily stronger in Christian character, under the instruction of their faithful pastors.

Our eleven missions with one training school and hospital are far from being all that we should do for Alaska.

Indians.—One new field has been added to the list of missions during the year, that of the Hoopas in Humboldt county, California. A noteworthy department of the Indian work is that of the self-supporting boarding and industrial schools. The success at Elm Spring, Indian Territory, among the full blood Cherokees, has led to the reopening of the old Dwight Mission for Boys and the enlargement of the work among the Sioux at Wolf Point, Montana. In these three schools the Indian parents provide the food, clothing—or material for the same—and the fuel, and the boys and girls are taught the useful lessons of making and caring for their wearing apparel, the care of their rooms, and the proper preparation of their food.

Mexicans.—How to reach the Mexican population, steeped in superstition, degradation and sin, with the Gospel of intelligence, purity and salvation is still a vital question. The little day schools, with the evangelistic work of the teachers, are solving the question for the communities in which these exist. In response to the urgent demand for enlargement the Board was able to send two American teachers to a field where previously there had been a native, and to open two new stations.

Throughout the entire field much interest in spiritual things is being manifested by the people, and in several plazas a number of hopeful conversions have occurred. The work of the home missionary teacher is breaking down prejudices and winning the confidence of the people. Practically the whole Mexican people are ready to hear the Gospel.

Mormons.—The excitement occasioned by the expulsion of B. H. Roberts from Congress greatly interfered with the work in Utah and Idaho. Yet many Mormon parents, in spite of the prohibition of the church authorities and threats of excommunication should they disobey, still send their children to our schools. Thus there have been added to the twenty thousand or more young men and young women who have gone out during previous years from these schools a goodly number who have learned the better way, and who, let us hope and pray, will in due time be brought to Christ, and help in the great work of redeeming Utah from the curse of Mormonism. The hope is in the children.

Mountaineers.—The work of both the mission school and of the missionaries or Bible readers has been unusually interesting and successful during the year. The fame of these missionary teachers has penetrated the fastnesses of the mountains. One mountaineer said to one of our teachers: "You have given us a little, we want more; you have encouraged us to hope for better things, you must not disappoint us." These appeals are pathetic and all but irresistible. Our impulse is to "go up and possess the land." But we are not able. It is impossible to keep up with the demands. Much interest has been shown in the matter of church building during the year, the people in each case contributing liberally.

Foreign Populations.—There has been no new work undertaken during the year, though the demand has been great. However, much has been done to strengthen and make permanent the schools and missions already opened. In Chicago the kindergarten and industrial schools have been well attended and the work done very satisfactory. At New Prague, Minnesota, there has been no lack of interest upon the part of the people, and the missionary is rejoicing in the completion of the new chapel, which greatly facilitates the work.

Porto Ricans.—The school for girls and small boys at Mayaguez is in a flourishing condition. The work of the teachers, both in the classroom and the church and Sabbath-school, is highly appreciated by the people and commended by the minister in charge of the field. The new school at the Playa, near the coast, is in good running order and is much appreciated by the poor of that part of the city. At Aguadilla a new work has been inaugurated and connected with it is a day school, which since the day of its opening has been crowded, giving the one teacher more than she could do and making it necessary to turn away many applicants. Two teachers have gone to La Marina, a ward of San Juan. Miss Grace Williams Atkins, M.D., has established herself in the affections of the people and is spoken of in the highest terms, as both physician and missionary.

YOUNG PEOPLE'S DEPARTMENT.

The aim of this department is to insure the intelligent understanding of Presbyterian young people in the evangelistic and mission school work of this Board. To this end two special objects are usually assigned in each Synod, one a missionary and the other a missionary teacher. In addition to the twenty-four salaries thus raised (fourteen of which are for ministers) a larger number of special workers have been assigned—upon request—to societies, Sunday-schools or groups of either. Three salaries in Porto Rico are paid by the young people, and the Training School at Sitka, Alaska, has been the special object for Junior Christian Endeavor Societies.

Requests for special objects are growing in number each year. In order to keep the young people in touch with the work, missionary letters and leaflets descriptive of the work are furnished. The value of these printed letters is shown in the fact that three times the supply of three years ago is necessary to fill the demand—the last order being for 7400. In addition to these letters over 9000 pages of cyclostyled matter—personal letters from the field—have been sent out from headquarters.

*Of these, thirty are missionaries of the Board and eleven are native evangelists and interpreters whose salaries are paid either in whole or in part by the Woman's Board.

This department presents the work and its needs to all organizations of young people, and the system of transmission of the funds is so elastic—contributions being sent direct to the Treasurer of the Assembly Board if desired—as to fit any case. The sum total of contributions from Christian Endeavor Societies is divided equally between the Board and the Woman's Board, according to the initial plan of the department, and special objects and salaries are equitably apportioned from both Boards.

The work is presented through synodical and presbyterial young people's secretaries to the local missionary committee, but correspondence with individuals is unlimited.

Sunday-schools have come to the front more prominently this year, and a more systematic, regular sending of funds is noticed. In short, the one word "advance" covers the work of this department, where Sunday-schools and all young people's organizations have made a gain over last year.

LITERATURE DEPARTMENT.

Orders from churches for leaflets and envelopes:

Through Assembly's Committee on Distribution of Literature, ...	2,362
Orders by direct request, etc., ...	690
Approximate number of churches supplied with literature, ...	3,052

Number of copies of literature printed (exclusive of Report), ...	522,500
Number of pages of literature printed (exclusive of Report), ...	3,862,000
Number of collection envelopes printed, ...	313,000

The approximate number of churches supplied with printed information regarding the work of the Board is 3052, an increase of 911 over the number reported last year. Leaflets printed in German have been distributed and much appreciated in our German churches.

The supply of 95,000 copies of the Board's programme prepared especially for use in Sabbath-schools on the Sunday preceding Washington's Birthday was insufficient to meet the demand.

The review of our work thus presented suggests the following reflections:

1. The work of our missionaries and teachers has to an unusual extent been hindered by sickness in the various communities. Smallpox and other epidemics have been widespread. In some cases schools have been closed and in many cases church services interfered with.

2. Special efforts have been made in many Presbyteries in the interest of the Twentieth Century Movement—both for contributions and for a deeper spiritual life in the churches.

At the same time it is to be noted with pain that many missionaries have written of disappointed hopes. Though careful plans had been made and blessings sought in earnest prayer and meetings held with a single purpose, the special efforts have closed with few visible results. How severely God is thus trying the faith of his people!

3. The Board and the Presbyteries have been giving themselves with earnestness and with such insistence as seemed wise to secure, from churches long dependent, either absolute independence or at least a larger measure of self-support, and a much larger number of churches than usual have during the year celebrated their independence.

4. It has been our policy to encourage special gifts for new work, particularly in our new Territories. As a result we have been enabled to do much advance work which could not have been covered by our regular appropriations.

5. A careful examination of the sources of our income, going back over several years, deepens the conviction that churches do not advance in gifts to home missions as they should because of lack of system in stimulating interest and gathering contributions. We beg pastors to consider how small per capita is the average gift of the Church through her regular offerings—how few churches reach the insignificant sum of one cent a week for the salvation of the country—and to devise some way to bring these offerings near some just proportion to the ability of givers and the claims of our country.

The term of service of the following members expires with this General Assembly, namely:

All of which is respectfully submitted by order of the Board.

CHARLES L. THOMPSON, *Secretary.*

ABSTRACT OF THE SIXTY-FOURTH ANNUAL REPORT.

The term of service of the following members of the Board expires with the presentation of this Report:

Rev. John D. Wells, D.D.,	Rev. William Paxton, D.D.,
Rev. John Balcom Shaw, D.D.,	LL.D.,
Mr. Alexander Maitland,	Rev. David Gregg, D.D.,
William E. Stiger, Esq.	Mr. John Stewart.

It is respectfully requested that they be reappointed.

The Board closes its books at the end of the fiscal year, as for the three years previous, without debt. Financially the year has been one of great progress. The total receipts from all sources, including special gifts for India Famine, India Orphans, China Relief, China Establishment, Extension in Africa, etc., amounts to \$1,064,881.85. Contributions from the churches for the regular work were \$357,710.33, an increase of \$30,762.76 over last year. This is the largest amount ever given by the churches in the history of the Board.

In coöperation with the Board of Home Missions a movement was inaugurated at a joint meeting of the Boards held October 29, 1900, to raise special personal contributions for the liquidation of the mortgage on the Presbyterian Building. Through the generous contributions of Mr. H. B. Silliman and many others some \$450,000 have been contributed. The sale of the old mission property, Nos. 53 and 55 Fifth Avenue, released about \$150,000 additional to be applied to the mortgage. It is hoped that by the end of the next fiscal year the entire mortgage will be wiped out.

The Presbyterian Building is in a flourishing condition, the income more than paying the interest on the mortgage and covering all expenses of maintenance, while both the Home and Foreign Boards have their offices free of charge.

The year closes with a missionary force of 715, of whom 299 are men and 416 women. The native force numbers 583 ordained preachers and licentiates and 1258 other helpers, a total of 1841. Under the care of the Board are now 636 native churches with 41,559 communicants; 4481 were added during the year. We have 718 schools with 25,910 pupils and 38,137 pupils in the Sabbath-schools. Eighty-four students are preparing for the ministry. The Board has 117 mission stations, 1182 outstations distributed through thirteen different countries. Thirty-one new missionaries were sent out during the year.

The Annual Conference of the Secretaries of the Board and returned missionaries with the Chairmen of Synodical and Presbyterian Committees was held a day before the opening of the General Assembly at St. Louis.

A conference with officers and members of the Board with newly appointed missionaries and those on furlough was held in June, 1900, with valuable results.

The Annual Conference of the officers and members of missionary boards and societies in the United States and Canada was held in the rooms of the Board of the Reformed Church of America, thirty-three boards and societies being represented.

In most of the great mission fields the work has been prosperous, and in some cases the results have been larger than those in previous years. The Korea mission still leads in the rapid development of a self-supporting, self-propagating and self-governing church. The large accessions, the spirit of self-support, the formation of church schools, the interest shown in Bible conference study and the aggressive work of the rank and file of the church membership stamps the Korean church as apostolic.

In Japan the most notable event of the year was the holding of a great missionary conference, at which the representatives of all the Protestant missions in Japan assembled for some days in a large and harmonious body. The strength of mission work in Japan was never so clearly revealed as by the numbers and spirit and enthusiasm manifested by this great conference. It was a true echo of the Ecumenical Conference in New York.

In India the famine has overshadowed all other considerations. The large amount of money contributed by the churches during the year, nearly \$67,000, evinces the interest which the Church at home took in the famine-stricken Church in India. The Western India Mission, partly as a result of the work done by the missionaries during the famine and partly as a fruitage of long years of sowing, saw a large ingathering of souls. The indications are that India is ripe for the Gospel.

In Siam there has been an open door for the preaching of the Word. Through the efforts of Dr. Eugene P. Dunlap, the King and many of the nobility contributed over \$10,000 Mexican for the purchase of new property for the Bangkok High School. Dr. Dunlap has been in this country on furlough during the year and has raised a large amount of money for the erection of the new buildings on this property.

Among the Laos there has been a gratifying increase in conversions and a remarkable development of foreign mission spirit in the native Church. The work of the mission press in the Chiang-Mai Station is so great that Mr. Collins, the Press Manager, says: "We have never been able to catch up with our orders." All of our great mission presses have been taxed to their utmost during the year, the output being over a hundred million pages of religious literature.

The West African work has suffered as in years past through the illness of missionaries and more or less difficulties with the Government. The valuable property at Elat has been taken by the German Government, although a suitable money compensation has been made to the mission. The Board still continues to receive generous contributions from Miss McLean, through whose gifts the station at Lolodorf is largely maintained.

In Persia there has been a gratifying increase in opportunities opened for the preaching of the Gospel to the Mohammedans. The account of Dr. Labaree's visit to the Sheikh Baba indicates the condition of many in that oppressed land who are longing for the truth, but are as yet only secret disciples.

The work in Syria has moved on in spite of great opposition. The new station, Mount Lebanon, formerly Abeih and Zahleh, bids fair to reach a large number of people. The work of the press continues to be a power, not only in Syria, but throughout the Arabic-speaking world. The total number of pages printed since the beginning is 667,974,597.

The work of the Board in the Western Hemisphere has shown gratifying progress during the year. The spirit of coöperation in educational work and the extension of evangelistic effort has received a new impulse. It is estimated that in the Synod of Brazil alone there are now not less than 7000 communicants.

The work in Chili, while not large, indicates progress, and the long years of seed sowing are beginning to show some fruitage.

The continued revolutions in the United States of Colombia seriously interfered with mission work during the year.

In Guatemala the missionaries are looking out toward the native Indian population, and the day is not far distant when some aggressive work will be accomplished for this most neglected class.

The work at Caracas, the capital of Venezuela, has been carried on without serious interruption during the year.

In Mexico the missions of the Southern Presbyterian Church and of our own Board are looking toward a union Synod, and a proposition will be submitted to this Assembly with a view to this end.

The new mission opened in 1899 in the Philippines has shown most gratifying increase. Great progress has been made at Manila and in the whole province of Luzon. The station of Iloilo has shown gratifying advance, and the new station at Dumaguete bids fair to be a centre of wide influence for these much-neglected islanders.

The most serious loss suffered by the Board during the year was due to the outbreak in China. The reactionary movement of the Empress Dowager, reported a year ago as having swept away almost all the hopeful reforms of the previous year, was followed by the development of the Boxer movement. Ere the Ecumenical Conference had closed its sessions

mutterings of the coming storm were heard. It broke with great violence over China, affecting all of our mission work, but coming with particular force upon the Shantung and Peking Missions. For a second time in its history missions of the Presbyterian Church were called to share in the sad outpouring of martyrs' blood. A similar fate to that which befell eight missionaries of the Board in India in 1857 was visited upon five of its faithful workers in China on June 30, 1900. In the former case two and in the latter three small children were sacrificed with their parents. The roll of martyrs at Paotingfu is as follows: Rev. and Mrs. Frank E. Simcox and their three children, Dr. and Mrs. Cortlandt Van Rensselaer Hodge and Dr. George Yardley Taylor. There are now indications of the resumption of the work in all parts of the empire. In many instances the Chinese authorities have already paid indemnities for the property destroyed, and the outlook for an enlarged work in China is very hopeful.

In addition to those martyred at Paotingfu the deaths occurring within the year 1900-1901 were as follows: Mrs. D. L. Gifford, May 5, 1900; Dr. Mary Brown, August 4, 1900; Rev. E. A. Lowe, August 11, 1900; Dr. D. B. McCartee, July 17, 1900, and Mrs. J. P. Graham, February 21, 1901.

The Board would also report the death during the year of the venerable John C. Lowrie, D.D., LL.D., who for more than three-score years had been connected with the Board as missionary, missionary secretary and emeritus, and concerning whom the Board published an appropriate minute at the time of his death. It would also report the death of Mrs. H. H. Fry, who for many years rendered most faithful service under the joint direction of the Board and the Central Committee of the Women's Boards. Her fidelity and devotion to the cause won for her universal love and esteem.

The Board has appropriated \$925,000 for the year 1901-1902. It will require the combined effort of all the churches to raise this large amount and thus keep pace with the ever-advancing foreign mission army.

A. W. HALSEY, *Secretary*.

REPORT OF THE TREASURER.

For the fourth successive year the Board of Foreign Missions announces that its books are closed without debt. A period as long as this without a debt is a rare occurrence, the records testifying that it has not happened since the year 1856. This indicates that a debt is not necessary to stimulate generous giving in the Presbyterian Church.

CONTRIBUTIONS.

The surplus for the year, as shown by the Balance Sheet, added to the surplus of last year gave a total surplus of \$11,621.14, from which has been carried to the credit of the Board's General Reserve Fund \$10,000.

The sources of income from donations of the past year, from the various organizations, etc., as shown by Schedule 2 of the Financial Report, are as follows:

MORTGAGES PRESBYTERIAN BUILDING.

The effort of the Joint Committee to pay off the two mortgages of the Boards of Home and Foreign Missions on the Presbyterian Building is meeting with marked success, and at this date the payments already made and the subscriptions promised indicate that the mortgage of this Board, now amounting to \$450,000, will be reduced to less than \$150,000, and it is quite evident that in a reasonable time the remainder will be fully paid. This will naturally increase the income of the Board from this investment, although the payment of four per cent. during the lifetime of many contributors will not entirely release the income for the purposes of the Board's work for some years to come. It should be said in this connection that the Boards are under great obligation to Mrs. Crane and Dr. Silliman for inaugurating this wise policy of removing the mortgages from the Mission property.

ABSTRACT OF EIGHTY-SECOND ANNUAL REPORT.

The Board of Education have given careful consideration to the views expressed by the large and representative special committee appointed by the General Assembly of 1899, whose province was to study the whole question of Ministerial Education, and who made their report to the General Assembly of 1900.

The Board noted with great interest the conclusion reached by this committee that there was no general dissatisfaction with the present method of Ministerial Education; that there is a common agreement as to the necessity for a thoroughly educated ministry, and that a large majority of persons consulted were emphatic in their testimony as to the importance, wisdom and justice of beneficiary aid; and that facts do not sustain the allegation, sometimes made, that the Church is educating too many ministers. The Board have taken measures, in accordance with the recommendation of the committee, to assert vigorously and effectually the claims of their department of work upon the whole Church, and to urge pastors to justify its claims on their people. They have also complied with the recommendation that a personal signature should be required from all new candidates to be affixed to the form of recommendation from the Presbytery, in addition to the signature of the Chairman of the Education Committee, hitherto considered sufficient.

A new edition of the rules has been issued embodying the provision, recommended by the special committee and adopted by the General Assembly, that all candidates who prefer such a method may receive their scholarship aid in the form of a loan without interest, with the understanding that service in mission fields at home or abroad will entitle them to a credit of \$150 for each year of service. No one, however, has thus far seemed disposed to take advantage of this plan. The fact seems to be that those who have had pecuniary assistance from the Church through the Board of Education prefer, when possible, to return the amount expended upon their education to the treasury in cash; but whether this is within their power or not, they are disposed to cherish, not for a term of years only, but to the end of their ministry, however long, a sense of indebtedness to the agency which made it possible for them to acquire their equipment for their Master's service.

The Board are anxious that nothing should occur to create the impression

in the minds of candidates that there is any impropriety in accepting a scholarship as a gift, the Church's cheerful contribution to facilitate and expedite their preparation for the holy ministry.

The Board venture to call attention to the possible hardship and injury which may result from the operation of the new Constitutional Rule No. 3 which the special committee drew up for transmission to the Presbyteries with the very laudable purpose of compelling the exercise of care on the part of those bodies lest they should, through carelessness or ignorance of all the facts in the case, be led to enroll as candidates for the sacred office persons unsuitable for such a position.

The rule prohibits Presbyteries from taking men under their care as candidates whose application has not been on file with the Stated Clerk at least three months before the meeting of Presbytery. No provision is made for any exceptions, while in fact every year candidates have been providentially hindered from filing their application so long beforehand about whose fitness no reasonable doubt exists, and in whose behalf prompt action is of the utmost importance. There is great danger also lest impecunious candidates, who cannot afford to postpone entrance upon studies preparatory to the ministry, may find the way to prosecute these studies under the care of Presbytery made so difficult that they will feel compelled to prosecute them independently of such care. They will select for themselves the place and course of study, and will remain for the time being without oversight or direction. A special hardship would arise from the uncertainty as to pecuniary assistance under which the candidate would be placed, for his needs cannot even be considered by the Board of Education until Presbytery has sent a recommendation in his behalf. Nine of the home Presbyteries meet only once a year, and very few meet more than twice annually, and the candidate is often studying at an institution remote from the Presbytery to which he belongs.

Some degree of discretion in the application of this rule appears to be practically necessary.

With regard to the suggestion that aid be deferred until the candidate has reached the Junior year in college, the Board beg to say that their experience has been that no inconsiderable number of men come to college as mature men with the sense of a call to the ministry fully developed, and their reason for coming is the fact that the Church requires a fuller course of preparation than they have received. In such cases the refusal to give assistance until the Junior year in college might easily result in keeping such men out of a college course altogether.

The Board are of the opinion, in view of the wide difference often existing in the value of diplomas from institutions ranked as colleges, and of the extent to which the privilege of election of studies is now carried, that the Church might wisely indicate with more precision than at present just what she is willing to recognize as a complete collegiate course preparatory to studies in the theological seminary.

It is apparent that a few at least of the Presbyteries have been giving attention to the recommendations of the General Assembly with regard to strengthening Presbyterial Education Committees, careful examinations of candidates, the delivery of sermons on Ministerial Education, and other measures for the advancement of this important cause; but new and more general attention is needed for the attainment of the end in view.

The decline in numbers continues. Only 600 candidates were enrolled under the care of the Board during the year. The losses are conspicuous in the very strongholds of the Church. It must not be forgotten that young men have been persistently told of late that there is no room for them in the ministry, which is alleged to be overcrowded. They have besides undoubtedly felt the influence of current discussions with regard to the degree of authority which may now be accorded to the Holy Scriptures, and have hesitated to devote their lives to a work which requires unshaken confidence in the Holy Book as the very Word of God.

Some may possibly have been deterred by recent public discussions as to the hardships of a minister's life under present-day conditions; but it is probable that the ministry will gain rather than lose when men are kept out of it by an apprehension of its difficulties and trials.

The attention of upper-class men has been called during the year to the

story of those who for Christ's sake have laid down their lives of late in the foreign mission field, in the hope that a consideration of companions in Christ falling in the front of the battle may move some among them to offer themselves in place of the slain.

It must further be remembered that the Church has evidently become neglectful of the prayer enjoined by our Lord for a multiplication of laborers. When God's people awake to a sense of the existing need a spirit of prayer will be aroused, and when prayer is offered in sincerity God will send an answer in peace.

The Board desire to emphasize anew their belief that successful prosecution of the work requires not only oversight of the young men during their period of study, but also the assigning of them by their Presbyteries to fields of labor for the exercise of their gifts and as a preparation for ultimate settlement. Interesting experiments of this nature have recently been made by the Presbytery of Saginaw and by the Synod of Indiana.

There were 346 candidates under the care of the Board during the year in the various seminaries—236 in different colleges and 18 in preparatory schools; 3 Bohemians; 4 Spanish-speaking students; 29 Germans; 68 Negroes; 1 preparing for work among Jews; and 1 for work among French-Americans. The "Newberry Scholarship" will be offered this year for competition to members of the Middle Class in the Western Theological Seminary under the care of the Board and recommended by the Faculty. The "Secretary's Scholarship" is also to be awarded this year.

The Board began the year with a balance of \$7216.41 in the treasury. It is now proposed to take this balance and add to it a legacy of \$5000 recently paid, and also a portion of this year's balance, making a total of \$17,973, to constitute a reserve fund, the possession of which will make it prudent to increase the rate of scholarship aid, so that it shall more nearly resemble the amount given in former years.

The Board report the death during the year of Rudolph S. Walton, and that the vacancy thus created in their membership was filled by the election of John B. Gest, Esq. They report further the resignation of W. H. Miller, D.D., and the election of the Rev. William P. Finney to take his place.

ABSTRACT OF THE SIXTY-THIRD ANNUAL REPORT.

April 1, 1900, to March 31, 1901.

I. SABBATH-SCHOOL AND MISSIONARY DEPARTMENT.

1. MISSIONARY WORK OF THE DEPARTMENT.

This work has been carried on during the year covered by this report—April 1, 1900, to March 31, 1901—within the bounds of 23 Synods, 81 Presbyteries, 30 States and Territories, and in the city of Havana, Cuba.

The number of missionaries in commission on April 1 of the present year was 93, a net increase of 15 over the number on the same date of the preceding year. The additions were 25 and the withdrawals 10. Of the missionaries now in the field 13 are Synodical, having the oversight of the work within the bounds of Synods; 79 are Presbyterial, laboring within the limits of Presbyteries or counties, and one is in Cuba.

General Plan of the Work.—The missionaries are instructed to organize Sabbath-schools in spiritually destitute regions. Of the schools thus organized some pass over sooner or later to other denominations, some are short-lived in spite of every effort to sustain them, but many become in due time self-sustaining Presbyterian schools and develop into Presbyterian churches. These changes leave a large and constantly varying number of schools under the care of our missionaries, and from these schools a steady stream of results flow into our own Church and also to a less extent to other evangelical Churches. They furnish real and tangible evidence of the importance, value and permanence of this work.

The Department has assiduously labored in recent years to develop the permanent features of its missionary work, and is able this year to present an array of facts which demonstrate beyond all question the importance of this arm of the Church as an agency for its extension and development in all parts of our land.

In connection with the organization and development of Sabbath-schools the other familiar forms of evangelistic labor incidental thereto have been successfully prosecuted.

Review of the Work by Synods.—The particulars given in the review of the work by Synods are so arranged as to show the results accomplished along the following lines :

1. The number and aggregate membership of Sabbath-schools which were under the care of the missionaries of this Board on January 1, 1901.

2. The number of church organizations, if any, in connection with the above schools, noting the number of such churches as are Presbyterian, also the number of church and chapel buildings.

3. The number of churches organized and buildings erected (if any) during the year 1900 in connection with, or as a development of, Sabbath-schools organized at any time by our missionaries, noting the number of such churches as are Presbyterian and giving particulars as to membership of said Presbyterian churches and the aggregate cost of the buildings erected for Presbyterian schools or churches.

4. The number and aggregate membership of schools organized and reorganized by the missionaries of this Board during the year ending March 31, 1901.

5. The number of church organizations developed from schools organized by the missionaries of this Board since the reorganization of the Board in 1887, down to January 1, 1901, with a list of those of the aforesaid churches which are identified with our own body.

This list of churches has been prepared from special reports covering the years named. It is more than likely that a large number of churches entitled to a place in the list have not been reported. Care has been taken to verify the reports, but some errors may have crept in. In some cases the name of the school has been given from which the church has been developed, but in the majority of instances the name given is that of the church.

Quotations from missionary letters and brief explanations of special features are included in this review.

Summary of the Review by Synods.—

Details of Field and Other Work.—Full details of the work and of grants of literature are given in the report, pp. 11-28, 36.

Need of School Buildings.—The great majority of the schools under the care of our missionaries are without buildings of their own, and are thus compelled to put up with temporary and often very inconvenient quarters. One of the greatest needs of the work is a special fund for the encouragement of chapel building in connection with these needy schools. A building not only practically insures the permanency of the school, but is a guarantee that the school will be Presbyterian and develop eventually into a Presbyterian church.

Church and Sabbath-school Offerings.—Of the 7750 churches in our communion in 1900, 5527 contributed to this work—1353 by congregational collections only, 2666 by Sabbath-school offerings only, and 1508 by both congregational and Sabbath-school offerings.

II. EDUCATIONAL WORK OF THE MISSIONARY DEPARTMENT.

The Twentieth Century Movement was launched in the autumn of 1897 with the object of arousing the attention of the churches to the claims of the vast multitudes of children and youth outside the Sabbath-school. The Sabbath-schools were urged to make a special and united effort to bring in at least half a million new scholars during the period intervening between the beginning of the movement and April 1, 1901.

The circulars first issued called for an addition of at least half a million to the net membership of our Sabbath-schools, after deducting from the account all losses by removals or deaths, but subsequently the proposition was modified so as to eliminate the question of losses and to confine the statement of results to the positive additions to our Sabbath-schools between the autumn of 1897 and April 1, 1901.

This modification of the original proposition was rendered necessary by the impossibility of obtaining reliable data as to the losses in membership fairly chargeable to the period covered by the Movement. The schools had never been asked to furnish information as to the actual withdrawals and deaths of members, and the only way of reaching a result was by comparing the numerical returns of different years. One of the first effects of the Twentieth Century Movement, however, was to set the officers of our Sabbath-schools very generally to work pruning the names of absentees from the rolls; and this action, while in itself commendable, was calculated to throw an undue preponderance of losses upon the period covered by the Movement. There was only one point upon which the Department felt absolutely certain, and that was the return of new scholars actually received into membership.

The following table shows the numerical results as far as they have been ascertained.

[At the time of presenting this report to the General Assembly the data for 1901 were wanting. These are now supplied.]

YEAR.	*Number of Sabbath-schools in the Church.	Number of schools reporting new scholars.	New scholars, teachers and officers received into the main schools.	Net increase of members in the Home Department.	† Scholars and teachers brought into the schools organized by our S. S. missionaries.	Total.
1897	7,565					
1898	7,912	3,910	85,429	11,005	51,414	147,848
1899	7,939	4,076	84,570	10,574	42,679	137,823
1900	7,927	4,471	105,709	10,359	40,113	156,181
1901	7,885	3,710	94,312	620	38,260	133,201
Totals . .			370,020	32,558	172,475	575,053

After making due allowance for the uncertain element of loss and crediting the Movement to the full extent with the recorded additions to the membership of our Sabbath-schools, the Department is forced to the conclusion that the schools have suffered very greatly from withdrawal of scholars during the past three years. We are not alone in this particular. The period under review has been characterized by general spiritual depression in which the Sabbath-school has borne a full share. This fact, sad as it is, gives new force to the necessity and timeliness of the Twentieth Century Movement, and new value and importance to the figures of the foregoing table showing the results of the aggressive work carried on during the past three years in the bringing in of so many thousands of new scholars, and the awakening of so many thousands of earnest and devoted Christians to their privilege and duty of stemming the tide of worldliness and declension. In this respect the Movement has been eminently successful.

Normal Departments.—The subject of teacher training has assumed a new importance during the past year in consequence of the action of the Board in entering upon a movement for the organization in all our Sabbath-schools of Normal Departments, and its proposal to issue a periodical to be known as *The Westminster Normal Quarterly*.

This periodical will supply a course of instruction in higher biblical study for those members of the Sabbath-school who wish to qualify themselves as teachers, and for all who desire to take a comprehensive course of instruction in the Scriptures. The lessons will include a two, possibly three years' course in Bible history, the introduction to the study of the Bible, book by book, and the principles and methods of teaching.

It is proposed to invite every Sabbath-school to organize a Normal Department to meet every Sabbath as an integral part of the school. It is hoped that this plan will attract many thousands of young people, and that by this means a steady supply of teachers will be obtained and a healthy influence exerted on the entire school.

The first number of the new *Quarterly* will be issued in October next.

Home Department Work.—The number of Sabbath-schools reporting Home Departments has grown during the year 1899-1900 from 979 to 1175, and the membership has increased from 40,437 to 50,796.

* *The Shorter Catechism in Schools.*—The number of Sabbath-schools in the year 1899-1900 reporting that they teach the Shorter Catechism was 3889. The Board has continued its offer to scholars under eighteen years of age in Presbyterian Sabbath-schools of a Self-Pronouncing Teacher's Edition of Nelson's Bible as a prize for correctly reciting the Catechism. The number of Bibles awarded last year was 1345.

* No account is taken in this table of Sabbath-schools connected with Foreign Missions.

† As these figures reflect a very important feature of the aggressive Sabbath-school work of our Church, they are included in this table.

Children's Day and Rallying Day.—Children's Day was generally observed during the past year. The programmes prepared by the Department for the services were used by 4419 Sabbath-schools. Rallying Day was also extensively observed and the programmes of the Department were used by 1520 schools.

Statistical Work.—Great advances have been made by the Department in its statistical work as compared with former years.

Grants.—The net value of the grants of books, tracts and periodicals made by the Missionary Committee or distributed by the Sabbath-school missionaries during the past year was \$4886.44, and the total net value of all the literature gratuitously distributed, including the Bibles awarded for the recitation of the Shorter Catechism, was \$6194.06.

The missionaries distributed one hundred barrels and thirty boxes of clothing, generously contributed by women's societies, churches, Sabbath-schools and individuals, for the aid of needy adults and children. A low estimate places the value of these gifts at \$1,581.13.

Special Lines of Progress.—The past year has brought this Department many tokens of the Divine blessing. There have been, as heretofore, complete harmony and coöperation between our missionaries and those of the Home and other Boards. The offerings have increased over those of the preceding year by \$5000. There are fifteen more missionaries in commission than there were April 1, 1900. Among the churches there has been an increase of intelligent appreciation of our work, and a larger number of churches have grown from our mission schools. Our lines of operation have been extended, notably in the Gulf States and on the Pacific Slope. More of the members of our churches are individually supporting missionaries. These and the other facts recorded in this Report demonstrate the wisdom of the Presbyterian Church in deciding to carry on its own Sabbath-school work, both educational and missionary.

These houses, with the exception of the one in London, furnish all our publications at the Board's prices.

Our periodicals are still further brought to the attention of churches and Sabbath-schools by advertising in Sabbath-school and other papers, and by circulars addressed to pastors and Sabbath-school superintendents. Our missionaries also bring all classes of our publications to the notice of those who dwell in missionary districts.

As was announced in the last report, the Board has established a depository in San Francisco to supply its books and periodicals and all other church and Sunday-school requisites on the Pacific coast, namely: in California, Oregon, Washington and Nevada.

In Toronto, Ontario, the Upper Canada Tract Society has all our publications for sale.

SALES.

The sales for the year in books and tracts were \$201,242.77. This amount, as it includes credit sales, does not agree with the Treasurer's account, which account exhibits only cash received. The Treasurer's

account includes cash received for the sales of the current year, and also cash received for the credit sales of the preceding years.

The amount received during the year for the sale of periodicals was \$263,542.91.

The aggregate of the preceding sales includes not only the ordinary sales of the main house, and of the depositories and branch houses, but all sales made to the Sabbath-school and Missionary Department for grants, and all sales by Sabbath-school missionaries.

NET PROFITS.

ABSTRACT OF THIRTY-FIRST ANNUAL REPORT.

The advance in the work, following several years of comparative depression, which was noted in the Report of a year ago has continued, the Board is grateful to be able to report, through the year lately closed.

APPLICATIONS.

The total number of applications during the year in all the different departments of the Board was 227, and the aggregate amount asked either as loans or grants was \$154,877.

Of these applications 136 were to the General Fund, fifteen being for loans, 115 for grants and six for both loans and grants. Sixty-nine were for loans from the Manse Fund, seven for loans from the newly established Raynolds Manse Fund, fourteen for loans from the Church Loan Fund and one for a grant from the Barber Fund. The distinctive characteristics of these funds will be more specifically explained in connection with the report upon appropriations.

It will be seen that with the exception of manses the number of applications is hardly as large as during the previous year and little if any above the average. So far, however, as manses are concerned, the number of applications is nearly the same as that of last year, which far exceeded any previous record, and the amount asked exceeds even that unusual demand by \$6,290.

APPROPRIATIONS.

1. *The General Fund.*—As in the beginning, so now this fund is distributed among churches which, without aid, would not be able to provide themselves with adequate places of worship; and to it without any diminution for other expenses go all the annual contributions of the churches. From this fund appropriations have been made to 124 churches, aggregating in amount \$63,402, a result which falls somewhat short of the exceptionally large aggregate reached in the preceding year. Of these churches 102 received grants only and sixteen loans only, while to six were appropriated both grants and loans, the total result being 108 grants amounting to \$52,697 and twenty-two loans aggregating \$10,705, or, as given above, \$63,402 to 124 different churches.

The appropriations termed above loans differ from grants, in that while every church receiving aid pledges itself thereafter to make an annual contribution to the Board's treasury, those that receive the so-called loans agree by the terms of the mortgage to return in such collections annually not less than ten per cent. of the amount bestowed. For such contributions they obtain a double credit, the amount being also accounted as a payment upon the mortgage.

The average amount of the grants was \$487.93, and of the loans \$486.61, and of the average appropriation, including both grants and loans, \$511.30.

In addition the special gifts made through this fund are to be considered. These amounted to \$1,152.31 to seventeen churches, so that the total amount allotted in this department was \$64,554.31 to 141 different churches.

As indicating the breadth of territory covered by this work of the Church, it should be noted that appropriations have been made in no less than thirty-two different States and Territories (including Porto Rico) and within the bounds of eighty-five Presbyteries.

2. *The Loan Fund.*—This fund differs from the General Fund inasmuch as it is not renewed and expended each year, but consists of funds entrusted to the Board for investment that the income derived from them may be used in its general work.

From this fund thirteen loans have been made aggregating \$22,050. As the Board is now dependent each year upon the return of installments promptly for its ability to make new loans, the necessity upon the part of

the Board of safeguarding these loans by sufficient guarantees, and upon the part of the churches of making due provision for meeting their obligations is obvious.

3. *The Manse Fund.*—From the Manse Fund there have been this year fifty-five loans aggregating \$25,765, and six grants to the amount of \$915. As to one church both grant and loan were made, the total number of churches aided was sixty, and the amount appropriated \$26,680. To these should be added three special gifts amounting to \$100, thus making the total sixty-three churches and \$26,780.

4. *The Reynolds Fund.*—This fund is derived from the legacy from the estate of the late General William F. Reynolds, of Detroit, Mich., who made the Board his residuary legatee, specifying in his will that the money derived from his estate should be used primarily in aiding the erection of manses by loans at a low rate of interest. Sufficient funds have been already realized from this bequest to enable the Board to inaugurate action in accordance with the wishes of the giver. This fund bears some special relation to the original Manse Fund as the Church Loan Fund does to the General Fund. Loans of larger amount are made for more expensive buildings, and the installments in repayment are allowed to run through a longer term, not exceeding ten years. The interest is usually placed at four per cent. Under this plan there have been made during the past year six loans aggregating \$8600.

5. *The Barber Fund.*—The principal of this fund is held by the Trustees of the General Assembly, and the interest, which is to be used for work among colored people in the United States, is divided between the Board of Missions for Freedmen, the Board of Home Missions and the Board of Church Erection. The portion (one-quarter) committed to this Board must by the terms of the Barber bequest be used in aid of the erection of church buildings for colored congregations not within the field of the Board of Missions for Freedmen. Applications, therefore, for aid from this fund should come from colored congregations in the Northern States. The administration of this fund has as yet hardly been inaugurated, and but one grant was this year made of \$1500.

SUMMARY.

Summing up the above statements, we find as the result of the year's work that loans or grants have been made to 204 churches to the aggregate amount of \$122,232. If we add to these the special gifts, viz., \$1,252.31 to twenty churches, we have a total of 224 churches and \$123,484.31.

The map with the alphabetical and synodical tables will give a bird's-eye view of the extent of this division of the work of the Board. The total receipts in all departments was \$154,623.79 and the disbursements \$141,647.65.

During the year there have been reported as completed without debt 184 churches and manses, the aggregate value of which is computed at \$476,948.

THE OUTLOOK.

In closing its Report a year ago the Board called attention to the fact of the largely increased demand of that year as indicating a revival of activity in church building, consequent upon the more favorable outlook in the business world. It added that while it was not probable that the same percentage of increase would characterize the next year, yet doubtless the demand, if commercial prosperity were maintained, would be above the average of the five years preceding. The report this year verifies both of these expectations. The applications, neither in numbers nor in amounts, have equaled those of the previous exceptional year, but they are yet above the average, and indicate that there will be need of a constantly increasing income in the future if the stability of our young congregations is to be assured.

The unique position of the Board of Church Erection in its relation to the future of our Church is not always thoroughly appreciated. Its work is one that from its very nature can never be brought to a close. It

is conceivable that our country might become so thickly and uniformly settled that there would be no longer any distinctly missionary regions, but the time will never come when there will not be in the vast sisterhood of our branch of the Church feeble congregations. Nor will the time ever come when buildings will cease to grow old and crumble beneath the tooth of time, nor when increasing congregations will not need to replace small and decaying edifices by those more adequate to their larger numbers and growing work. If, then, the Church recognizes its unity and the responsibility of the whole for every part, the time will never come when there will not be needed such systematic plans for aiding in church erection as this Board presents.

ROLL.

We have had upon our roll for the year ending March 31, 1901, 931 names—375 ministers, 487 widows, 36 orphan families, 1 medical missionary and 1 widow of a medical missionary, 6 women missionaries, and 25 guests in the Home at Perth Amboy, N. J. The average amount paid to ministers on the Honorably Retired roll was \$285.47. Some ministers on the Honorably Retired roll did not ask for the full amount to which an Honorably Retired minister is entitled when in need. The total amount paid to Honorably Retired ministers last year was \$38,825. In 1889 the rule was adopted allowing ministers who are 70 years of age and who have been 30 years in active service in the ministry of our Church to be placed on the Honorably Retired roll of the Board, to be granted, without being annually renewed, an annuity of \$300 when they certify that they need that amount. Since then 254 ministers have availed themselves of this privilege. Twenty-two names have been added to this roll during the past year; 13 ministers whose names were on this roll have died during the year. During the past year we have had 136 Honorably Retired ministers on the roll, and their average age has been 77.9 years and their average

active service has been 44.2 years. Forty-three of these men were over 80 years of age and 8 of them were over 90. Whilst the average amount paid annuitants on the Honorably Retired roll was \$285.47, the average amount paid annuitants not on the Honorably Retired roll was only \$180.

During the past year we have added 114 new names to the roll of annuitants—61 ministers, 44 widows, 1 woman missionary and 8 orphans; 67 of those who were on the roll have died during the year—38 ministers, 26 widows, 3 orphans; 5 of these were guests at the Westminster House at Perth Amboy, N. J. Several of those formerly receiving aid have withdrawn their request for further assistance and others have not been renewed by their Presbyteries. Notwithstanding these facts we have had 931 families on the roll during the past year—being 28 more families than we ever had in any previous year.

COMPARATIVE RECEIPTS FOR THE YEARS 1899-1900 AND 1900-1901.

	1899-1900.	1900-1901.
Contributions from Churches and Sabbath-schools,	\$84,702 94	\$86,836 87
Contributions from Individuals, ...	17,004 75	9,304 60
Interest from Permanent Fund, ...	66,599 32	63,257 20
Interest from Special Funds held by the Synod of Ohio and other Trustees, ...	517 97	598 64
Unrestricted Legacies, ...	15,915 92	16,493 64
Unrestricted Legacies transferred from Emergency Fund, ...	7,896 50	17,655 67
	\$192,637 40	\$194,146 62

We have received during the past year collections from 4322 churches. This is the largest number of contributing churches we have ever reported in any year of the Board's work, being 82 more churches than contributed to the Board last year; 3166 churches have failed to send any contribution to this hallowed cause during the year.

Besides the cash contributions to the Board from churches and individuals, the Ladies' Aid Societies of our Church have sent to families on our roll gifts of money and boxes of clothing and groceries amounting to the value of \$6103.50, which is an increase in the value of such gifts over those of last year of \$1529.22.

COST OF ADMINISTRATION.

The members of the Board of Relief have endeavored to administer the trust committed to them as economically as it can be administered consistently with efficiency, and during the past year the cost of administration has been but 4.94 per cent. of the receipts of the Board.

SYNODICAL STATISTICS.

We call attention to the statistical tables, omitted from this summary, but published in our Annual Report, which have been prepared to show the contributions from the churches in the various Synods and the amounts drawn out of the treasury of the Board for the persons under the care of the Presbyteries in their respective Synods.

In 1888, when the General Assembly's Centennial Committee were flooding the Church with literature on the necessity of raising a million dollar Endowment Fund for the Board of Relief, when the Board itself was co-operating most heartily in this great undertaking, and when pastors were earnestly presenting the cause to their congregations throughout the length and breadth of the Church, there was raised for the Endowment Fund the splendid sum of \$600,000; and besides that large amount the churches gave more to the Current Fund of the Board that same year than they had ever done before or have ever done since in any one year.

From that date a reaction set in and pastors generally have never since

presented the cause of Ministerial Relief with the same enthusiasm as they did in 1887-88, and the supposition gained ground very generally through the Church that the Board did not need such large contributions as were then given to the Current Fund, and the Church collections ran down steadily for ten years, from \$98,922 in 1887-88 to \$74,091 in 1896-97.

There has been some improvement in the church collections since 1897. They have increased from \$74,091 in 1897 to \$86,836 in 1901, but there must be a vast increase on this sum or the Board will be compelled to make most painful cuts in the amounts asked by the Presbyteries for the deserving ones under their care.

In 1888 there were only 564 families represented on the roll of the Board, which was one family for every ten ministers on the roll of ministers in our Church, and now we have 931 families represented on the roll of the Board, which is one family to every eight ministers on the roll of ministers in our Church. With this ever-increasing roll of annuitants there is an ever-increasing demand upon the treasury of the Board by the Presbyteries for those under their care, and whilst their churches have an ever-increasing number of communicants, few of them are increasing their contributions to the treasury Board. The consequence of all this is, that those who are now on the roll must have their very small appropriations scaled down severely in order that the Board may have something to divide among the new families recommended by the various Presbyteries. This scaling down of appropriations is a most painful business to the Board, and a most distressing operation to the families on its roll, which the honor of the Church and the duty the Church owes to her aged and disabled servants and their households should forever forbid.

THE MERRIAM HOME.

Since the last meeting of the General Assembly, the Board of Relief has come into possession of a beautiful Home, elegantly furnished, at Newton, N. J., under the provisions of the will of Mr. Henry W. Merriam, of the town of Newton, in the county of Sussex, in the northern part of the State of New Jersey.

This bequest of Mr. Merriam illustrates the profound interest he took in the blessed work of Ministerial Relief, and demonstrates the burning desire of his soul to have the aged ministers of our Church and the widows of Presbyterian ministers made comfortable in their declining years.

RESIGNATION OF PRESIDENT JUNKIN.

The Board regrets to be compelled to report that George Junkin, Esq., LL.D., who was one of the charter members of the Board, and who was for fourteen years its honored President, has felt constrained, on account of the condition of his health, to relieve himself of as many of the burdens and cares of life as possible, and has tendered his resignation as a Director of the Board.

The following action was taken by the Board in relation to his resignation:

"The Board accepts the resignation of Mr. Junkin only because of his own assurance, and that of his medical adviser, that it is necessary that he shall be released from every public duty.

"The sorrow of the Board in parting with him as an associate, regarded by every member with the warmest affection, cannot be expressed in words. Mr. Junkin was one of the original members of the Board, and has continued in its counsels in unwearied devotion to its precious interests during all the years that have since come and gone. In 1886 he was chosen President, and in this office he has been most assiduous in the discharge of its duties. He has been the Chairman of its Finance Committee from the organization of the Board in 1876, and has brought to this position the great benefit of his high personal character, his professional reputation, and large business experience. Without, he has exerted a most wholesome and widespread influence to deepen the hold of the Board's blessed minis-

tries upon the Church and community. The Board is greatly his debtor, not only because of the intelligence and skill he has shown in whatever he has done, but especially because it knows so well the deep, tender love to the cause which has inspired and animated his every thought, every word, every deed. He has not sought his own, but always his Master's praise, and his reward is on high."

DEATHS.

Since the last Annual Report was prepared, the Board has lost by death one of its charter members, Rev. Henry E. Niles, D.D., who was a member of the class of Directors of the Board whose term expires at this Assembly. Due notice was taken of his death by the General Assembly at St. Louis.

Rev. Robert Alexander, D.D., was elected a Director of the Board September 20, 1900, to fill the vacancy caused by the death of the lamented Dr. Niles, and we were soon called to mourn his loss, for he died on the 27th of February, 1901.

FORM OF BEQUEST.

The laws of the different States vary so much as to testamentary bequests that in making a will it is always desirable to secure the services of a competent lawyer. In all cases, however, where bequests are made to this Board, the corporate name should be used as follows:

"The Presbyterian Board of Relief for Disabled Ministers and the Widows and Orphans of Deceased Ministers."

NEW OFFICERS.

Mr. A. Charles Barclay, who had been for eighteen years Vice-President of the Board, was elected President of the Board, and Rev. Samuel T. Lowrie, D.D., was elected Vice-President; H. S. P. Nichols, Esq., was elected a Director to fill the place of George Junkin, Esq., L.L.D., resigned, and Rev. W. W. McKinney, D.D., was elected a Director to fill the unexpired term of Dr. Alexander.

ELECTIONS.

The term of the following Directors expires at this meeting of the Assembly: Rev. Marcus A. Brownson, D.D., Rev. W. W. McKinney, D.D., A. Charles Barclay, Esq., and H. S. P. Nichols, Esq.

Four Directors are to be elected at this meeting to fill the class whose term expires at this Assembly.

ABSTRACT OF THE THIRTY-SIXTH ANNUAL REPORT.

The Board is thankful to be able to say that it closed its fiscal year free from debt. The year has not been one of retrenchment, but one of moderate expansion.

Under better financial conditions, the Board's first act was to go carefully over the roll and add something to the salary here and there of some worthy but poorly paid servant of God, that he might not only be free from worldly care, but in some cases that his poorly fed family might have more of the necessities of life.

Another step toward reparation and restoration was the lengthening of the terms of a number of our larger schools where the terms had been previously shortened to save expense.

A third step toward better things was to strengthen the work that is being done in a quiet and effectual way in our smaller parochial schools.

This enlargement of plans was quite moderate compared with the needs of the field, but made cautious by past experiences, the Board felt that it would not be justified in presuming too much on the probable increase this year in the gifts of the Church to this cause.

We received this last year from all sources \$163,265.04. This was \$8231.96 more than the year before, and in our expenditures we came well within the amount placed at our disposal, leaving on hand a few hundred dollars with which to begin the work of the new year.

Rev. John J. Beacom, D.D., continues to be laid aside from active services through physical disability and the Corresponding Secretary, having been made Acting Treasurer, has discharged the duties of this position throughout the year in addition to his own duties as Secretary, and this without additional help or additional compensation.

The number of churches contributing to our cause this year, directly or through one or more of their organized agencies, was 4764, a loss of 217.

The amount contributed by the Freedmen for self-support in their churches and schools, none of which goes through the Board's treasury or enters into their accounts, was \$82,066.67—an increase over the amount reported last year of \$10,033.86.

In the judgment of the Boards of Trustees of these institutions, the properties, the liquidation of indebtedness and the endowments would not have been secured without the aid of the Board.

LOOKING FORWARD.—"I set before thee an open Door." The work has been largely preliminary; beginnings have been made, properties secured and improved, indebtedness wiped out or reduced, Boards of Trustees taught by experience, unwise ventures prevented and foundations tested by failure or success. Some institutions, in spite of mistakes and

trials, have proved their right to exist and to be endowed by crossing safely the threshold of the Twentieth Century Door.

Endowment and Enduement.—"The Gates of thy land shall be set wide open." Where can a man of wealth do most for God and truth in this first of the next hundred years? We point to the American Christian college. What an investment that man or woman made who gave Princeton its first endowment fund! We have waiting struggling institutions at Tacoma and Los Angeles on our Pacific coast, that if helped now by generous gifts might easily in the coming hundred years surpass Princeton's last century's splendid service to learning and godliness.

Larger Appropriations Needed.—"When I saw my help in the Gate."

There is urgent need that offerings of churches, church organizations and individuals should be increased in number and amount. The Board has been able recently to make somewhat larger annual appropriations to aided institutions, not because of increased gifts to its General Fund, but because so many institutions perish for lack of sufficient aid, and the Board dare not take up new ones in their places, and there is more, in the division of funds, for the survivors. The Church raises some of these her children by starving off some and by declining to increase her family. By throwing some to the wolves and forbidding others to enter the britzska, she gets some through alive. Meantime we are forced to discourage the founding of new institutions, even where needed and likely to be very successful, because we cannot aid them.

EDUCATION DAY.

"Go through, go through the Gates; lift up a standard for the people."

Education Day—"a Sabbath near the Day of Prayer for Colleges"—is the time appointed by many successive General Assemblies when our preachers may lift up for the people a holy standard of Christian education, the Bible in education, and a standard of giving for this cause which shall enlist everyone in every church, Sabbath-school, Young People's Society and other church organization.

ABSTRACT OF THE REPORT, 1901.

A question bearing on the proper work of our Committee has received our careful attention. The question concerns the precise meaning of the

phrase "Systematic Beneficence." We believe that this phrase properly applies to two subjects somewhat distinct from each other: first, the principles that should govern an individual church member in his giving of money, and second, the arrangements that should be adopted by our churches, as churches, for their benevolent offerings.

I. Taking the two subjects in this order, we believe it to be the teaching of Scripture that the gifts of a church member ought to be systematic rather than spasmodic in at least three particulars:

1. That they should be arranged for in advance, as are the other uses of his money.

2. That their amount should bear relation to the amount of his receiving, never falling below some determined proportion of his income; and we believe that the analogy of Scripture favors the view that ordinarily a Christian may safely set that proportion at not less than the tenth.

3. That fidelity to his trust requires some system of definite accounts such as would indicate every year whether or not this proportion had really been given.

We believe that the church member who should give according to these principles would be giving systematically; and that it is part of the duty of our Committee to commend these principles to the consciences of the people. If we are right in this belief, we should greatly value the distinct endorsement of General Assembly.

II. As to the second division of our subject, we believe that for our churches, as churches, Systematic Beneficence must involve at least as much as this—that the Session of each church, by some carefully arranged system, furnish the people opportunity to contribute every year to each of the Boards of our Church.

Just what system ought to be adopted by each church we have not conceived it our duty to determine, doubting whether any one system could be devised that would prove to be the best always and everywhere. Furthermore, we believe it to be the teaching of Scripture that unconstrained voluntariness is an important element in all Christian giving and to be jealously guarded.

For the actual work of leading the people to a clearer recognition of their duty and privilege in this matter, we believe that we must trust largely to the pastors; accordingly we think there can be no more important department of training than this for young men who are preparing for the ministry. An inquiry addressed by us to the Faculties of our Theological Seminaries as to the place assigned this subject in their curricula has brought encouraging response.

We have also made it a chief part of our work this past year to institute correspondence with the Presbyterial Committees on Systematic Beneficence, urging them to secure in their several Presbyteries the adoption of the following rule, or something equivalent, viz.: That it be made a regular order each year at a fall meeting of Presbytery to call the roll of the churches, that responses may be given from every church on these two points:

1. Is the congregation afforded opportunity to contribute each year by some regular plan to all the Boards of the Church? and

2. Do the pastor and Session supply the families of the congregation with the printed statements of the Boards, as these are now furnished without charge on application to the Committee on Distribution of Literature?

This year our correspondence was started too late for satisfactory returns; but if the General Assembly approves of this or some similar measure, we hope within a year or two to be able to report some substantial advance toward the ideal of an offering every year for every Board from every church and also from every church member.

In order to the proper furtherance of our work we respectfully request General Assembly to repeat the order given last year [*Minutes* for 1900, p. 114]: "That the several treasurers of the boards give to the Assembly's Committee on Systematic Beneficence, on or about the 1st of March next, a list of the churches which shall not as yet have sent offerings to them, and that the said Committee make earnest effort in coöperation with the

Boards to secure offerings from such churches before the close of the fiscal year."

In addition to other forms of effort your Committee has continued the work of distributing literature on the subject of Christian giving.

We herewith submit and recommend for careful study statistical statements of church offerings for the past year.

[For the full Statistical Tables, see the volume containing the Reports of the Boards and Committees.]

SUMMARY FOR THE YEAR CLOSING MAY 1, 1901.

Your Committee, by the prompt and hearty coöperation of the officers of the various Boards of our Church, have been able to present from the advance sheets of the Annual Reports of the Boards the actual condition of the missionary and benevolent work of the Church, as indicated by the gifts to our various Boards during the year just closed. This can best be done by a series of tables of statistics. For the advantage of comparison we have included in our tables similar reports for the nine previous years.

ABSTRACT OF THE TWENTIETH ANNUAL REPORT.

The sum of \$1678.84, contributed by the churches for the carrying on of our work, has been supplemented by an appropriation of printed matter to the value of \$500, supplied by the Board of Publication and Sabbath-school Work in compliance with an action of the last General Assembly. With these resources we have been enabled to disseminate an increased amount of temperance literature, the aggregate output for the year being more than 2,000,000 pages. Besides preparing tracts and leaflets for English readers, we are also seeking to reach with Bible temperance teachings the German, Bohemian and Slav populations around us. By our growing experience, and by the accumulating testimony from the field regarding the results already perceptible from this sowing, we are impelled to appeal more earnestly than ever to the General Assembly and to the churches for more ample means with which to prosecute this work. Your Committee ought to be enabled to present a more extended and varied list of papers and leaflets in attractive form for the young, and of tracts, brochures, etc., for all classes and on every phase of this many-sided subject.

In accordance with the action of the General Assembly of last year, the Permanent Committee endeavored to secure the coöperation of other bodies in measures for the protection of the natives of the New Hebrides islands, and of other child races, from the wretchedness which American traders in rum, opium and firearms are inflicting upon them.

The Treaty of Brussels, for whose ratification in 1892 our General Assembly had petitioned, having expired by limitation, and a new treaty having been negotiated, which was designed to be virtually prohibitory of liquor-selling among the natives of Africa, your Committee prepared and sent abroad through the Church blank forms of petition, asking that the Senate of the United States promptly ratify this treaty, which had already been signed by all the great nations of the civilized world. The petitions of the General Assembly relative to this treaty and to the protection of the people of the New Hebrides were presented by Senator Penrose and Hon. E. F. Acheson in the two houses of Congress respectively, and were presented to the President in person by the Secretary of our Committee. Cordial assurance was given by the President of his approval of both objects. The Senate's Committee on Foreign Relations gave a hearing on the treaty, in which your Committee took part.

In behalf of these measures and of the suppression of the army beer canteen, and quite recently in behalf of a proposed local option law in Pennsylvania, we have had many interviews with our lawmakers, hundreds of personal letters have been written, many thousands of circular letters sent through the mails, many appeals made through the newspapers and about 5000 blank forms of petitions sent abroad. The treaty has been ratified, and we may hope that the cruel liquor traffic shall no longer be permitted to send its annual contribution of 2,000,000 raving savages to drunkards' graves.

It is with regret that we report the failure of the New Hebrides bill. There is good reason to hope, however, that if the Christian people continue their efforts this bill will be passed by the next Congress. An alarming report having come to our shores that the savages of the New Hebrides were threatening destruction to the Christian natives, personal appeal was made to our President for protection for the Christians. Secretary Long informed us that it was found to be impracticable to send a United States vessel, there being none within 4000 miles of those islands, but that our Government had information of the presence of British and French gunboats near by, from which protection might be hoped.

The question whether or no the United States Government should engage in the saloon business and sell intoxicating drinks to our soldiers has enlisted the interest of multitudes. Much indignation was felt over the trick whereby one of the public servants presumed to thwart the people's will and nullify law. Congress was thoroughly advertised of the wishes of the good people of the land that the army saloon should be banished, and the vote in the lower House was pronounced. But as the final action by the Senate approached there was deep solicitude. Senator Gallinger quoted, from a letter just received, the testimony of your Committee, that an almost unanimous vote had been given against the beer-canteen by the General Assembly of the Presbyterian Church, representing 1,000,000 communicants and approximately 3,000,000 adherents; and he declared that "the vast number of petitions and letters pouring in upon members of the Senate afforded indisputable proof that the churches in general are of the same mind." The vote which banished the beer was a triumph for righteousness. It affords convincing proof of the power of public sentiment.

And now while gratefully celebrating the banishment of this temptation, it should not be forgotten that the life of the soldier in camp or barracks is one of dreary monotony. A most successful experiment was made of a temperance canteen in the Third Illinois Infantry at Camp Thomas during our war with Spain by Chaplain F. C. Bruner and Sergeant F. H. Buzzacott. Our Government should be urged to provide some such substitute for the banished beer canteen.

Regarding the American liquor traffic in the Philippines, against which, by the direction of the General Assembly, the Permanent Committee made appeal to the President, we can only report that our letter to the President was published in many newspapers, both religious and secular, and also was sent as a circular into the Presbyteries and churches, resulting in the sending of many petitions to Washington; but excepting that the Taft Commission has reduced the number of saloons, we have heard of no step toward righting this grievous wrong. The licensing of vice is even carried further in Manila.

Your Committee have made some effort to direct attention to the peril to our boys of the cigarette habit, as emphasized by the General Assembly. The recent arousing of public apprehension regarding the prevalence of this ruinous practice has come none too soon. We note with satisfaction as greatly helpful to this reform the action of the management of various railroads and of many other employers refusing the cigarette smoker a place on their rolls.

Earnest appeal should be made to the members of the medical profession, and solemn warning should be uttered from pulpit and press regarding the perils of the morphine habit, alleged to be now rapidly multiplying its victims among both men and women.

In a former report your Committee directed attention to the effort to prejudice the public against the system of temperance instruction in the common schools. Certain experiments of Prof. Atwater, a chemist, were diligently heralded abroad as affording proof that alcohol is a food, and not, as our children are being taught, a poison. The scientific temperance instruction in the public schools, now established by law in all but two States, and from which we hope so much, seemed to be imperiled. With gratitude to God, however, we now report that these things have fallen out rather to the furtherance of this cause.

We have sought, as in former years, to reach every church Session with a

brief circular letter and a list of questions. Unquestionably a very large number of these little missives are indifferently cast aside, but we have besought our colaborers in the Presbyteries that they grow not disheartened.

Our first question this year had reference to the Sessional Temperance Committee and elicited the information that but a small proportion of our Sessions have as yet made such an appointment. In many churches, however, there is virtual, though not formal, compliance with the plans proposed by the Assembly, the functions of such committee having been assumed by the pastor or by the entire Session, or by the Sabbath-school superintendent, etc. While therefore the number of Sessional Temperance Committees is still small, we are hopeful that good progress is being made toward the results sought.

There is almost absolute unanimity and frequently hearty emphasis in the affirmative answers given our next question, which is as follows: In the teachings of your pulpit and Sabbath-school is the Christian duty urged of striving for the banishment of the drink traffic, and of complete abstinence from intoxicating beverages?

We are in hearty accord with the suggestion of one of the reports that "if the churches did their duty there would be no need for the Permanent Committee on Temperance." Could we regard the answers to this question as correctly representing the situation in our entire Church, we should now with grateful hearts recommend that the General Assembly discharge its Committee on Temperance as having an office without a function.

We deemed it our duty again to inquire as to the publishing and emphasizing of the teachings of our Church, regarding the complicity in the offense of liquor selling, of those who rent premises for the traffic or aid in securing the license which legalizes it. Nearly all reply that this matter is receiving attention, or that no occasion has occurred demanding reference to the subject. A few, however, report that offenses have come, especially in the signing of petitions for license.

In response to our request for a statement of lines of temperance work pursued, we are presented with details which would be of much interest to the General Assembly did space permit us to reproduce them here. Temperance is preached from a vast number of pulpits. A very large number of Sabbath-schools are reported as having a quarterly lesson on temperance, though accompanying some reports are complaints that in the lesson helps provided very slight attention is given this subject. Much activity in temperance work is reported in Christian Endeavor Societies. In these societies and in the Sabbath-schools there has been very extensive pledge signing—in some instances several hundred have signed in a single church, and one report tells of 2000 in one town. Through these agencies and through the W. C. T. U., literature has been distributed and Loyal Temperance Legions maintained, which we are assured are "bringing on a crop of sober young men." There has been in many places coöperation with other churches through the A. S. Leagues in efforts for improved legislation and better law enforcement. Through prosecution in the courts, law-breaking saloons and breweries have been closed and dram-selling druggists punished. Personal work as well as public addresses to persuade citizens to vote for prohibition are reported, and from various quarters comes the gladdening news of the rescue, by God's grace, of the drunkard. Boys' clubs and anti-cigarette leagues have been formed and efforts put forth to secure curfew laws. There have been prize contests and temperance matter furnished weekly papers. A very helpful brochure, entitled "Facts, Figures and Ideas about the Temperance Reform," has been prepared and widely circulated by the Chairman of the Committee on Temperance of the Synod of Illinois.

Little definite information has been elicited by our inquiry as to the amount contributed to local temperance work. One committee reports \$2500 contributed, but is of the opinion that large sums were unreported. Most of the money has gone into the treasury of the A. S. League.

We have asked our brethren in the Presbyteries and Sessions to report from their respective communities whether temperance has gained ground, and if so, in what direction. We quote one report as a sample of many: "Thirteen answer yes; six answer no; three are doubtful; one gives no

answer." Thus the majority of those reporting believe that temperance is gaining ground, for which belief they assign the following reasons: Five say "better sentiment;" four, "less drinking;" two, "better enforcement of law;" two, "fewer saloons;" one, "local option." Reports from Florida and from Texas are all of the most cheering character: "County after county is 'going dry.'" A large Presbytery in California, reporting one county and many towns as having banished the saloons, says: "The outlook more than ever hopeful." In reports from New Jersey and Pennsylvania there is a tinge of sadness because of the failure of local option legislation in both States. From a large church in New York the answer is: "Growing steadily; several saloons have been closed." While another says: "More saloons than ever." And a third, "Hard to tell in a city like New York." Another says: "It has gained in our church and Sunday-school."

Through other channels we hear from Maine of more strict enforcement of the prohibitory law, and of the utter and ignominious defeat of a movement for resubmission, while in Kansas there has been striking illustration of the proverbial cowardice of vice and courage of virtue.

The last item in our question blank is the following: What can the Permanent Committee do to advance the cause in your field? The larger part of the reports answer "Furnish literature," and some add "Leaflets and papers attractive to the young." One suggests the offering of prizes for temperance essays in the Sabbath school. An Iowa report wishes the Committee could aid in the efforts to have railroads prohibited from transporting liquors. Several say "Pray for us."

Recognition comes from various quarters of the frequent help the Permanent Committee has been able to render to pastors and others applying for recent facts, statistics, etc., in preparation for public addresses.

From a Pennsylvania Presbytery and also from another in New Jersey the help of the Committee is invoked in view of the non-action of their respective Synods on the canteen question.

Two or three reports make congratulatory reference to the part taken by the Permanent Committee in securing recent temperance victories in national legislation, one saying that "it has put new life into the churches and pastors, and now all seem to think we can do something if we will just put our shoulders to the wheel."

The following statistics are in part obtained from the abstract issued by the United States Treasury Department. For part of our material we are indebted to Mr. F. N. Barrett, of New York, the well-known statistician, whose courtesy and aid we thankfully acknowledge.

The total amount of distilled spirits, imported and domestic, consumed in the year 1900 was 97,248,382 gallons. If from this amount 15,000,000 gallons be deducted as used in arts, manufactures, etc., we have remaining 82,248,382 gallons as the amount of distilled spirits consumed as drink. Of course the Government tables do not include the product of illicit stills—a large amount unquestionably, when we note that the number of such stills captured and destroyed during the year was 1955.

Estimating a gallon of spirits to bring \$4.50 when sold by the drink, the total expenditure by drinkers for spirits was \$370,117,179. The amount of grain used in the production of spirits was 23,114,262 bushels. The amount of beer consumed in 1900 was 1,221,500,116 gallons. For this, on the basis of fifty cents per gallon for domestic beer and \$1 for imported, the consumers paid \$614,066,988. The wine bill is estimated at \$75,379,620. The grand total of the nation's bill for intoxicating beverages in 1900 is therefore, according to Mr. Barrett's calculation, \$1,059,563,787, which is \$86,000,000 in excess of the drink bill of 1899. Divided equally among the 76,304,799 inhabitants of the United States, the share of this bill of each man, woman and child would be \$13.88.

From tables showing the per capita consumption of spirits, wines and beer, and of all liquors from 1880 to 1900, it is seen that while wine drinking has varied little in that period, and the per capita consumption of distilled liquors is just what it was in 1880, beer drinking has nearly doubled. The two years of greatest prosperity—1893 and 1900—are shown to have

been also the years of greatest drinking. Poverty is the result of drinking rather than the cause.

We have before us seven letters relative to the workings of the State dispensary in South Carolina. We have sought reliable information as to the value of the dispensary as a temperance measure that we might be able to satisfy the inquiries of correspondents. Of these seven writers two commend the dispensary as being, "apart from prohibition, the best solution of the liquor problem yet reached. With no saloon attractions, no drinking on the premises, no sales except by daylight, there is less liquor sold and less drunkenness," though it is conceded that the State is in it for profit. Other two report "opinion divided"—some good features, some bad.

The remaining three unqualifiedly condemn the dispensary system. "Not so much public drunkenness, but more tippling." Not designed as a police measure but for revenue only. "Sales very large," and one of these witnesses claims that illicit sales equal three-eighths of the dispensary sales. In not a few cases the "blind tigers" buy their liquor from dispensary!

The duty having been laid on this Committee of suggesting temperance action, we ask first that the many thousands of Presbyterian men and women who have been bravely maintaining this incessant warfare with the powers of darkness shall have words of cheer from the body representative of their Church. We ask, too, that you "speak unto the people that they go forward," and that for the concentrating of the forces you indicate the special point or points for present attack. We are not forgetful that it has long ago been declared that the war which the Presbyterian Church is waging against the liquor traffic is a war of extermination—no quarter, no compromise. With nothing short of the capture of the citadel, the overthrow of license, the utter prohibition of the traffic, can we be satisfied, and for the grand assault let us be ever preparing, recruiting, equipping, drilling, sapping and mining; but meanwhile and preparatory to that final assault are there not outposts to be captured?

In addition to references already made in this report to needed action we here beg leave to make two suggestions: First, in all license States where as yet an effort for State-wide prohibition may seem impracticable, there should be legislative recognition of the right of every local community to exemption from the saloon nuisance, upon the demand of its citizens or a majority thereof.

Second, in all prohibition States, and in counties, towns or wards where the people have declared against the saloon, the issue of the internal revenue tax receipt virtually arrays the Federal power against the people and on the side of the law-breaker. Let earnest protest be made against this injustice, and by correspondence with other bodies let their help be sought in a simultaneous effort for such modification of the United States revenue laws as shall right this wrong.

The term of service of the following members of the Permanent Committee expires at this time: *Ministers*, Charles S. McClelland, D.D., and Thomas B. Anderson, D.D.; *Ruling Elders*, George Irwin and William C. Lilley. All of which is respectfully submitted.

By order of the Committee,

JOHN F. HILL, *Corresponding Secretary.*

V. Miscellaneous.

I. THE MILEAGE AND CONTINGENT FUNDS.

SPECIAL attention is called to the *Mileage and Contingent System* adopted by the General Assembly of 1870, and amended by the General Assemblies of 1875, 1877, 1884 and 1896. As amended it is as follows:

"The Committee to whom it was referred to consider and report a uniform system of Mileage, whereby full provision may be made for the traveling expenses of the Commissioners to our General Assemblies, and to meet the contingent expenses of each Assembly, respectfully report:

"It is affirmed, *Form of Government*, Chap. xxii, Section 3, that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The principle is thus established, that provision should be made for the payment of the traveling expenses of Commissioners to the General Assembly. This provision should be made by the Presbyteries. As far as possible, the feebler Presbyteries should be aided in this matter by the stronger. It appears just and reasonable, and so has been found by experience, that the estimated contingent expenses of each Assembly, and the traveling expenses of the Commissioners in coming to and returning from the Assembly, should be fully met by the apportionment of the whole amount among the several Presbyteries, according to the number of their communicants respectively.

"It is therefore recommended—

"1. That the Standing Committee on Mileage, annually appointed, be instructed to present an estimate of the probable amount that will be needed by the next General Assembly, in order to meet their contingent expenses and the traveling expenses of their Commissioners, with a statement of the *per capita* rate, based on the number of communicants, that will be needed to secure the amount.

"2. That the Presbyteries, at their Stated Meeting next following the adjournment of the General Assembly, apportion the amount required of their churches as they deem best.

"3. That the churches be instructed to pay over their respective apportionments at the Stated Meeting of their Presbyteries next preceding the meeting of the General Assembly—the whole amount due from the Presbytery to be forwarded to the Assembly by their Commissioners.

"4. That, as early as the fourth day of the sessions of the Assembly, the apportionment of each Presbytery be paid in full, and a bill of the necessary traveling expenses of its Commissioners be presented to the Standing Committee on Mileage.—N.B. It is understood that Commissioners, both in coming to and returning from the Assembly, will avail themselves of any commutation of fares that may be offered in season; and that in other cases they are to take, when practicable, the most economical route; no allowance to be made for extra accommodations on the way. Also, that no one will charge for return expenses unless he intends to go back to his field of labor; and that no one on a business tour, or excursion of pleasure, will make a convenience of the meeting of the Assembly and expect payment of his traveling expenses from the Mileage Fund. Also, that Commissioners, as soon after their arrival as practicable, are to report themselves to the Committee of Arrangements, and have their respective places of abode assigned them.

"5. That the Mileage Committee, after appropriating from the whole sum an amount sufficient to meet the estimated contingent expenses of the Assembly, be instructed to audit these bills and that the Stated Clerk pay them *pro rata* (if found in accordance with the preceding regulations), as far as the funds will permit.

"6. That, in order to avail themselves of the proceeds of this fund, the Presbyteries must contribute their full proportion to it according to the *per capita* rate.

"7. That every minister, and every vacant church contributing to this fund, connected with the Presbyteries thus complying with the provisions of this plan, be entitled to a copy of the Annual Minutes of the General Assembly.

"8. That the Commissioners from Presbyteries in foreign lands receive their necessary traveling expenses, *pro rata*, from their place of residence in this country."

In accordance with this system, every Presbytery is requested to pay in full, next year, to the Stated Clerk of the General Assembly, a sum equal to *two cents* for Mileage, and *one and one-half cents* for Contingent Expenses, or in all *three and one-half cents* for every communicant under the care of their churches, as determined by their Statistical Report, herewith printed. This will entitle their Commissioners to a full share in the apportionments for necessary traveling expenses. It is expected that these expenses will be fully met, if the Presbyteries comply with the recommendations of the Assembly.

They are expected, also, to provide for an

ENTERTAINMENT FUND.

In addition to the Mileage Fund, the Assembly of 1877 made provision for a "Supplemental Contingent Expense Fund," to "be used for the purpose of meeting the expense of entertaining such Commissioners as are not otherwise provided for." Each Presbytery is requested to contribute to this fund a sum equal at least to *one and one-half cents* per church member, and to forward it, with the Mileage Fund, to the Stated Clerk of the Assembly. It is to be disbursed by the Committee of Arrangements, whose bills for entertainment the Stated Clerk, as Treasurer, is authorized to pay, after they have been approved by an Auditing Committee composed of the clerks of the Assembly.

See, also, *Minutes* of 1901, p. 99.

II. THE ANNUAL MINUTES.

The Minutes for 1901 will be supplied at *One Dollar* per copy, postage included. A copy will be sent, without charge, to the Stated Clerk of every Presbytery and of every Synod; also (in the case of every Presbytery that has paid its full apportionment to the Mileage and Contingent Funds of the Assembly), to every ordained minister, and to the Session of each contributing vacant church, *whose address is known*; also to every ordained missionary of the foreign Presbyteries.

III. SYNODICAL REPORTS.

A *Statistical Report* is to be forwarded to the Assembly by the Stated Clerk of every Synod; in which are to be stated the number and names of the Presbyteries within their bounds; the changes which may have been made in the number or arrangements of their Presbyteries; the names of the Stated Clerks of the Presbyteries; the place and hour of the next annual meeting; and the names of the Moderator and Stated Clerk of the Synod. A blank will be sent to the Stated Clerk of every Synod, near the close of the calendar year, which should be filled up, and forwarded, without delay, to the Stated Clerk of the Assembly.

IV. PRESBYTERIAL REPORTS.

It is required of every Presbytery to prepare and forward to the General Assembly :

1. A *Statistical Report*, according to the form exhibited on page 349t of the present Appendix ; a printed blank for which will be furnished in due season, by order of the Assembly, to the Stated Clerk of every Presbytery. This Report should, if possible, embrace all the changes in the Presbytery previous to the first day of April.

2. A *Narrative of the State of Religion* within the bounds of the Presbytery, for the year ending April 1st. A blank for the Narrative was adopted by the General Assembly of 1891, and a copy will be forwarded to every Stated Clerk. By order of the Assembly of 1880, a blank for a Tabulated Statement of facts will annually be forwarded to the Stated Clerk of each Presbytery, to be filled properly, and duly reported to the Assembly. This Tabulated Statement should be sent to the Stated Clerk of the Assembly at least ten days before the meeting of that body. As the Narratives are not to be publicly read, less care may be given to their style, and more to the details of particulars, such as will aid the Committee of the Assembly in preparing their Annual General Narrative of the State of the Church. The blank for the Congregational Narratives, ordered by the Assembly of 1895, can be had from the Board of Publication. See *Minutes*, 1897, p. 123.

V. STATED CLERKS OF PRESBYTERIES.*

In preparing the Statistical Report, let the following RULES be strictly observed :

(1) Carefully copy the blank form and order of columns, etc., on page 349t, *Minutes*, 1901, if a blank has not been received.

(2) Record ministers in the order of their MINISTERIAL AGE, with their CHRISTIAN names in full, without abbreviations, and their address on the same line, in the adjoining column.

(3) Place the name of every Church and Mission Chapel opposite the name of its Pastor, or Stated Supply ; never opposite the name of any other minister ; if the Church is Vacant, place it at the foot of the roll. If the Church uses in worship a language other than English, indicate the fact by words such as German, Welsh, etc.

(5) Place after the name of every Church the abbreviation P., for one that has a Pastor ; P. E., for one that has a Pastor Elect ; S. S., for one that has a Stated Supply, and V., for one that is vacant.

* These rules were adopted as a whole by the General Assembly of 1891. See "*Minutes*," p. 181.

(6) If a Church fail to report, let the "whole number" of communicants be given as reported to the Synod, or to the last Assembly, with an asterisk (*) in the column of communicants, denoting the fact.

(7) In the *Additions* to the Church, distinguish between those on *examination* and those on *certificate*; in the *Baptisms*, between the *adults* and the *infants*; and be careful to observe the order of the columns in which these particulars are recorded.

(8) In the *Losses* to the Church, distinguish between (1) those *dismissed*, (2) those *deceased*, and (3) those suspended, erased or placed upon the absentee roll.

(9) In the report of "*Funds*" contributed, observe the order of the columns, and the directions of the Assembly of 1871 (*Minutes*, 1871, p. 589) as modified by the Assemblies of 1873, 1874, 1883 and 1887, as follows:

1. *Home Missions*. To include all moneys collected, whether for the Board, or for any Home Missionary operations, including Presbyterian Mission Schools, value of boxes, Ladies' Societies, etc.

2. *Foreign Missions*. To include all contributions for the spread of the Gospel in foreign lands.

3. *Education*. To include all that is given for the education of Candidates for the Ministry, whether to the Board or otherwise; and for Theological Seminaries.

4. *Sabbath-school Work*. To include all moneys contributed to the Board of Publication and Sabbath-school Work for their Missionary work, Sabbath-schools included, and for Synodical and Presbyterian Depositories.

5. *Church Erection*. To include all contributions for Church Erection, outside of the congregation, whether through the Board or otherwise.

6. *Relief Fund*. To include all moneys contributed for the support of disabled ministers, and Missionaries, and in aid of their families.

7. *Freedmen*. To include all moneys contributed to the evangelization and education of Freedmen, whether through the Board or otherwise.

8. *Synodical Aid*. To include all contributions to the Synods for Synodical Sustentation.

9. *Aid for Colleges*. All given for Presbyterian Colleges, Academies and Schools, whether established for the education of males or females.

10. *General Assembly*. To include all given for ecclesiastical expenses, whether in Presbytery, Synod, or General Assembly.

11. *Congregational*. To include all moneys contributed for the congregation, the salary of the minister, the support of the Church Sabbath-schools, the relief of the poor of the congregation, building and repairing churches, liquidation of debts and current expenses.

12. *Miscellaneous*. To include all other collections, for Bible and Tract Societies, etc., and for general benevolence.

Be sure to omit the fractions of the dollar, except in the General Assembly column.

(10) The *names* of the Licentiates are to be recorded immediately after the list of Ministers, in the same column, with their *Address* in the next column; but of the candidates—including all who are studying for the ministry under the care of the *Churches* of the Presbytery—the number only is to be given.

(11) **ADD UP** and **verify** every column of figures, and *Authenticate* the Report with your signature.

(12) Annex a statement of the number of licensures, ordinations, installations, dissolutions of pastoral relations, organizations, receptions and dissolutions of churches; also, any changes in the names of Churches; and the decease (with age, date and place) of Ministers since the last Annual Report.

(13) Avoid erasures and interlineations, **make names and numbers distinctly legible**, and punctuate properly.

(14) Affix no extraneous matter, such as memoranda, explanations, or orders for the delivery of the printed Minutes of the Assembly; let these be given on a separate sheet; also, every Overture to the Assembly.

Revise your Report, and find out its defects. Put in the commas and periods that are wanting; fill out the abbreviations; supply the *Christian* name of every minister (an *initial* letter is not a name), and see that every name and figure is perfectly legible.

 Forward the Statistical Report by April 25, but if anything should prevent the forwarding of the Statistical Report in time for the meeting of the General Assembly, let it be sent at the earliest date possible to the STATED CLERK OF THE GENERAL ASSEMBLY, the Rev. W. H. Roberts, D.D.

1. The General Assembly meets invariably on the third Thursday of May, annually, at 11 o'clock A.M.

2. The credentials of Commissioners and Delegates are to be presented at a previous hour of the same day, or of the preceding day, according to public notice, to the Stated and Permanent Clerks, acting as a Permanent Committee on Commissions.

3. The Lord's Supper is to be celebrated by the Assembly on the evening of Thursday, the first day of its sessions.

4. The dates assigned to popular meetings are as follows :

The evening of Friday, the second day, to the Board of Publication and Sabbath-school Work and the Sabbath-school interests of the Church.

The evening of the first Saturday, to the Board of Aid for Colleges and Academies.

The evening of Wednesday, the sixth day, to the Foreign Mission Work.

The evening of Friday, the eighth day, to the causes of Young People's Work and Temperance.

5. For the purpose only of electing Standing Committees, the General Assembly shall be divided into twenty-two Electing Sections of, as nearly as practicable, equal size, by combining the smaller Synods and dividing the larger by Presbyteries where necessary. The Standing Committees, except those on Mileage and Finance, shall be numbered consecutively; the Electing Sections shall be numbered in like manner.

The Standing Committees shall consist of eleven ministers and eleven elders, excepting those on Mileage and Finance, which shall each consist of eleven elders.

On odd-numbered years each odd-numbered section shall elect one minister for each odd-numbered Committee, and one elder for each even-numbered Committee, and one elder for the Mileage Committee.

On the same year, each even-numbered section shall elect one minister for each even-numbered Committee, and one elder for each odd-numbered Committee, and one elder for the Finance Committee.

On the even-numbered years this order shall be reversed.

The Standing Committees shall elect their own Chairmen. After the election of a Moderator, the Permanent Clerk shall report absentees from the first roll call. Vacancies in the Electing Sections may then be filled by the Assembly. The Stated Clerk shall designate one Commissioner in each Section to receive any necessary papers for the Section. The Sections shall meet, as far as practicable, at the close of the second session of the first day. Reports from the Sections shall be handed to the Stated Clerk by the opening of business on the morning of the second day. The quorum of an Electing Section shall be the same in number as the quorum of the Assembly, viz., fourteen.

That the Secretaries and the Chairmen of the Standing and Special Committees be requested to make their statements within the limits of half an hour.

8. The Stated Clerk shall receive all Memorials, Overtures and other miscellaneous papers addressed to the General Assembly, shall make record of

the same, and then deliver them for distribution or reference to the Committee on Bills and Overtures. All complaints and appeals, however, shall be transmitted by the Stated Clerk directly to the Judicial Committee.

9. All Special Committees appointed by one General Assembly to report to the next Assembly shall be ready to present their reports on the second day of the session.

10. The Stated Clerk shall have printed and ready for distribution, so far as practicable, on the morning of the day fixed for their consideration, the resolutions appended to the reports of Special Committees appointed at previous Assemblies to report at that meeting.

11. The Stated Clerk and Permanent Clerk shall be a Committee to revise the phraseology of all papers sent down to the Presbyteries to be voted upon, provided that in no case shall this Committee so change the phraseology as to alter the meaning [1886, p. 113].

12. The Stated and Permanent Clerks shall be a Committee to supervise the publication of any and all editions of the Constitution hereafter issued by the Board of Publication, and also of the Rules for Judicatories [1886, p. 113].

13. Each Board and Permanent Committee is instructed to send up its minutes with its report, that these minutes may be reviewed by the Assembly on the report of the appropriate Standing Committee [1885, p. 690].

14. A sufficient number of the Reports of the Boards and Committees shall be forwarded by them to the place of meeting of each Assembly, prior to the day of meeting; and a complete file of the same, stitched together, shall be delivered to each Commissioner [1886, p. 77].

15. In all regions where, through the organization of Union Presbyteries, there are no Presbyteries in connection with this Assembly, each mission organized as such under our Board of Foreign Missions may send to the General Assembly an ordained missionary, or ruling elder, as a delegate; and the Standing Rules of the Assembly are hereby so amended that such delegate is entitled to sit as an advisory member in the Assembly, and to speak, under the rules, on all questions, and that his expenses from his domicile in this country to and during the Assembly, and return, shall be met as those of Commissioners, out of the funds of the Assembly [1887, p. 247].

16. No person shall serve as a member of a Board who is a salaried executive officer or employé of said Board, or a member of any other benevolent Board of the Church; and no more than one ruling elder from the same congregation shall serve on a Board at the same time [1887, pp. 51, 108; 1898, p. 132].

17. Any vacancy occurring in the membership of any of the Boards of the Church during the interval between the Assemblies may be filled until the next succeeding meeting of the Assembly by the Board in which such vacancy may occur [1887, p. 128].

18. The Moderator is authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees [1892, p. 209].

19. All resolutions for the appropriation of money, outside the Boards, should be brought before the Finance Committee before action by the Assembly [1892, p. 199].

20. The recommendation of any particular congregation to the benevolence of the denomination by the General Assembly is not to be understood as creating either a legal or a moral obligation upon the Assembly for the payment of the amount recommended to be contributed by the churches [1892, p. 36; 1893, p. 41].

21. All Overtures must be presented to the Assembly not later than the fifth day of its sessions.

22. The Stated and Permanent Clerks shall be a Committee to have the oversight of arrangements for the entertainment of the General Assembly [1896, p. 130].

23. All Reports of Special Committees shall be delivered to the Stated Clerk thirty days prior to the meeting of the General Assembly, and shall be printed by him and delivered to Commissioners in bound form on the second day of the sessions [1897, p. 144].

24. Upon the original appointment of any salaried executive officer of any of the Benevolent and Missionary Boards of the Church, such appointment shall be subject to the approval of the General Assembly [1898, p. 132].

25. The Moderator, with the Stated and Permanent Clerks, should an emergency requiring action at any time arise, are authorized to provide a new place of meeting for the General Assembly.

GENERAL RULES FOR JUDICATORIES.

The following "General Rules for Judicatories," not having been submitted to the Presbyteries, make no part of the Constitution of the Presbyterian Church. Yet the General Assembly of 1871, considering uniformity in proceedings in all the subordinate judicatories as greatly conducive to order and despatch in business, having revised and approved these rules, recommended them to all the lower judicatories of the Church for adoption. The rules were amended by the General Assemblies of 1885 and 1887.]

I. The Moderator shall take the chair precisely at the hour to which the judicatory stands adjourned; and shall immediately call the members to order; and, on the appearance of a quorum, shall open the session with prayer.

II. If a quorum be assembled at the time appointed, and the Moderator be absent, the last Moderator present, *being a commissioner*, or if there be none, the senior member present, shall be requested to take his place without delay, until a new election.

III. If a quorum be not assembled at the hour appointed, any two members shall be competent to adjourn from time to time, that an opportunity may be given for a quorum to assemble.

IV. It shall be the duty of the Moderator, at all times, to preserve order, and to endeavor to conduct all business before the judicatory to a speedy and proper result.

V. It shall be the duty of the Moderator, carefully to keep notes of the several articles of business which may be assigned for particular days, and to call them up at the time appointed.

VI. The Moderator may speak to points of order, in preference to other members, rising from his seat for that purpose; and shall decide questions of order, subject to an appeal to the judicatory by any two members.

VII. The Moderator shall appoint all committees, except in those cases in which the judicatory shall decide otherwise. In appointing the standing committees, the Moderator may appoint a Vice-Moderator, who may occupy the chair at his request, and otherwise assist him in the discharge of his duties.

VIII. When a vote is taken by ballot in any judicatory, the Moderator shall vote with the other members; but he shall not vote in any other case, unless the judicatory be equally divided; when, if he does not choose to vote, the question shall be lost.

IX. The person first named on any committee shall be considered as the chairman thereof, whose duty it shall be to convene the committee; and, in case of his absence or inability to act, the second named member shall take his place and perform his duties.

X. It shall be the duty of the clerk, as soon as possible after the commencement of the sessions of every judicatory, to form a complete roll of the members present, and put the same into the hands of the Moderator. And it shall also be the duty of the clerk, whenever any additional members take their seats, to add their names, in their proper places, to the said roll.

XI. It shall be the duty of the clerk immediately to file all papers, in the order in which they have been read, with proper indorsements, and to keep them in perfect order. The Stated Clerk shall receive all overtures, memorials and miscellaneous papers addressed to the judicatory; shall make record of the same and deliver them to the Committee on Bills and Overtures for appropriate disposition or reference. This committee shall have the floor on the reassembling of the judicatory after each adjournment, to report its recommendations as to reference of papers, and this right of the committee shall take precedence of the Orders of the Day. This committee shall report the papers retained by it as well as those recommended for reference to other committees, and no committee shall report on matters which have not been referred to it by the judicatory.

XII. The minutes of the last meeting of the judicatory shall be presented at the commencement of its session, and, if requisite, read and corrected.

XIII. Business left unfinished at the last sitting is ordinarily to be taken up first.

XIV. A motion made must be seconded, and afterwards repeated by the Moderator, or read aloud, before it is debated; and every motion shall be reduced to writing, if the Moderator or any member require it.

XV. Any member who shall have made a motion, shall have liberty to withdraw it, with the consent of his second, before any debate has taken place thereon; but not afterwards, without the leave of the judicatory.

XVI. If a motion under debate contain several parts, any two members may have it divided, and a question taken on each part.

XVII. When various motions are made with respect to the filling of blanks, with particular numbers or times, the question shall always be first taken on the highest number and the longest time.

XVIII. Motions to lay on the table, to take up business, to adjourn, and the call for the previous question, shall be put without debate. On questions of order, postponement, or commitment, no member shall speak more than once. On all other questions, each member may speak twice, but not oftener, without express leave of the judicatory.

XIX. When a question is under debate, no motion shall be received, unless to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit, or to amend; which several motions shall have precedence in the order in which they are herein arranged; and the motion for adjournment shall always be in order.

XX. An amendment, and also an amendment to an amendment, may be moved on any motion; but a motion to amend an amendment to an amendment shall not be in order. Action on amendments shall precede action on the original motion. A substitute shall be treated as an amendment.

XXI. A distinction shall be observed between a motion to lay on the table *for the present*, and a motion to lay on the table *unconditionally*, namely: for the motion to lay on the table, *for the present*, shall be taken without debate; and, if carried in the affirmative, the effect shall be to place the subject on the docket, and it may be taken up and considered at any subsequent time. But a motion to lay on the table, *unconditionally*, shall be taken without debate; and, if carried in the affirmative, it shall not be in order to take up the subject during the same meeting of the judicatory, without a vote of reconsideration.

XXII. The previous question shall be put in this form, namely, Shall the main question be now put? It shall only be admitted when demanded by a majority of the members present; and the effect shall be to put an end to all debate and bring the body to a direct vote: First, on a motion to commit the subject under consideration (if such motion shall have been made); secondly, if the motion for commitment does not prevail, on pending amendments; and lastly, on the main question.

XXIII. A question shall not be again called up or reconsidered at the same sessions of the judicatory at which it has been decided, unless by the consent of two-thirds of the members who were present at the decision; and unless the motion to reconsider be made and seconded by persons who voted with the majority.

XXIV. A subject which has been indefinitely postponed, either by the operation of the previous question, or by a motion for indefinite postponement, shall not be again called up during the same sessions of the judicatory, unless by the consent of three-fourths of the members who were present at the decision.

XXV. Members ought not, without weighty reasons, to decline voting, as this practice might leave the decision of very interesting questions to a small proportion of the judicatory. Silent members, unless excused from voting, must be considered as acquiescing with the majority.

XXVI. When the Moderator has commenced taking the vote, no further debate or remark shall be admitted, unless there has evidently been a mistake, in which case the mistake shall be rectified, and the Moderator shall recommence taking the vote. If the House shall pass the motion to "vote on a given subject at a time named," speeches shall thereafter be limited to ten minutes. Should the hour for adjournment or recess arrive during the voting, it shall be postponed to finish the vote, unless the majority shall vote to adjourn; in which case the voting shall, on the reassembling of the House, take precedence of all other business till it is finished. Under this rule the "yeas and nays" shall not be called, except on the final motion to adopt as a whole. This motion to fix a time for voting shall be put without debate.

XXVII. The yeas and nays on any question shall not be recorded, unless required by one-third of the members present. If division is called for on any vote, it shall be by a rising vote, without a count. If on such a rising

vote the Moderator is unable to decide, or a quorum rise to second a call for "tellers," then the vote shall be taken by rising, and the count made by tellers, who shall pass through the aisles and report to the Moderator the number voting on each side.

XXVIII. No member, in the course of debate, shall be allowed to indulge in personal reflections.

XXIX. If more than one member rise to speak at the same time, the member who is most distant from the Moderator's chair shall speak first. In the discussion of all matters where the sentiment of the House is divided, it is proper that the floor should be occupied alternately by those representing the different sides of the question.

XXX. When more than three members of the judicatory shall be standing at the same time, the Moderator shall require all to take their seats, the person only excepted who may be speaking.

XXXI. Every member, when speaking, shall address himself to the Moderator, and shall treat his fellow-members, and especially the Moderator, with decorum and respect.

XXXII. No speaker shall be interrupted, unless he be out of order; or for the purpose of correcting mistakes, or misrepresentations.

XXXIII. Without express permission, no member of a judicatory, while business is going on, shall engage in private conversation; nor shall members address one another, nor any person present, but through the Moderator.

XXXIV. It is indispensable, that members of ecclesiastical judicatories maintain great gravity and dignity while judicially convened; that they attend closely in their speeches to the subject under consideration, and avoid prolix and desultory harangues; and, when they deviate from the subject, it is the privilege of any member, and the duty of the Moderator, to call them to order.

XXXV. If any member act, in any respect, in a disorderly manner, it shall be the privilege of any member, and the duty of the Moderator, to call him to order.

XXXVI. If any member consider himself aggrieved by a decision of the Moderator, it shall be his privilege to appeal to the judicatory, and the question on the appeal shall be taken without debate.

XXXVII. No member shall retire from any judicatory without the leave of the Moderator, nor withdraw from it to return home without the consent of the judicatory.

XXXVIII. All judicatories have a right to sit in private, on business, which in their judgment ought not to be matter of public speculation.

XXXIX. Besides the right to sit judicially in private, whenever they think proper to do so, all judicatories have a right to hold what are commonly called "interlocutory meetings," in which members may freely converse together, without the formalities which are usually necessary in judicial proceedings.

XL. Whenever a judicatory is about to sit in a judicial capacity, it shall be the duty of the Moderator solemnly to announce, from the chair, that the body is about to pass to the consideration of the business assigned for trial, and to enjoin on the members to recollect and regard their high character as judges of a court of Jesus Christ, and the solemn duty in which they are about to act.

XLI. In all cases before a judicatory, where there is an accuser or prosecutor, it is expedient that there be a committee of the judicatory appointed (provided the number of members be sufficient to admit it without inconvenience), who shall be called the "Judicial Committee," and whose duty it shall be to digest and arrange all the papers, and to prescribe, under the direction of the judicatory, the whole order of proceedings. The members of this committee shall be entitled, notwithstanding their performance of this duty, to sit and vote in the cause, as members of the judicatory.

XLII. The permanent officers of a judicatory shall have the rights of corresponding members in matters touching their several offices.

XLIII. The Moderator of every judicatory above the Church Session, in finally closing its sessions, in addition to prayer, may cause to be sung, an appropriate psalm or hymn, and shall pronounce the apostolical benediction.

PHILADELPHIA, PA., July, 1901.

To the Ministers and Ruling Elders of the Presbyterian Church :—

DEAR BRETHREN :—At the last meeting of our General Assembly in Philadelphia the following Resolution was unanimously adopted :

“ WHEREAS, It is the obligation of the Church as a missionary organization to carry the message of salvation to every creature ; and

“ WHEREAS, To this end, as part of the Forward Movement of the Twentieth Century, evangelistic services, so called, may be made, with the Divine blessing, a powerful and efficient factor, especially in our cities ; therefore,

“ RESOLVED, That the Moderator be requested and authorized to appoint a special committee of twelve, to consist of six ministers and six elders, whose duty it shall be to stimulate the Churches in evangelistic work ; to consider the methods of such work and of its conduct in relation to the Churches ; and to report with recommendations to the next General Assembly.”

As members of this Committee we desire to make the following preliminary statement :

First. We hope to be able with your help to stimulate evangelistic effort throughout the bounds of our entire Church. Such work we believe to be of inestimable value, and at the same time we realize that it should be carefully regulated.

Second. We would suggest wherever it is possible, and particularly in the larger cities, that summer services be conducted after the manner of the Philadelphia tent campaign. It will be our pleasure to furnish you with information concerning the organization necessary for such a campaign.

Third. We also suggest that great good might be accomplished by special conferences arranged for pastors and church officers. Such gatherings could be held in the fall, possibly in connection with the regular meetings of Presbyteries. The annual meeting of the members of the New York Presbytery at Riverdale has been of great value to the pastors in their winter's work. The members of this Committee would be glad, whenever it is possible, to attend such gatherings, or they may, in case of their inability to be present, be able to suggest the names of those whose services would be most helpful.

Fourth. We believe that a time of great spiritual blessing is just before the Church, and we desire with you to make this year's work the best ever known. We are prepared to suggest to you for your consideration the names of thoroughly approved and successful evangelists.

In order to assist the Committee in the discharge of its duty, suggestions are invited as to what may be done for the accomplishment of the object in view, and information is requested as to methods already tried, whether successful or otherwise, and as to the requirements to meet local conditions, etc.

If we can do anything to further the interests of our beloved Church in general and your own work in particular, please command us.

Yours cordially,

JOHN H. CONVERSE, <i>Chairman,</i>
